I don't think I'll be needing you guys, but
just in case, I've healed your bodies.

If Gokou and Vegita can't beat him,
there's no way we'll be able to win either.

If Gokou and Vegita can't beat him,
there's no way we'll be able to win either.

If Gokou and Vegita can't beat him,
there's no way we'll be able to win either.

That's true, but...

You're saying that if you don't need us, then
we'll lose our bodies, and just become spirits?

What? What're you doing?

This is the greatest place I've ever been to.

There are lots of strong guys everywhere.
It's starting to reawaken
the Warrior's Blood in me.

What's wrong?! The cat got your tongue?!

Well, I'm not having any fun here,
so could you please be serious,
or was that everything you got.

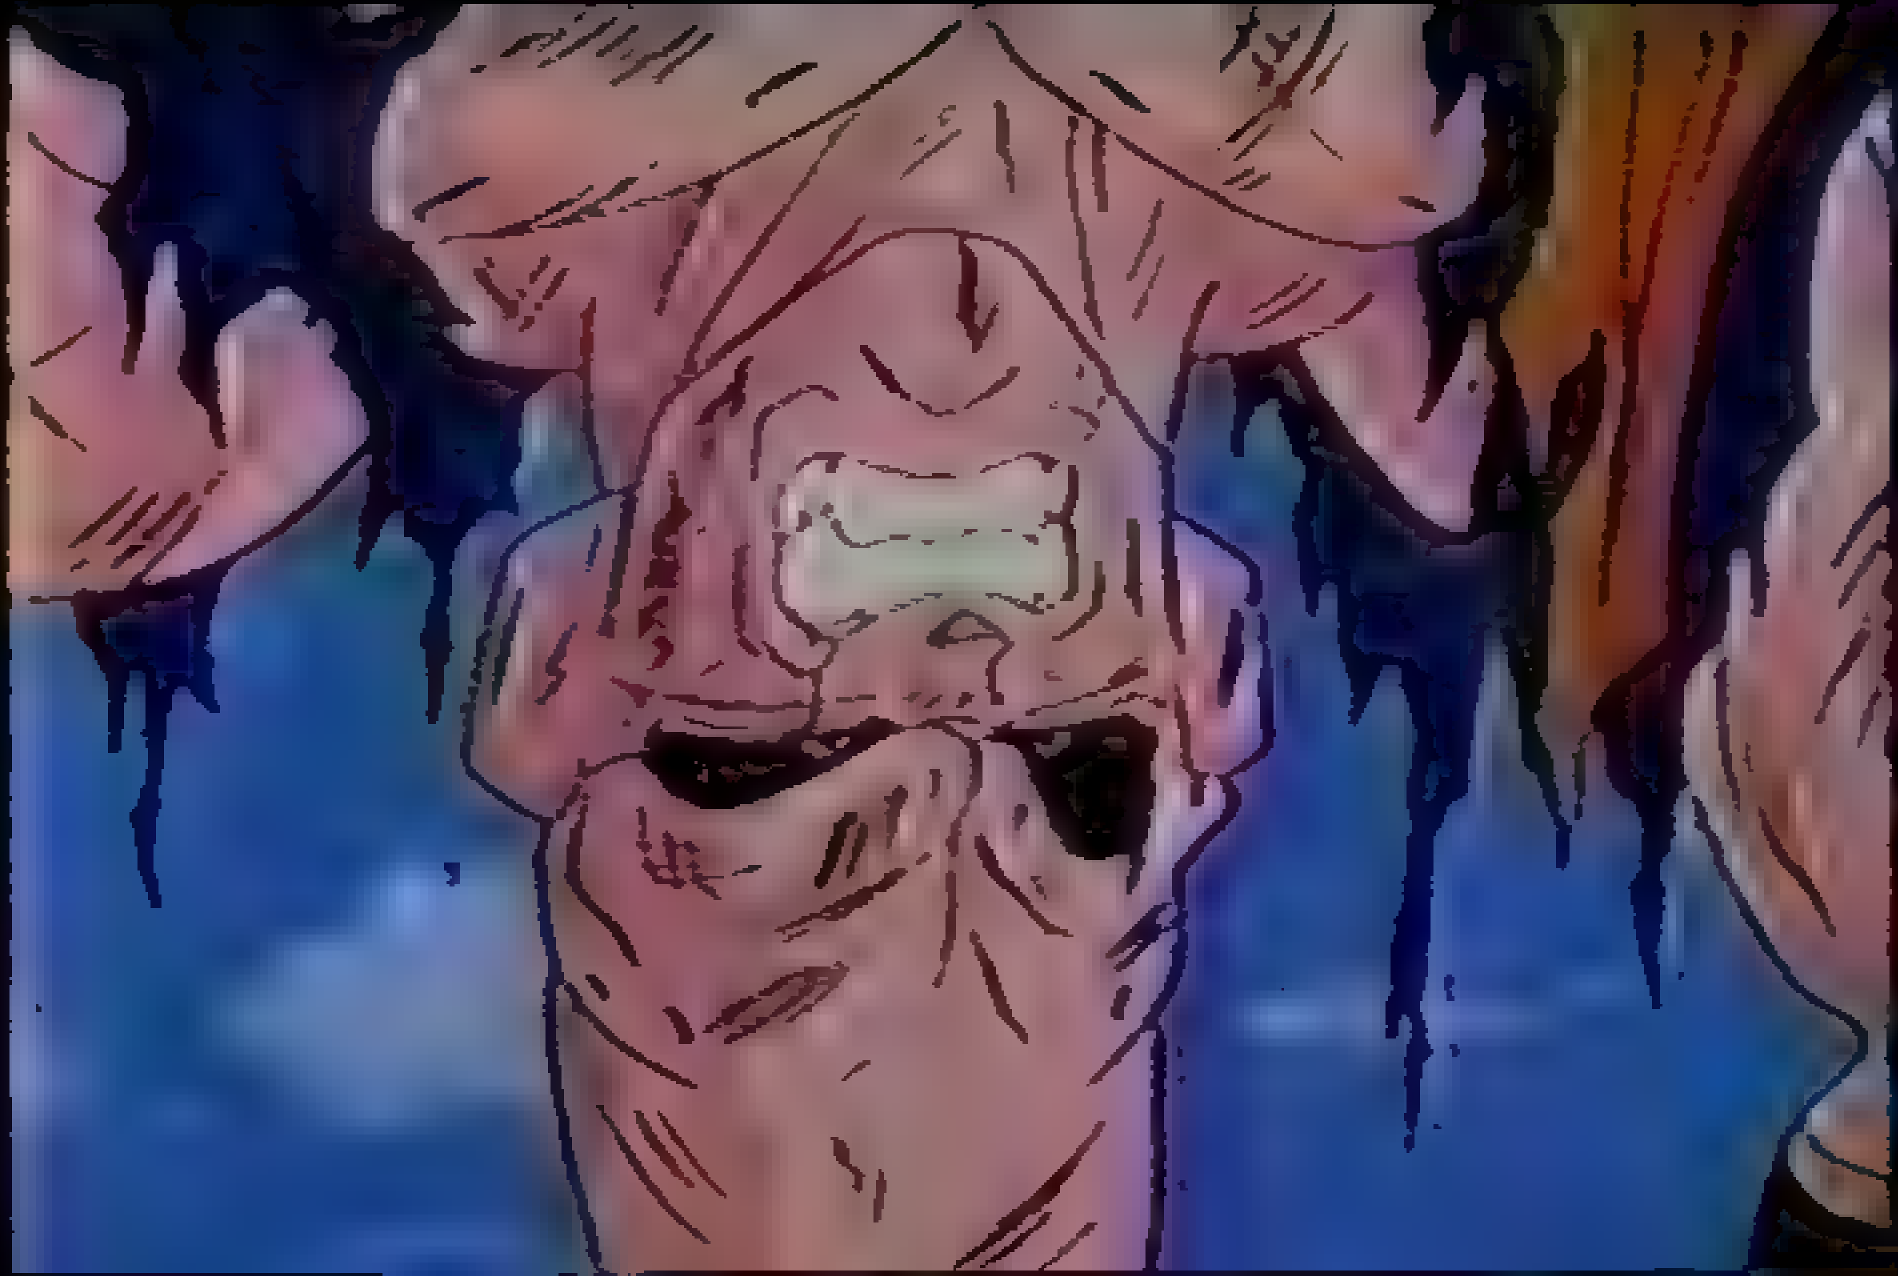

Well, I'm not having any fun here,
so could you please be serious,
or was that everything you got.

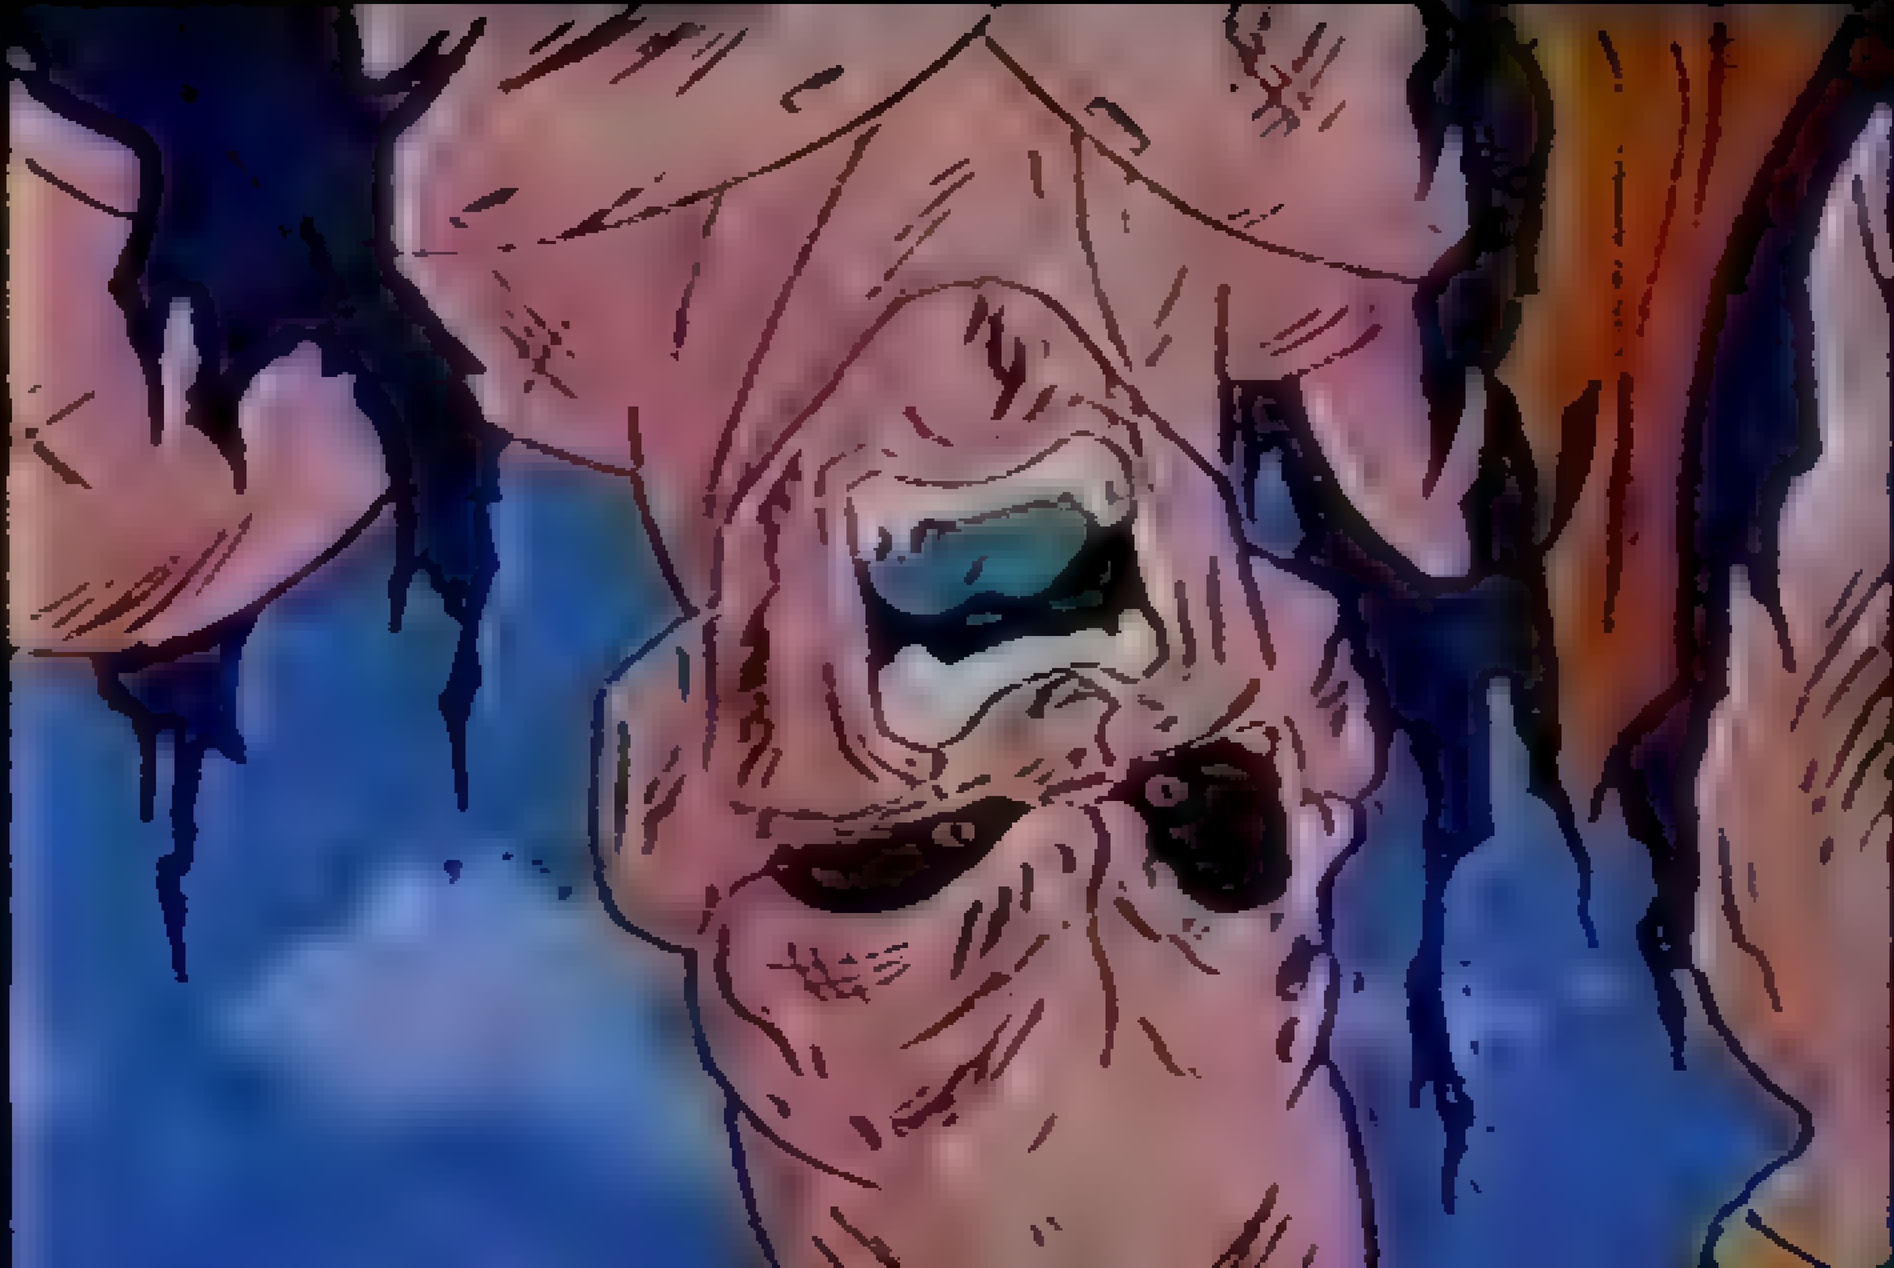

Well, I'm not having any fun here,
so could you please be serious,
or was that everything you got.

I'm sorry to make you look so stupid.

I'm sorry to make you look so stupid.

I'm sorry to make you look so stupid.

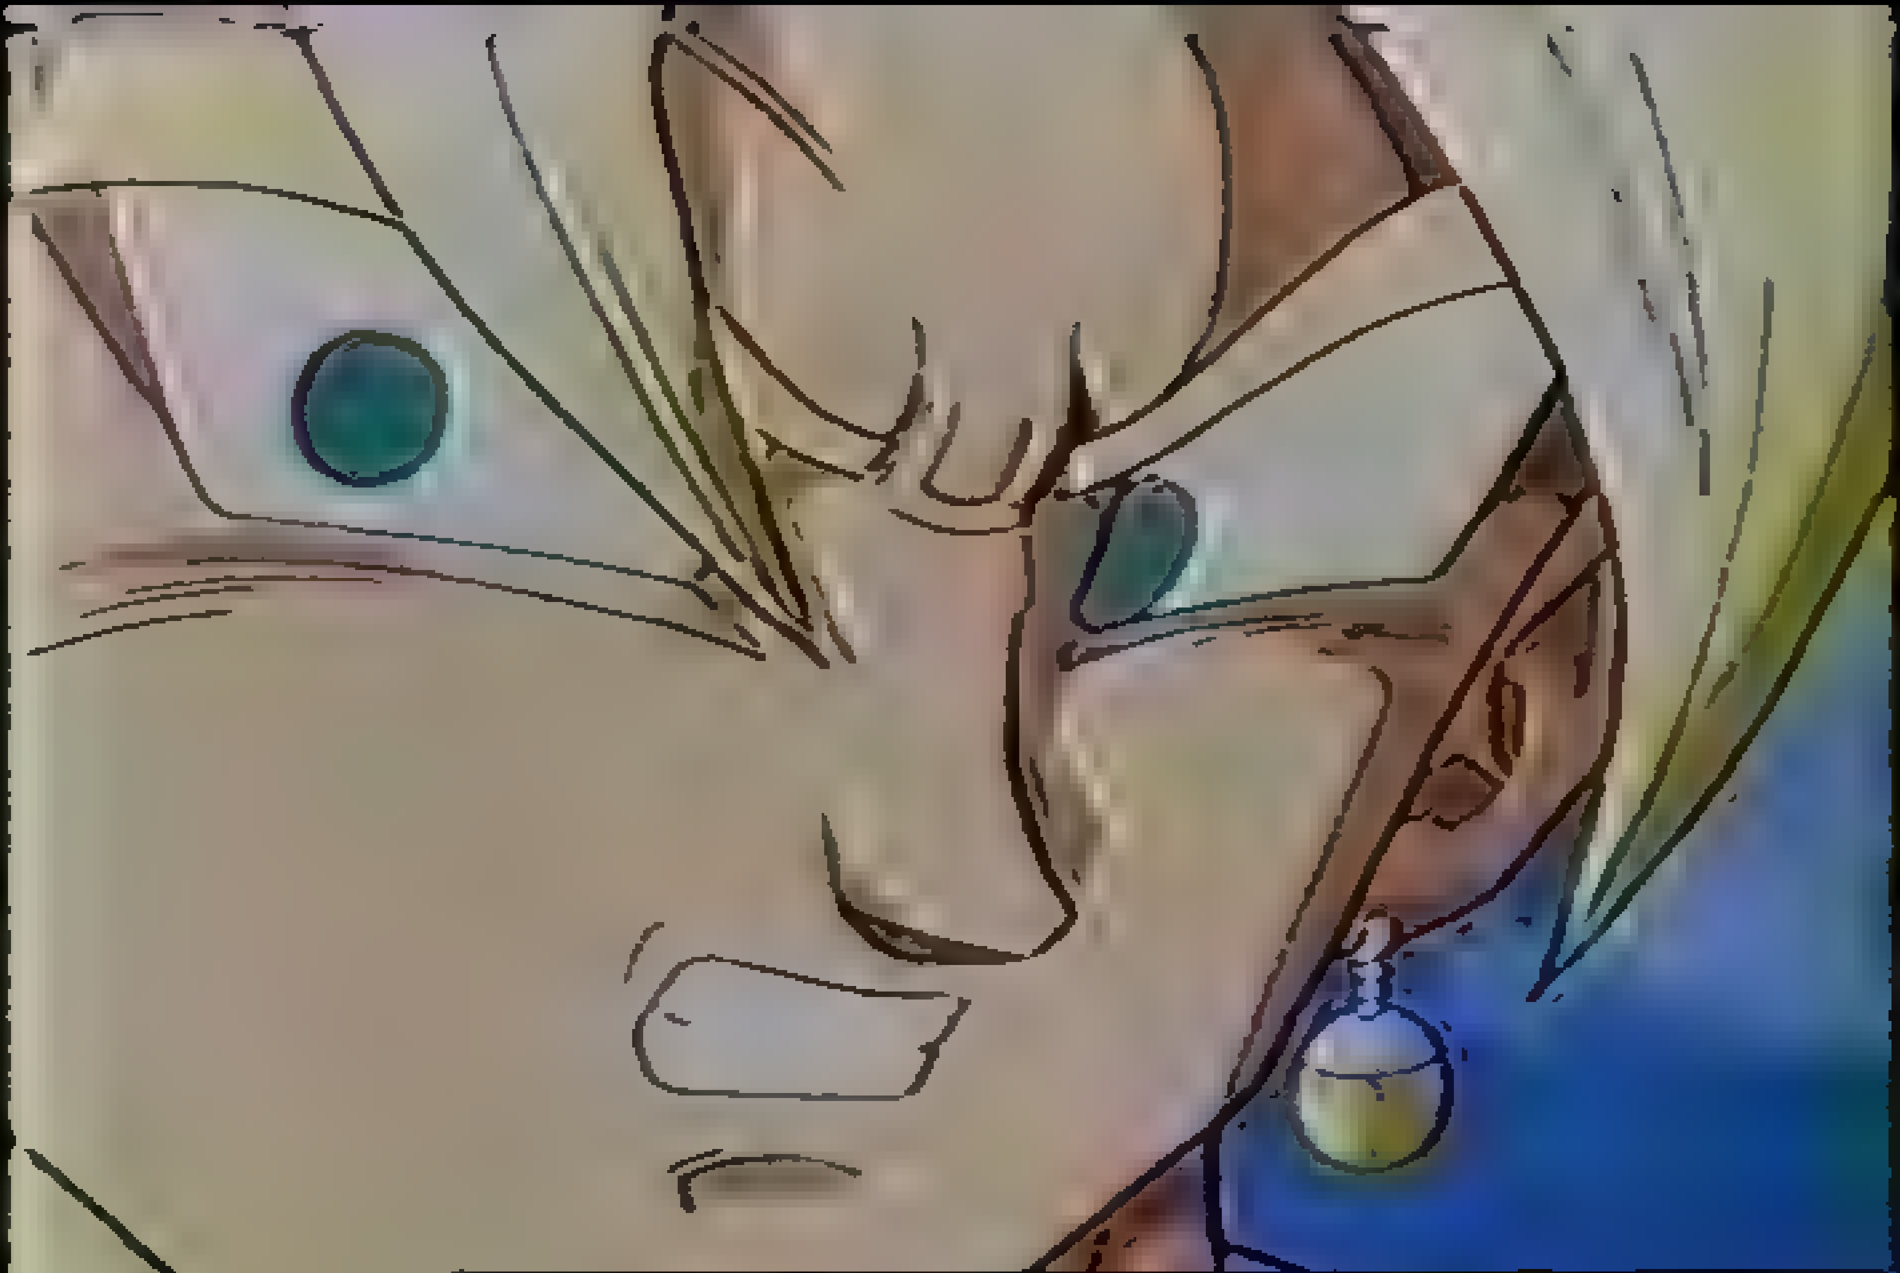

You son of a bitch!

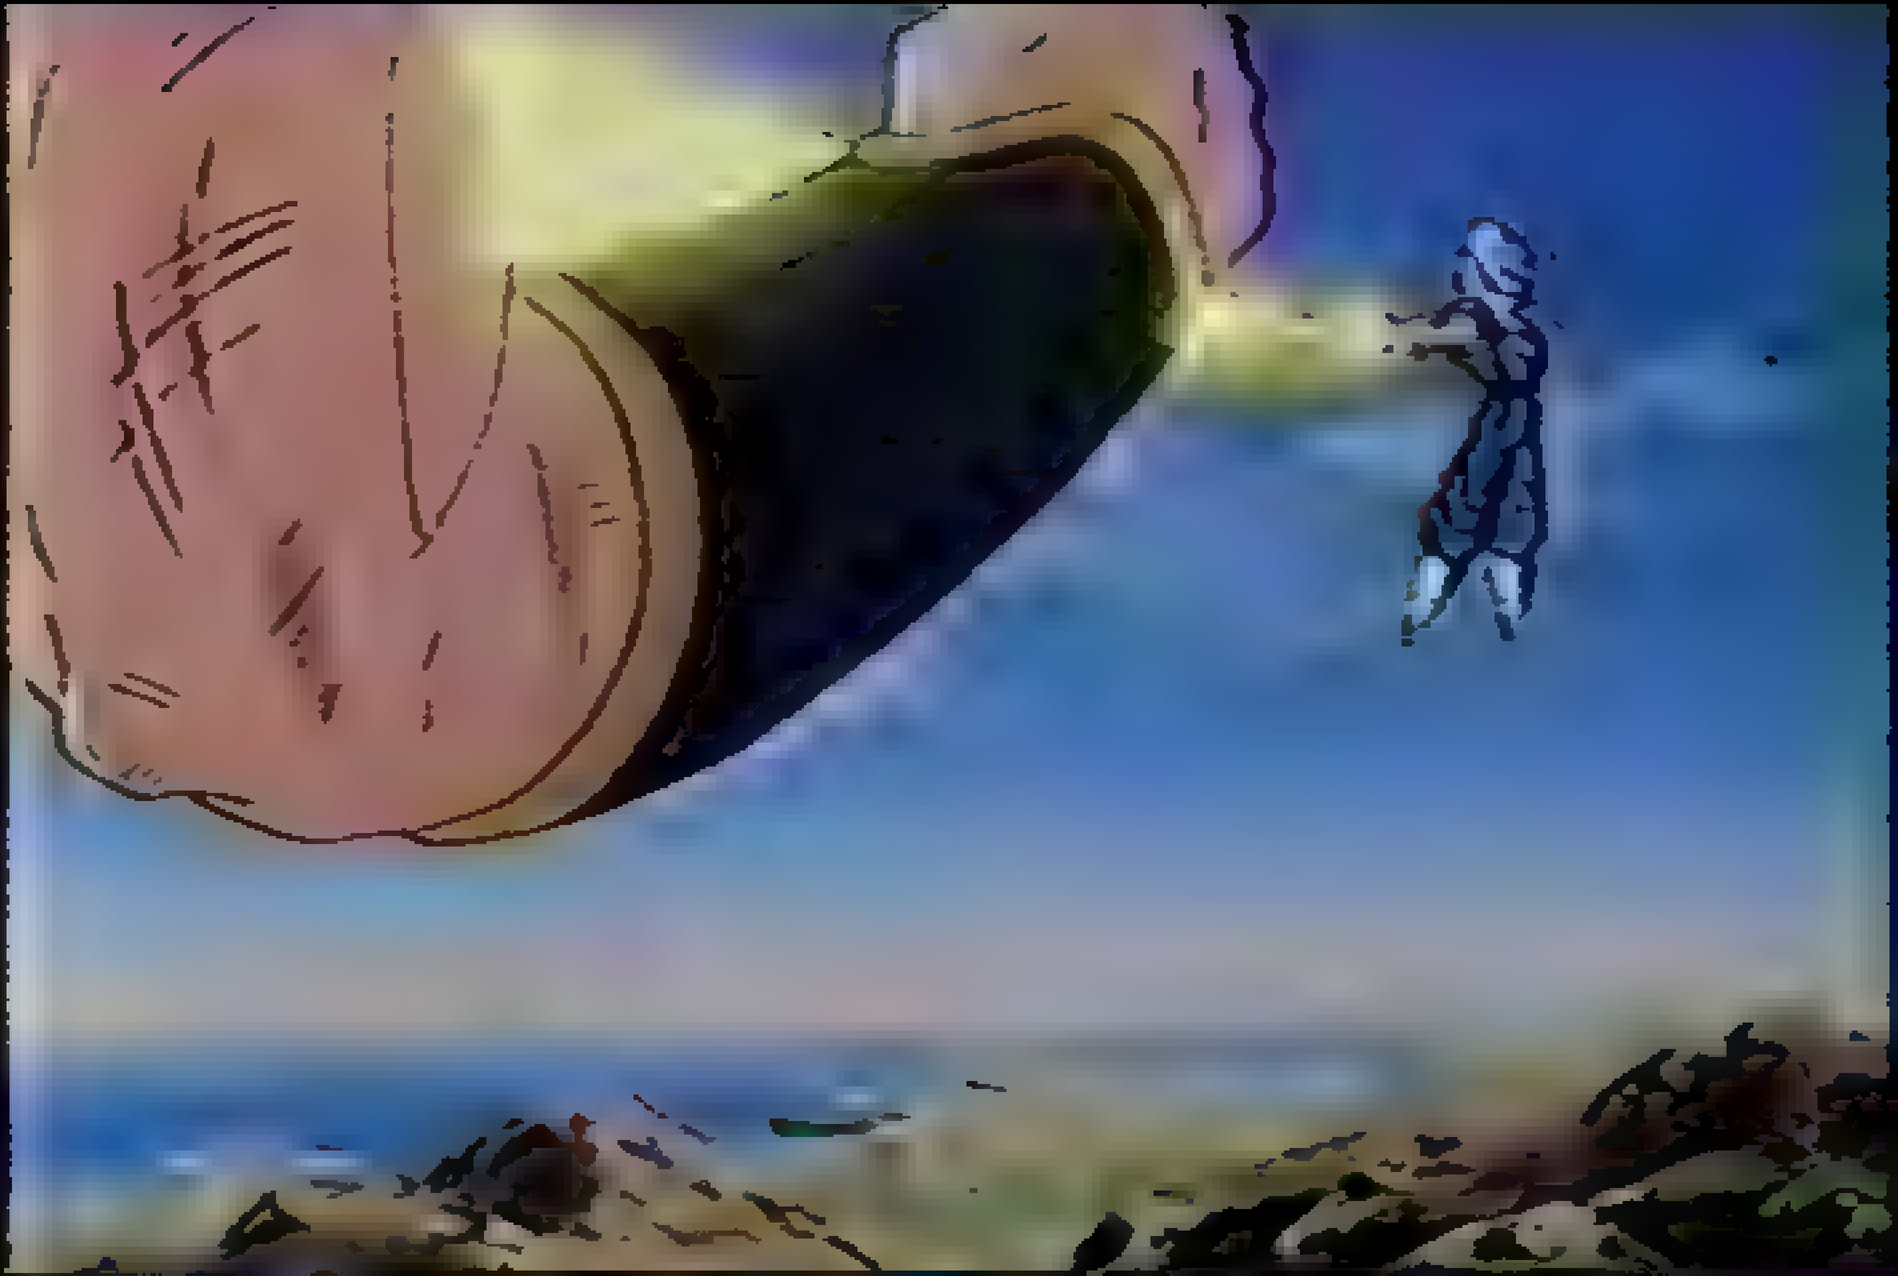

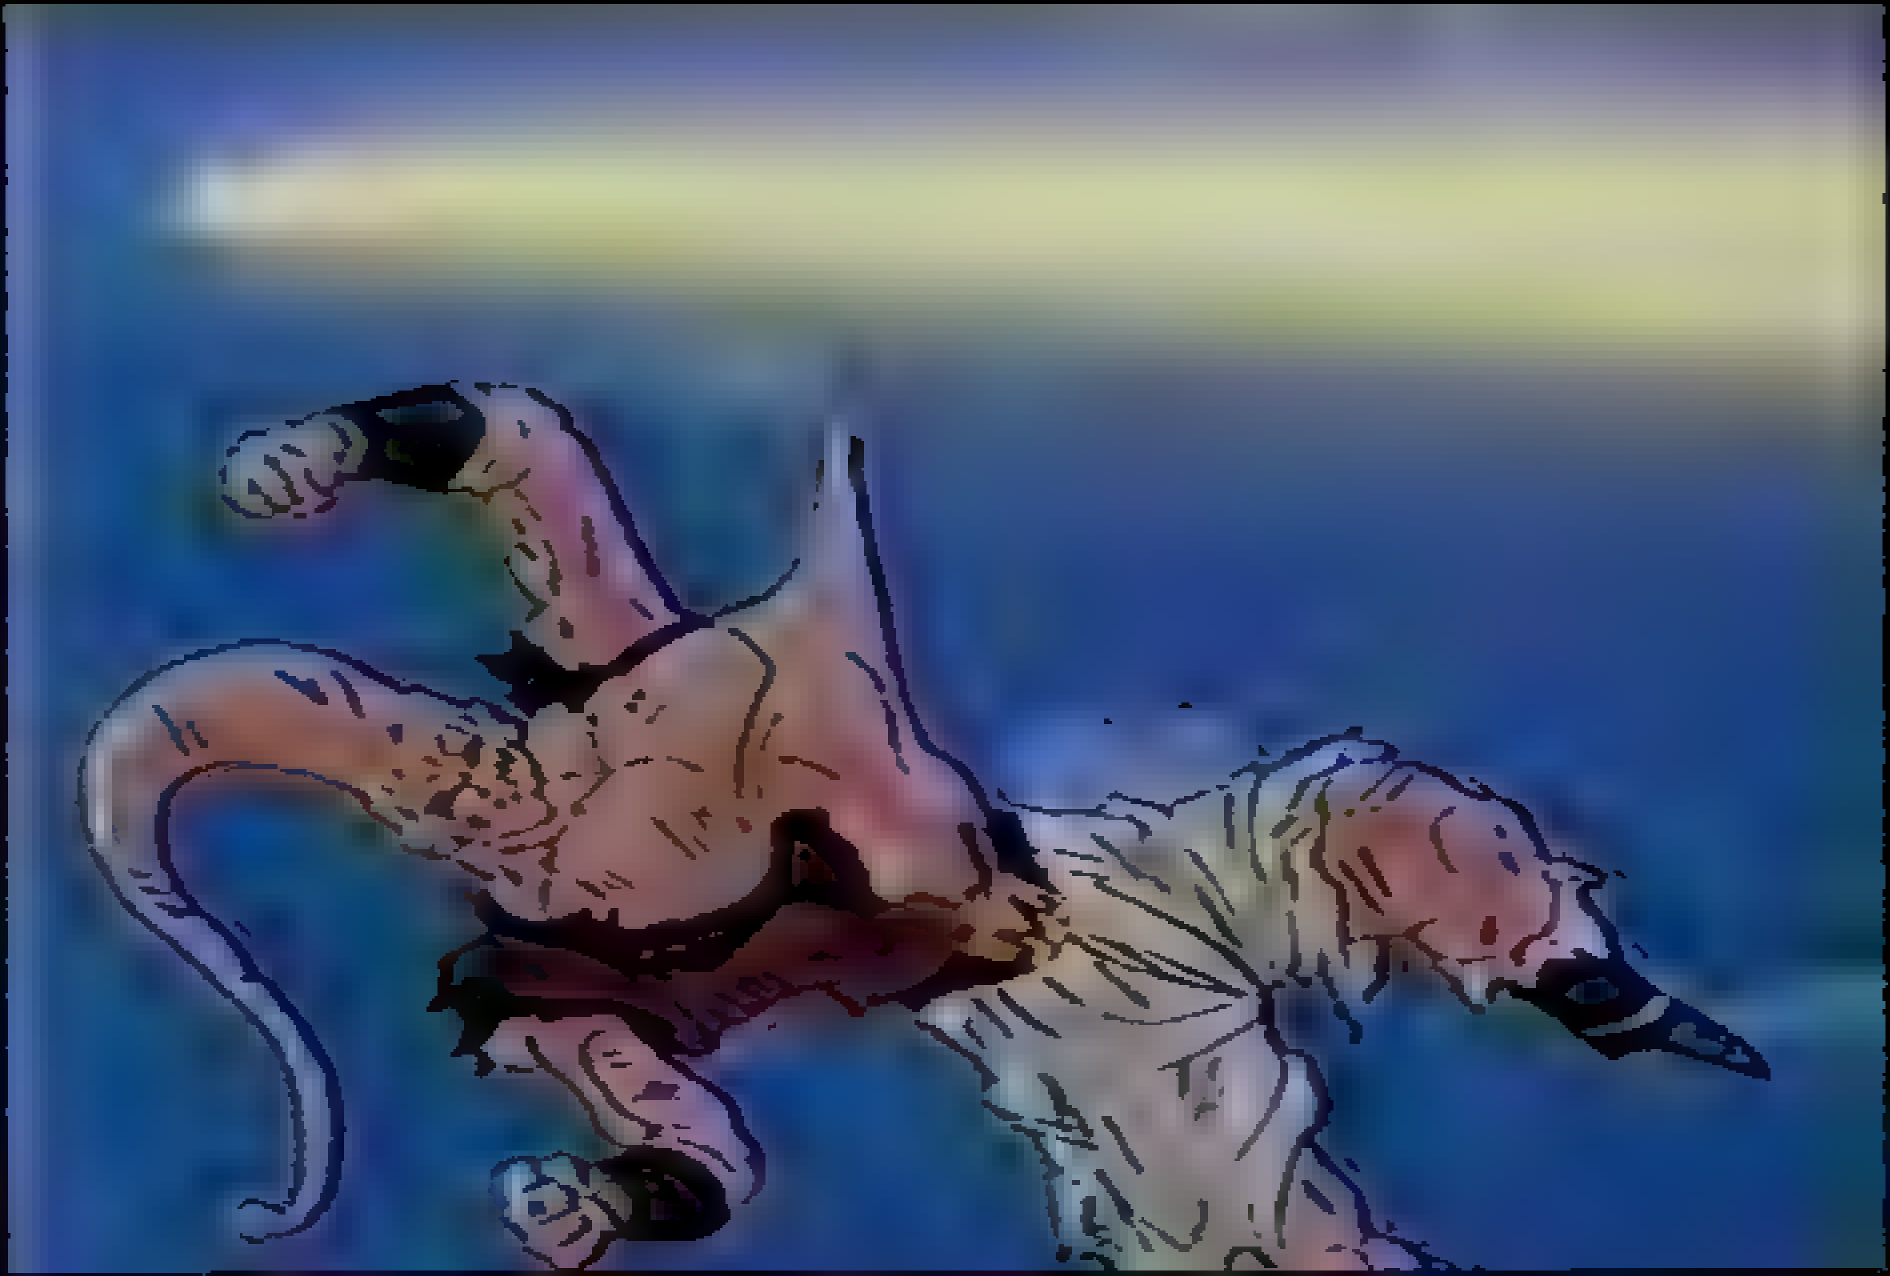

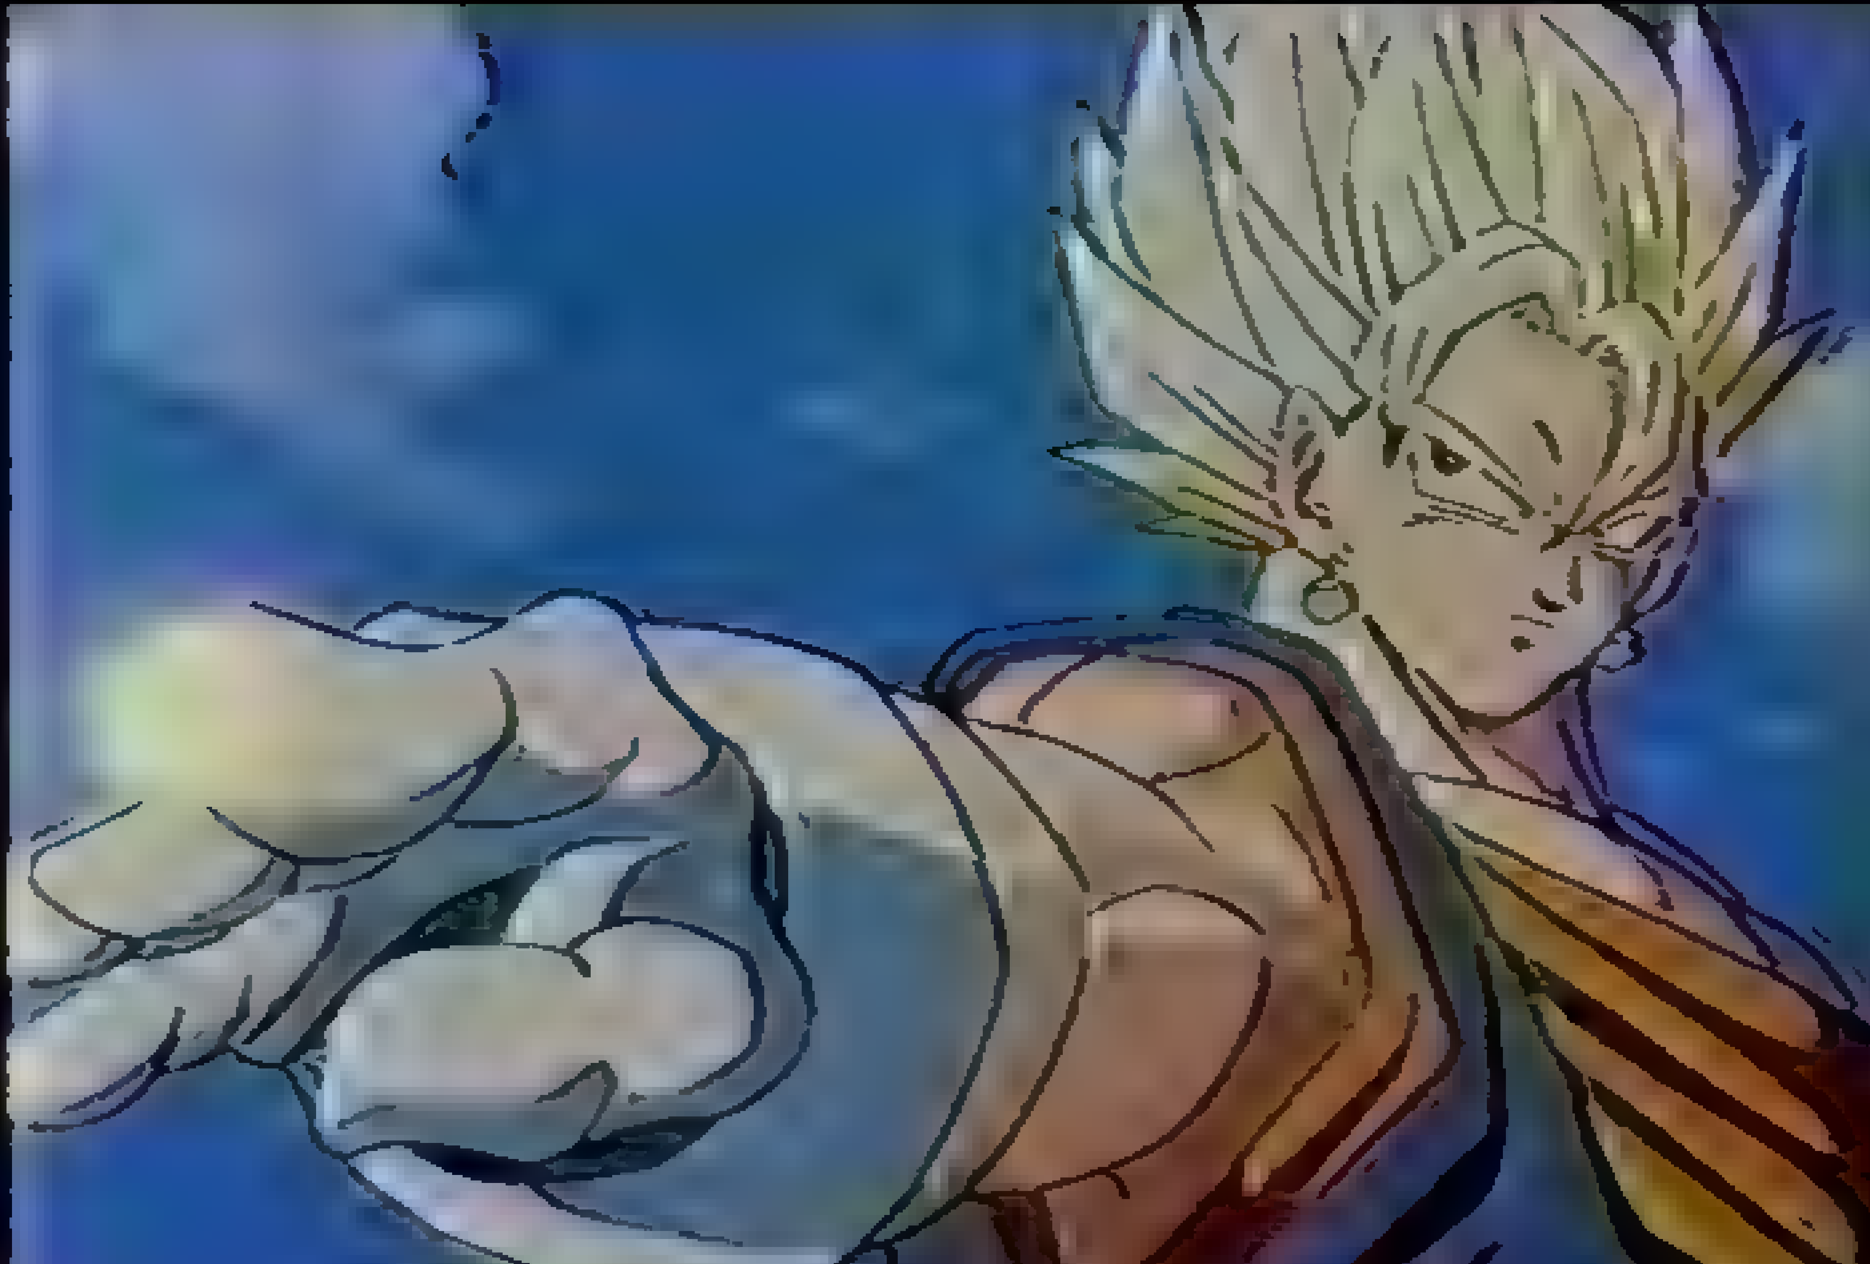

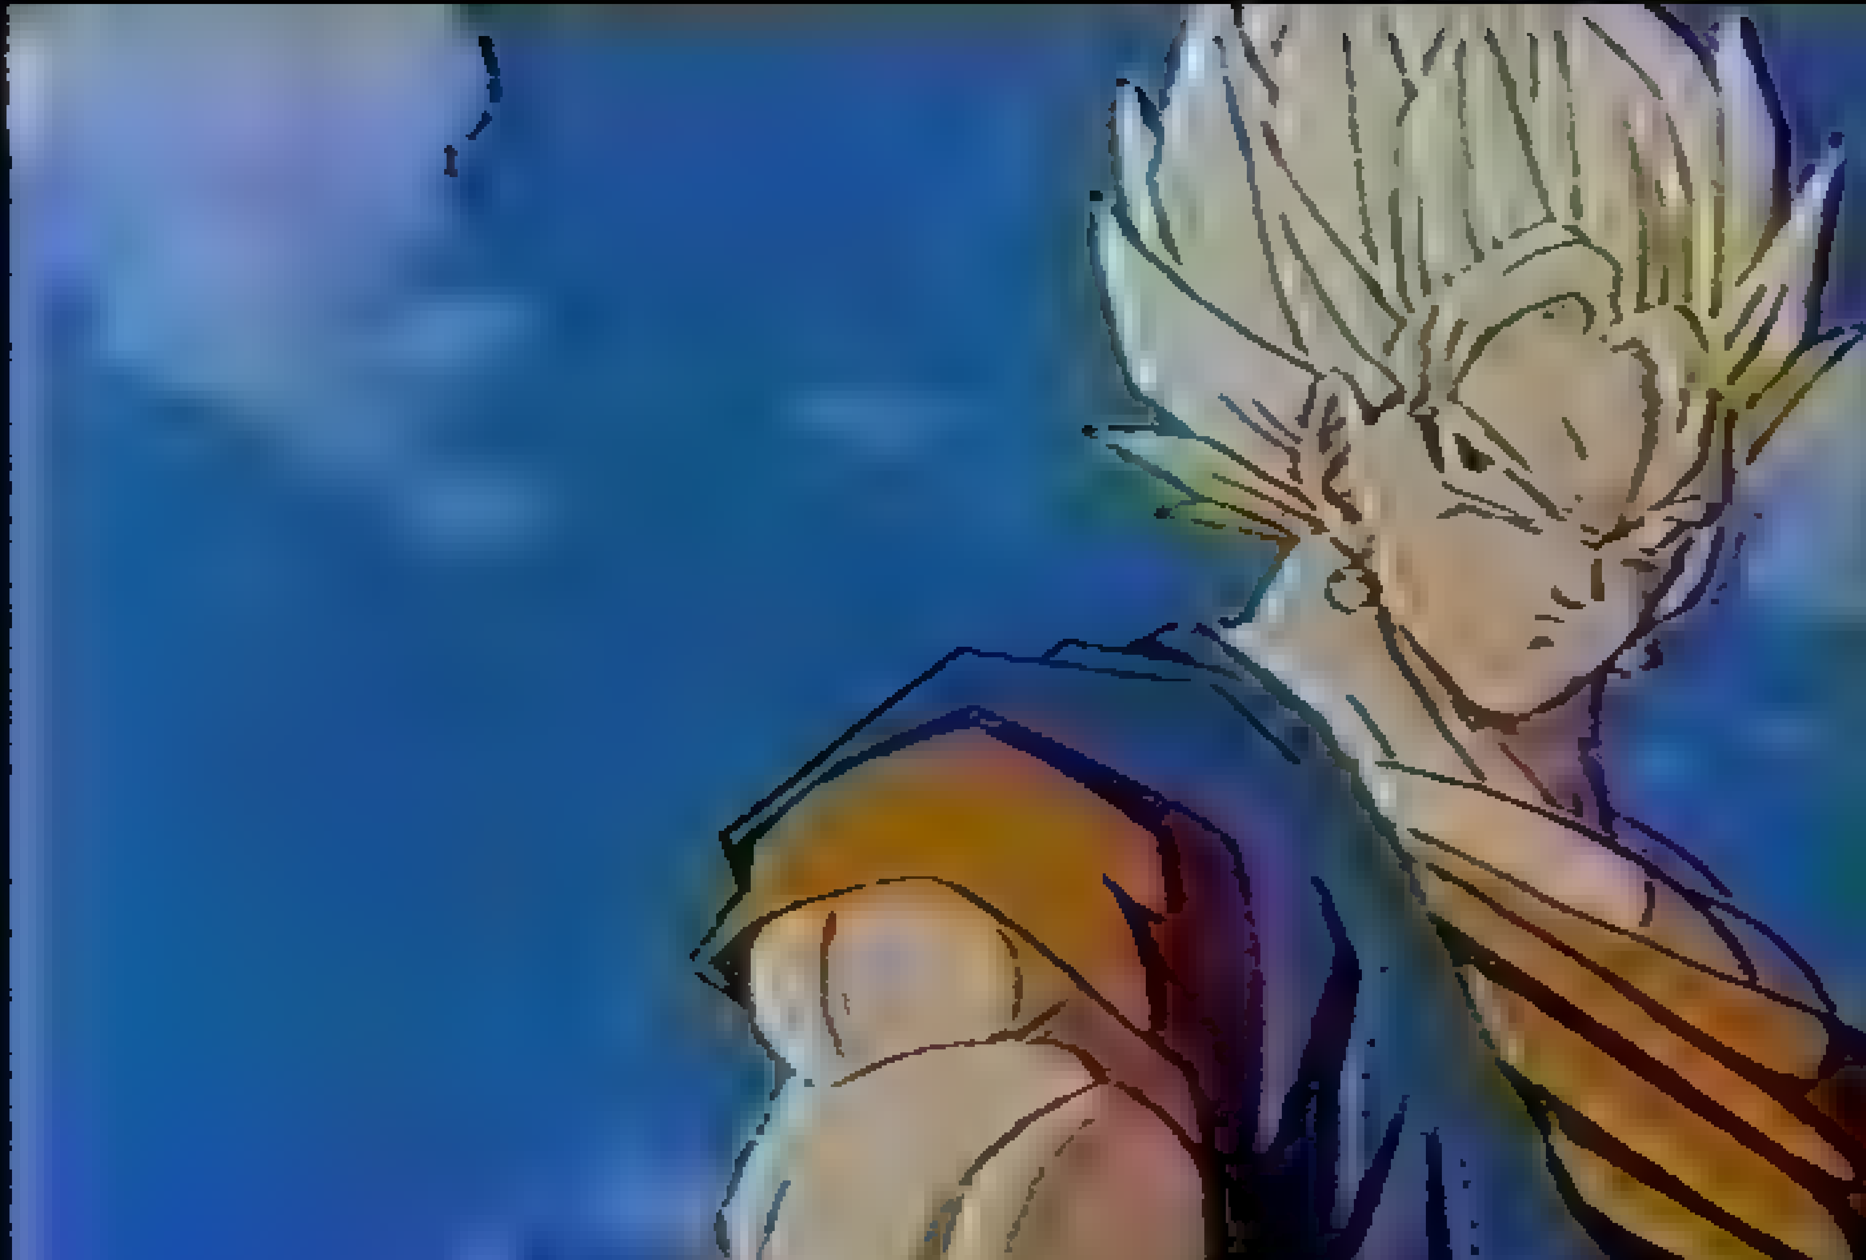

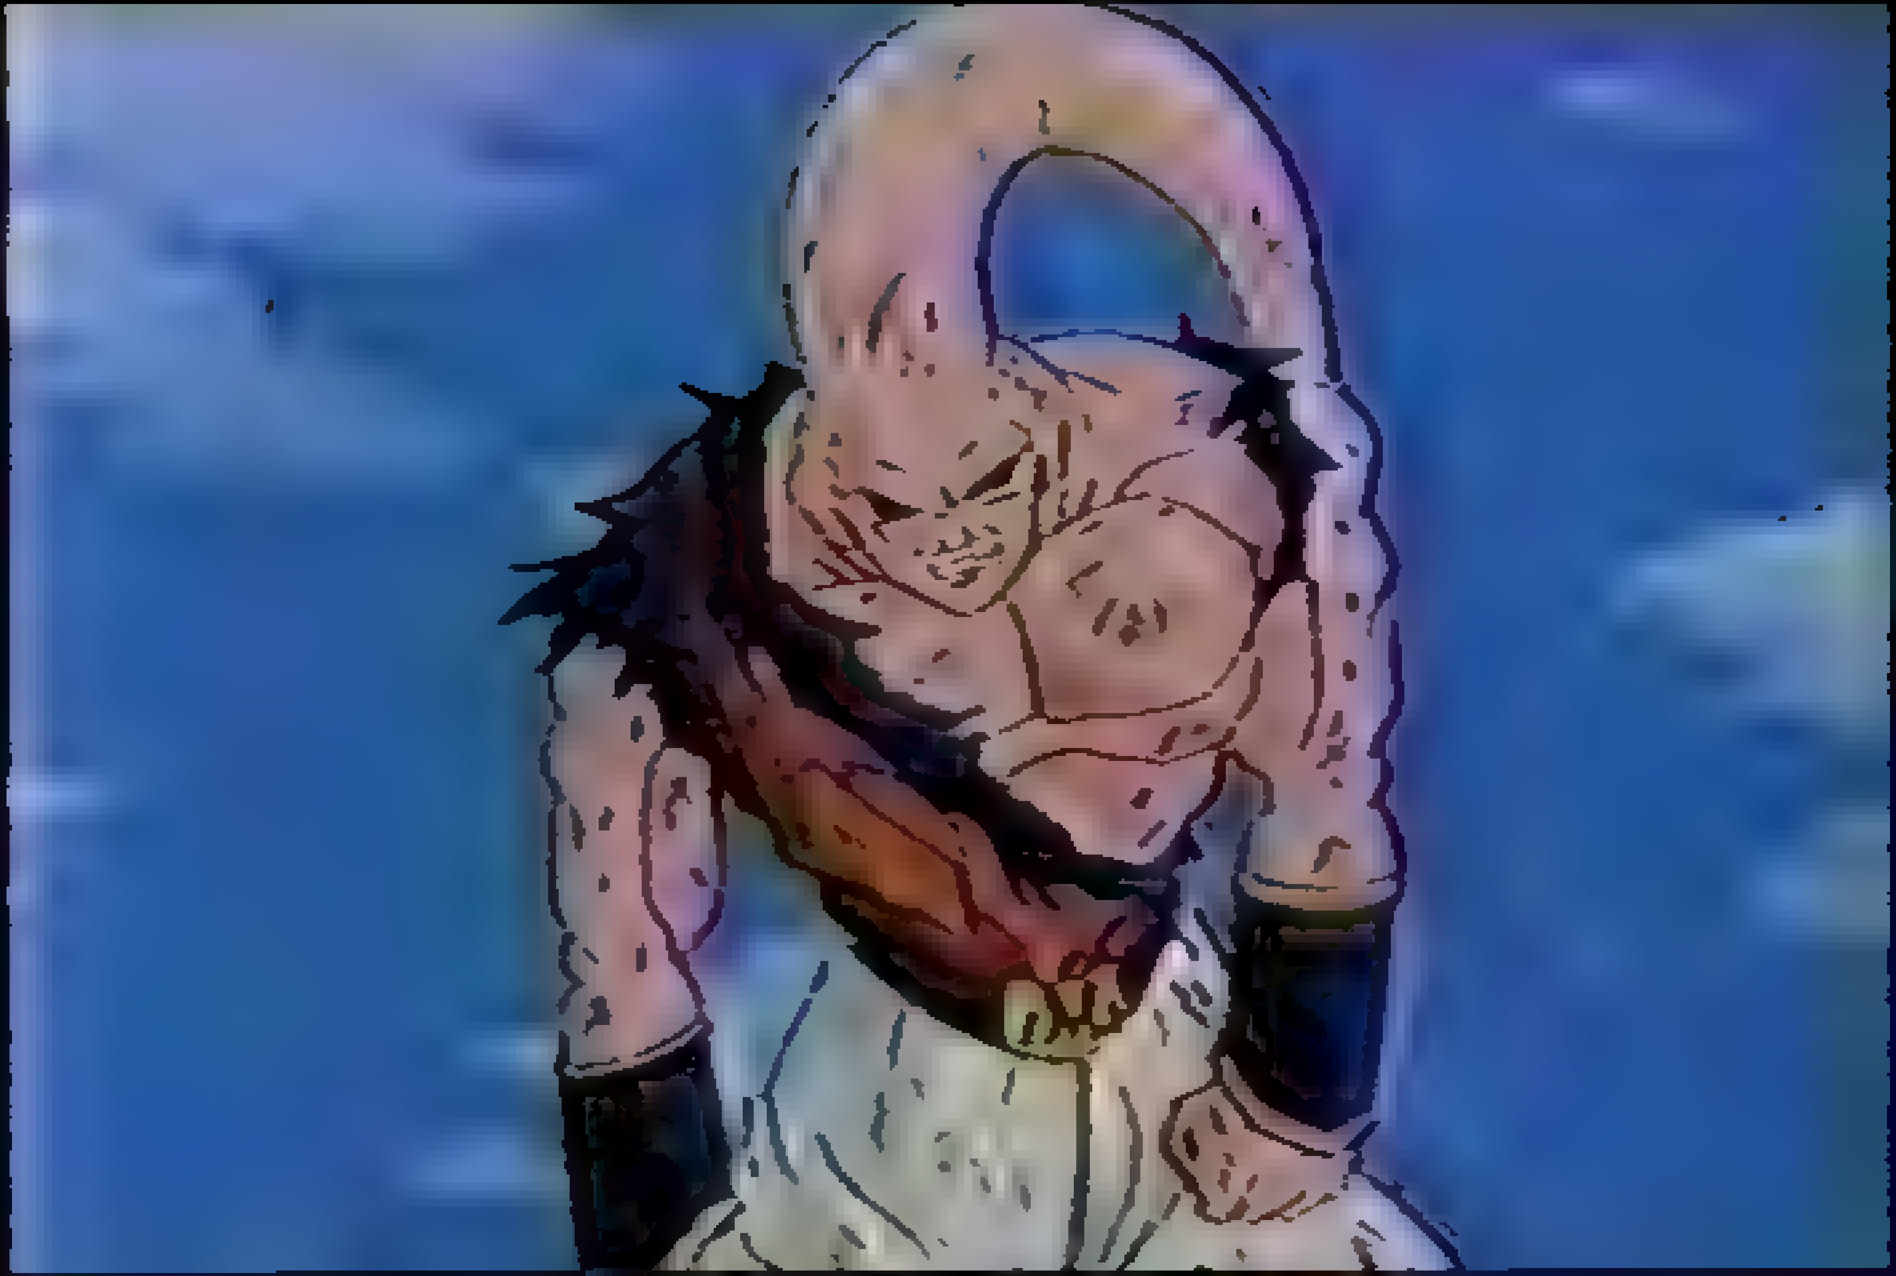

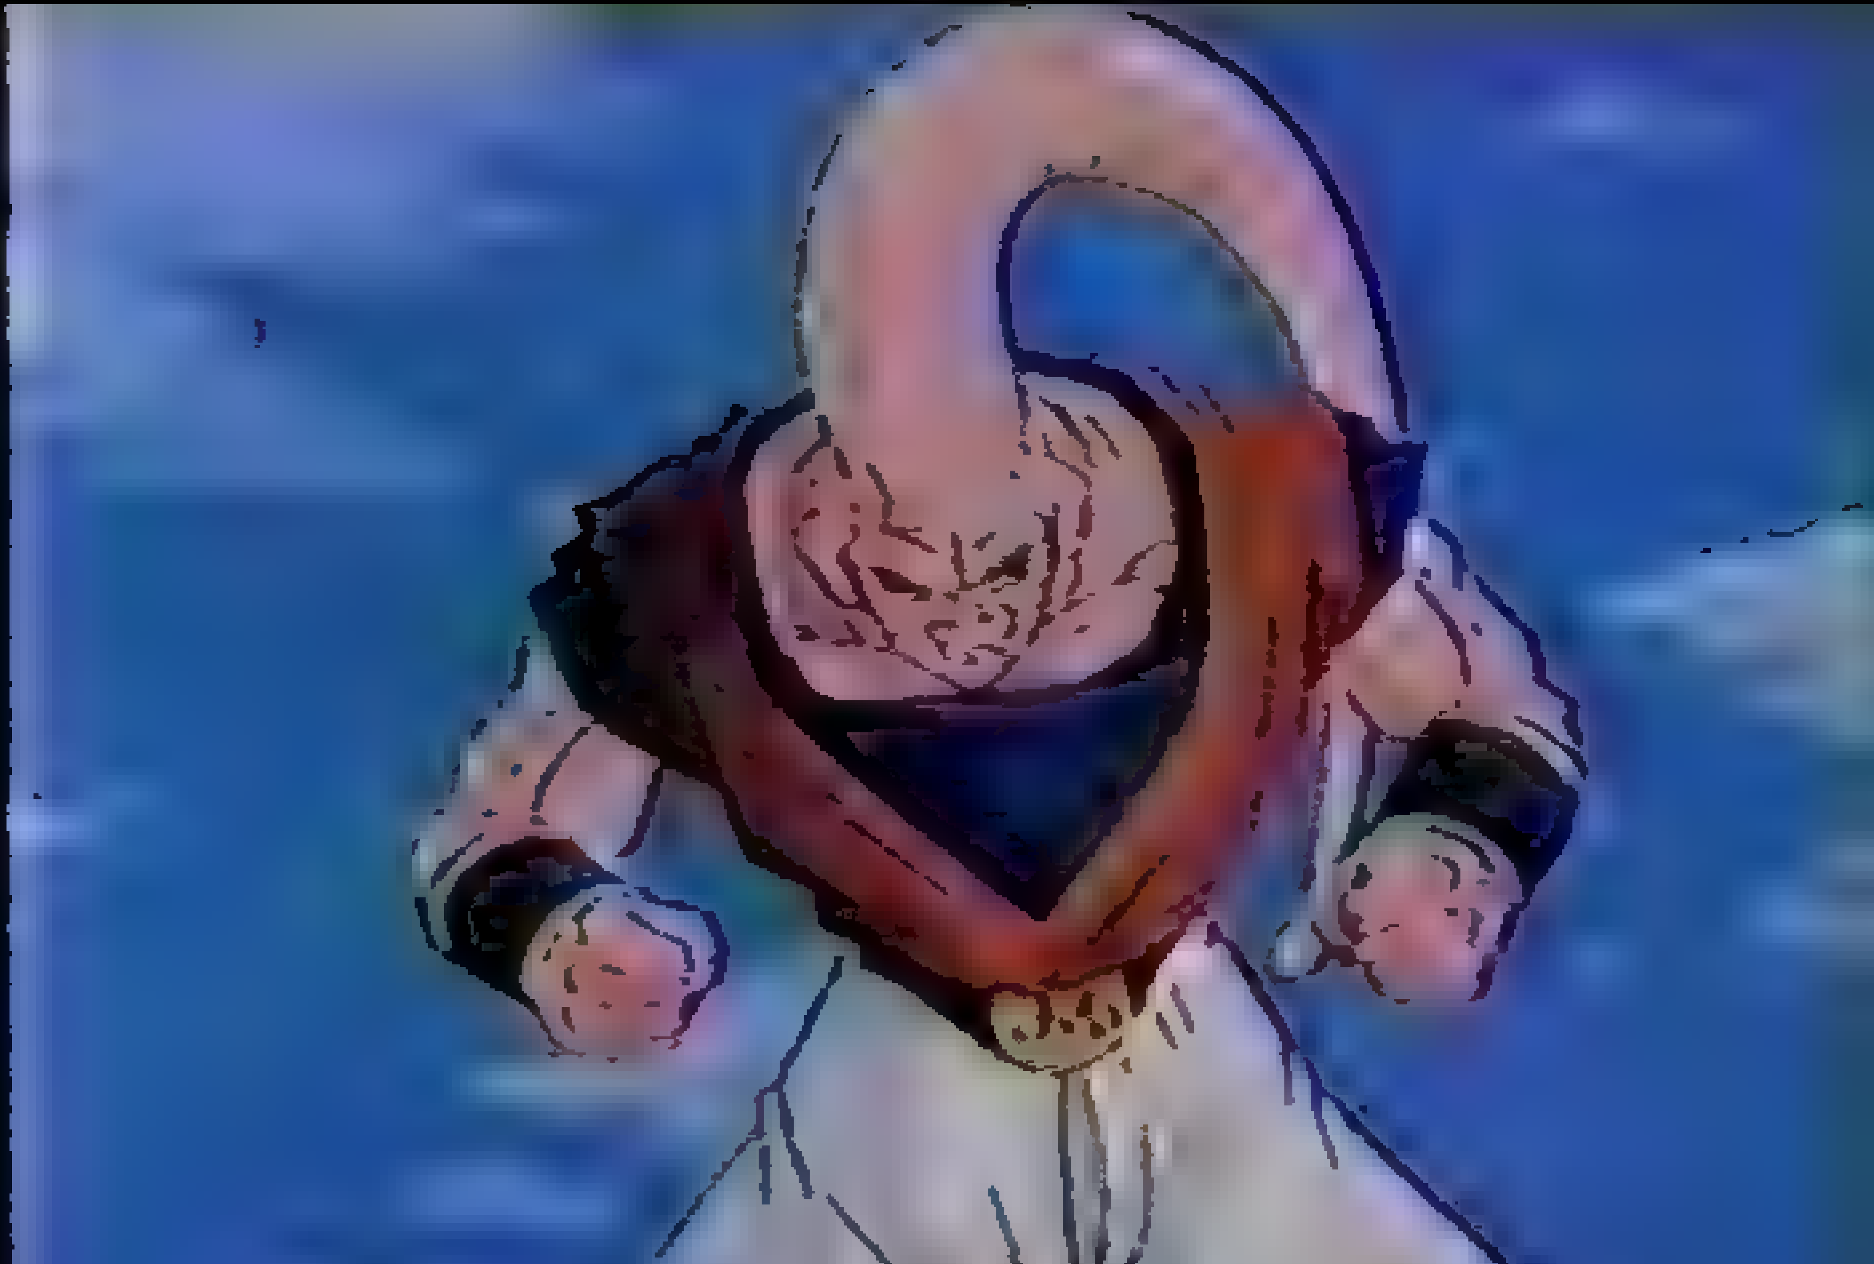

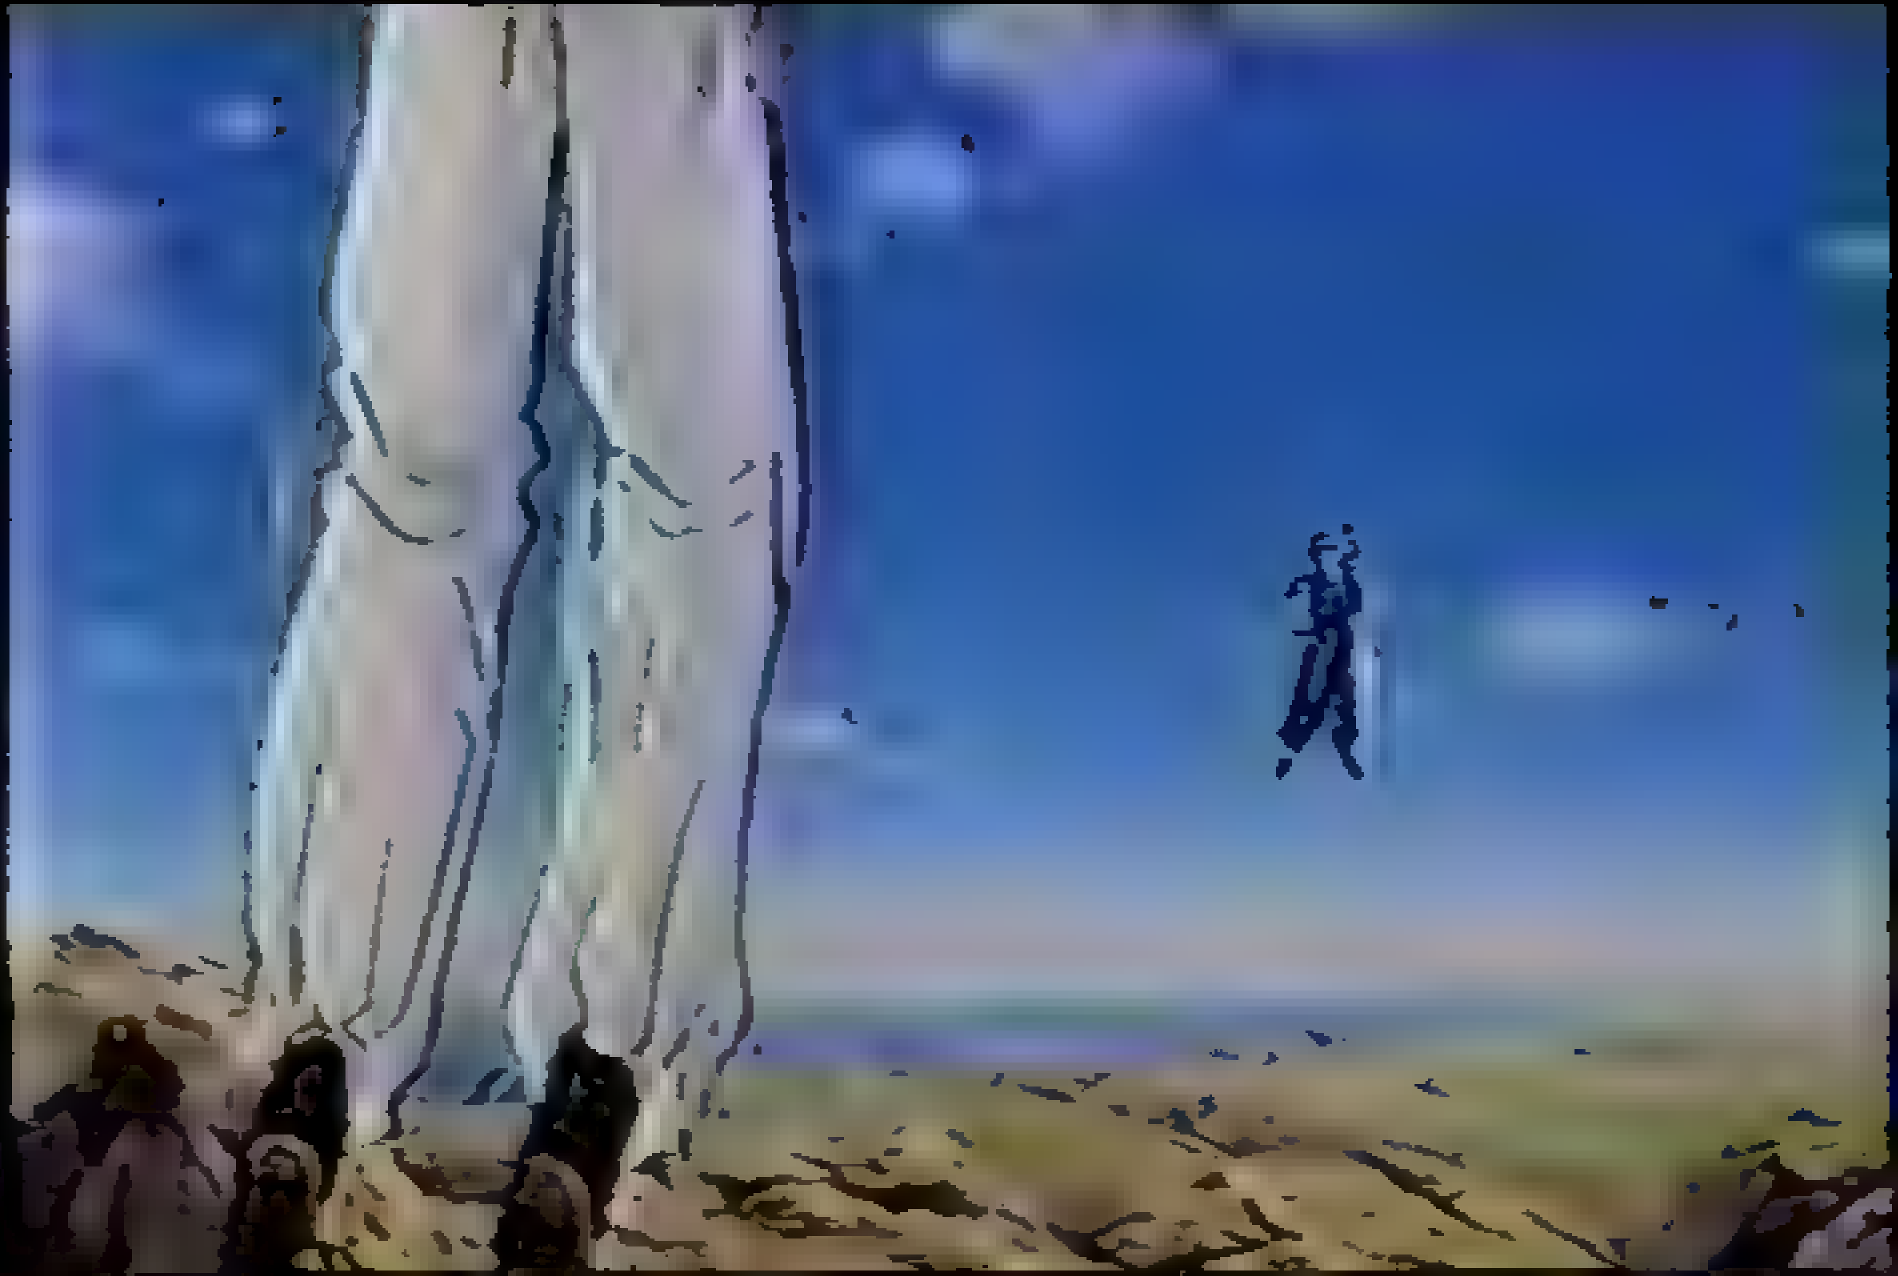

Are you laughing at me?

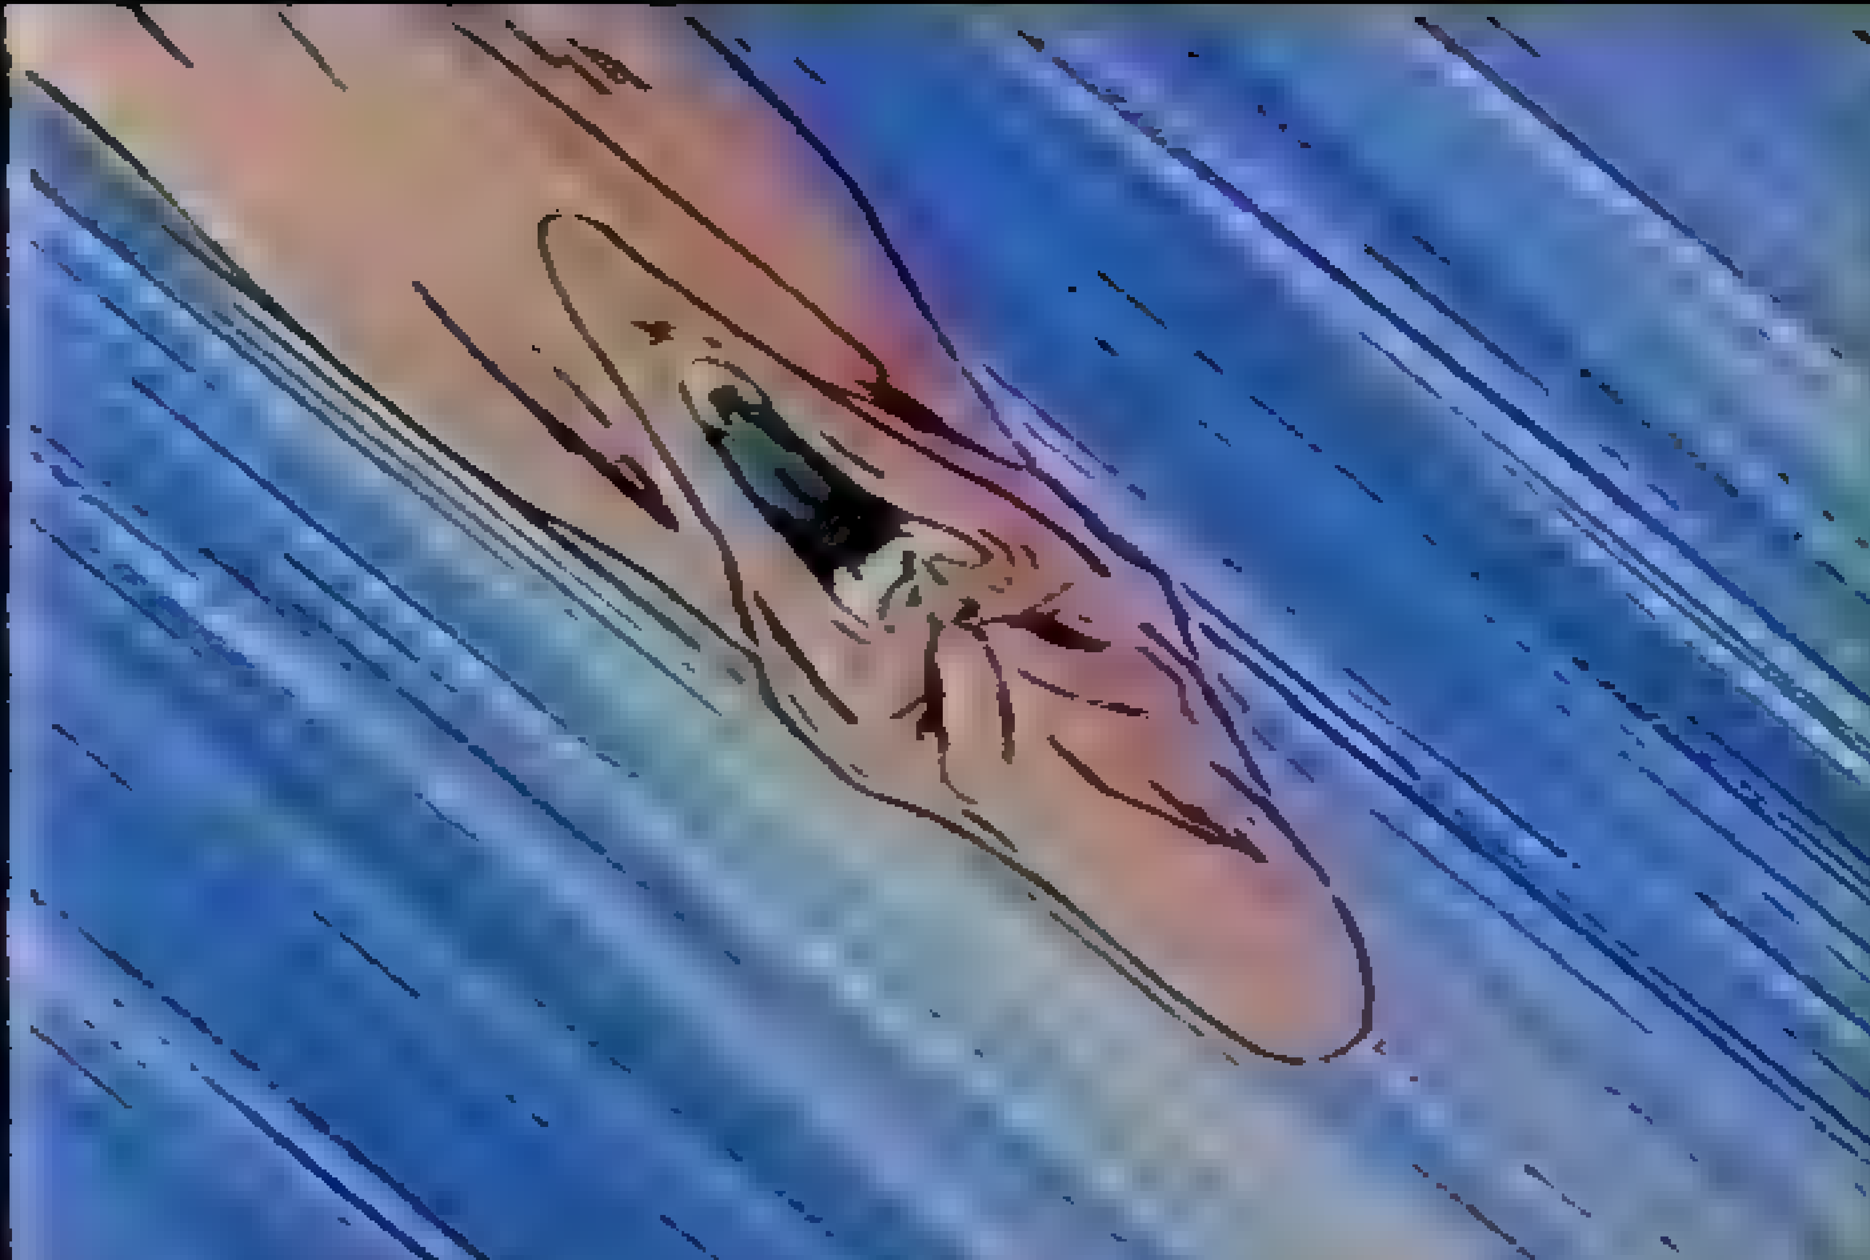

A mere human like you, laughing at me?!

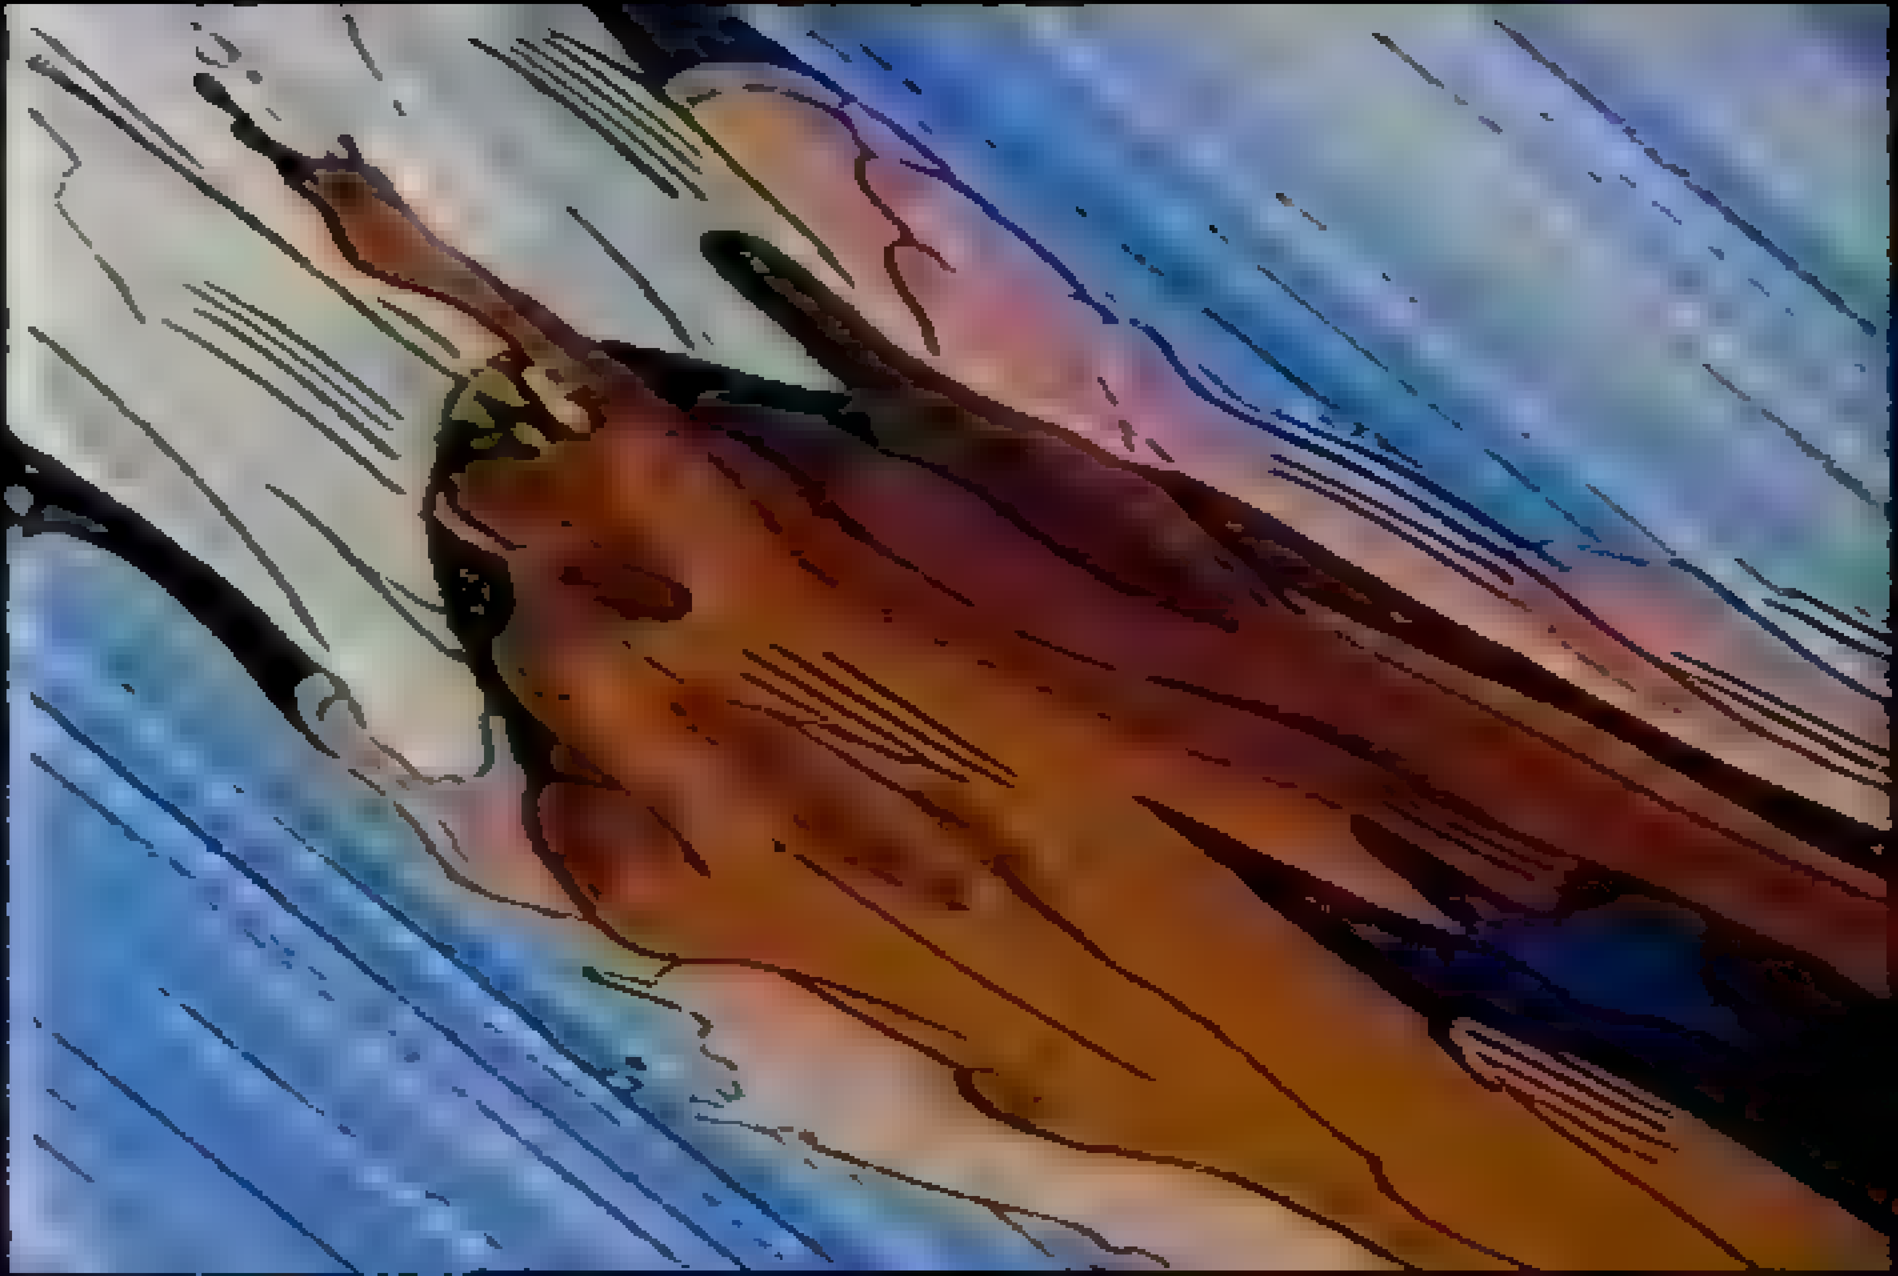

A mere human like you, laughing at me?!

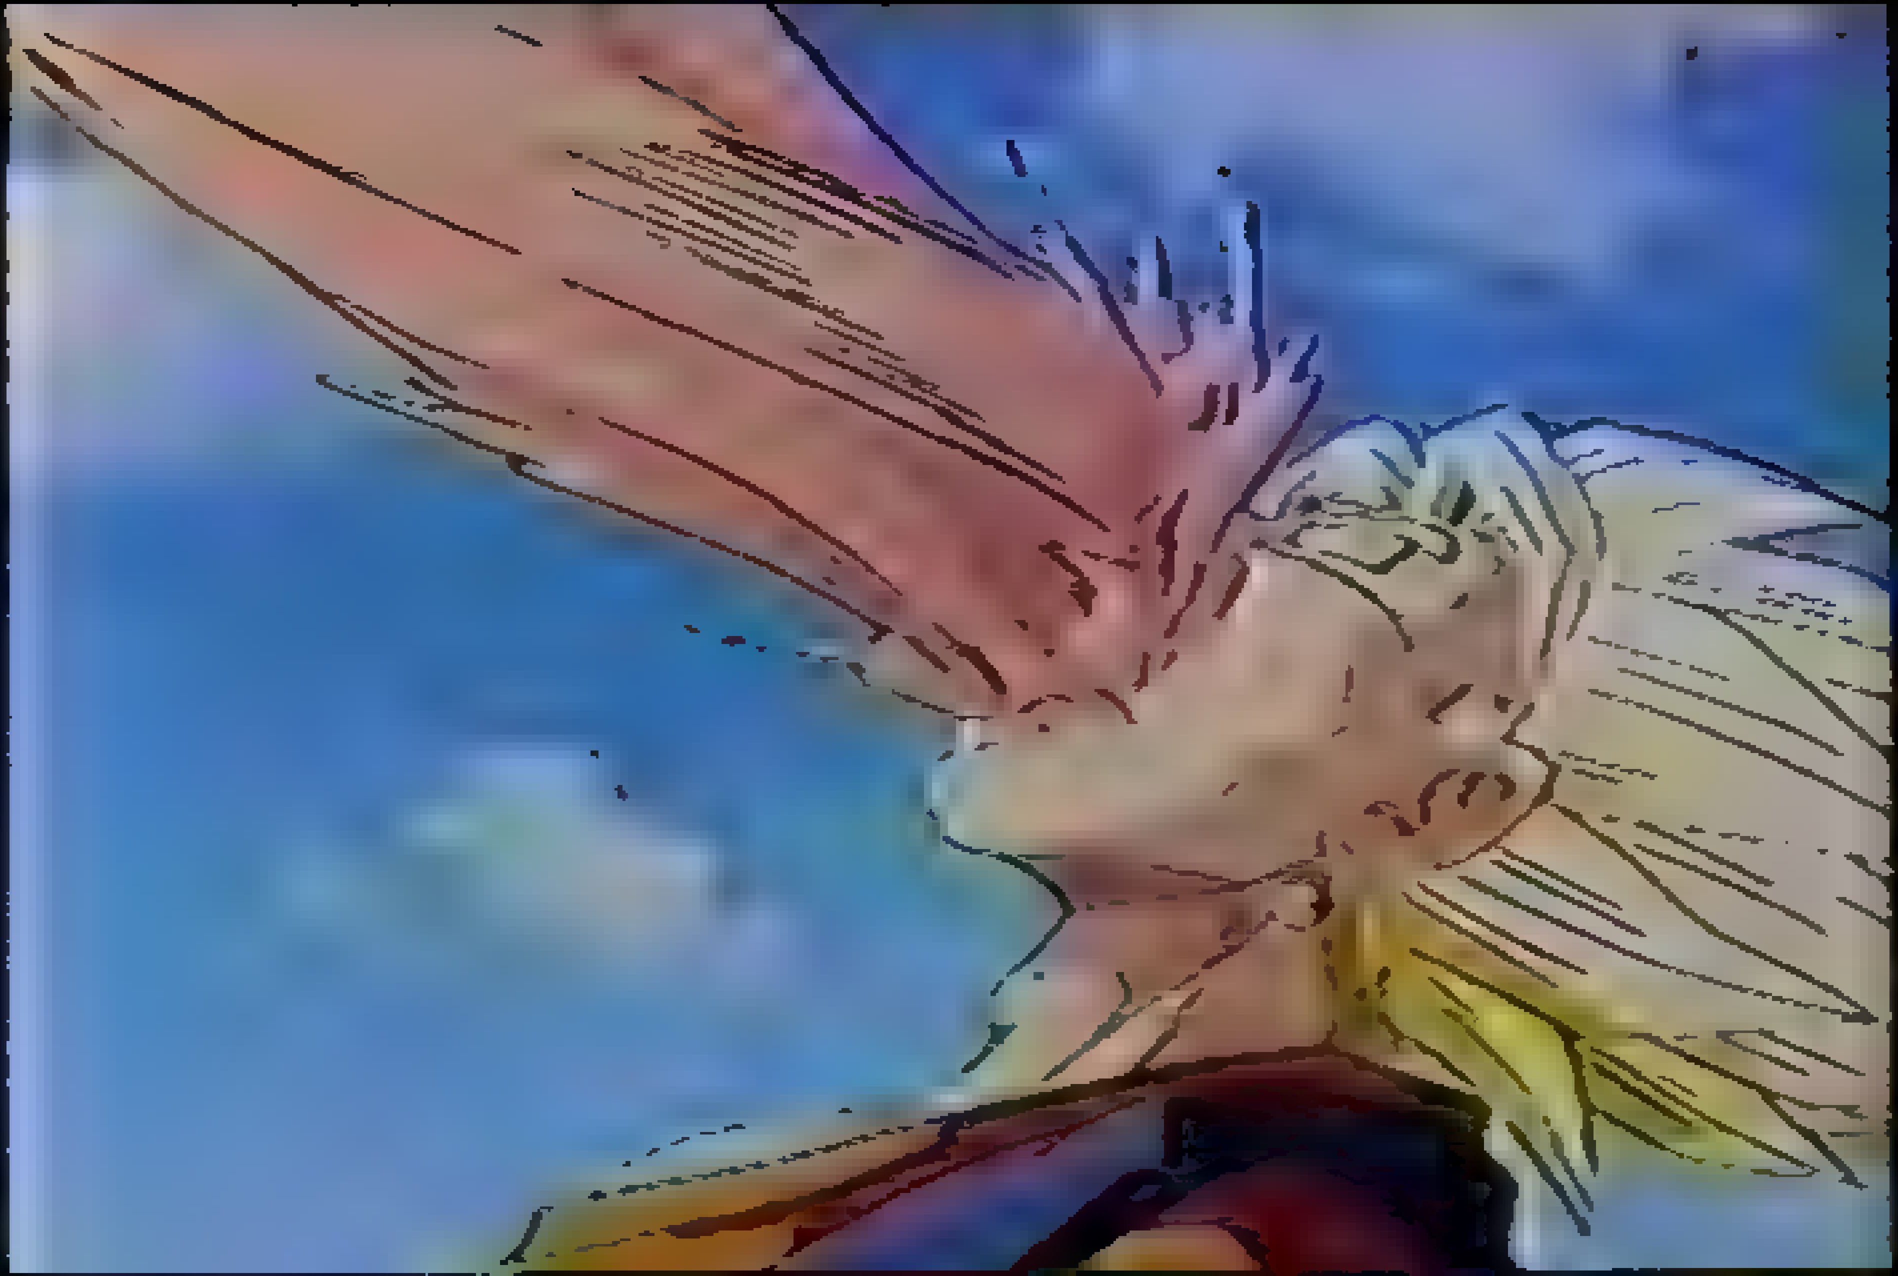

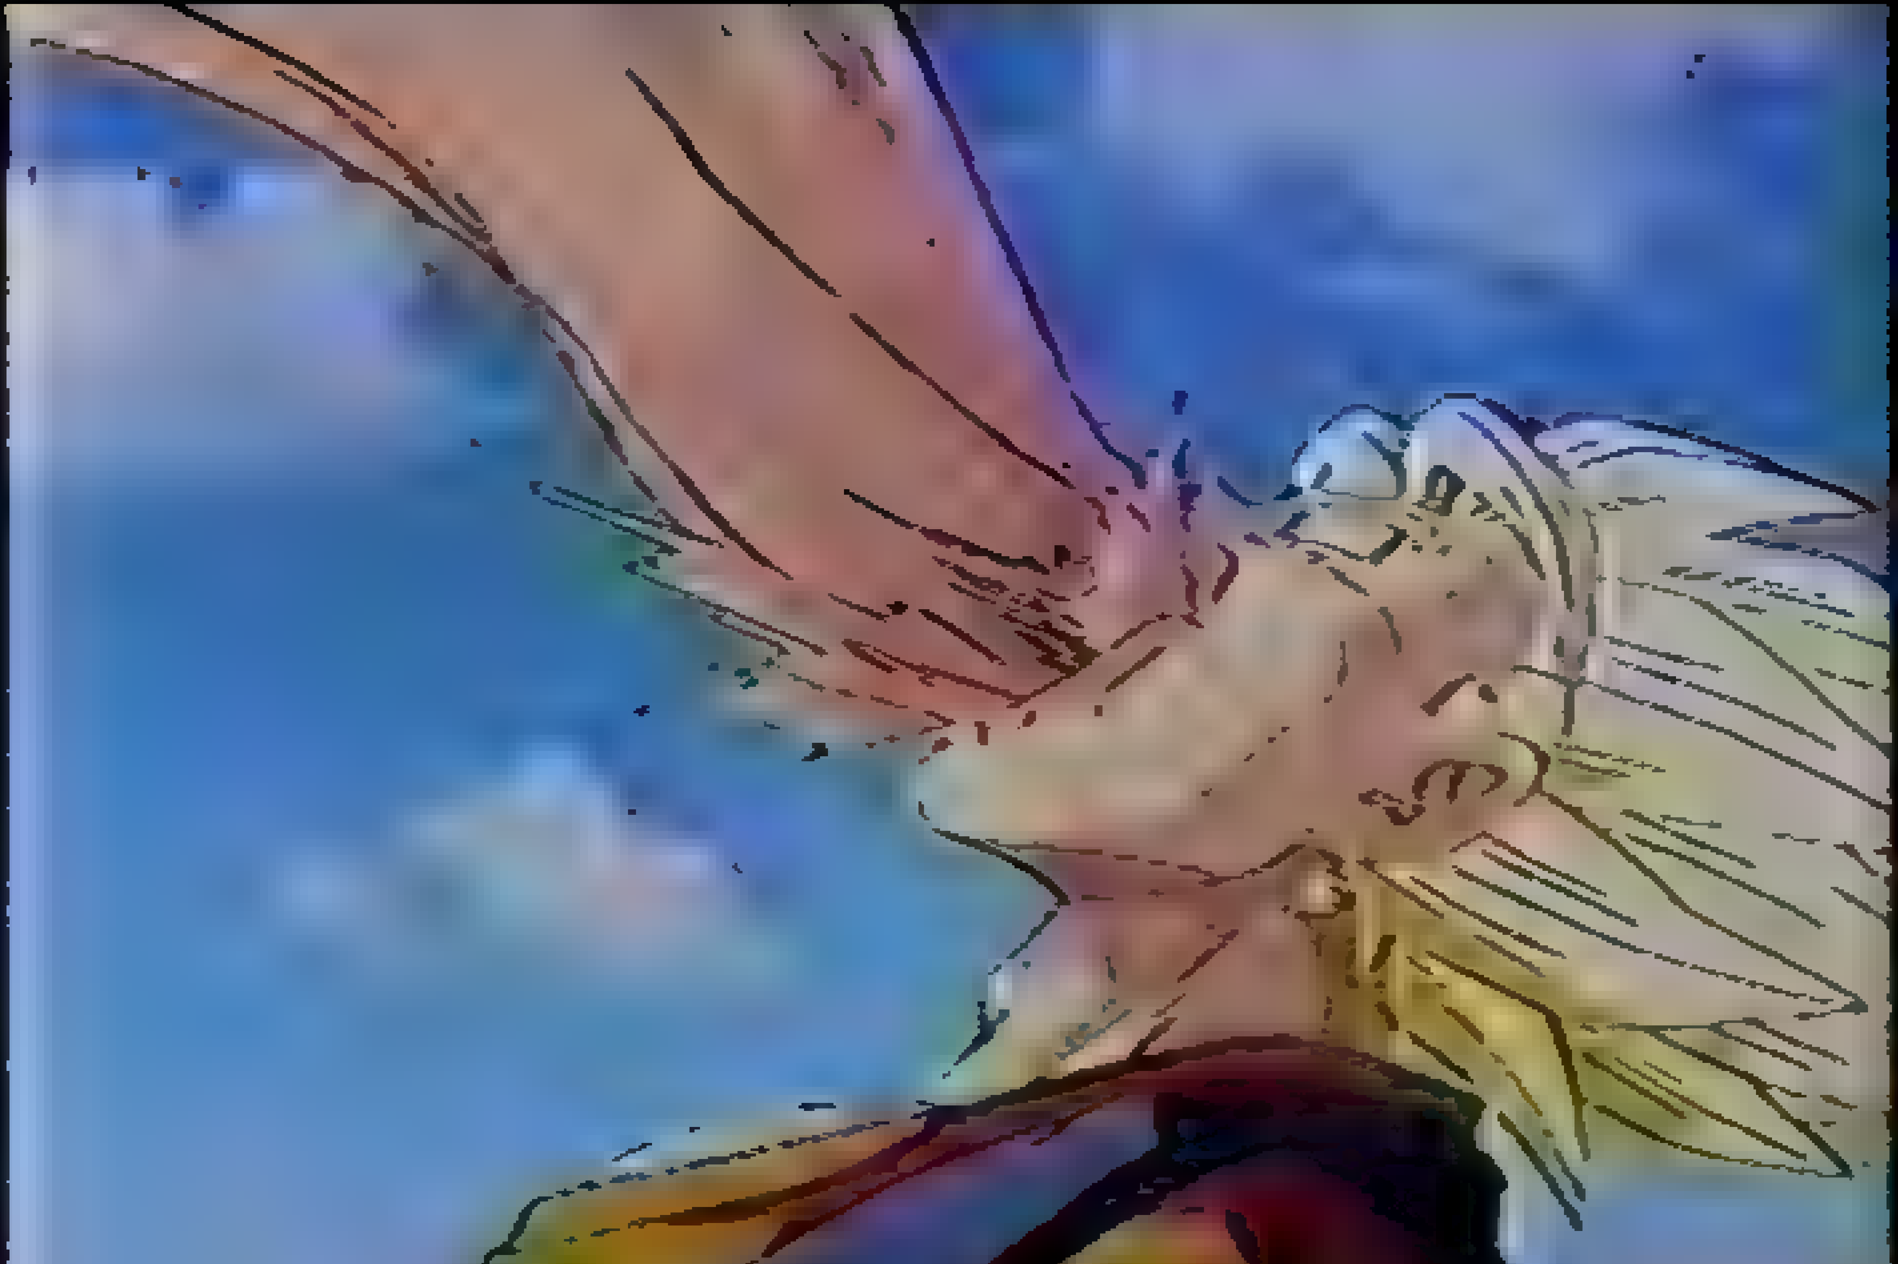

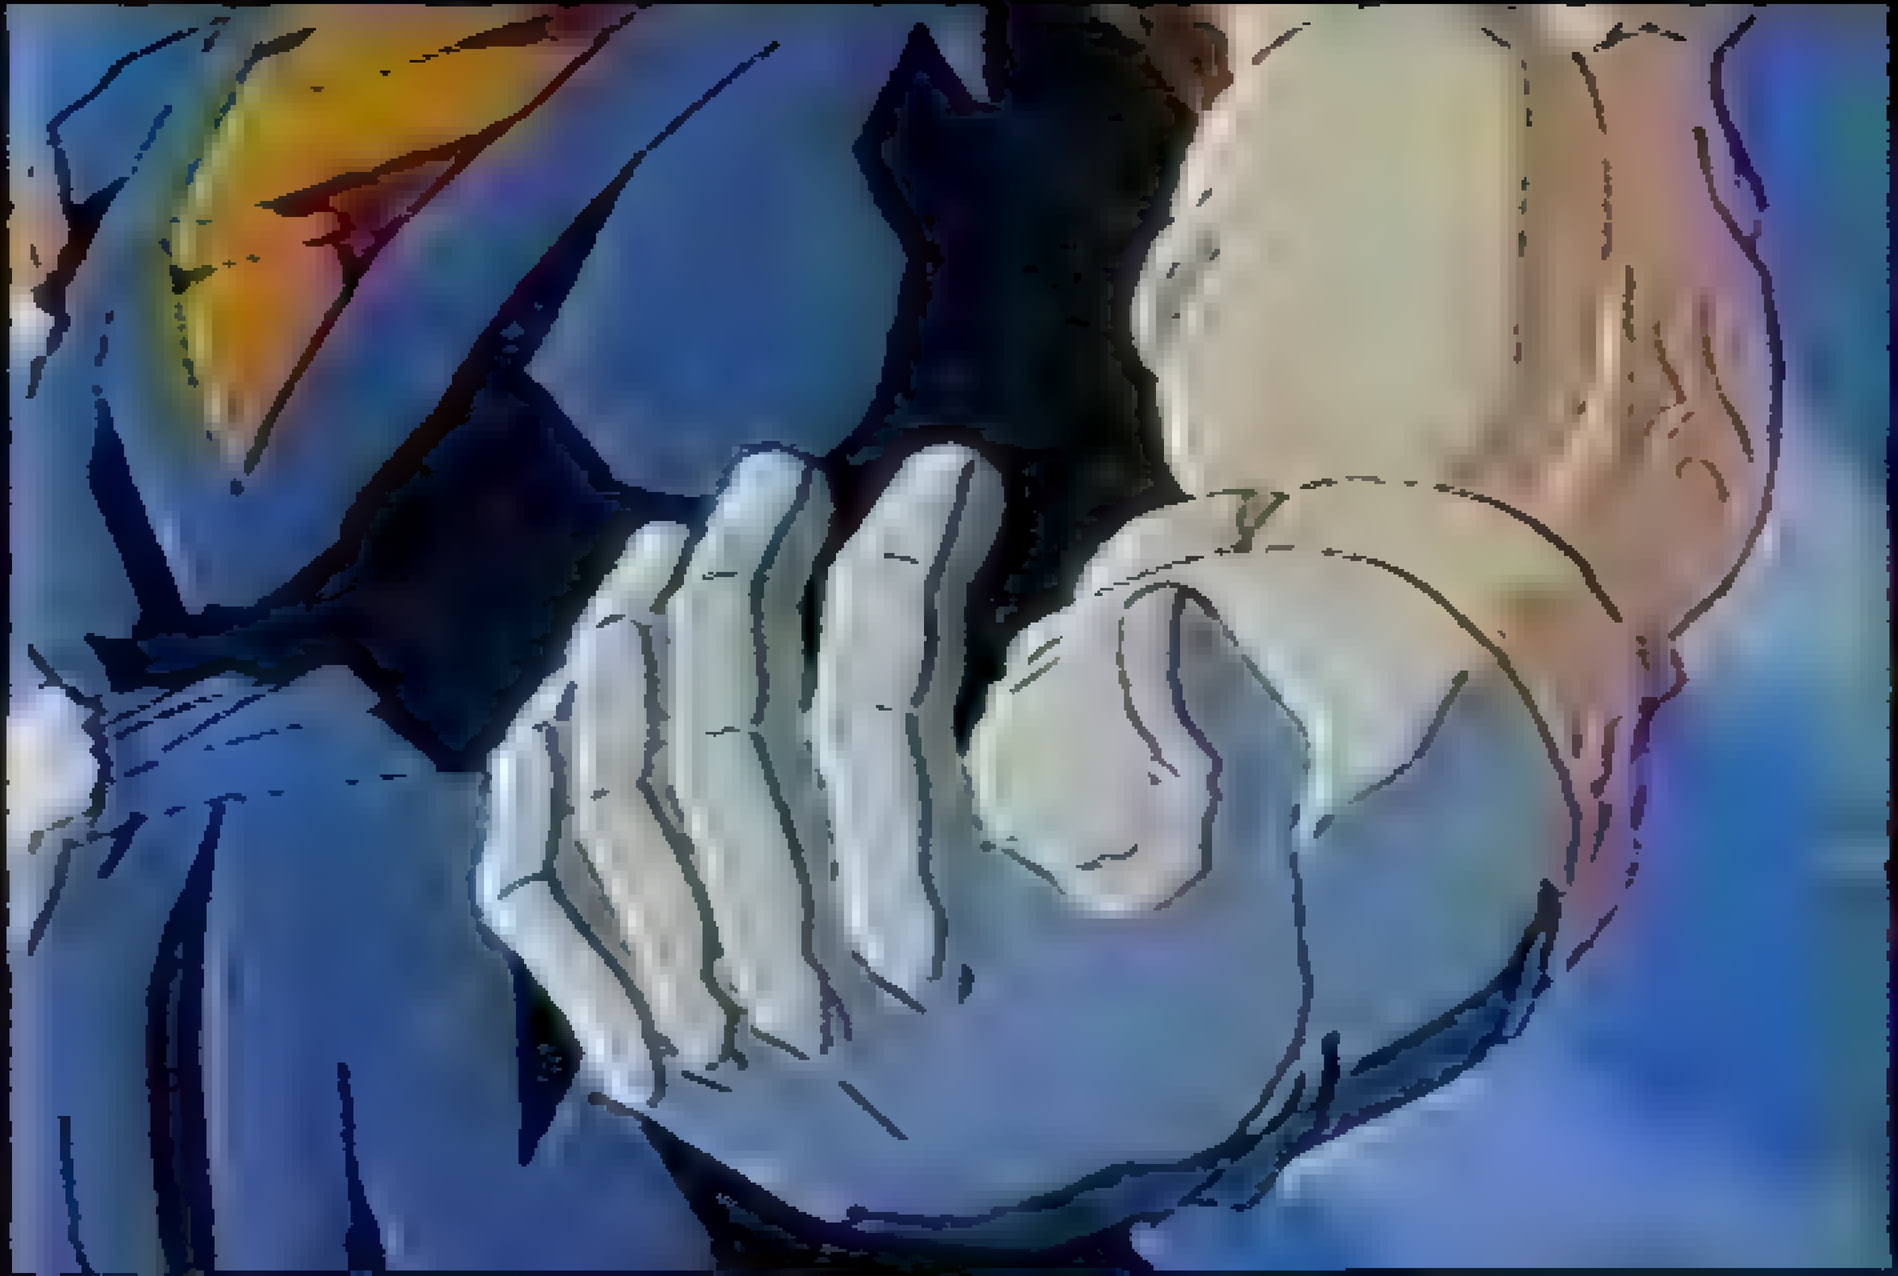

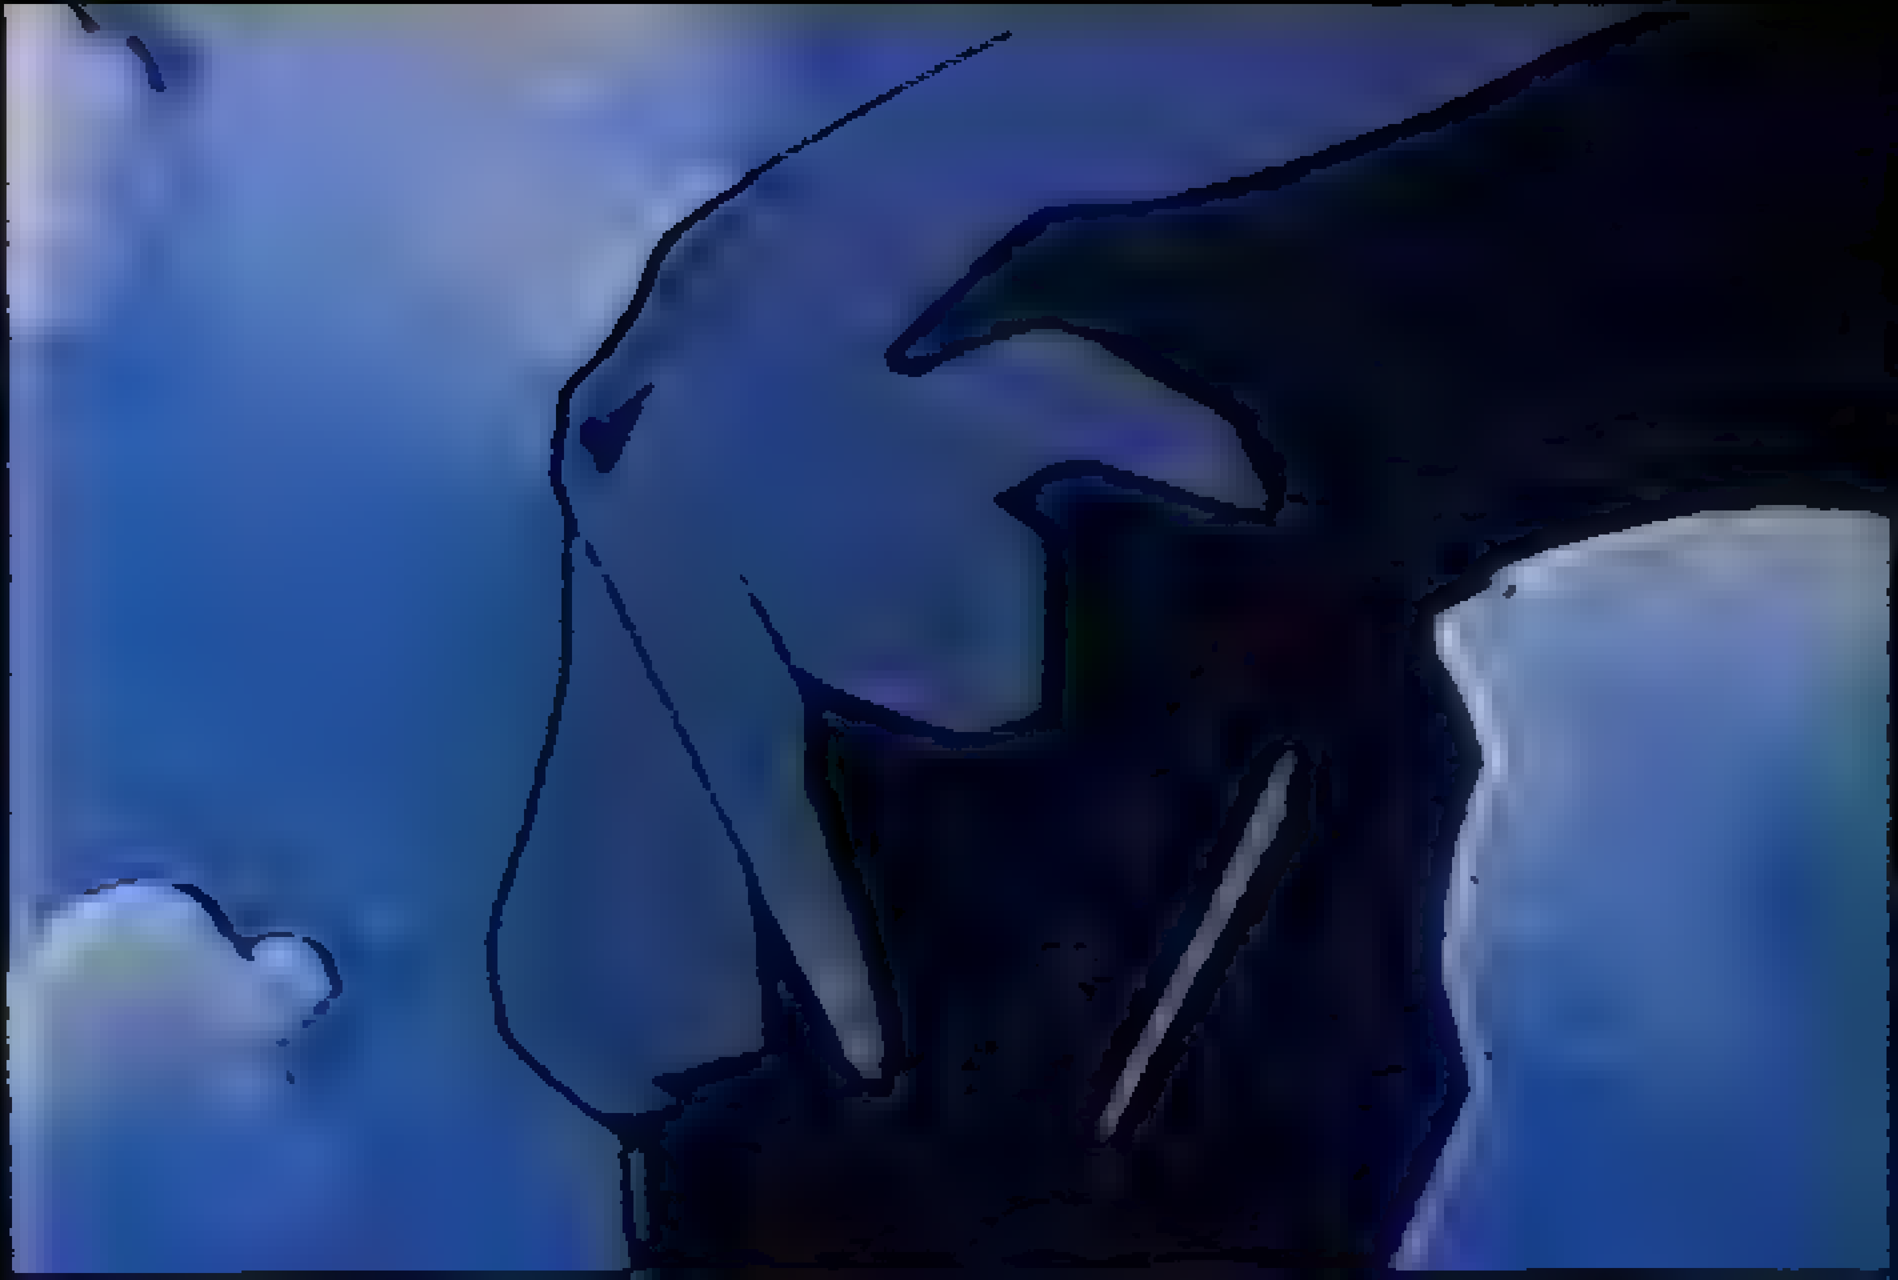

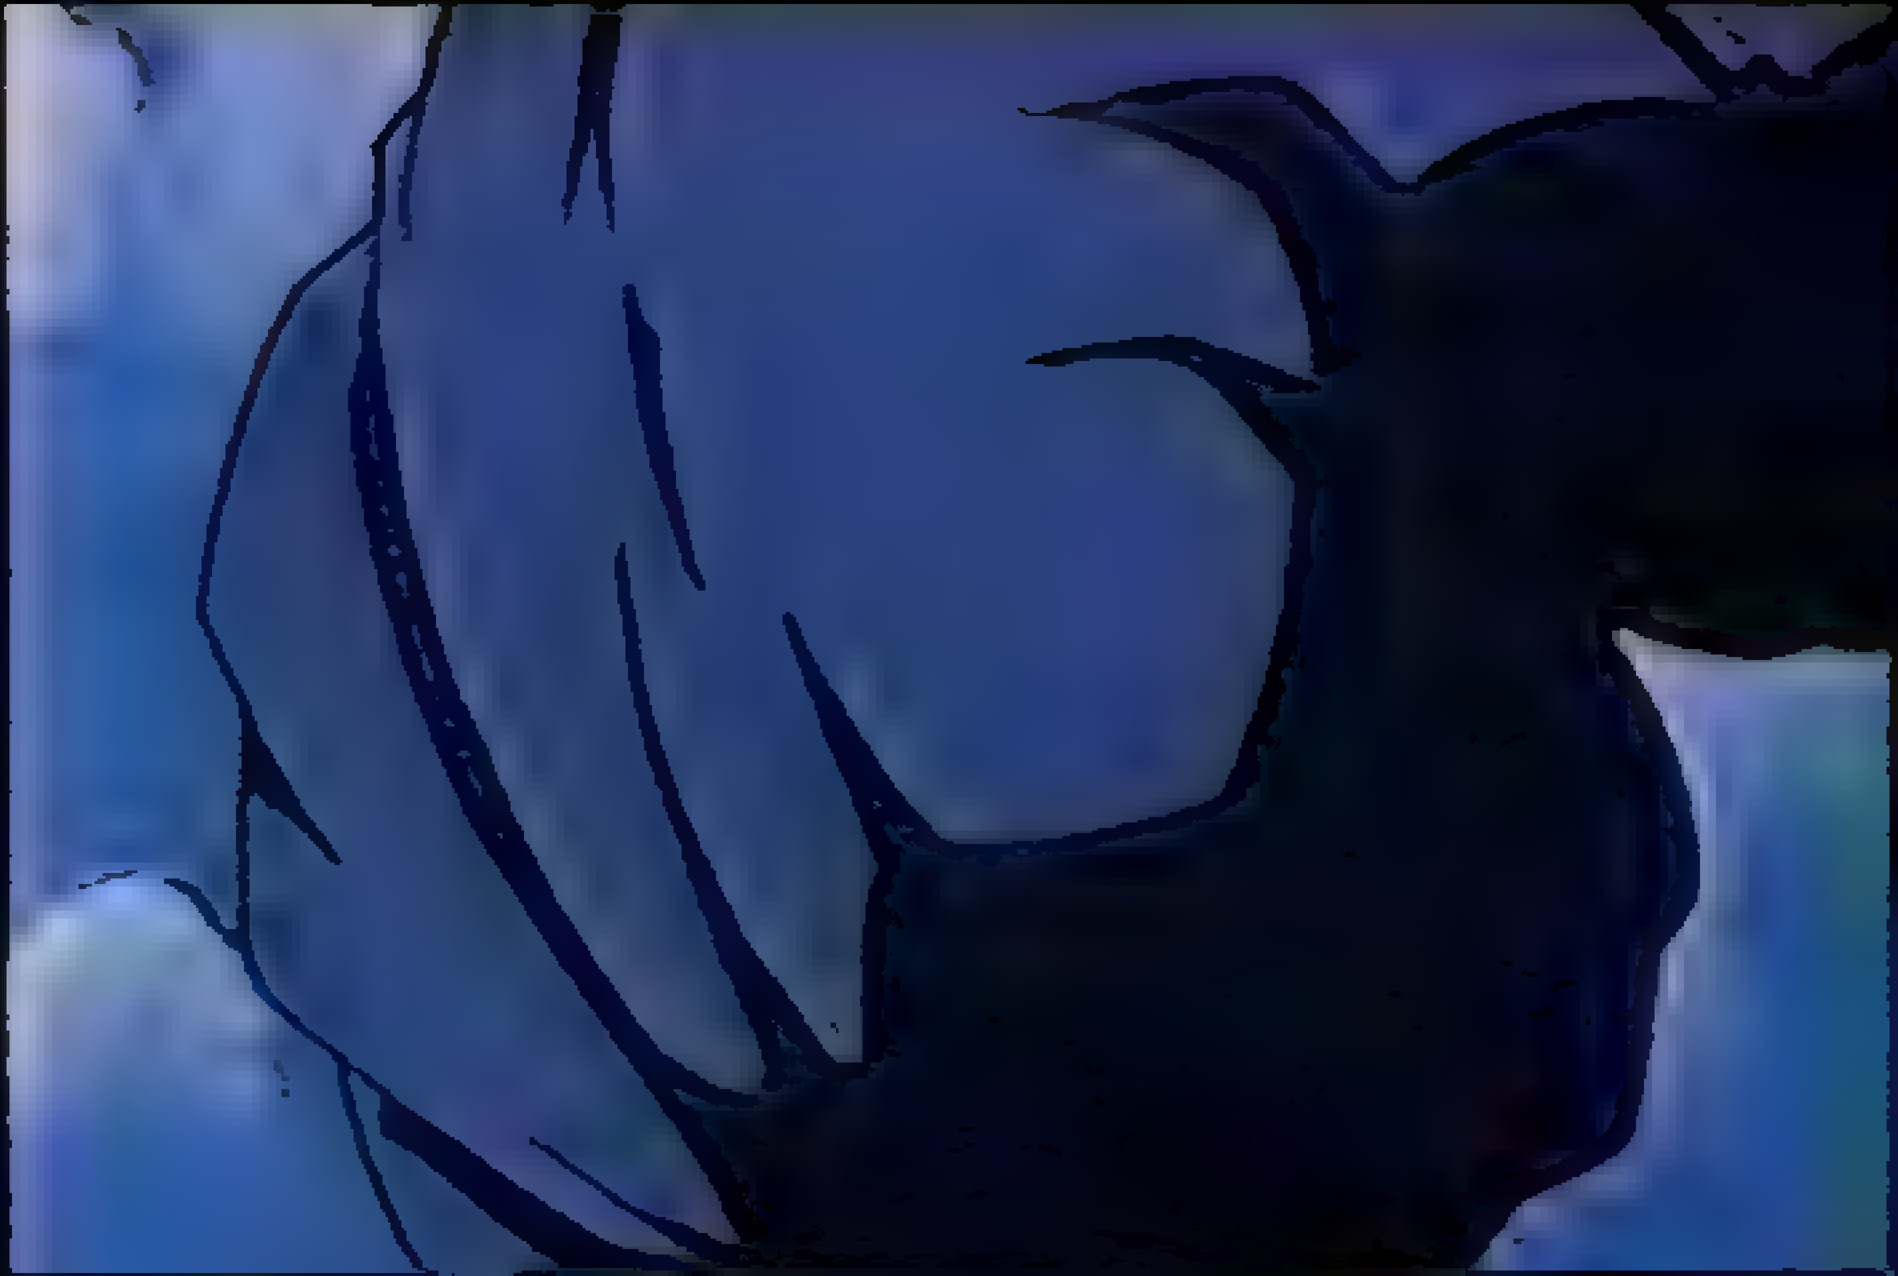

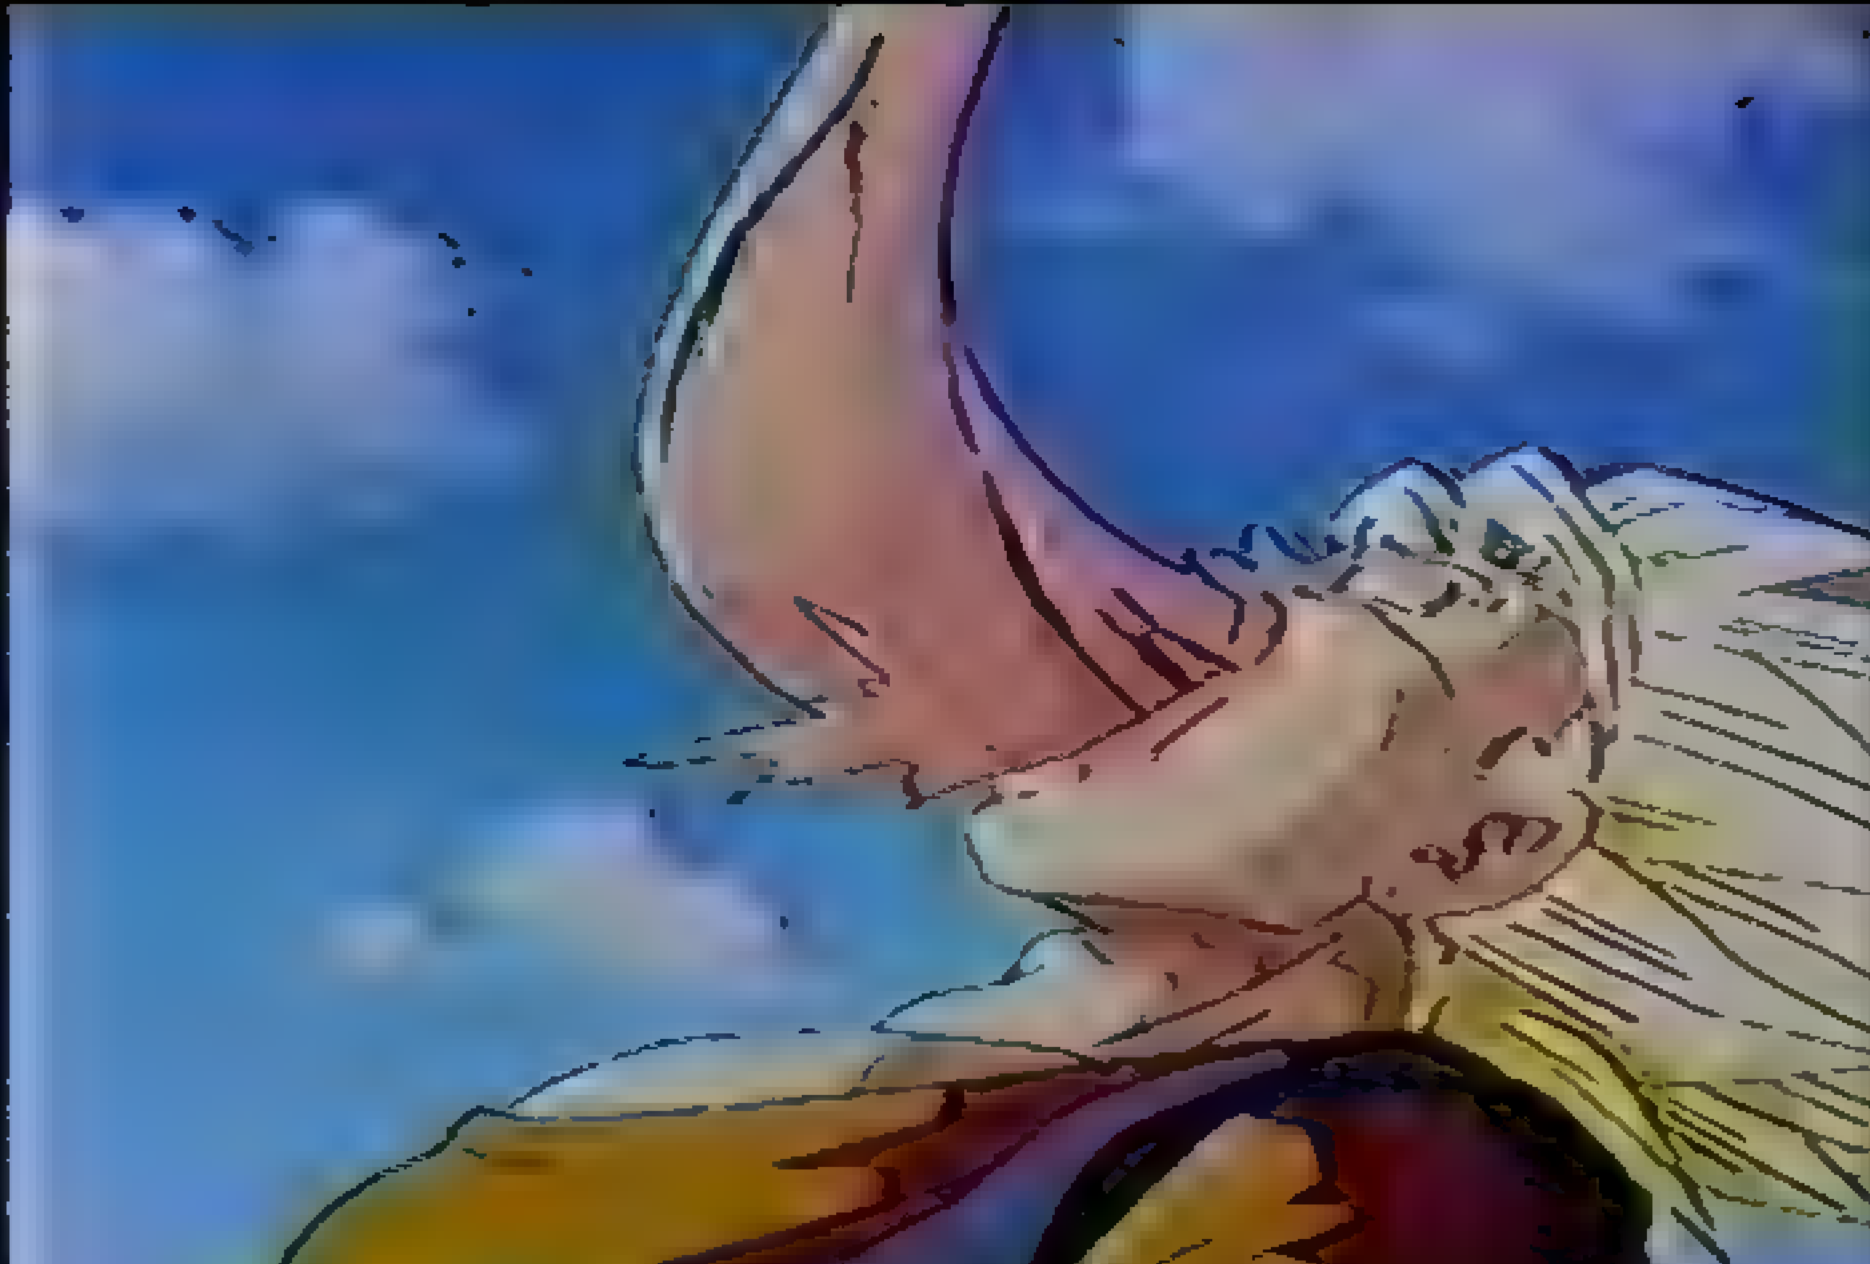

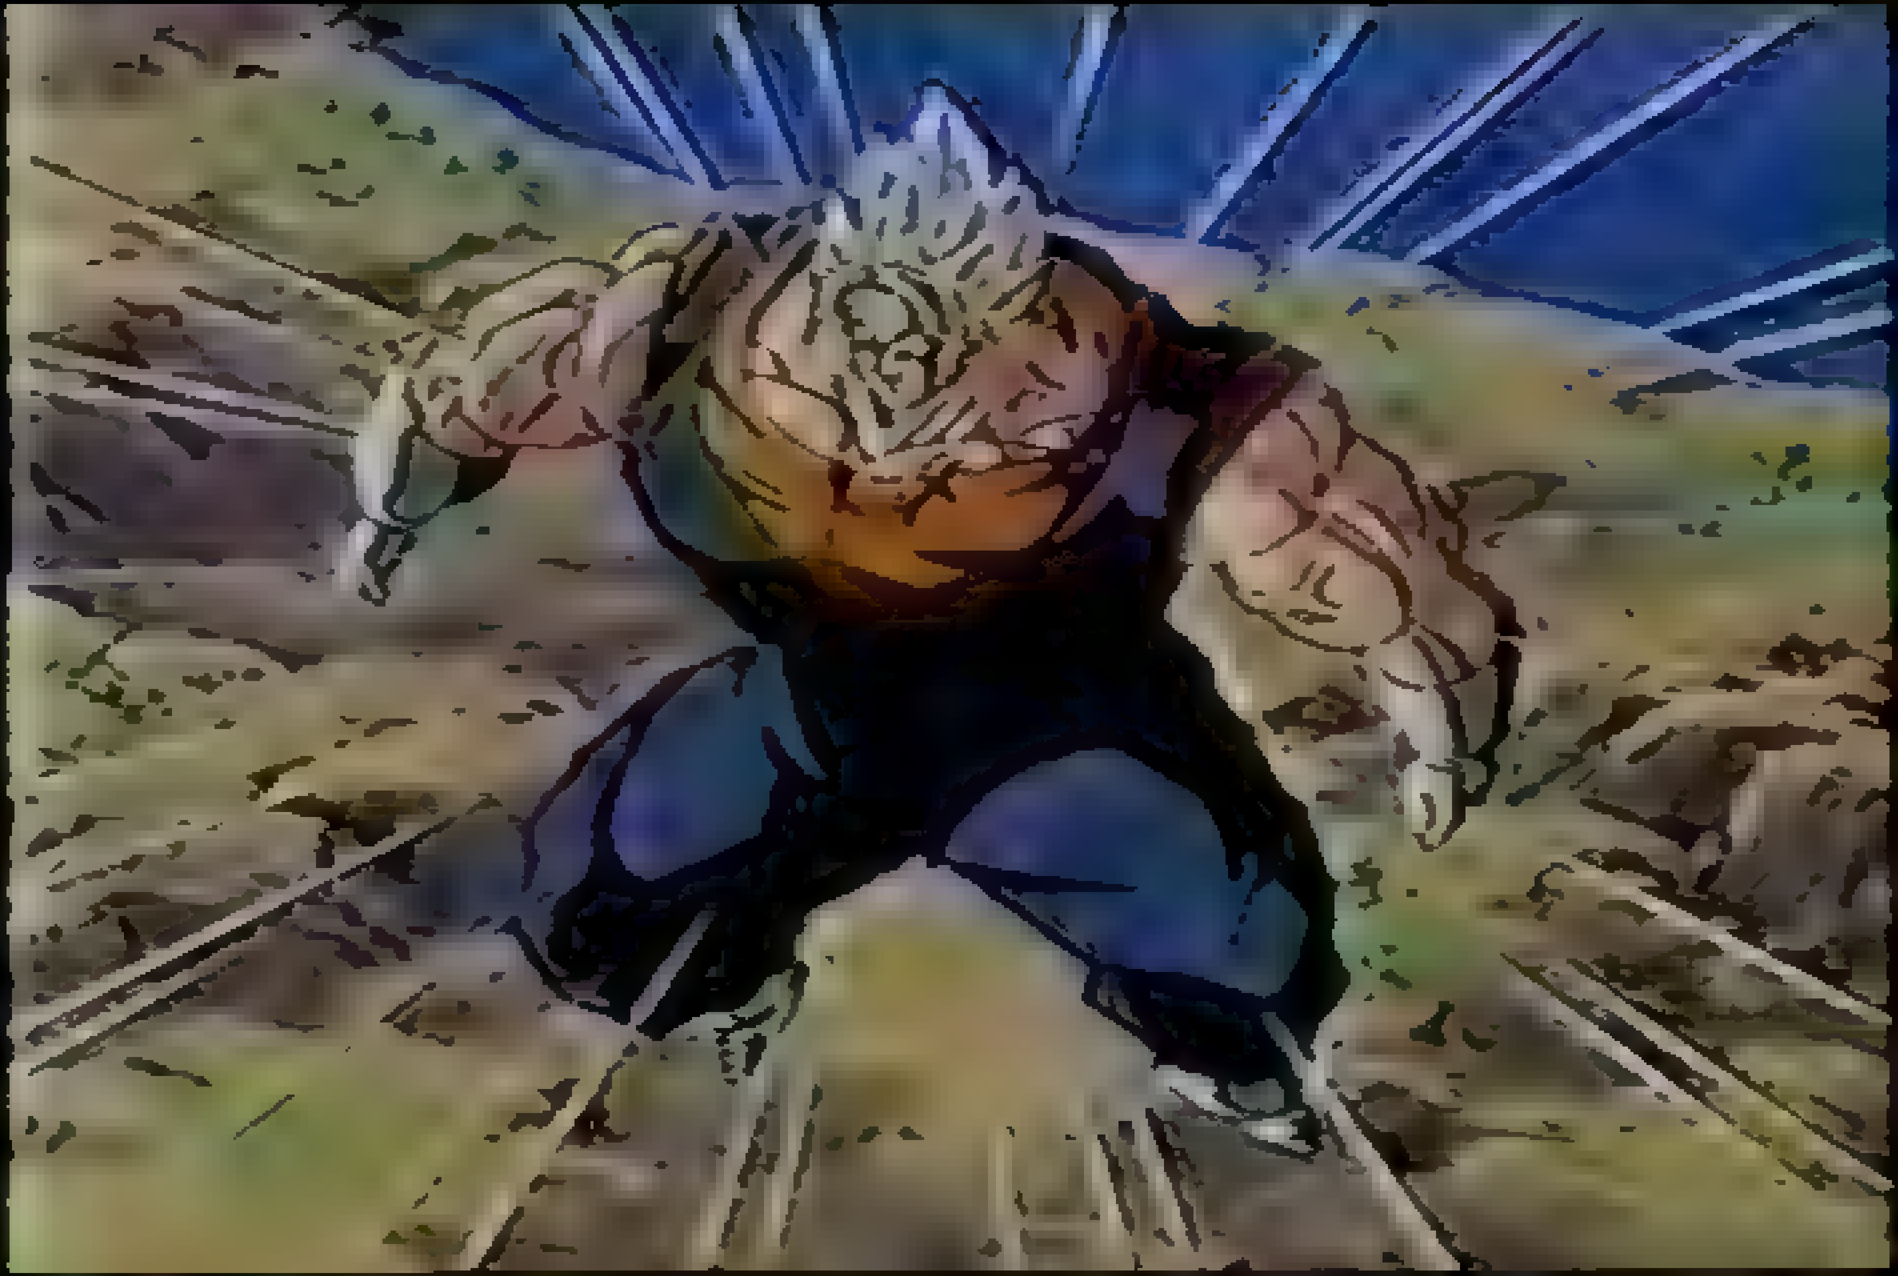

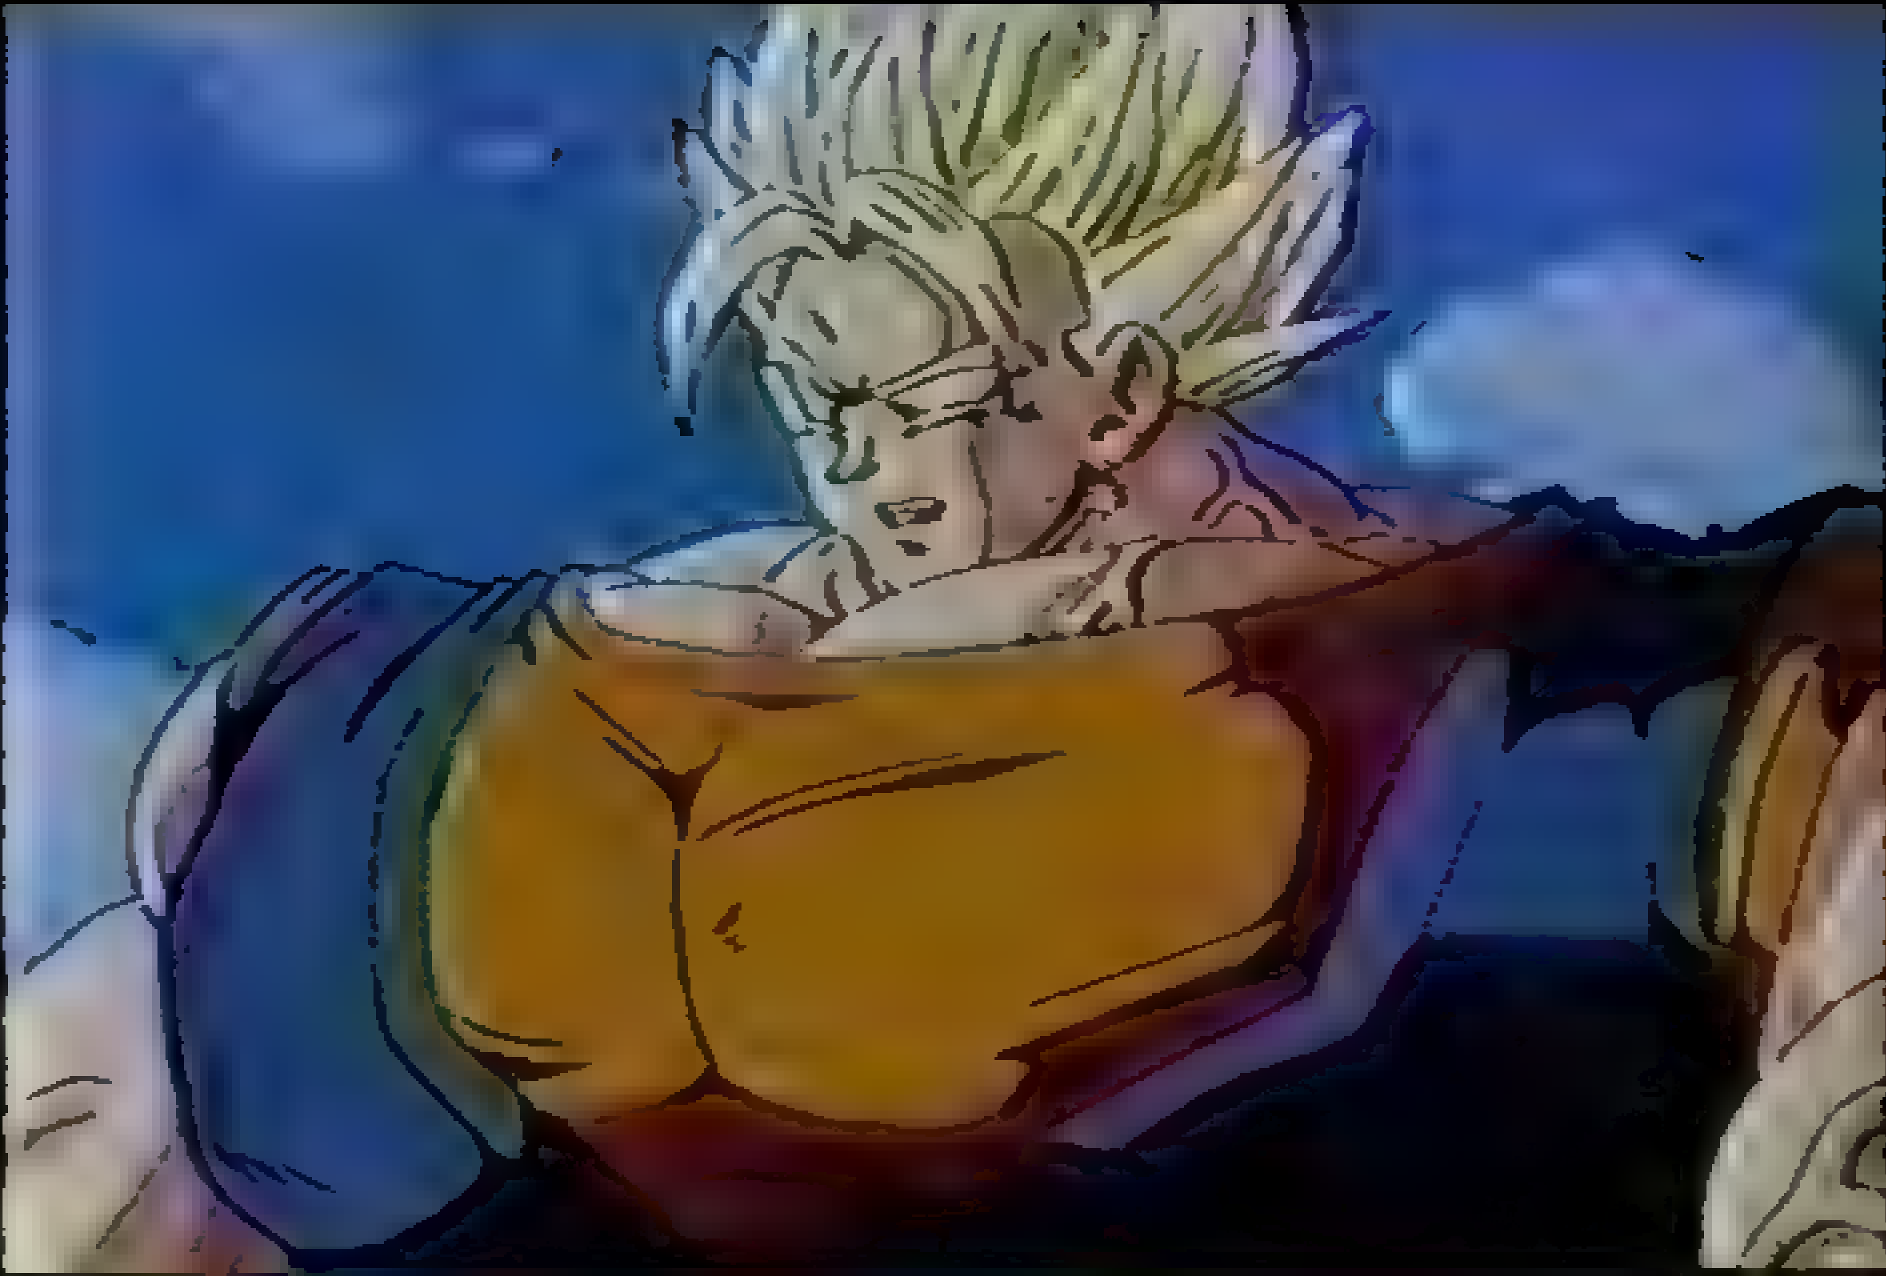

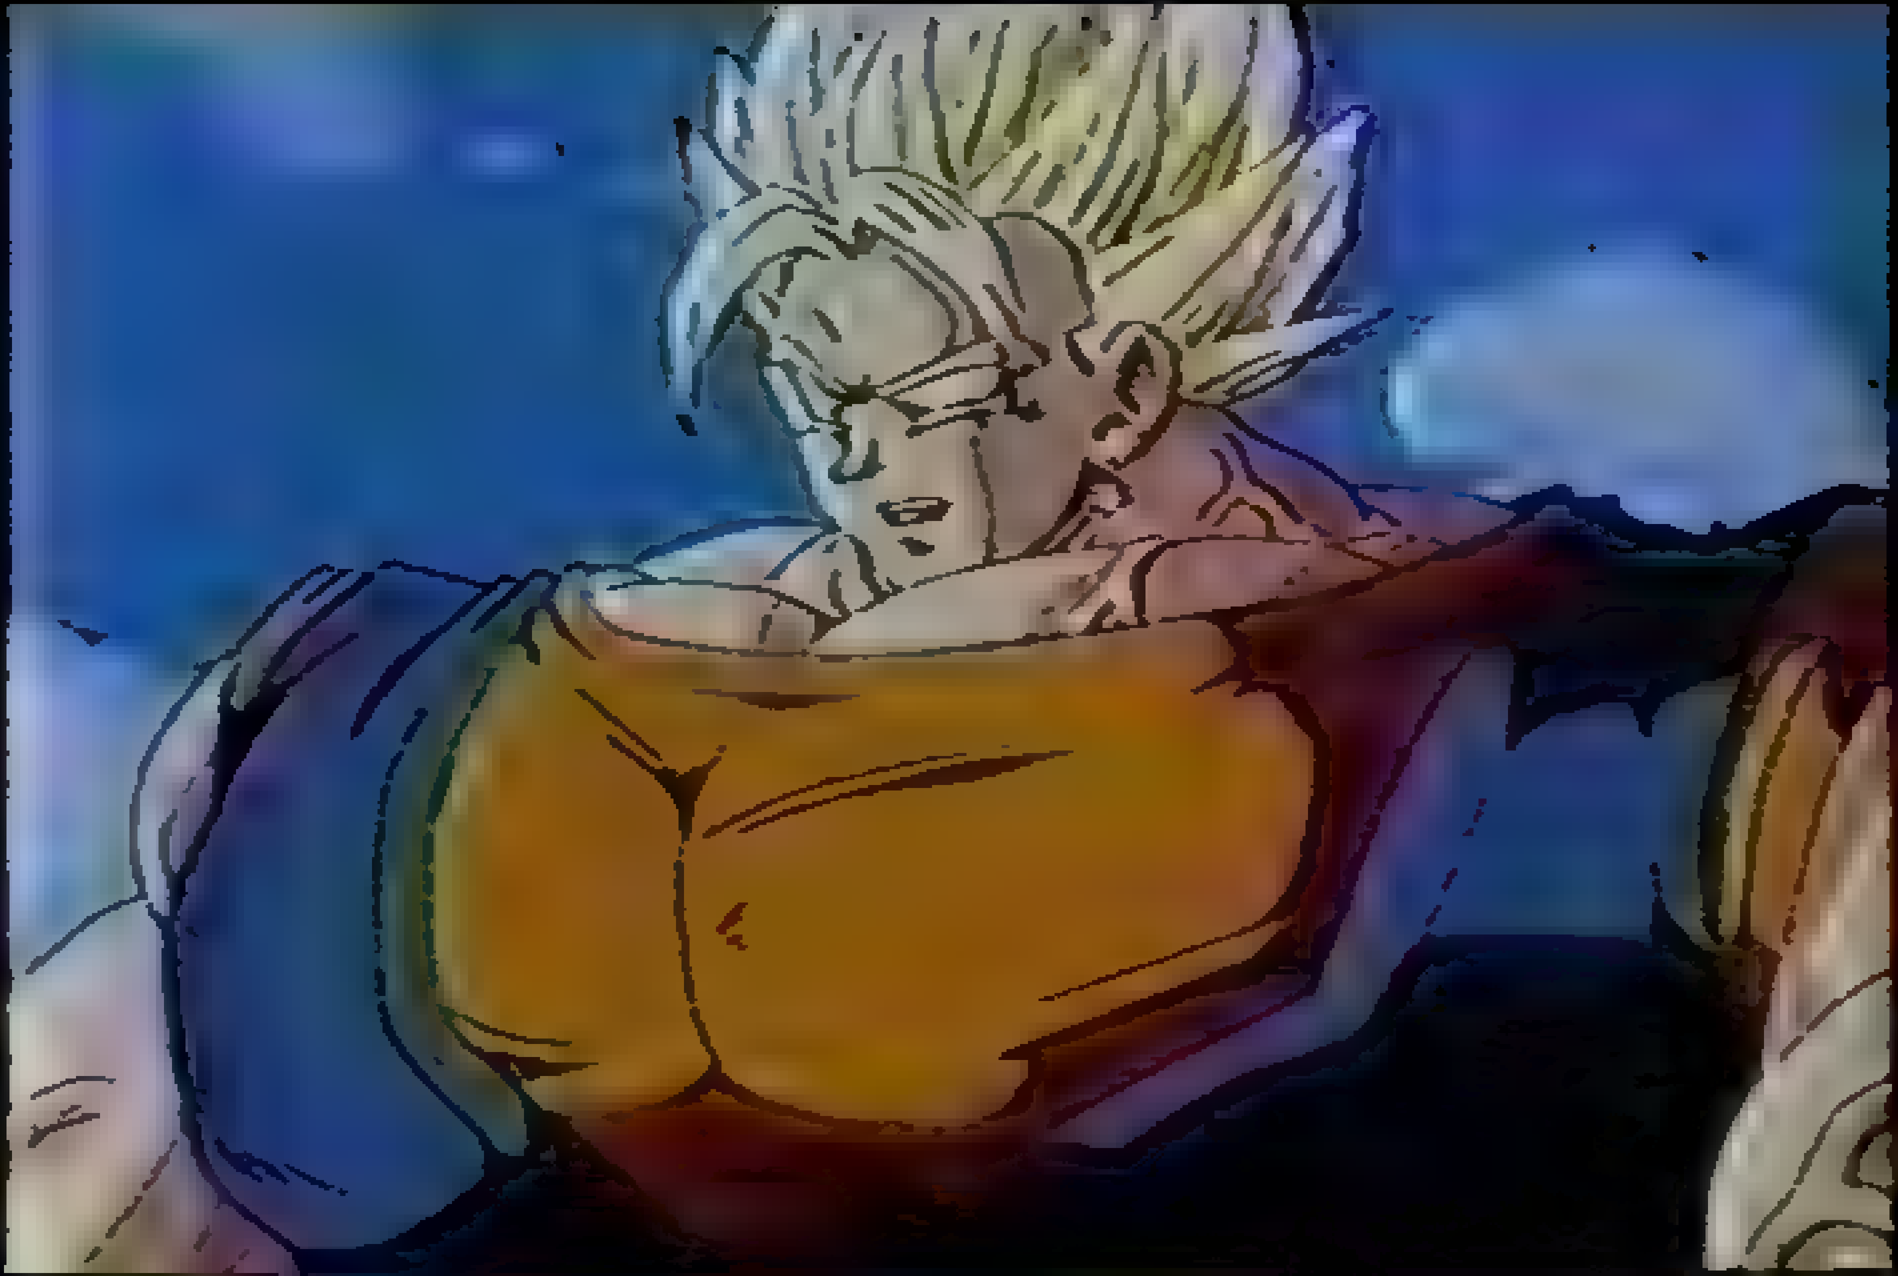

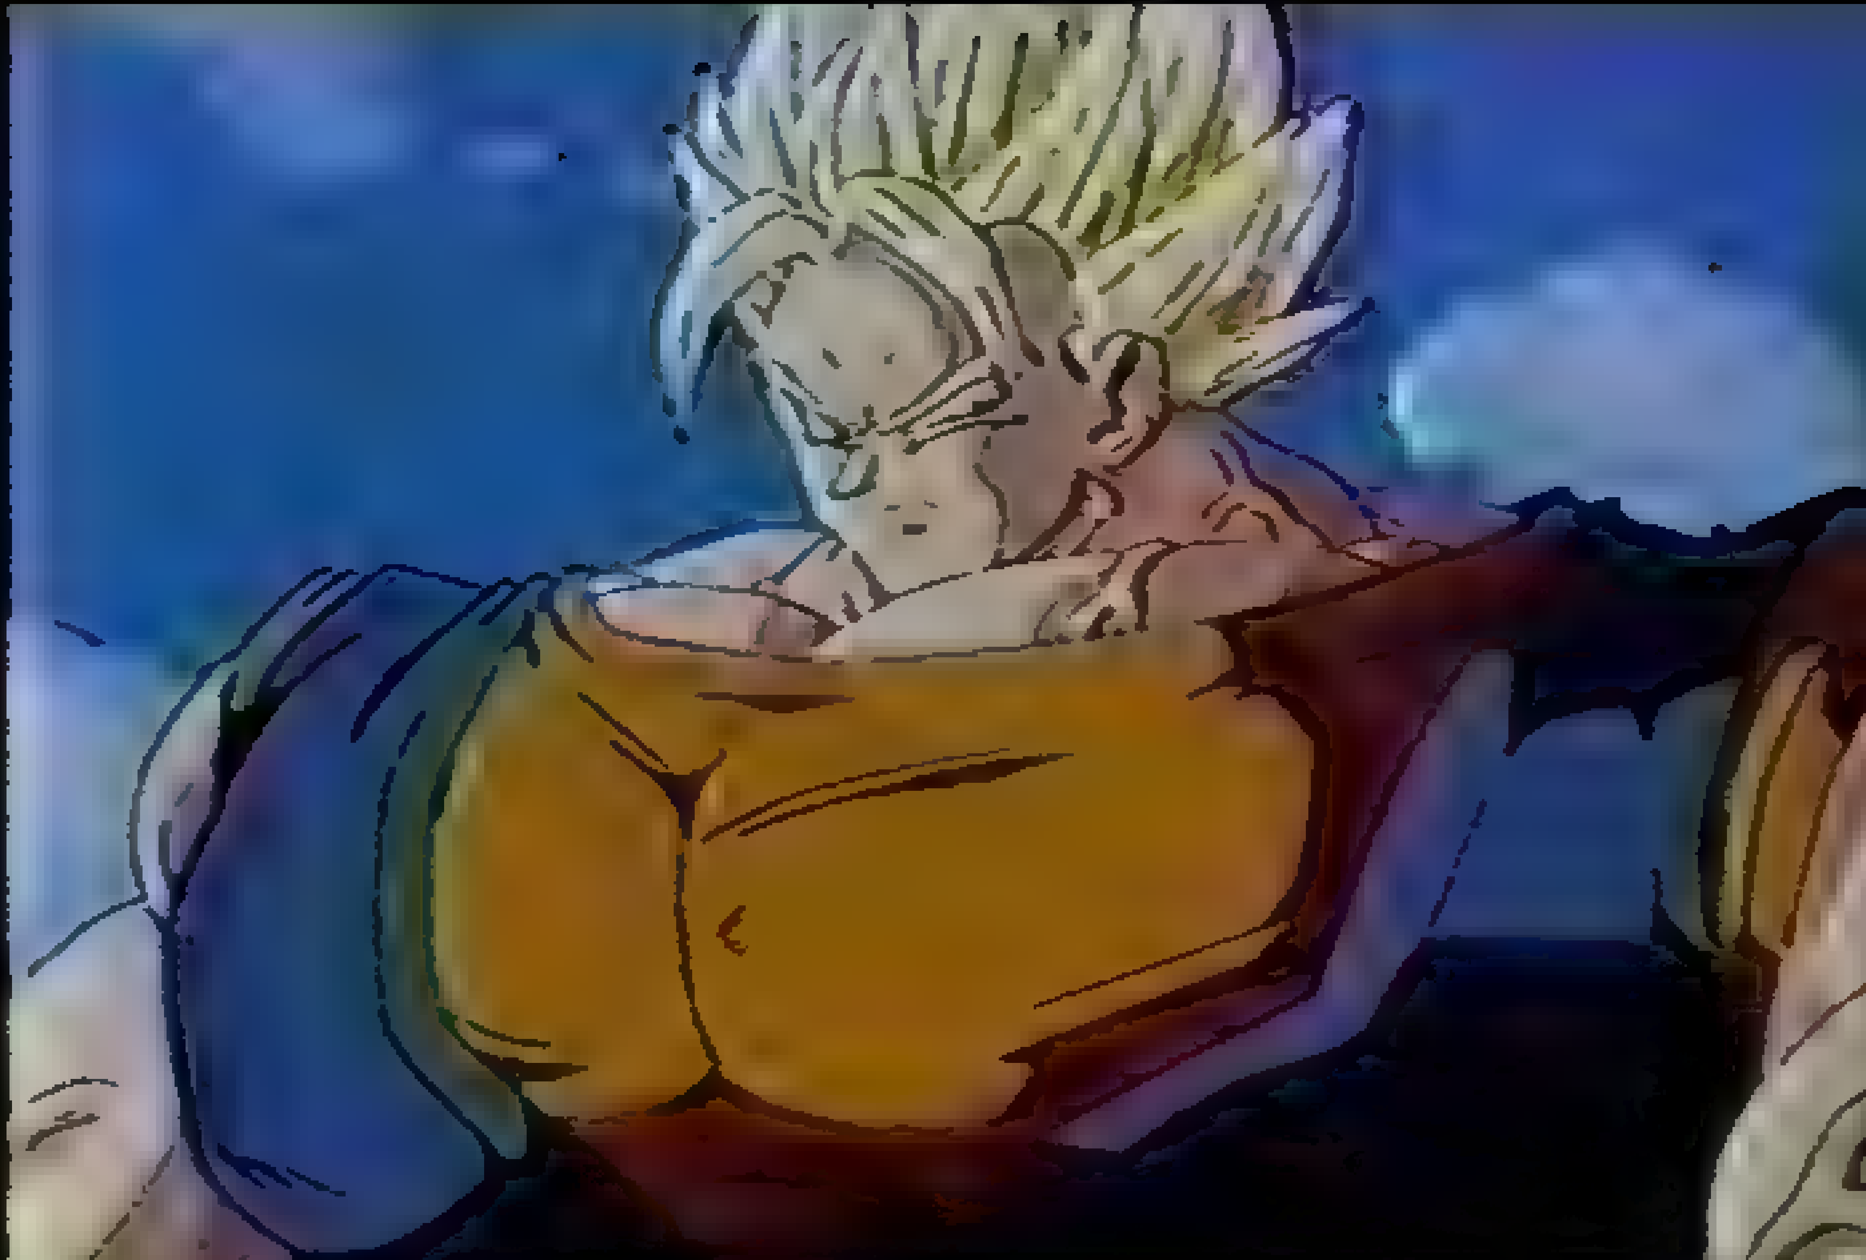

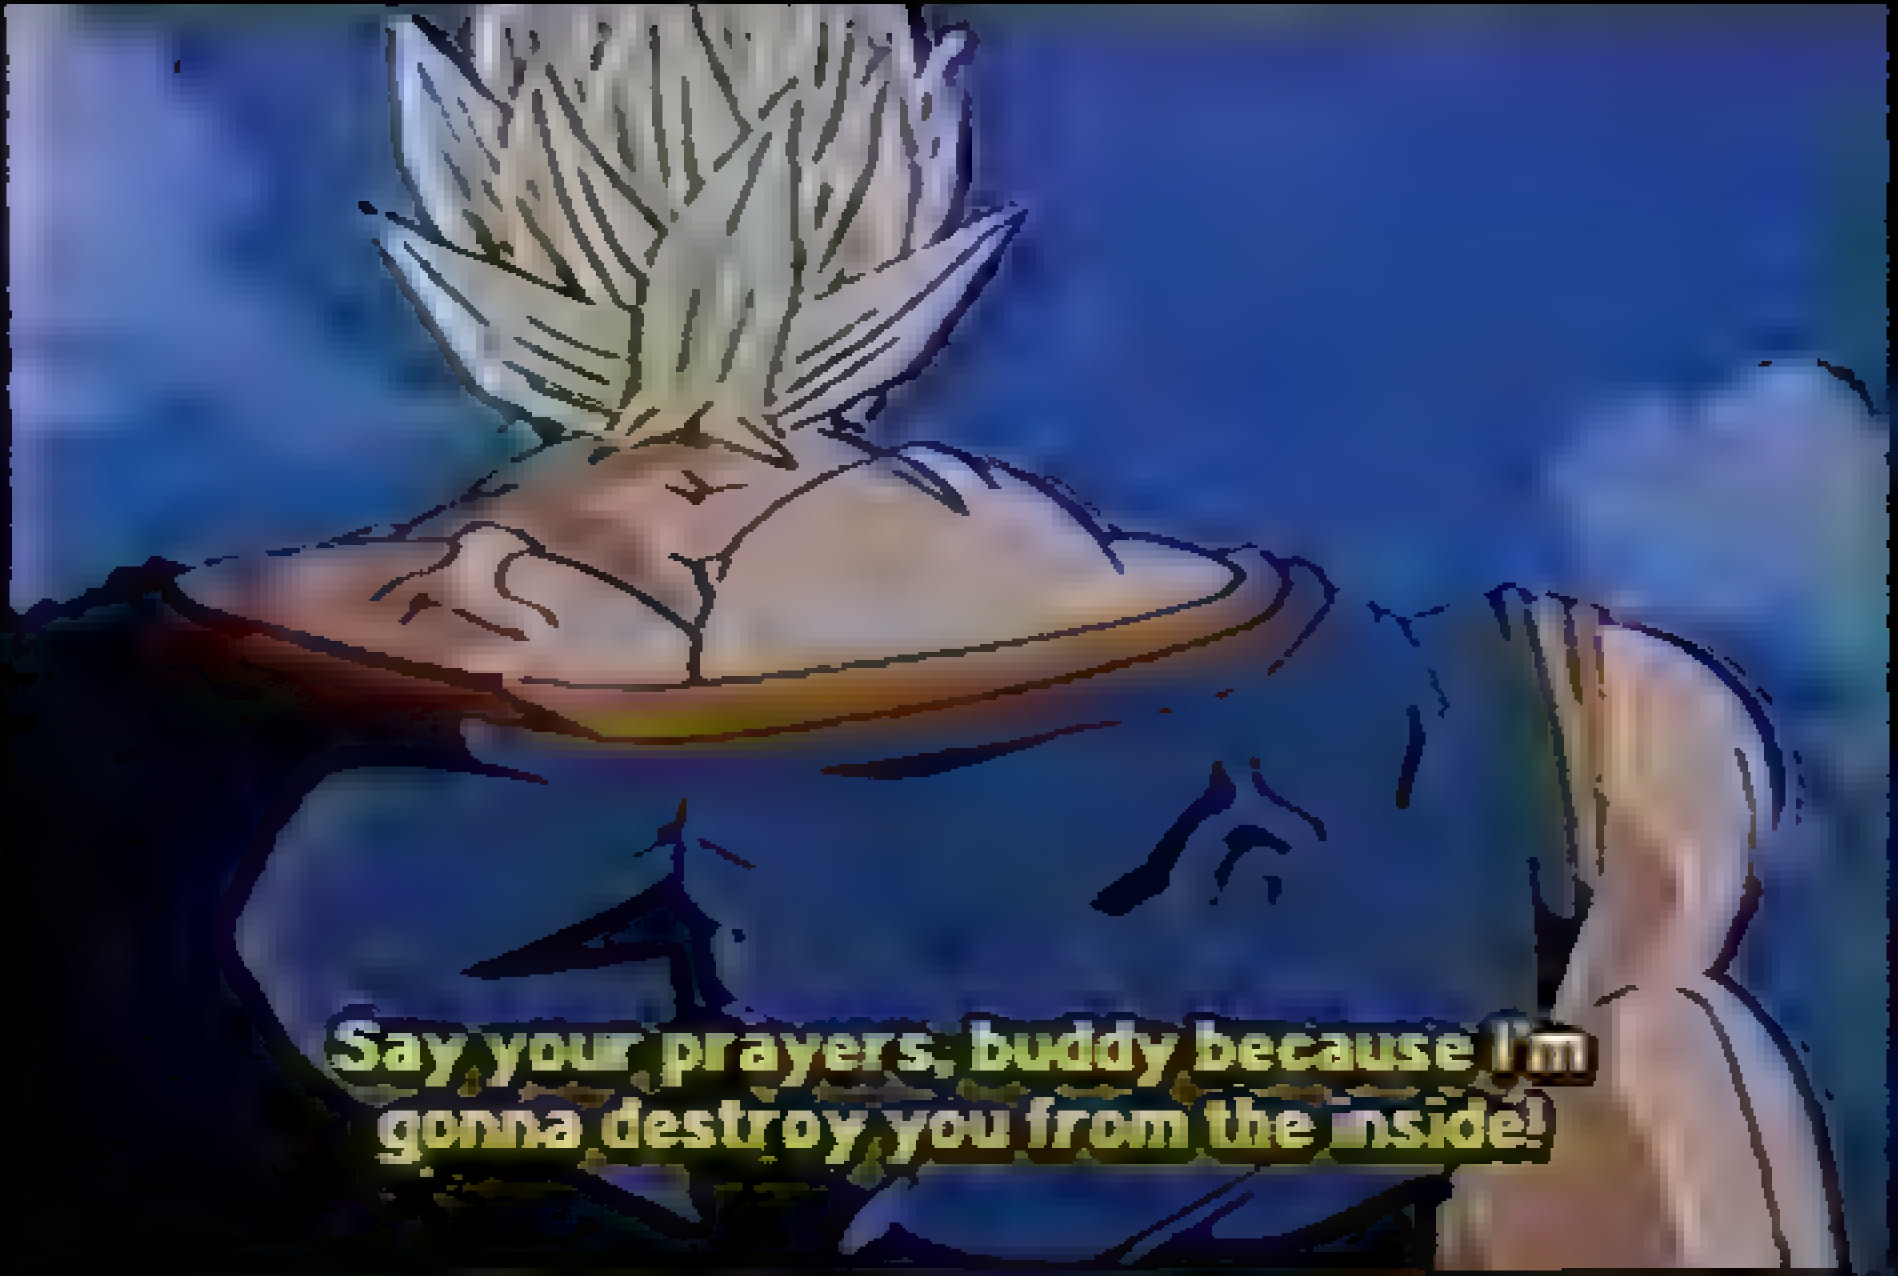

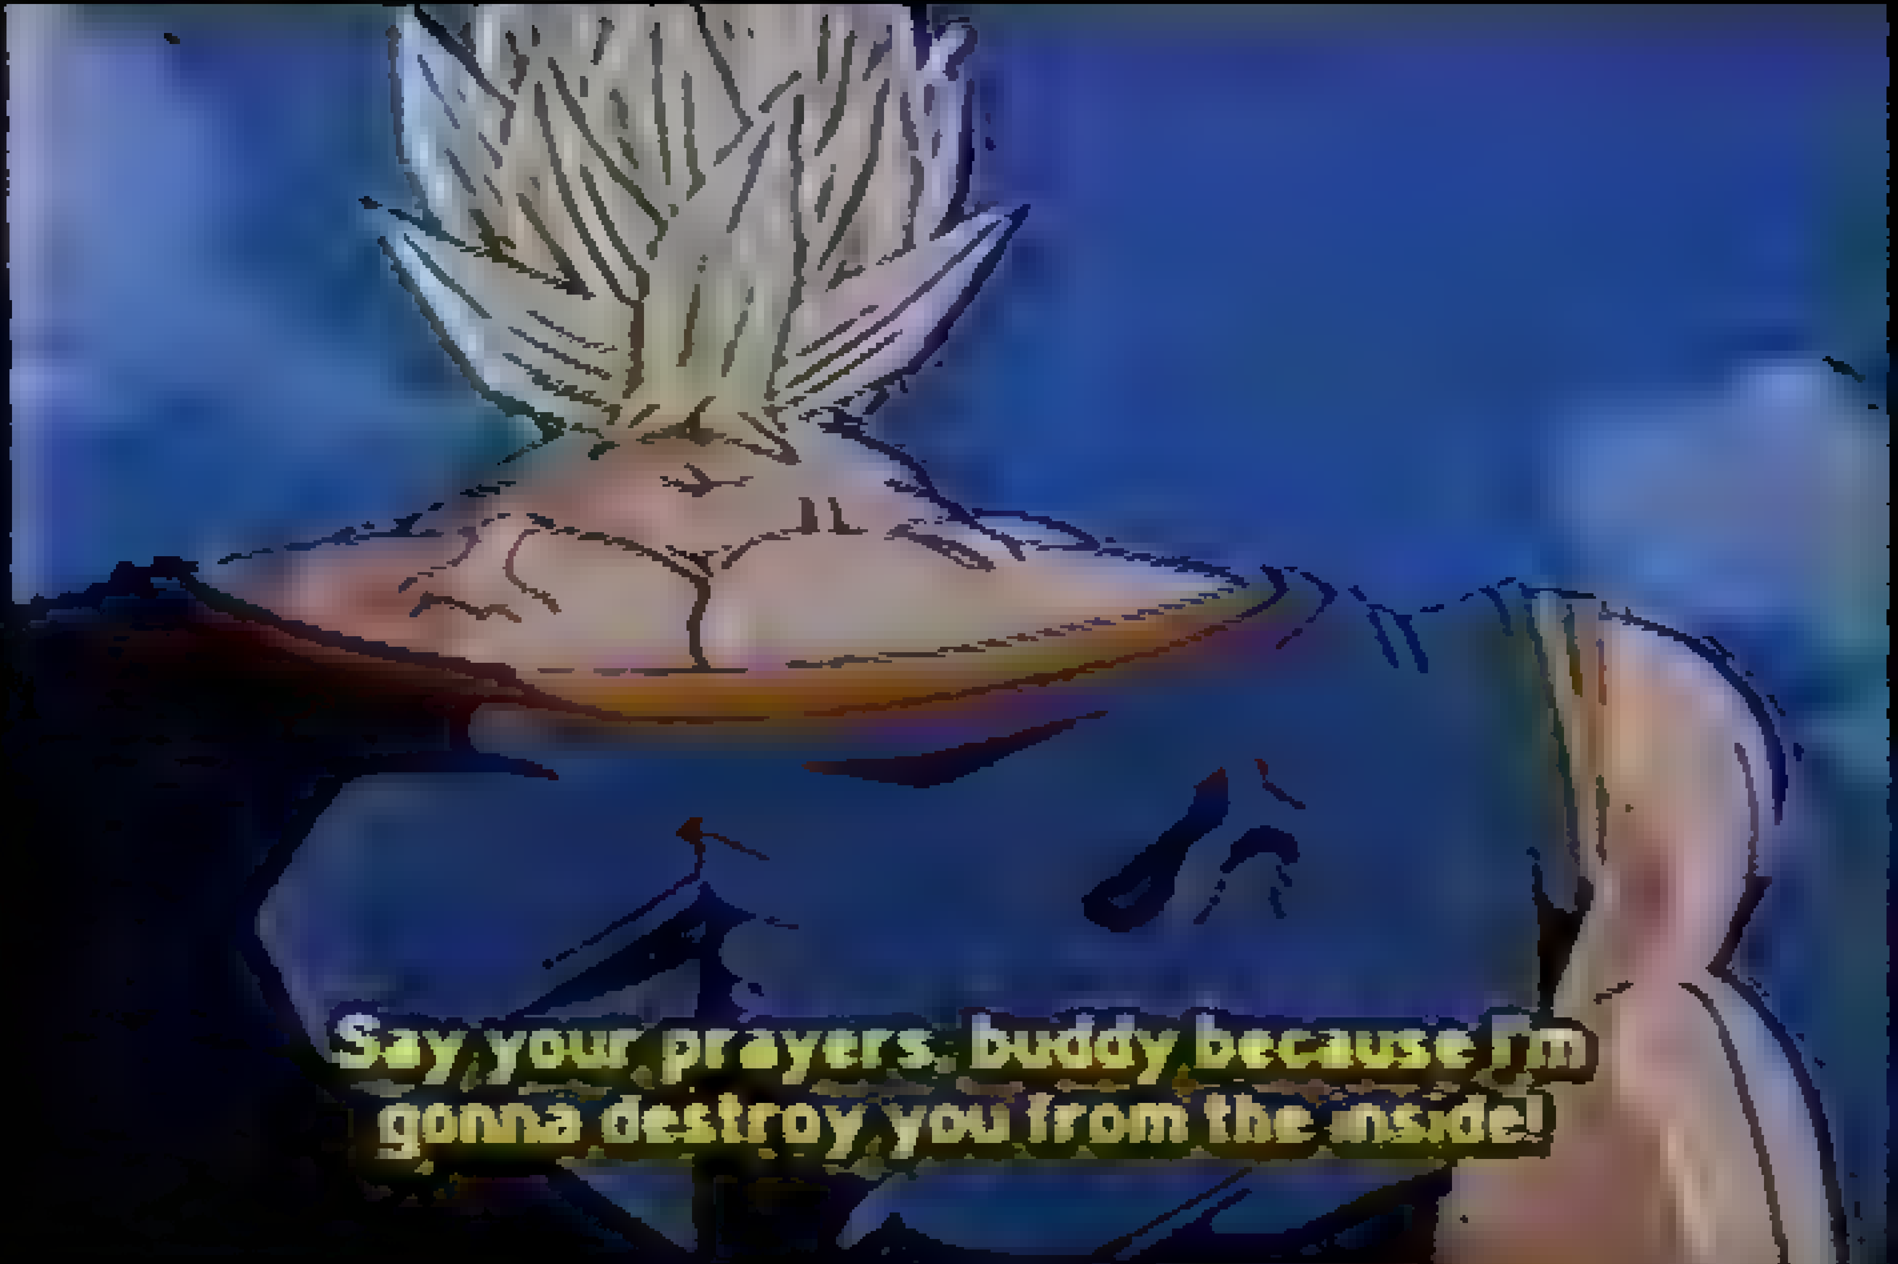

How's that?! I've invaded
the insides of your body.

Even though you're powered
up, what're you gonna do now?!

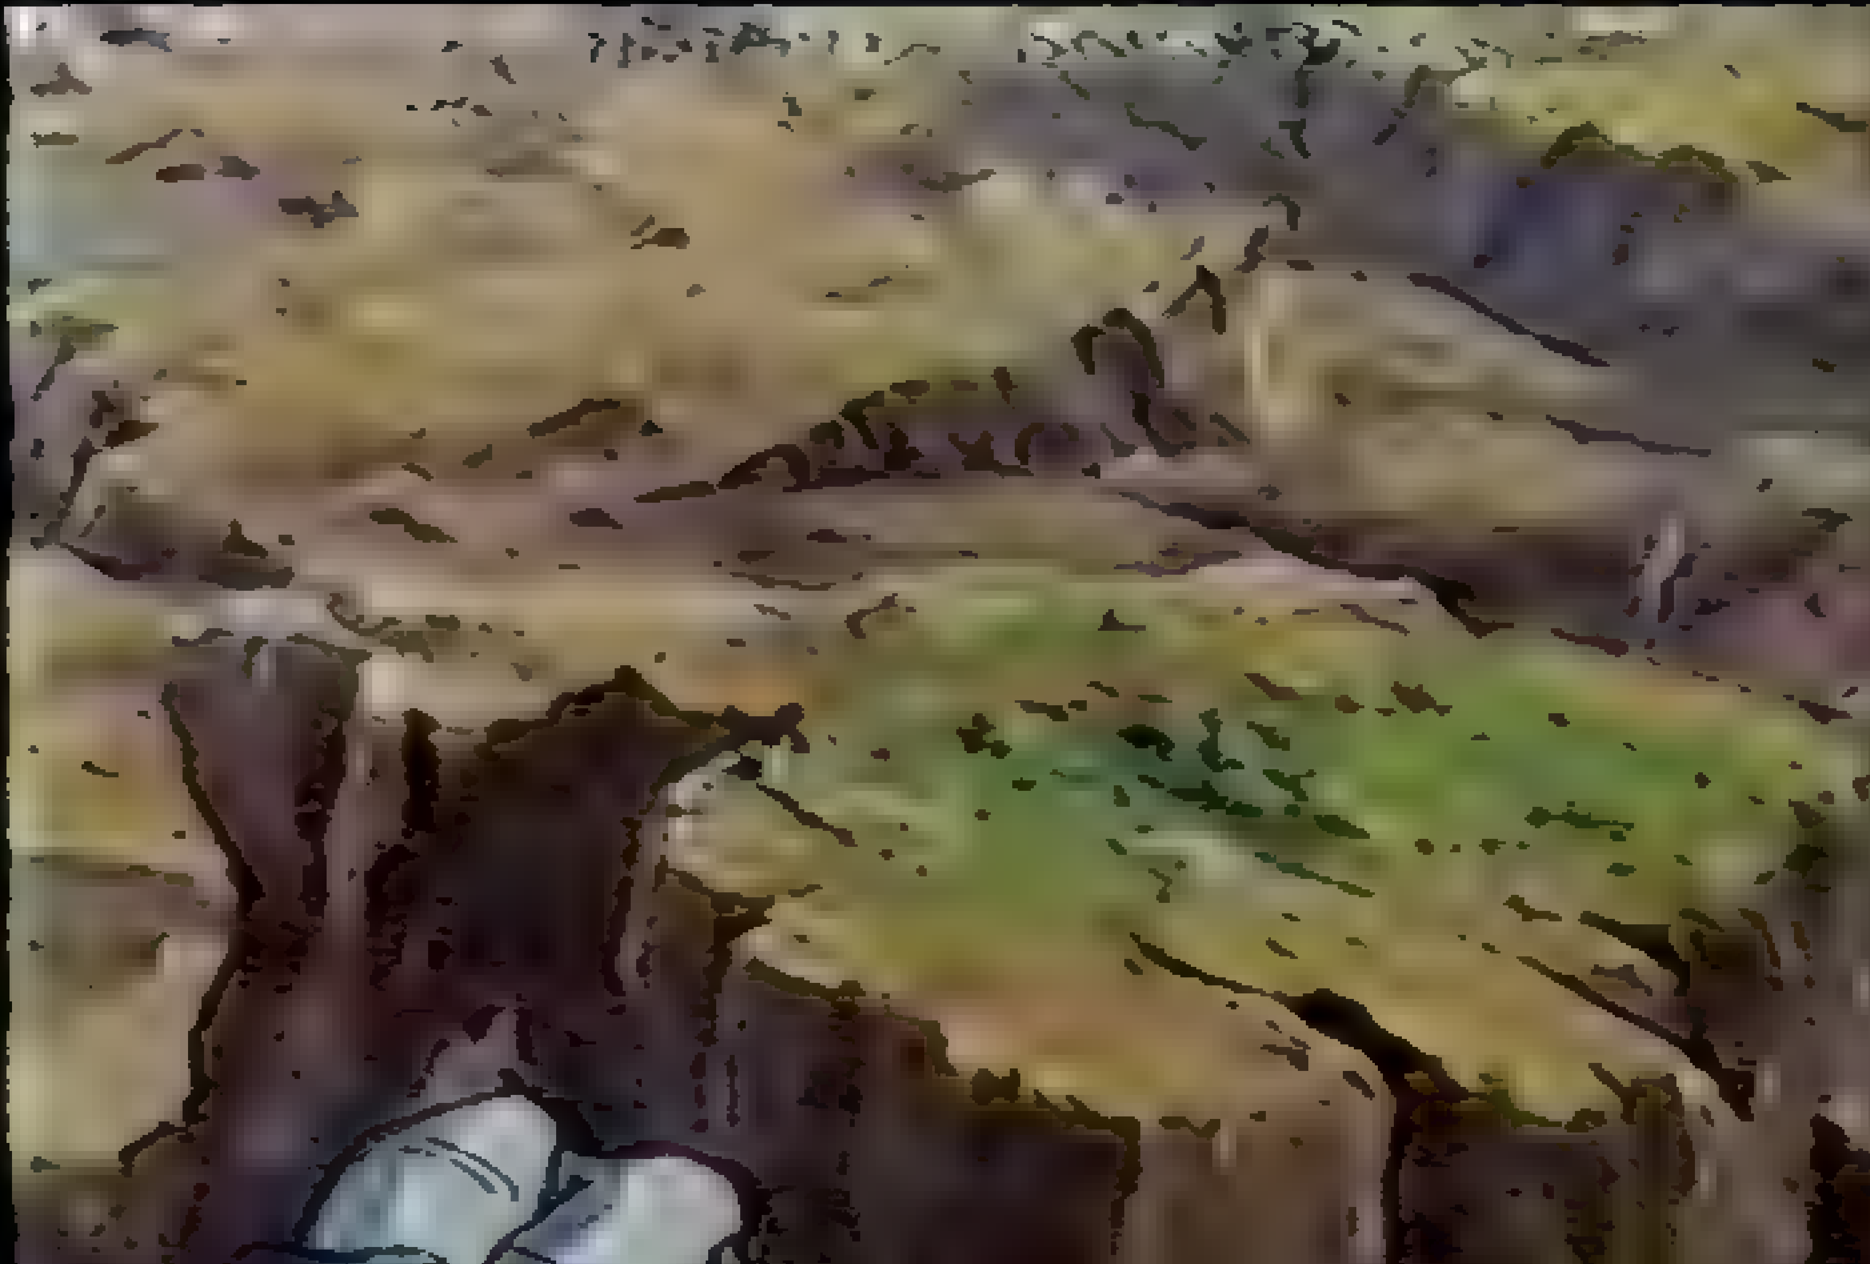

Say your prayers, buddy because I'm
gonna destroy you from the inside!

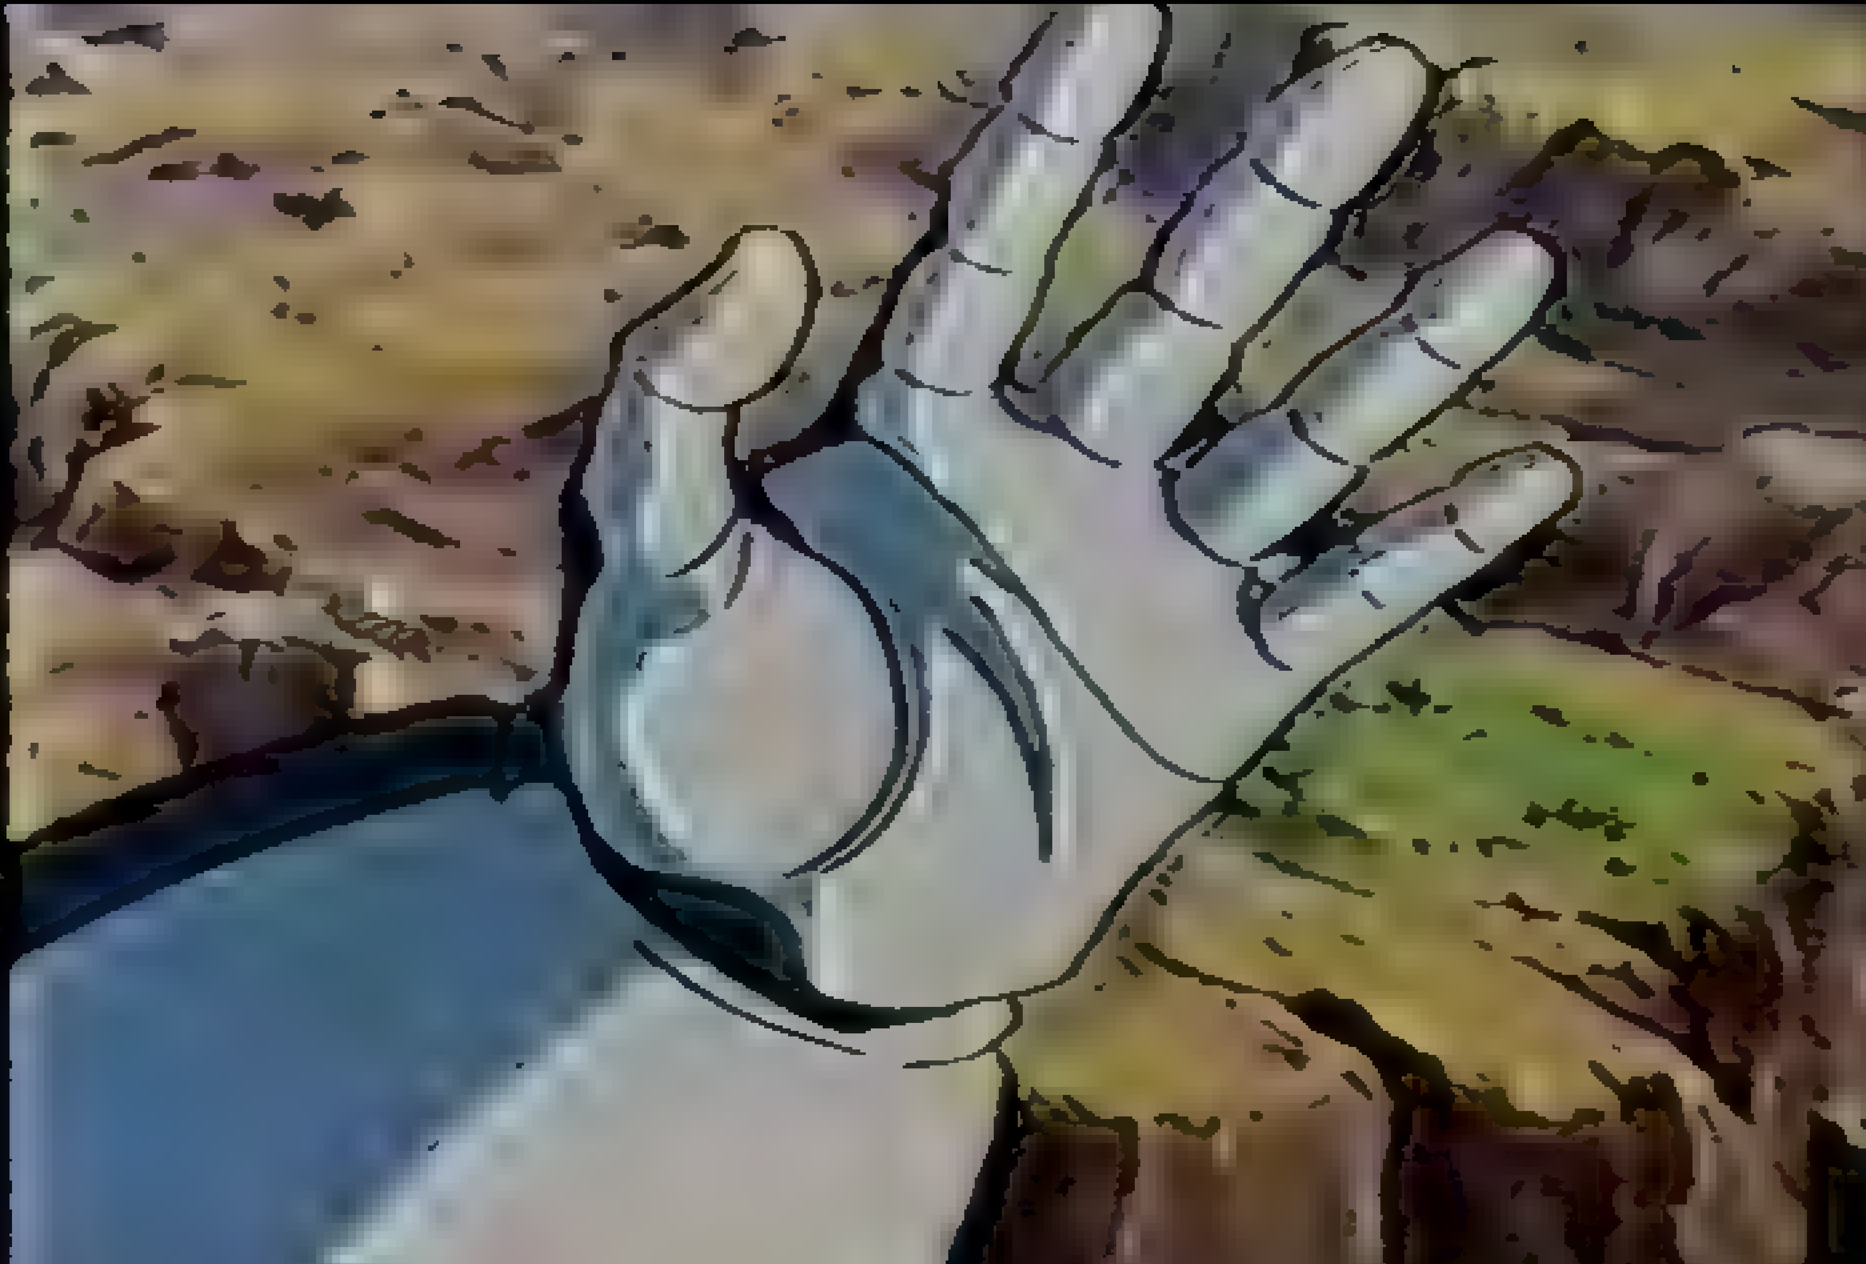

Say your prayers, buddy because I'm
gonna destroy you from the inside!

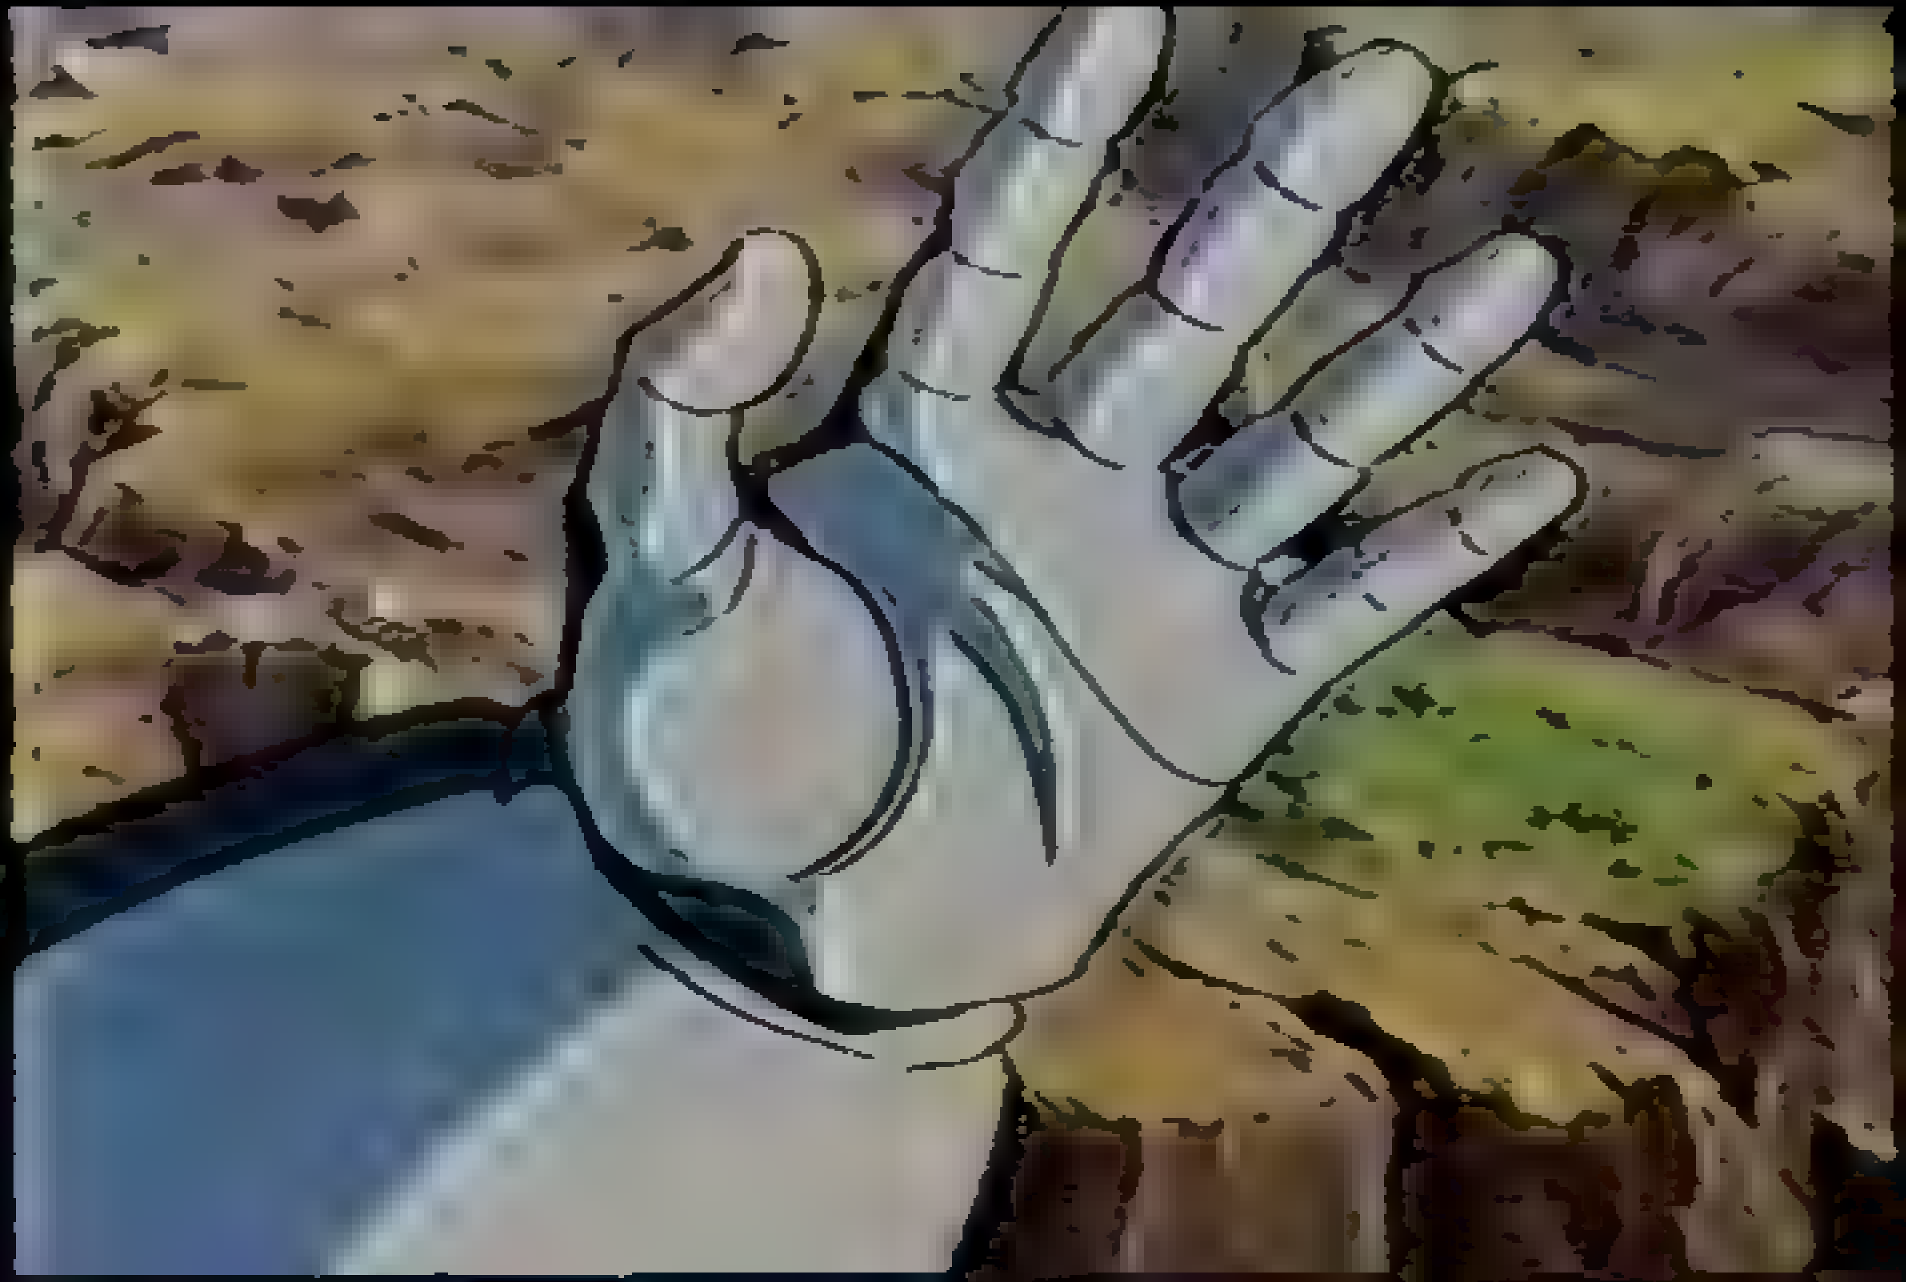

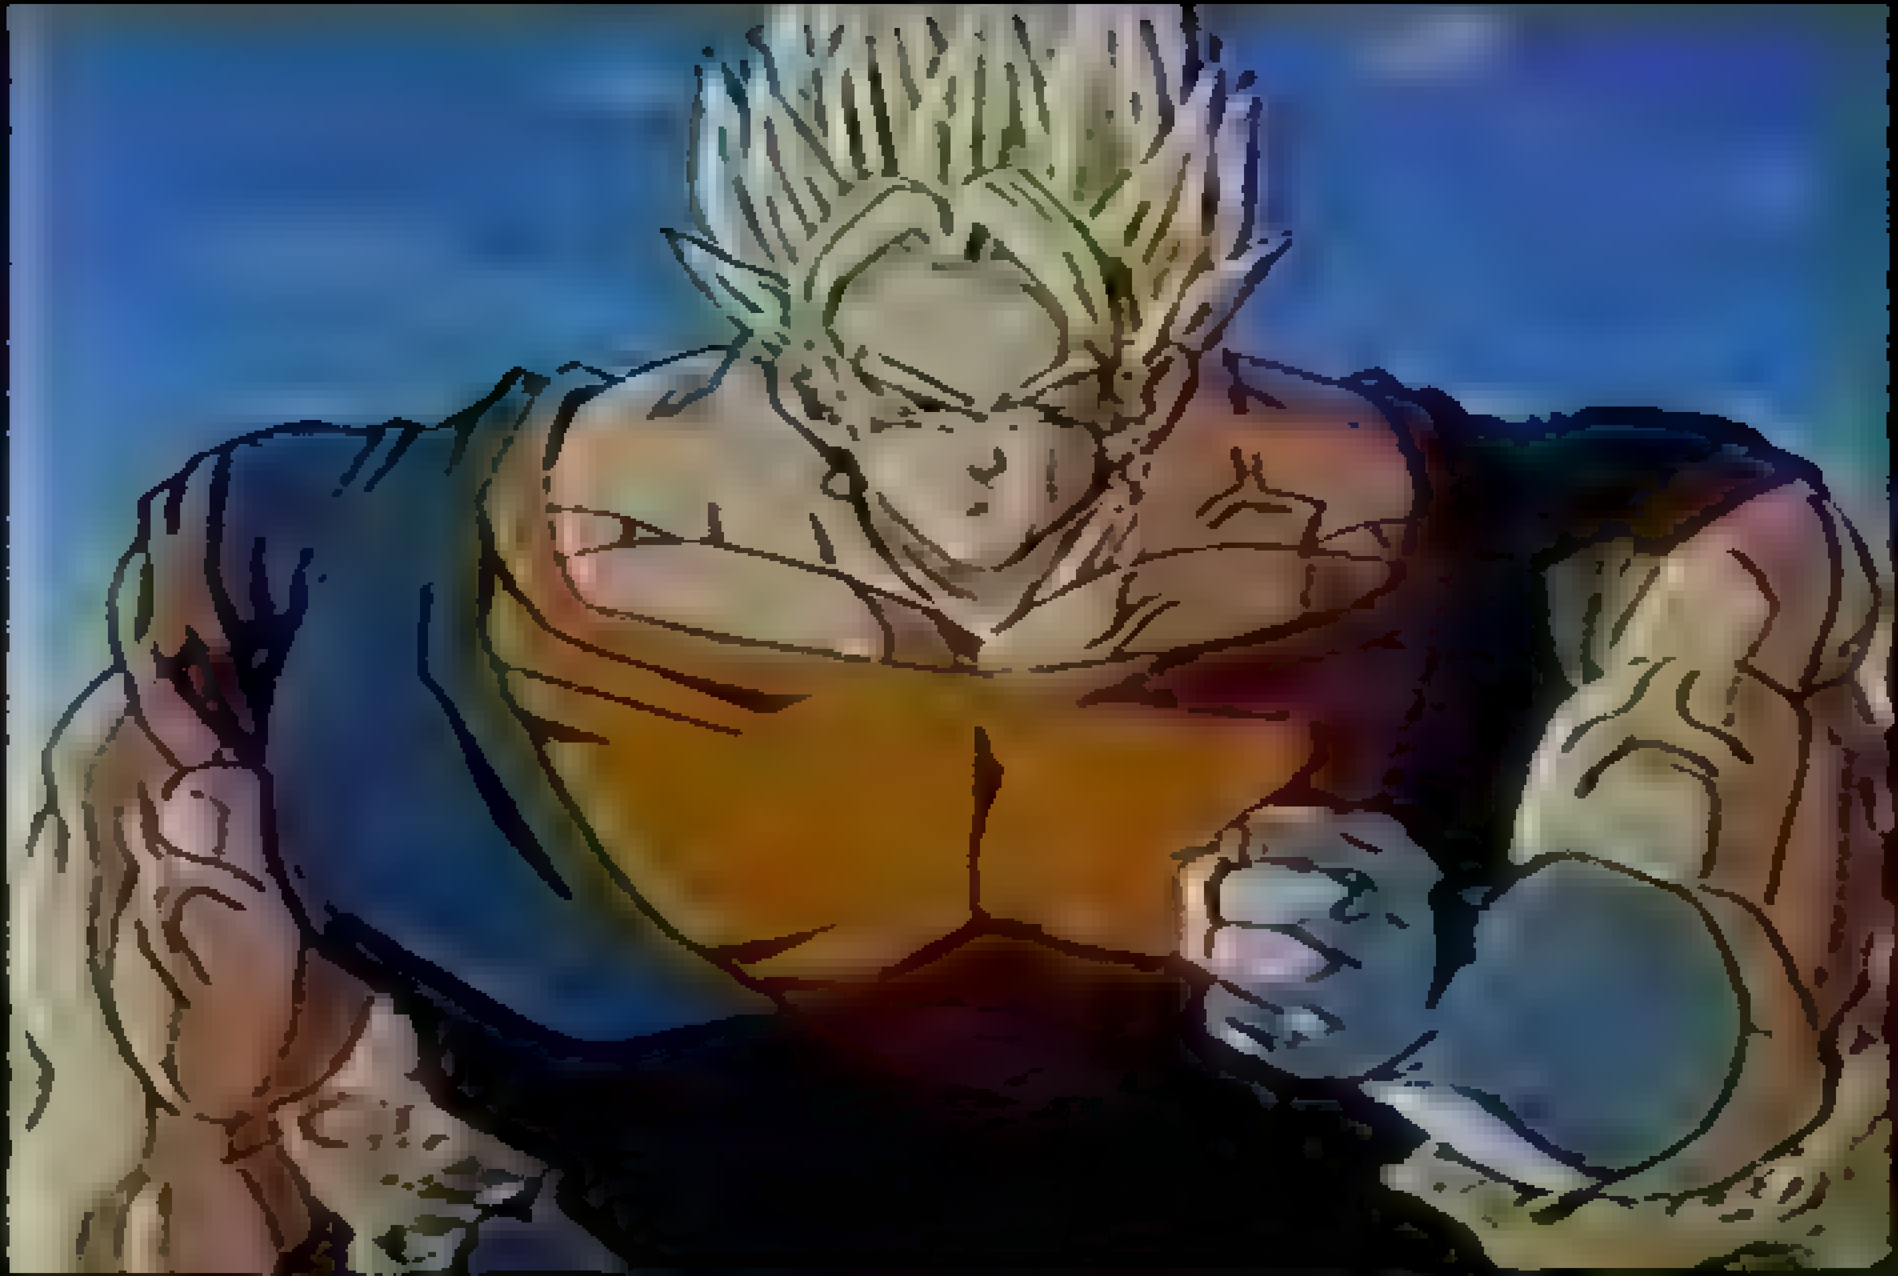

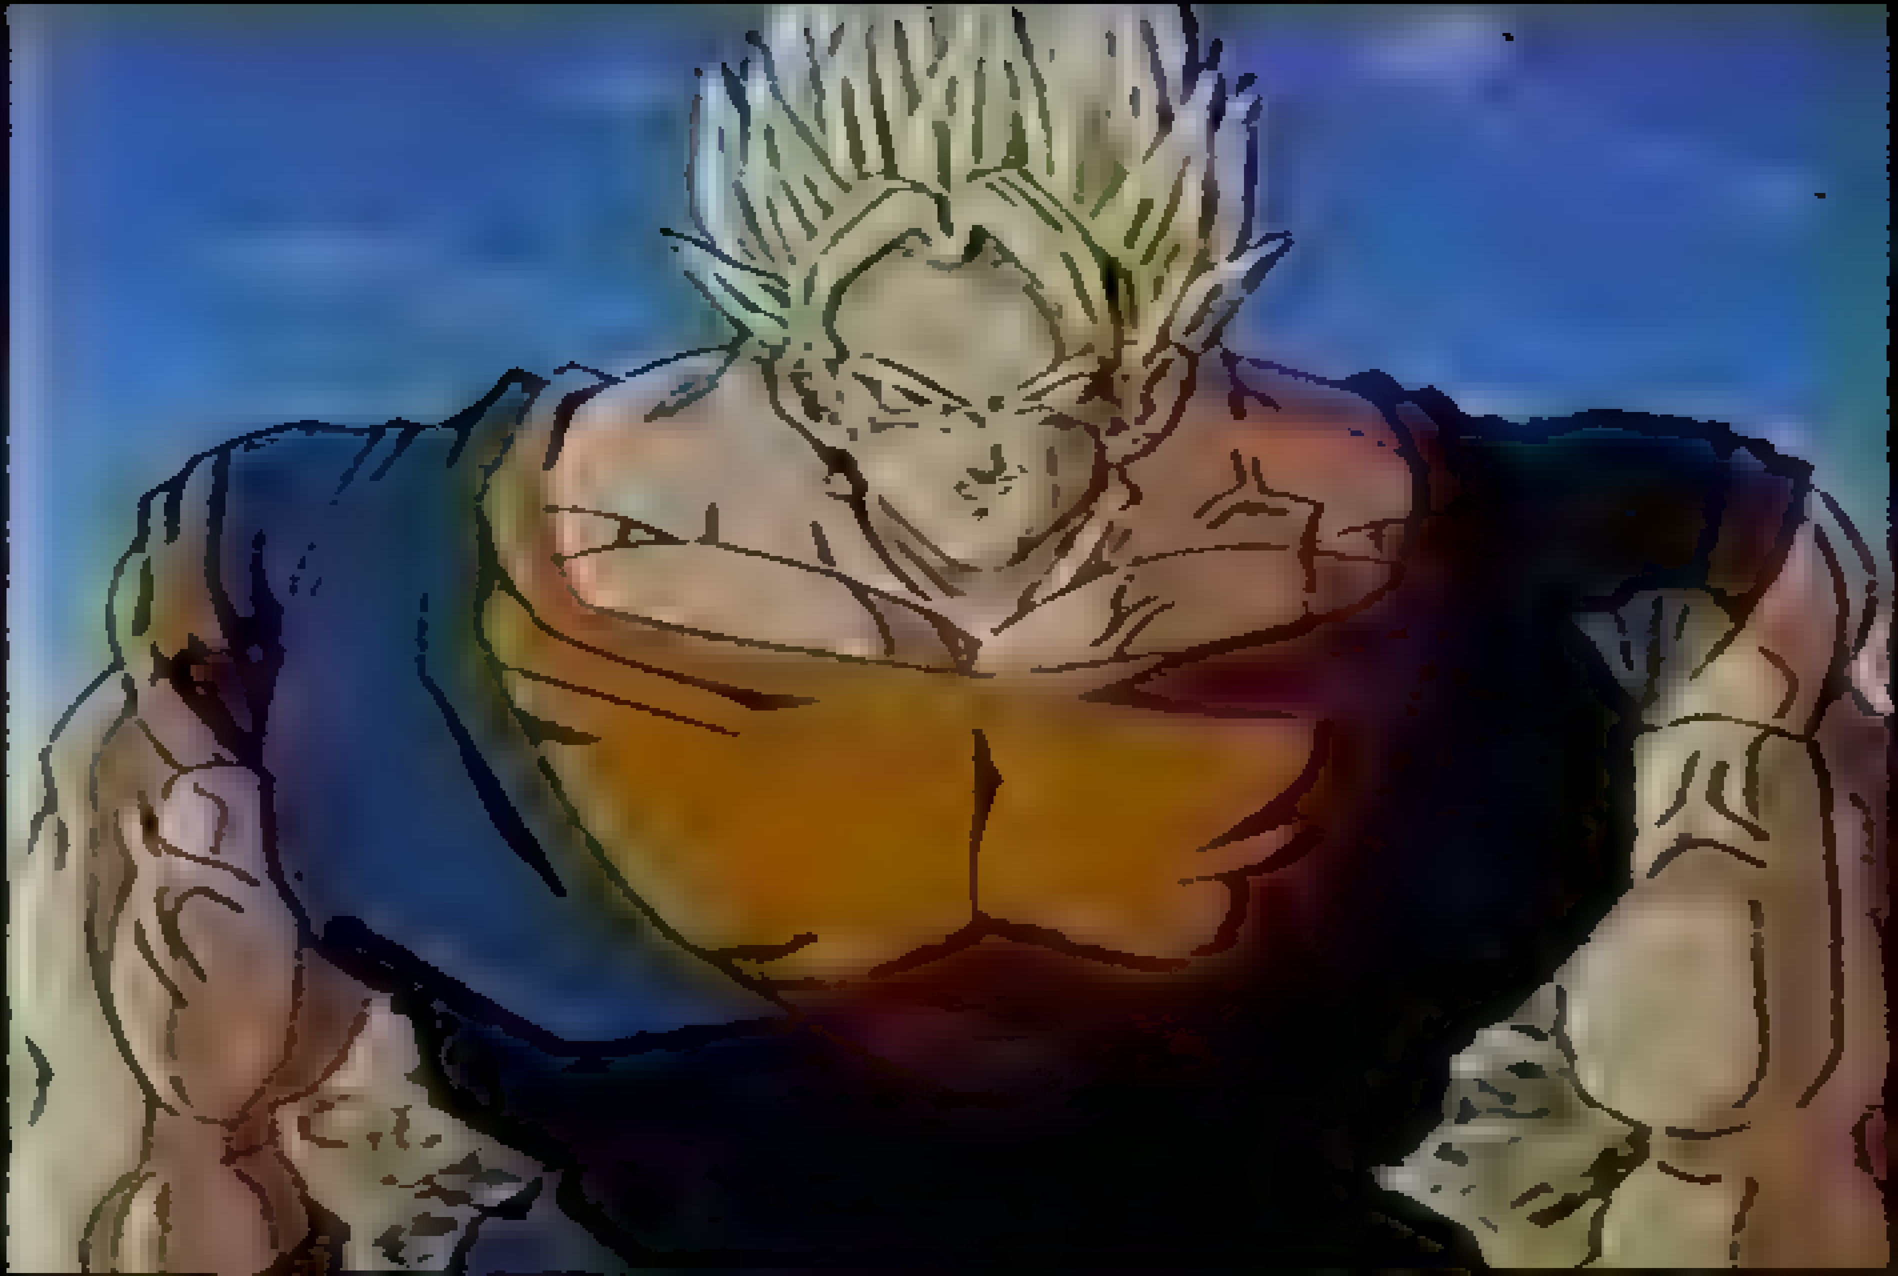

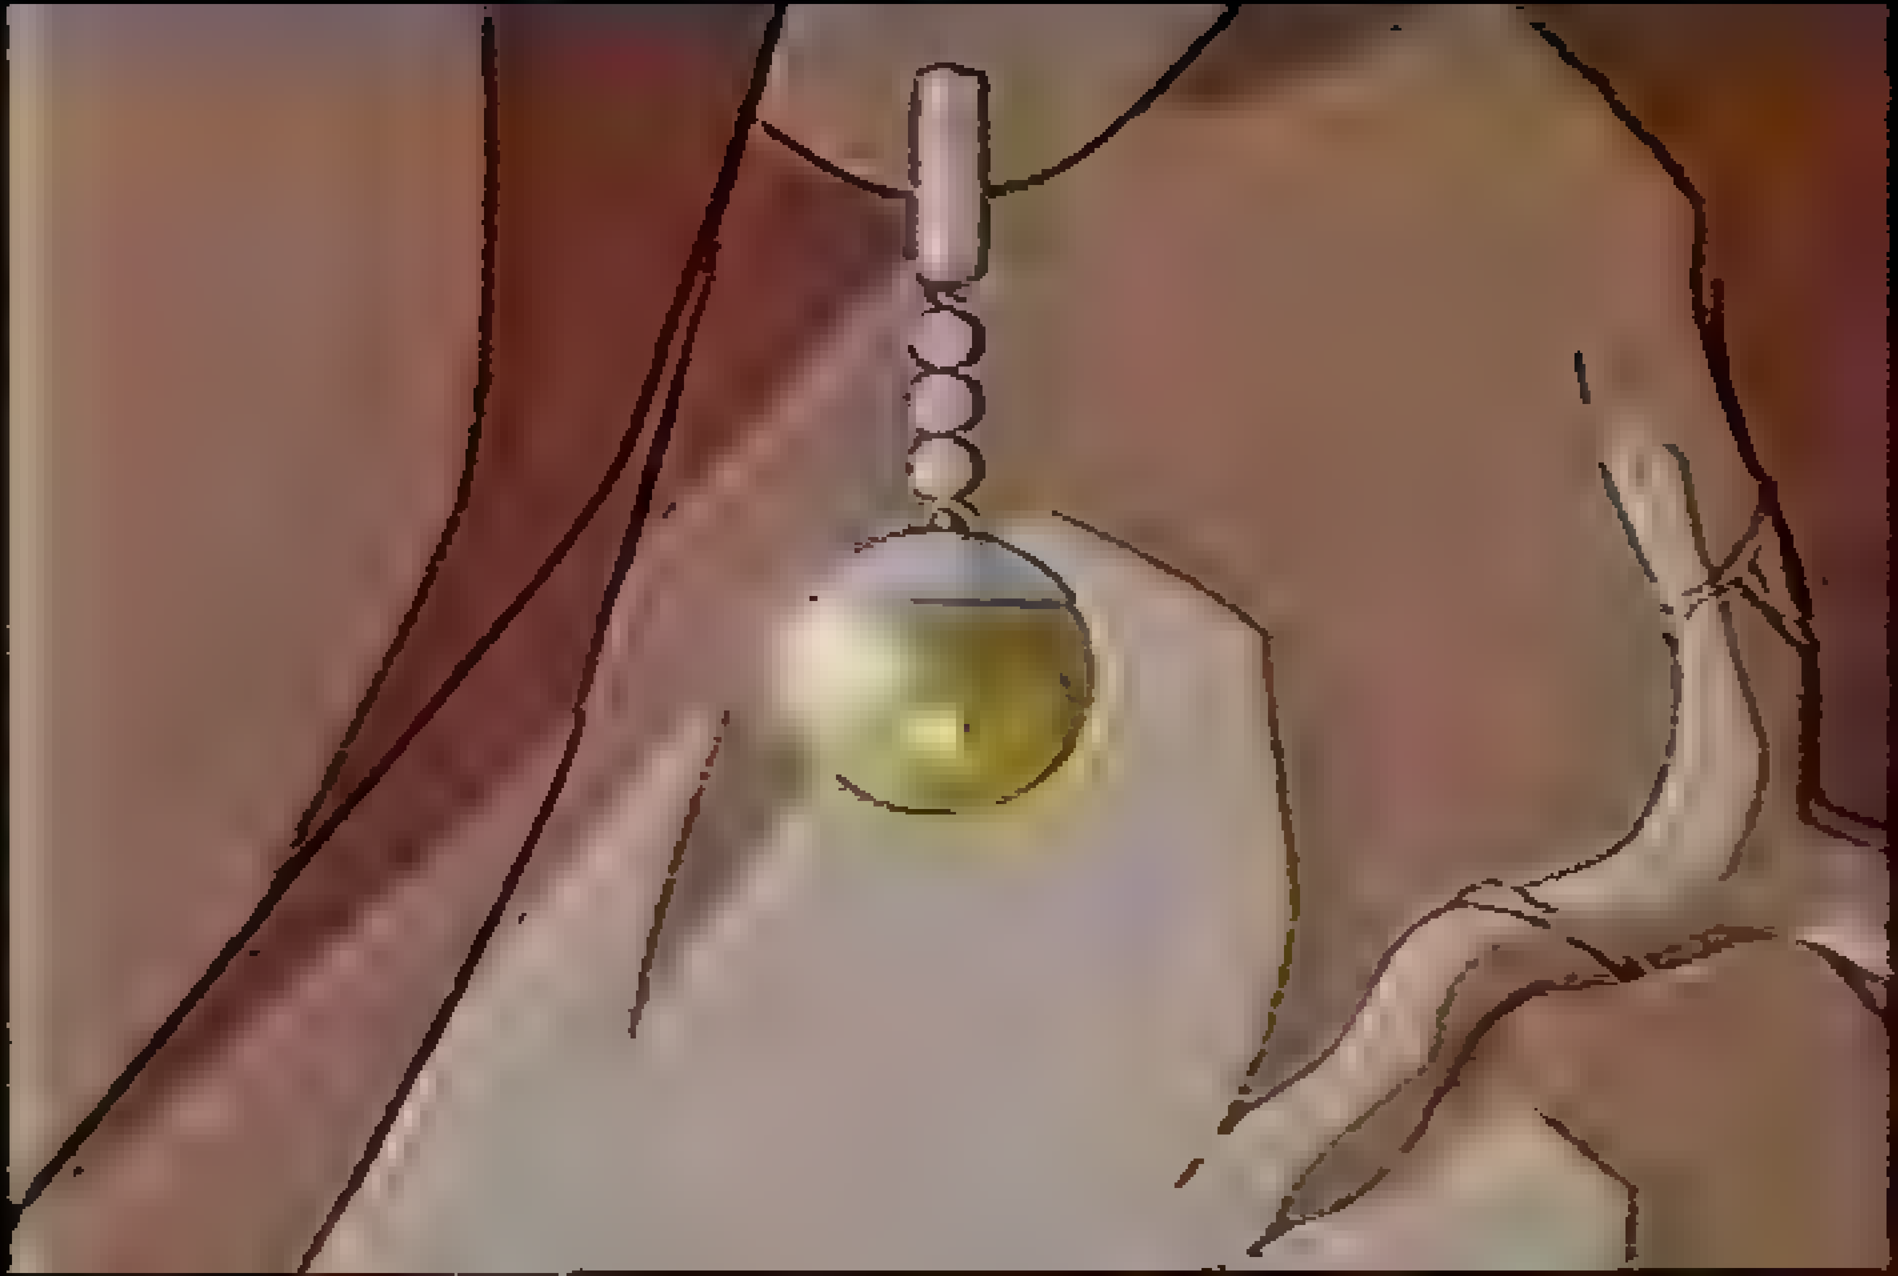

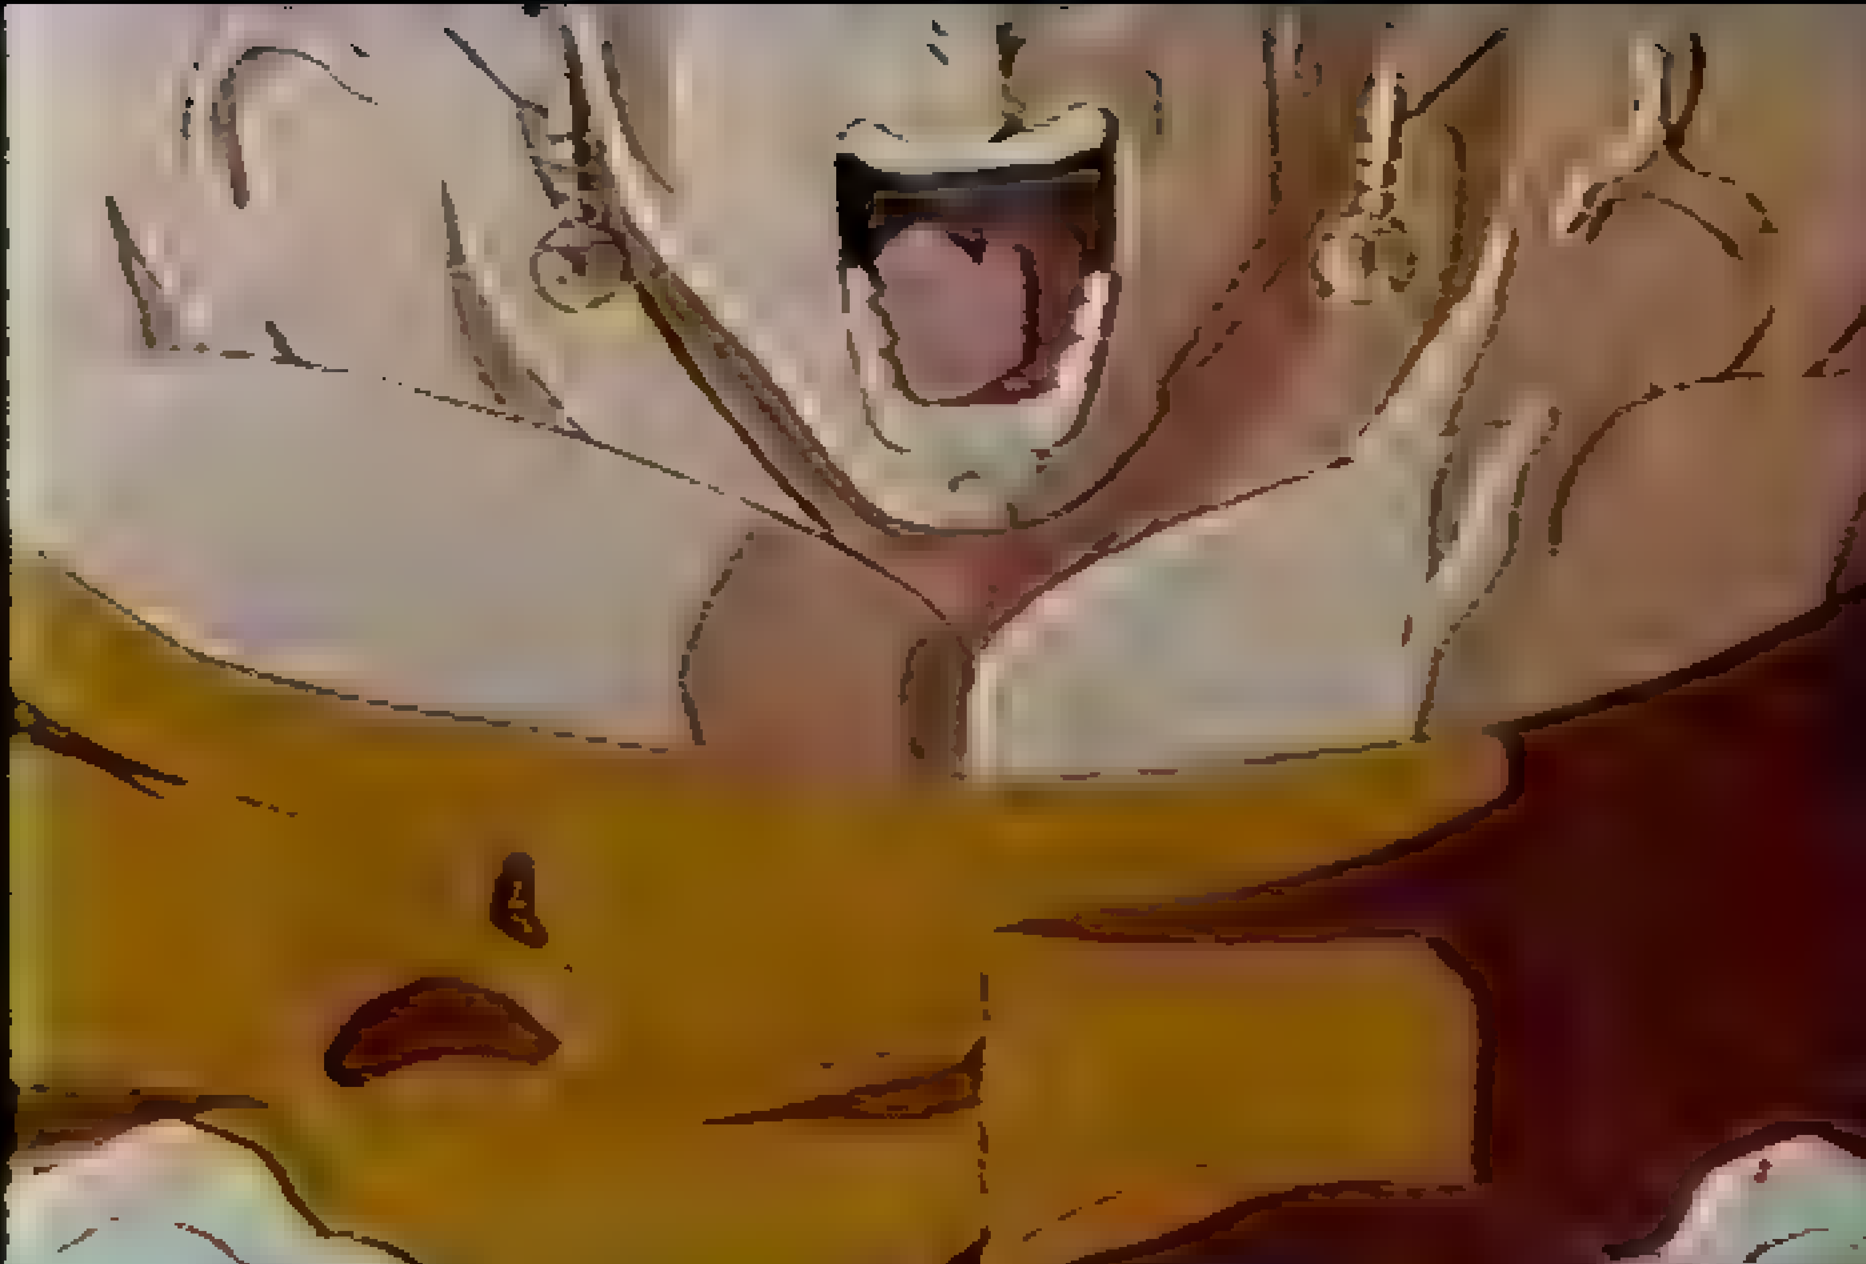

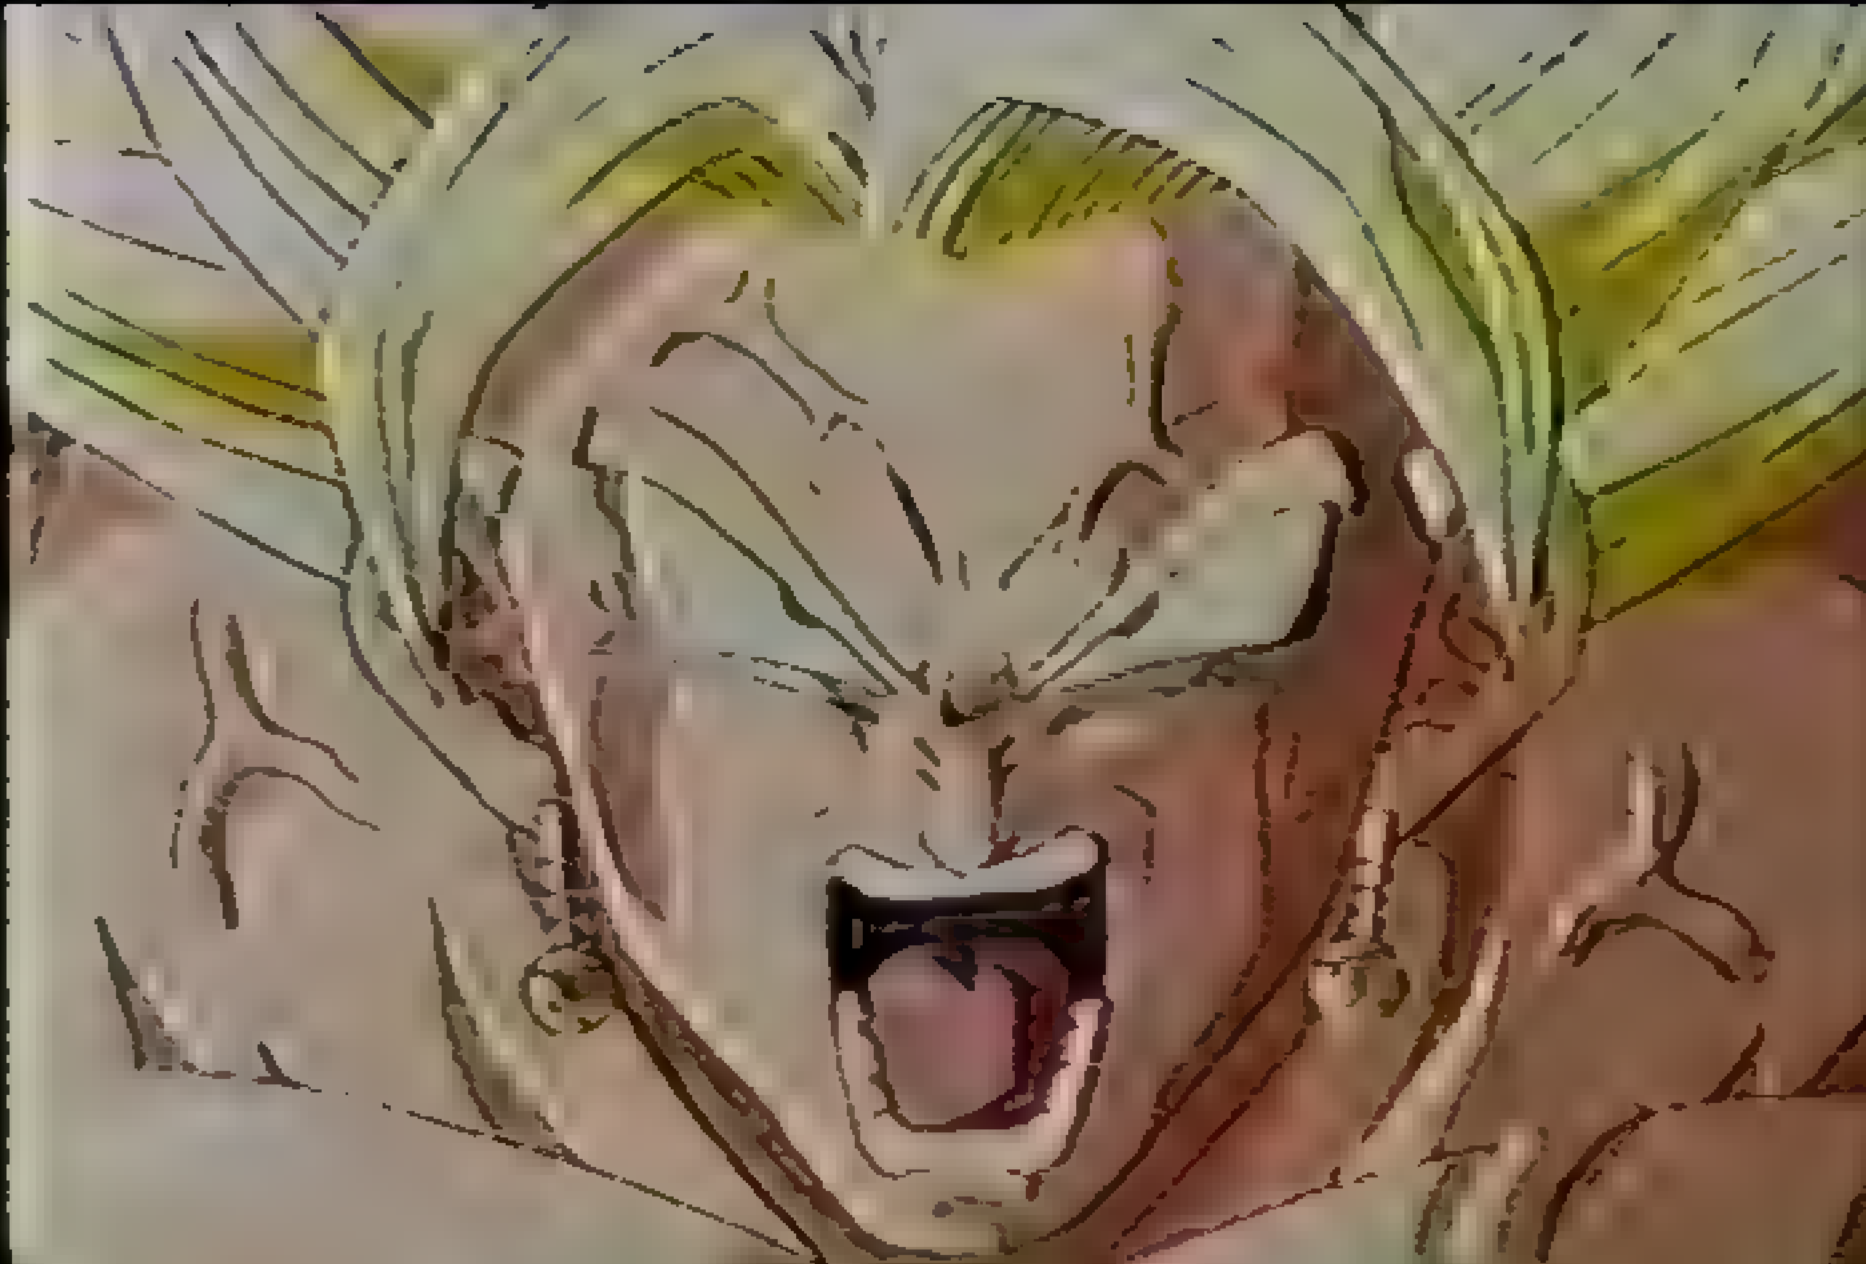

...You should be the one praying!

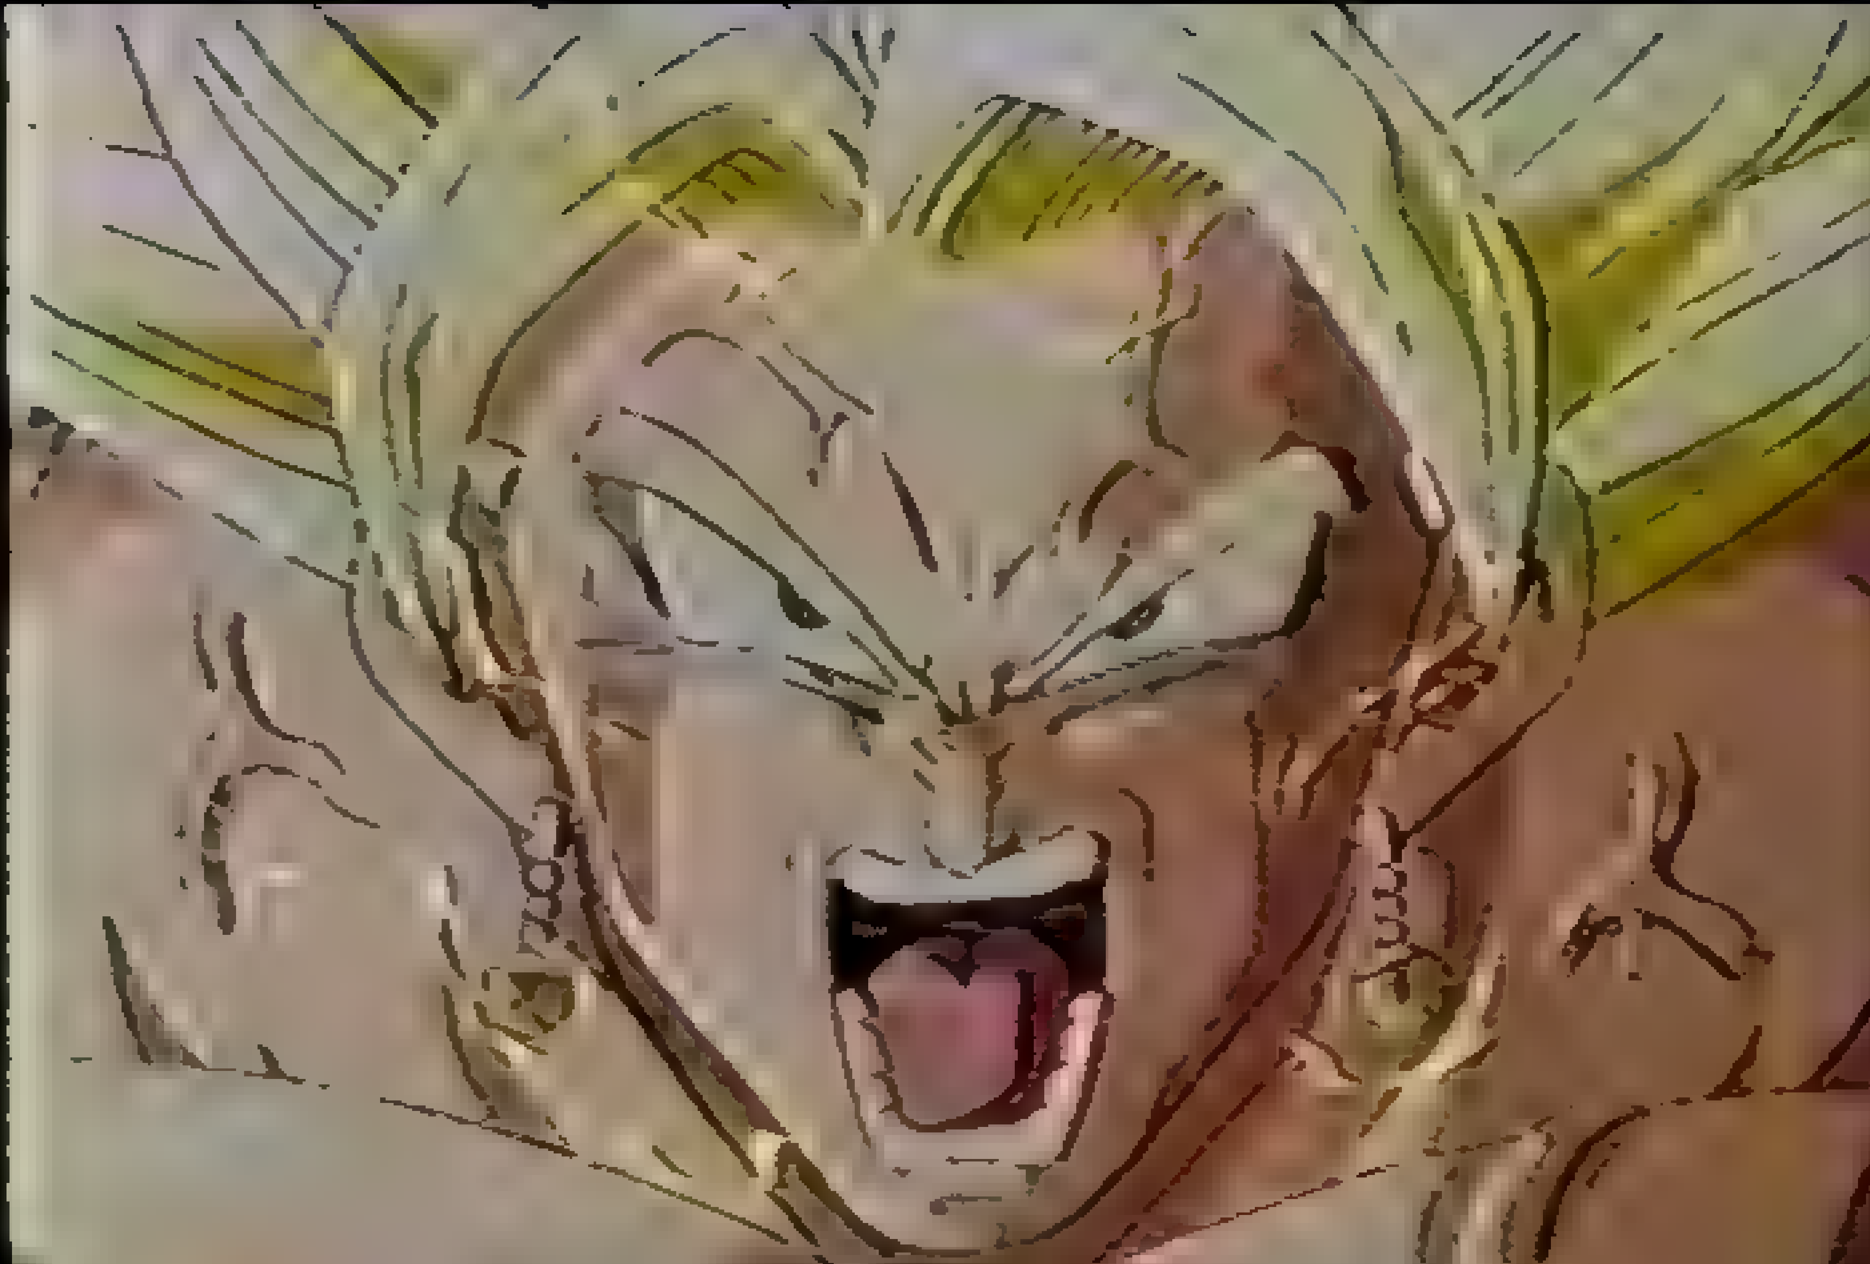

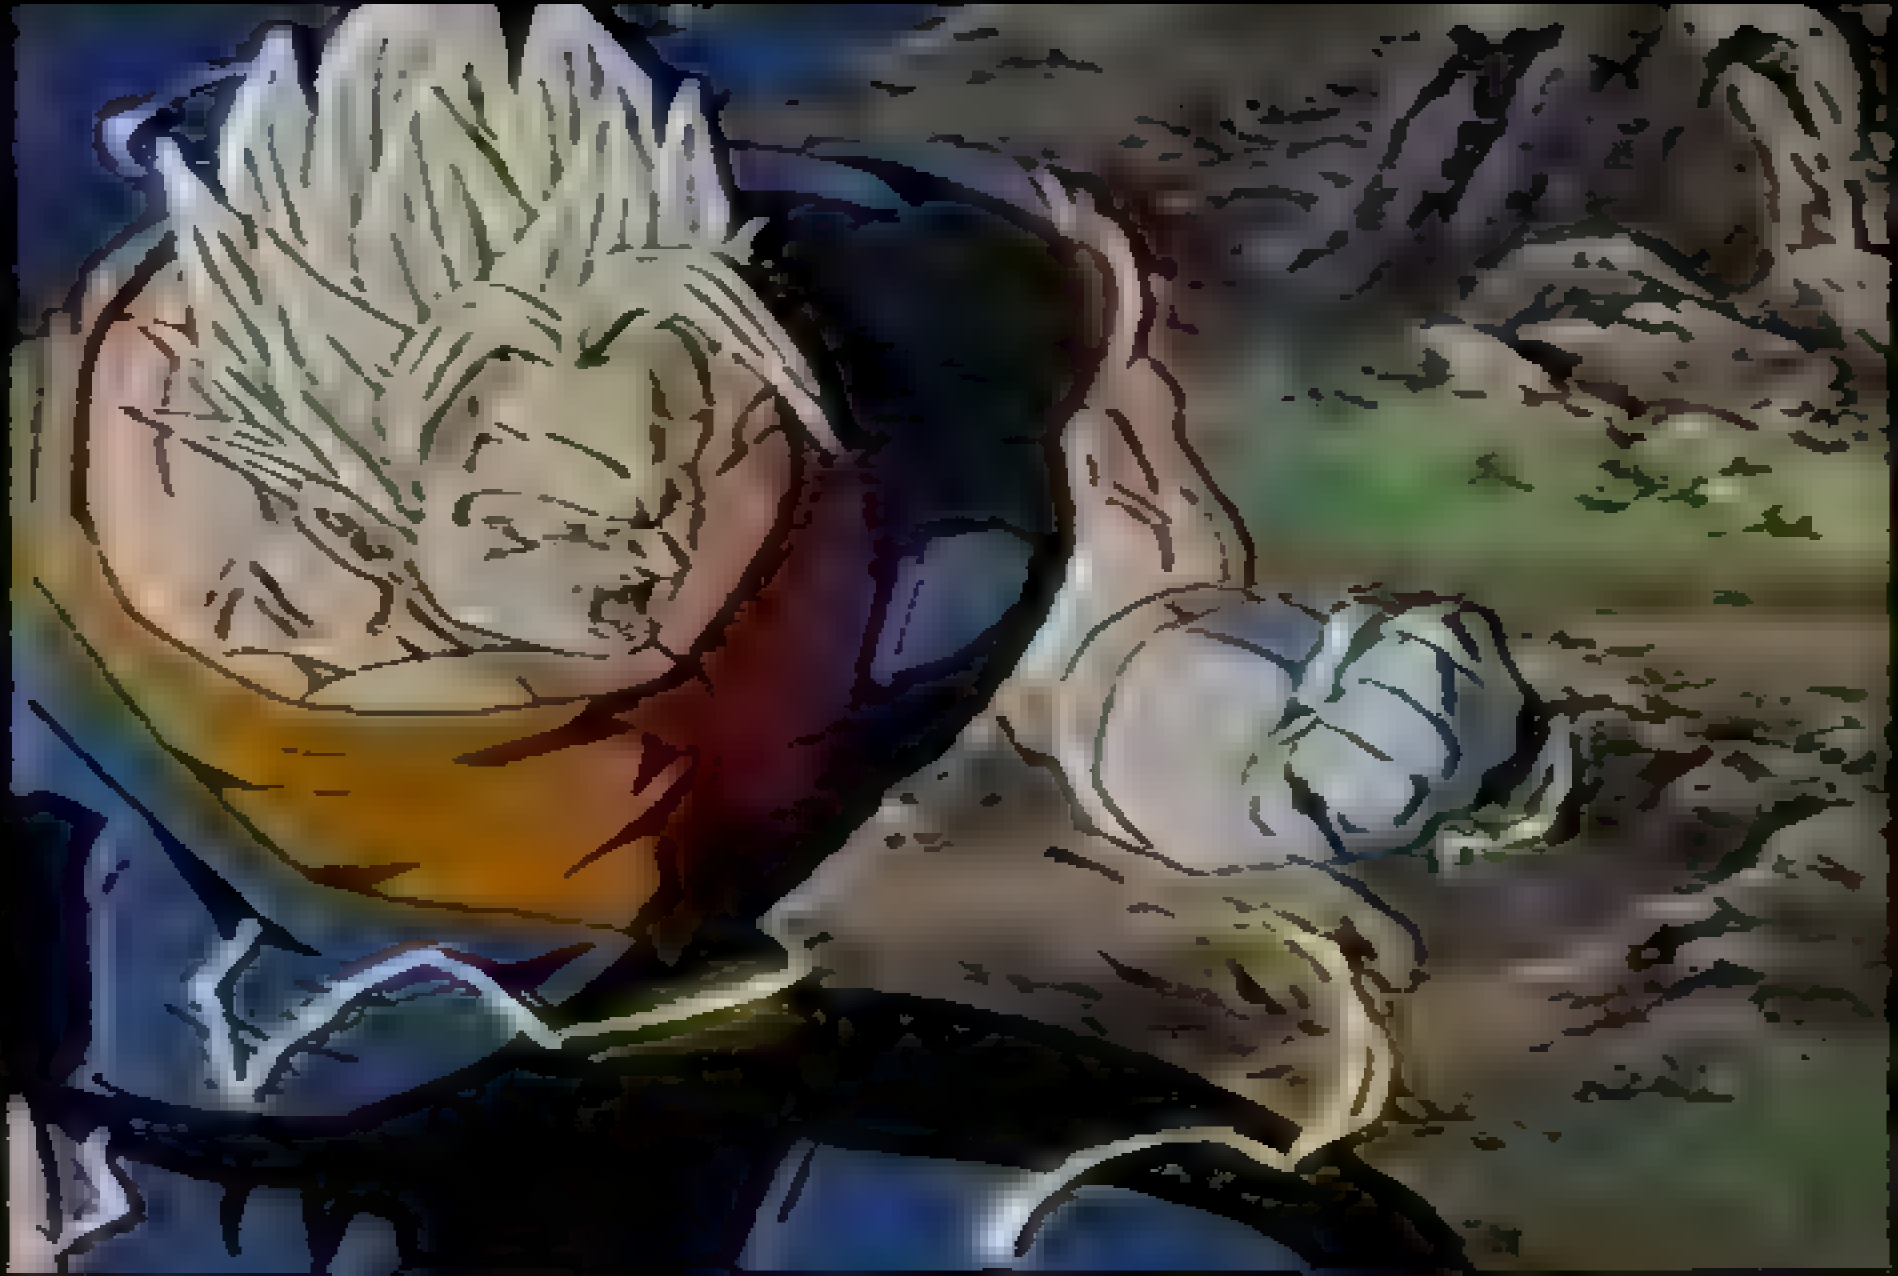

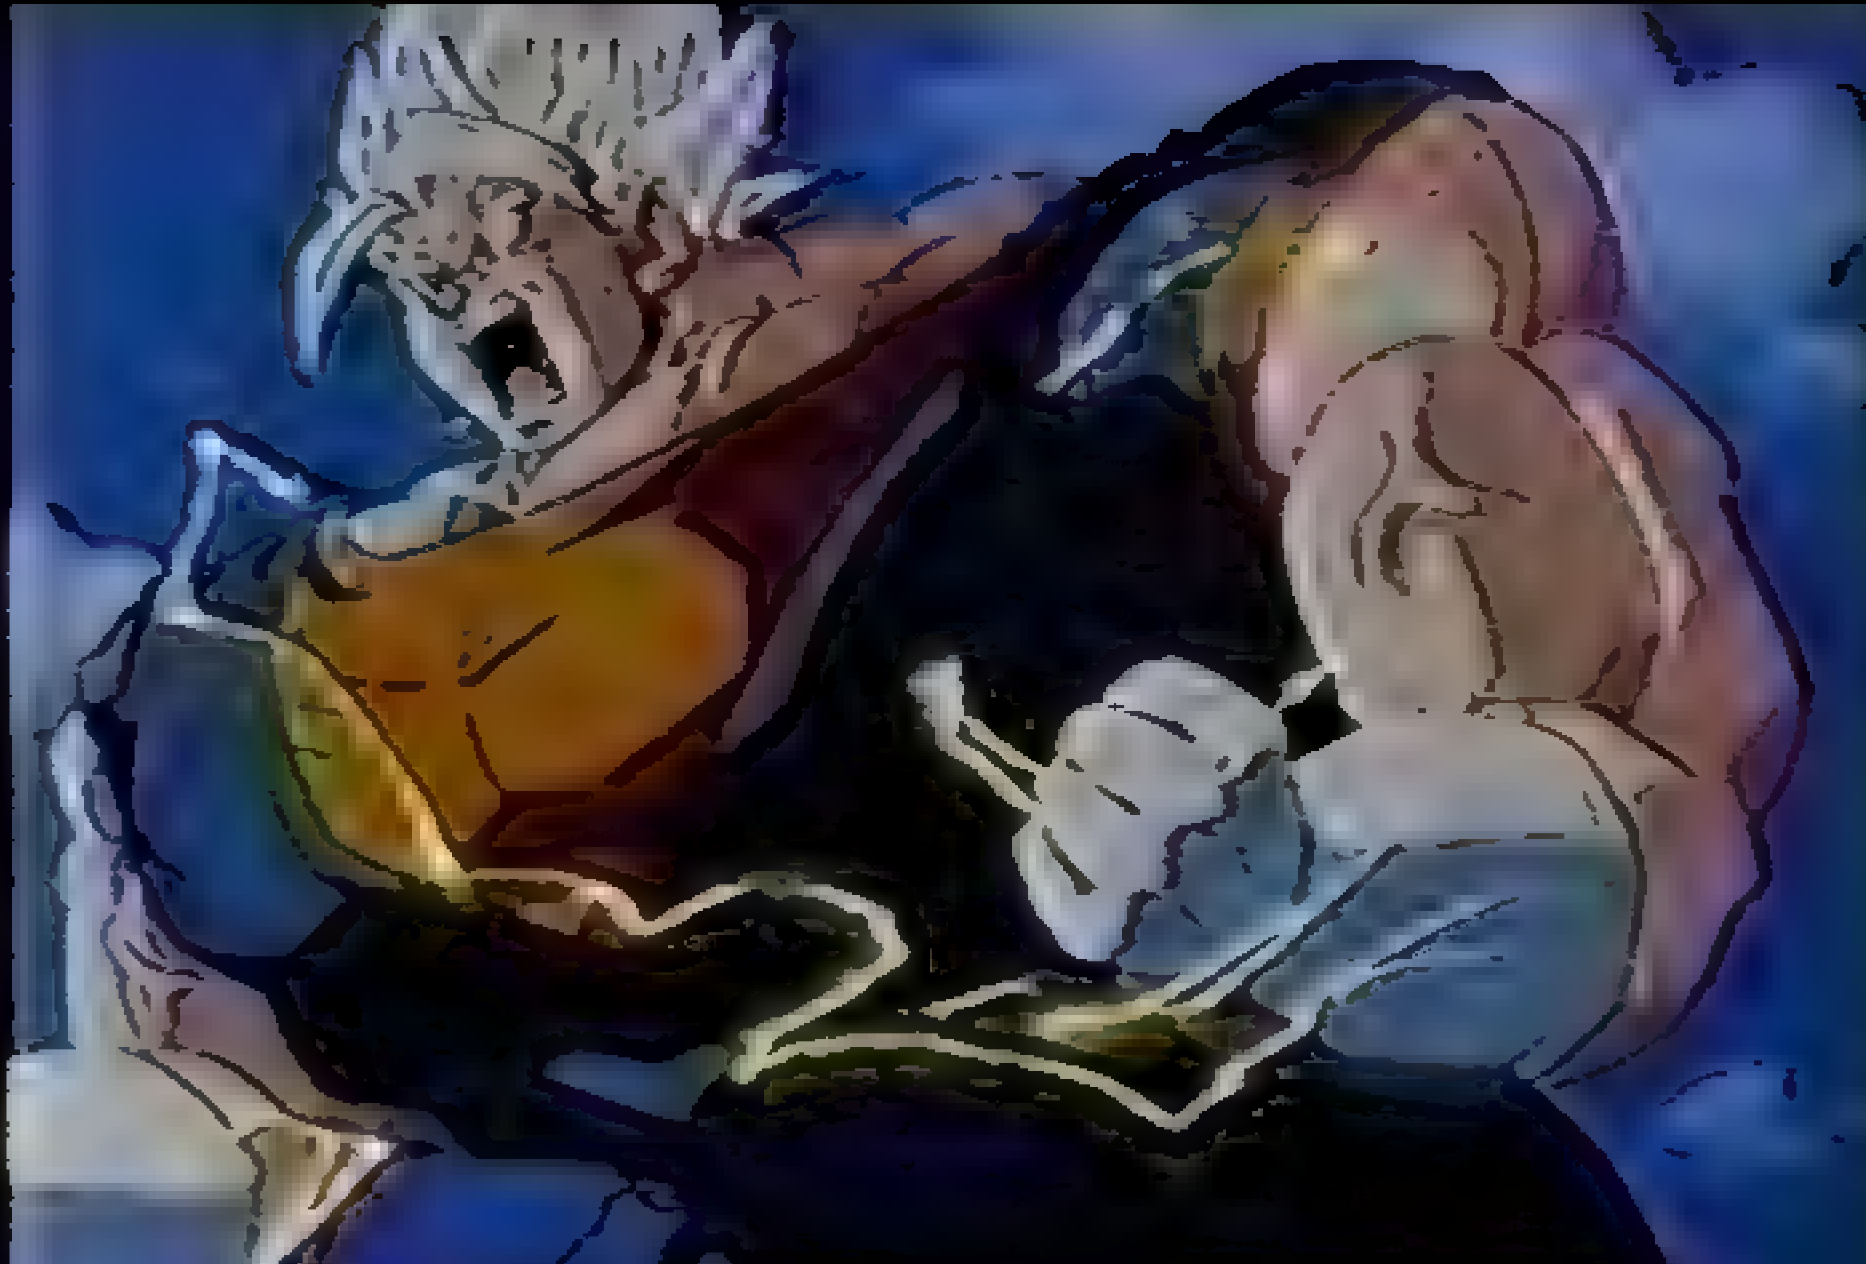

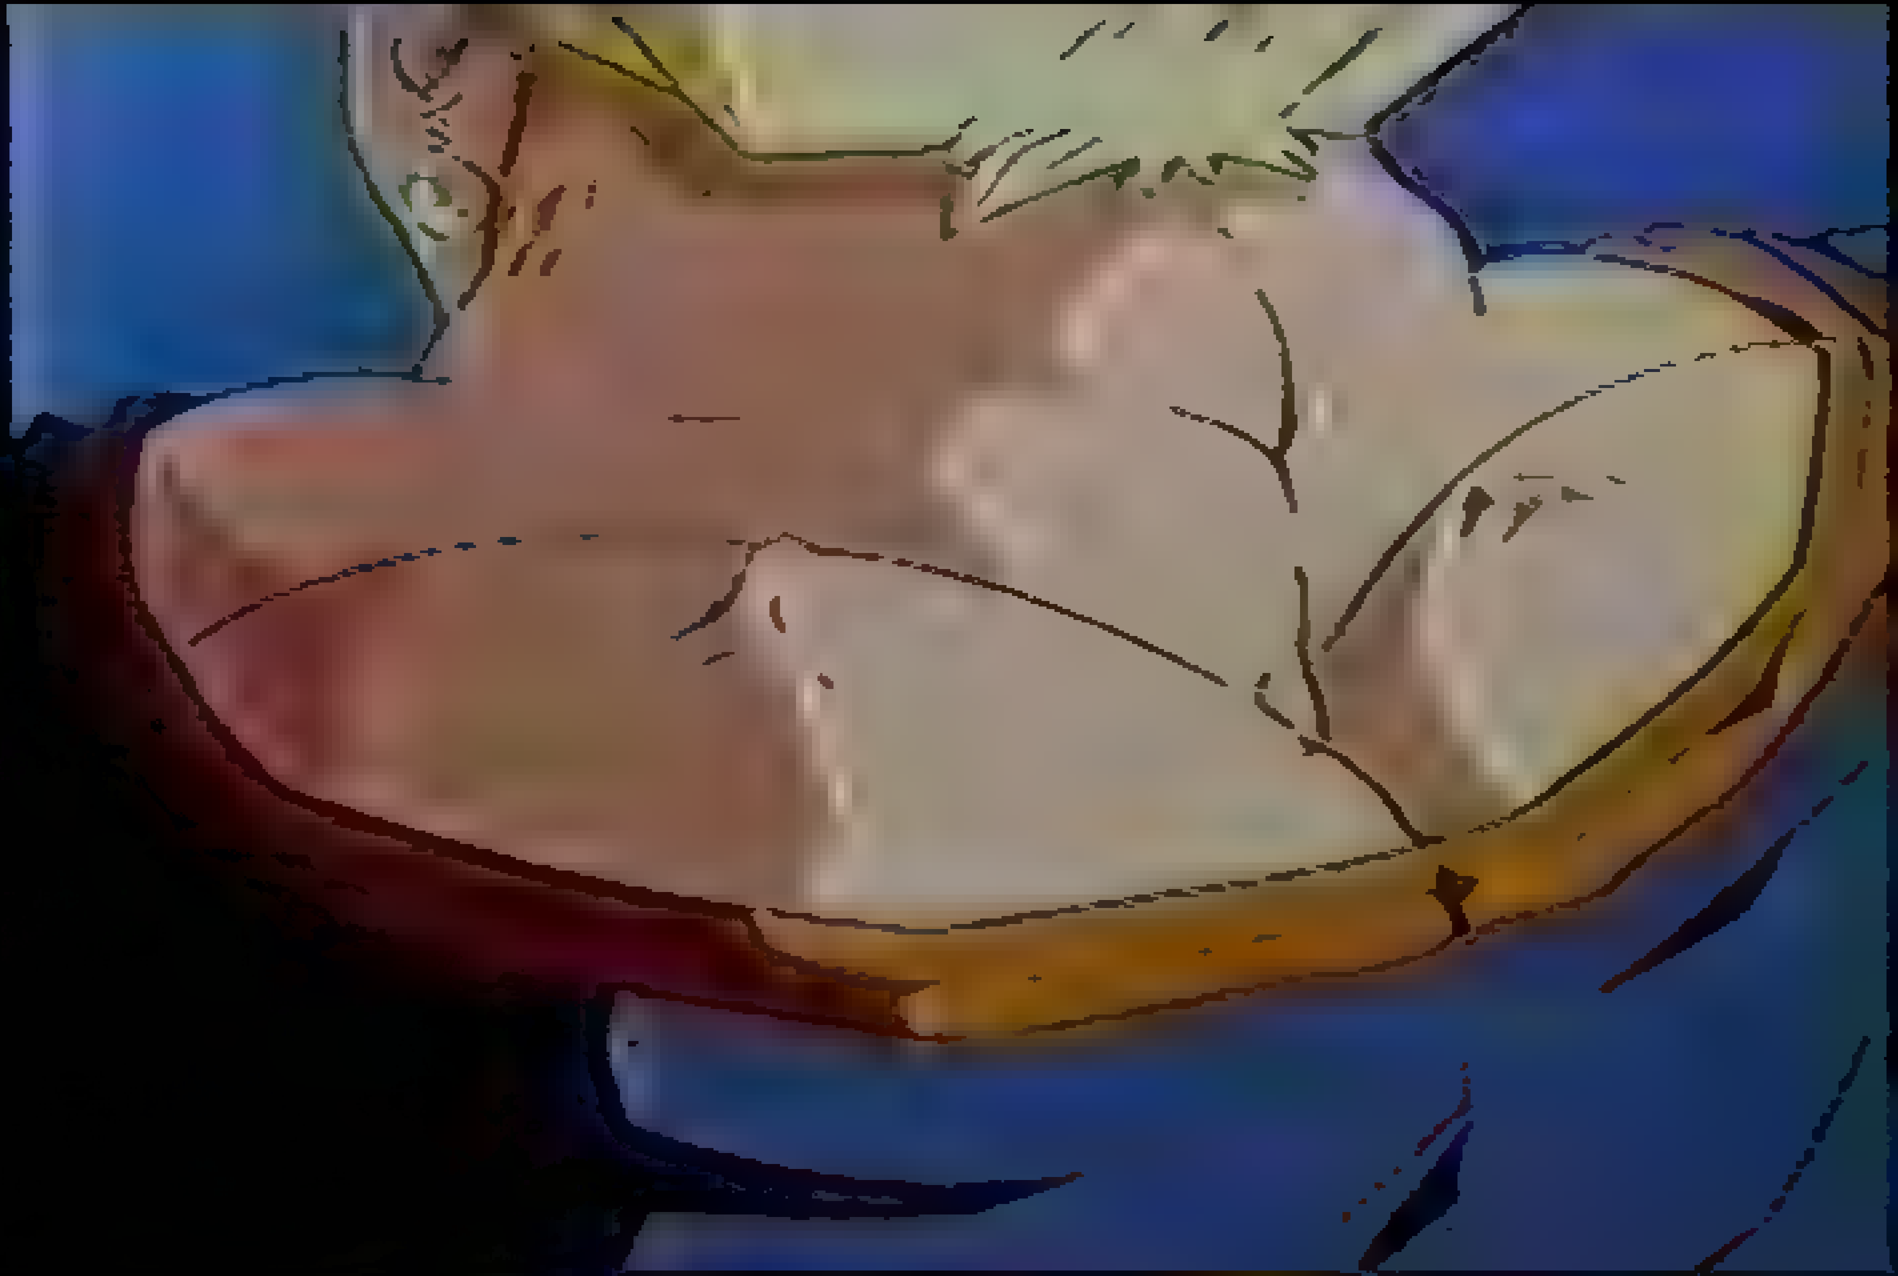

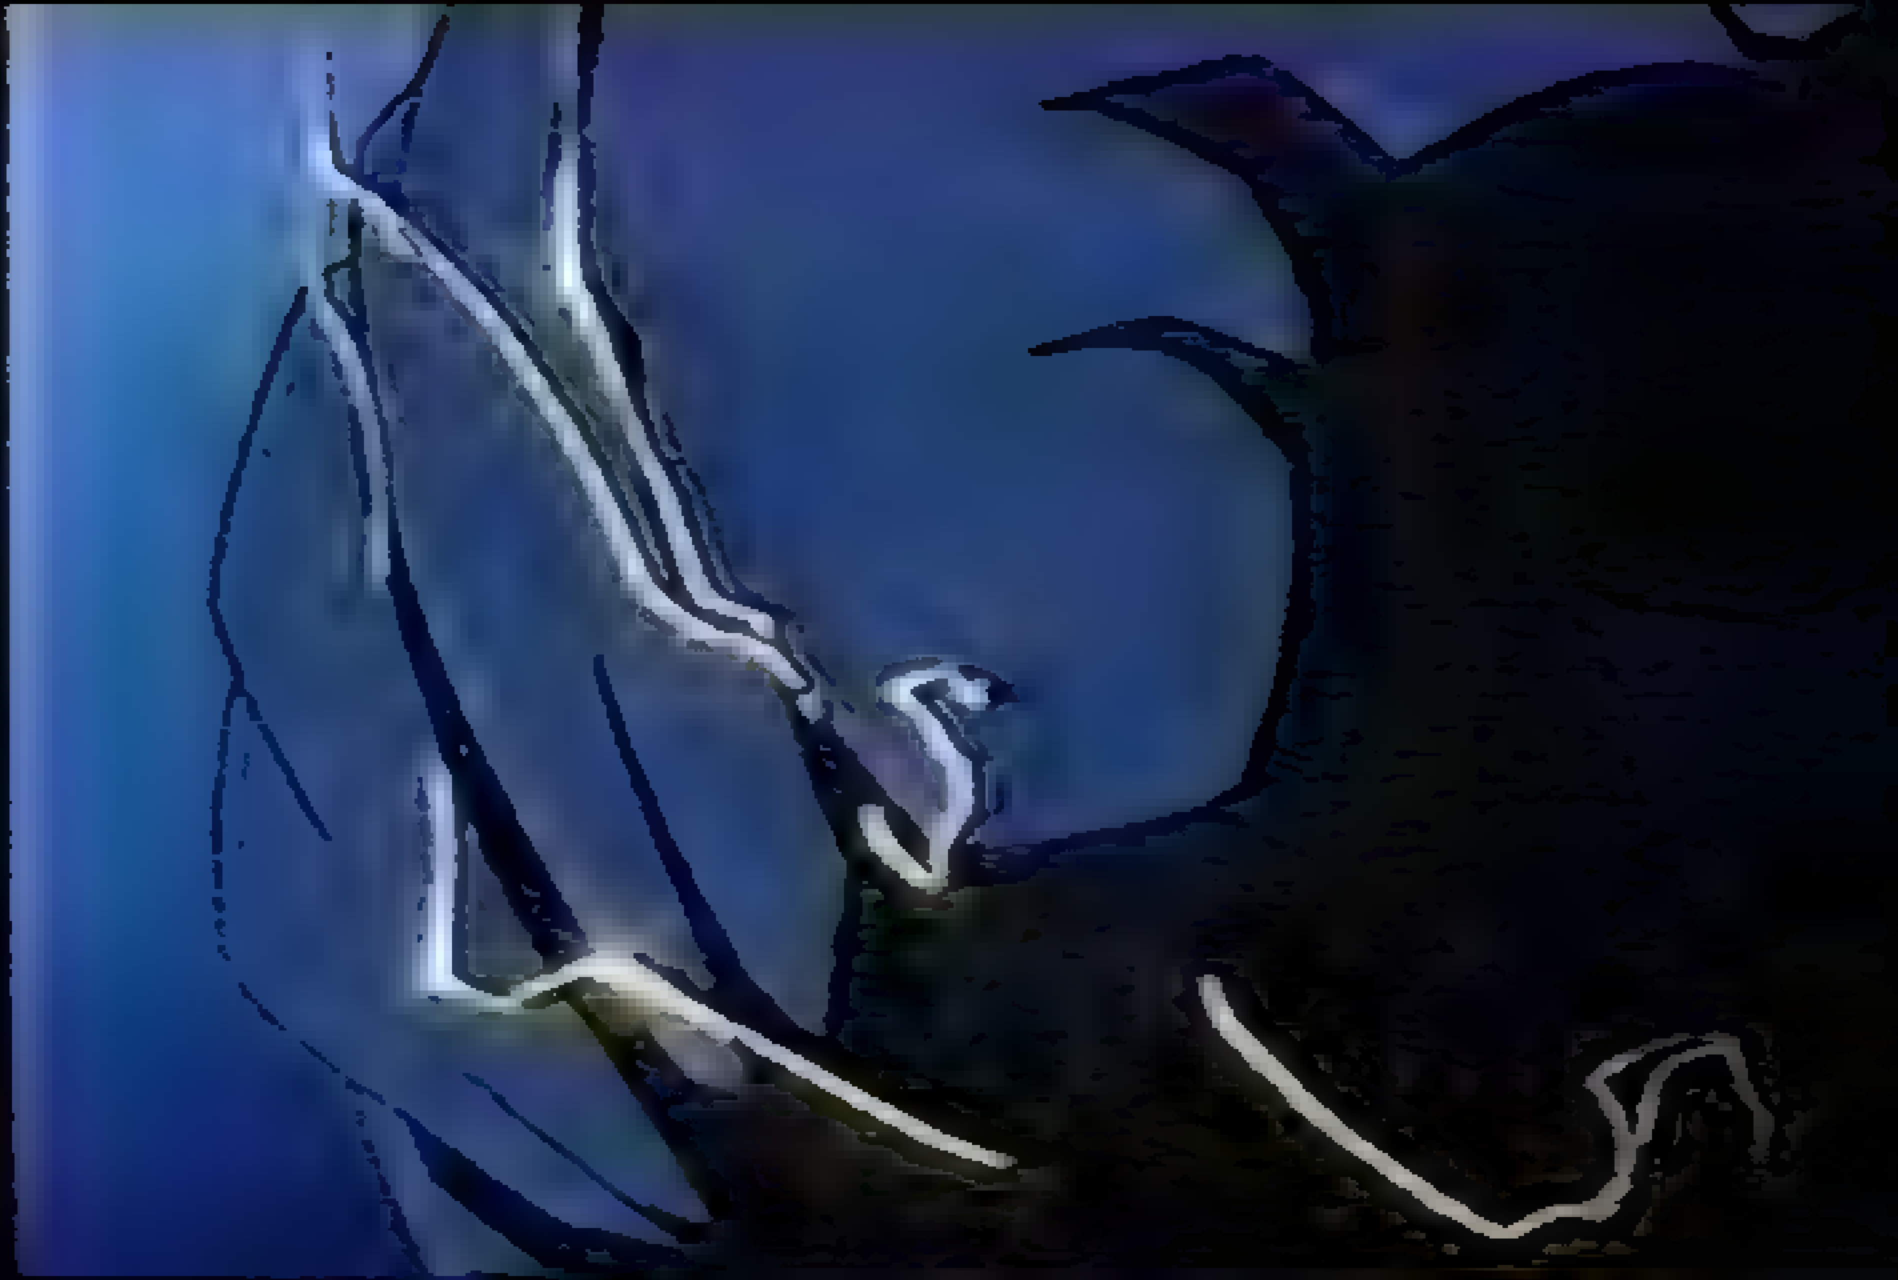

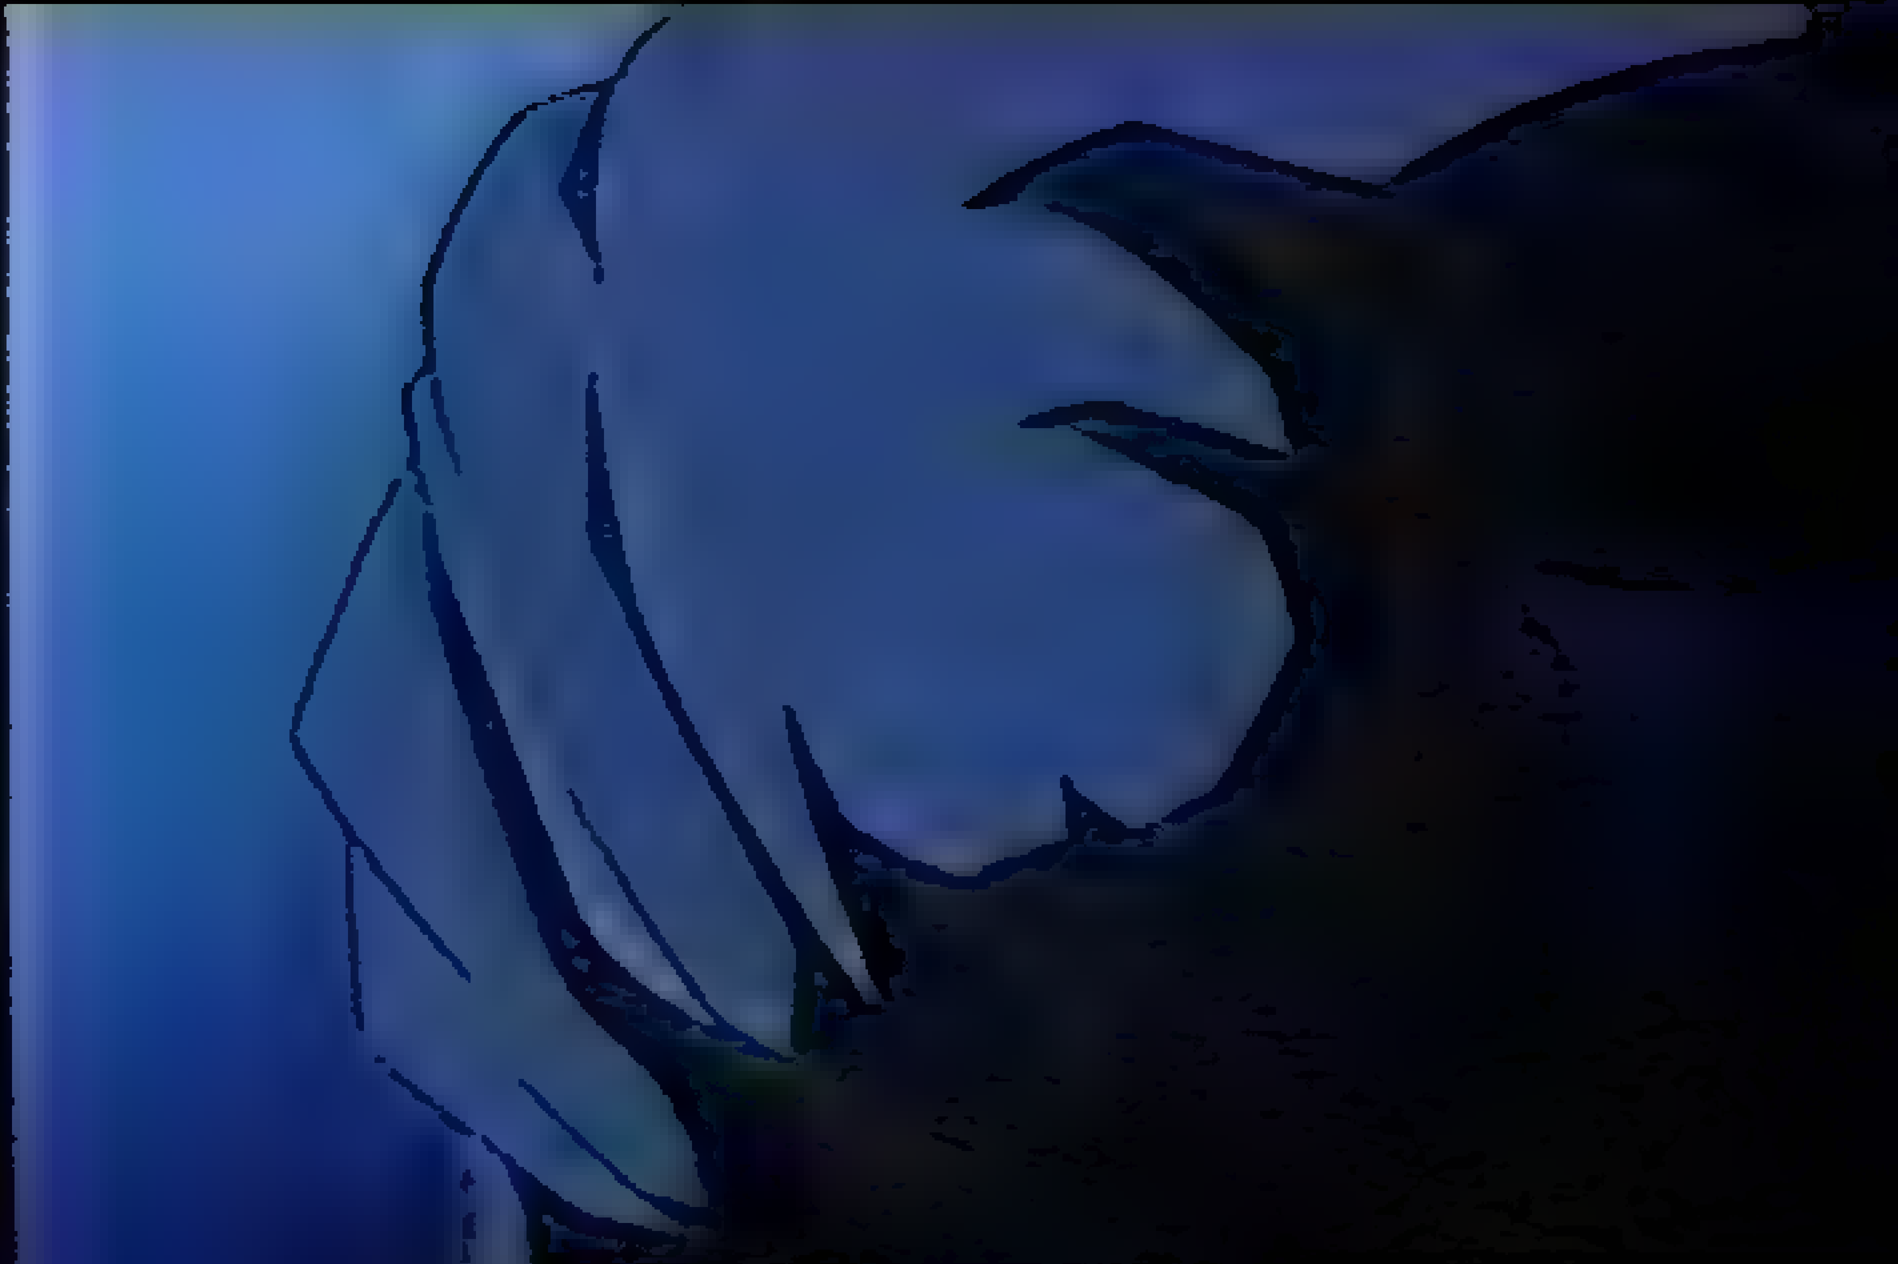

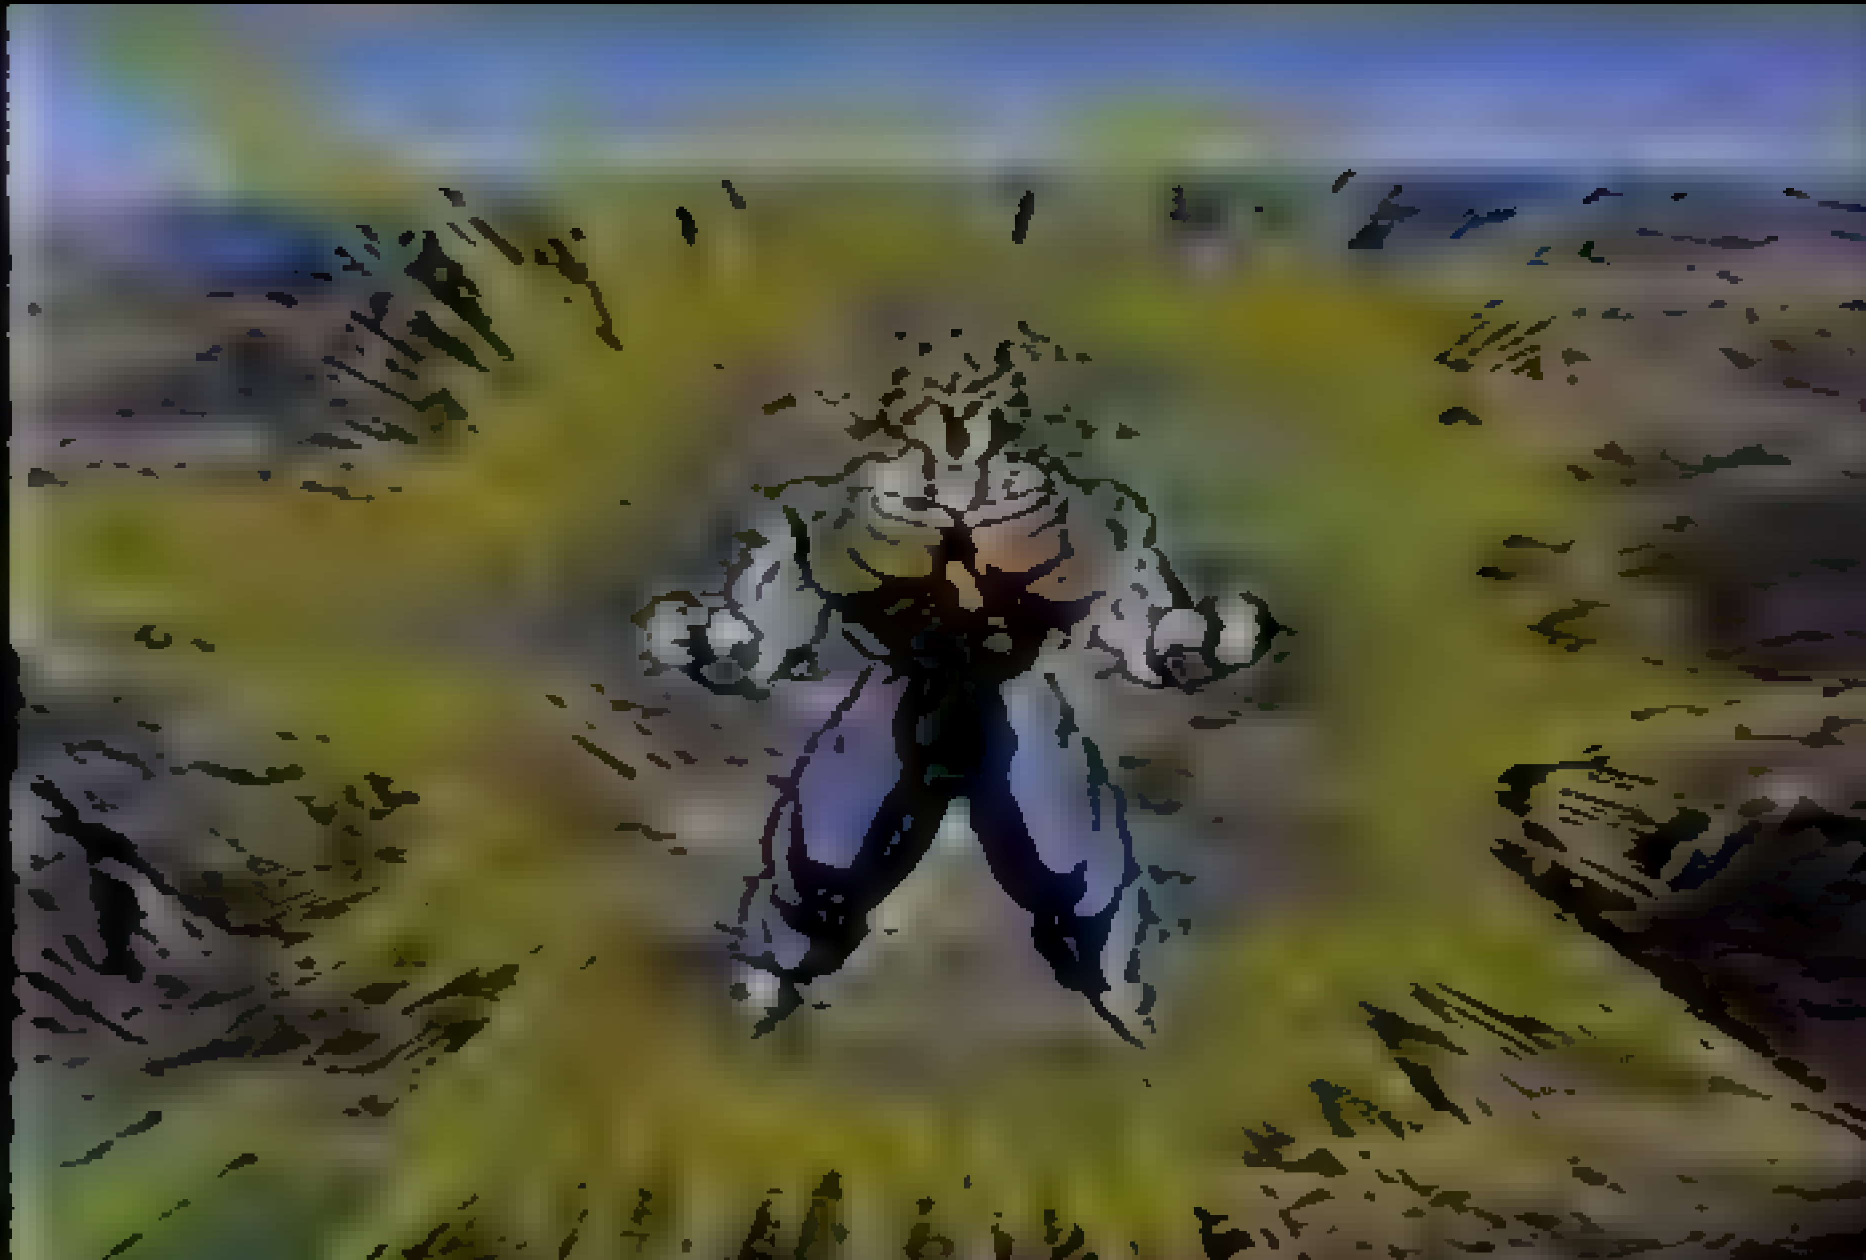

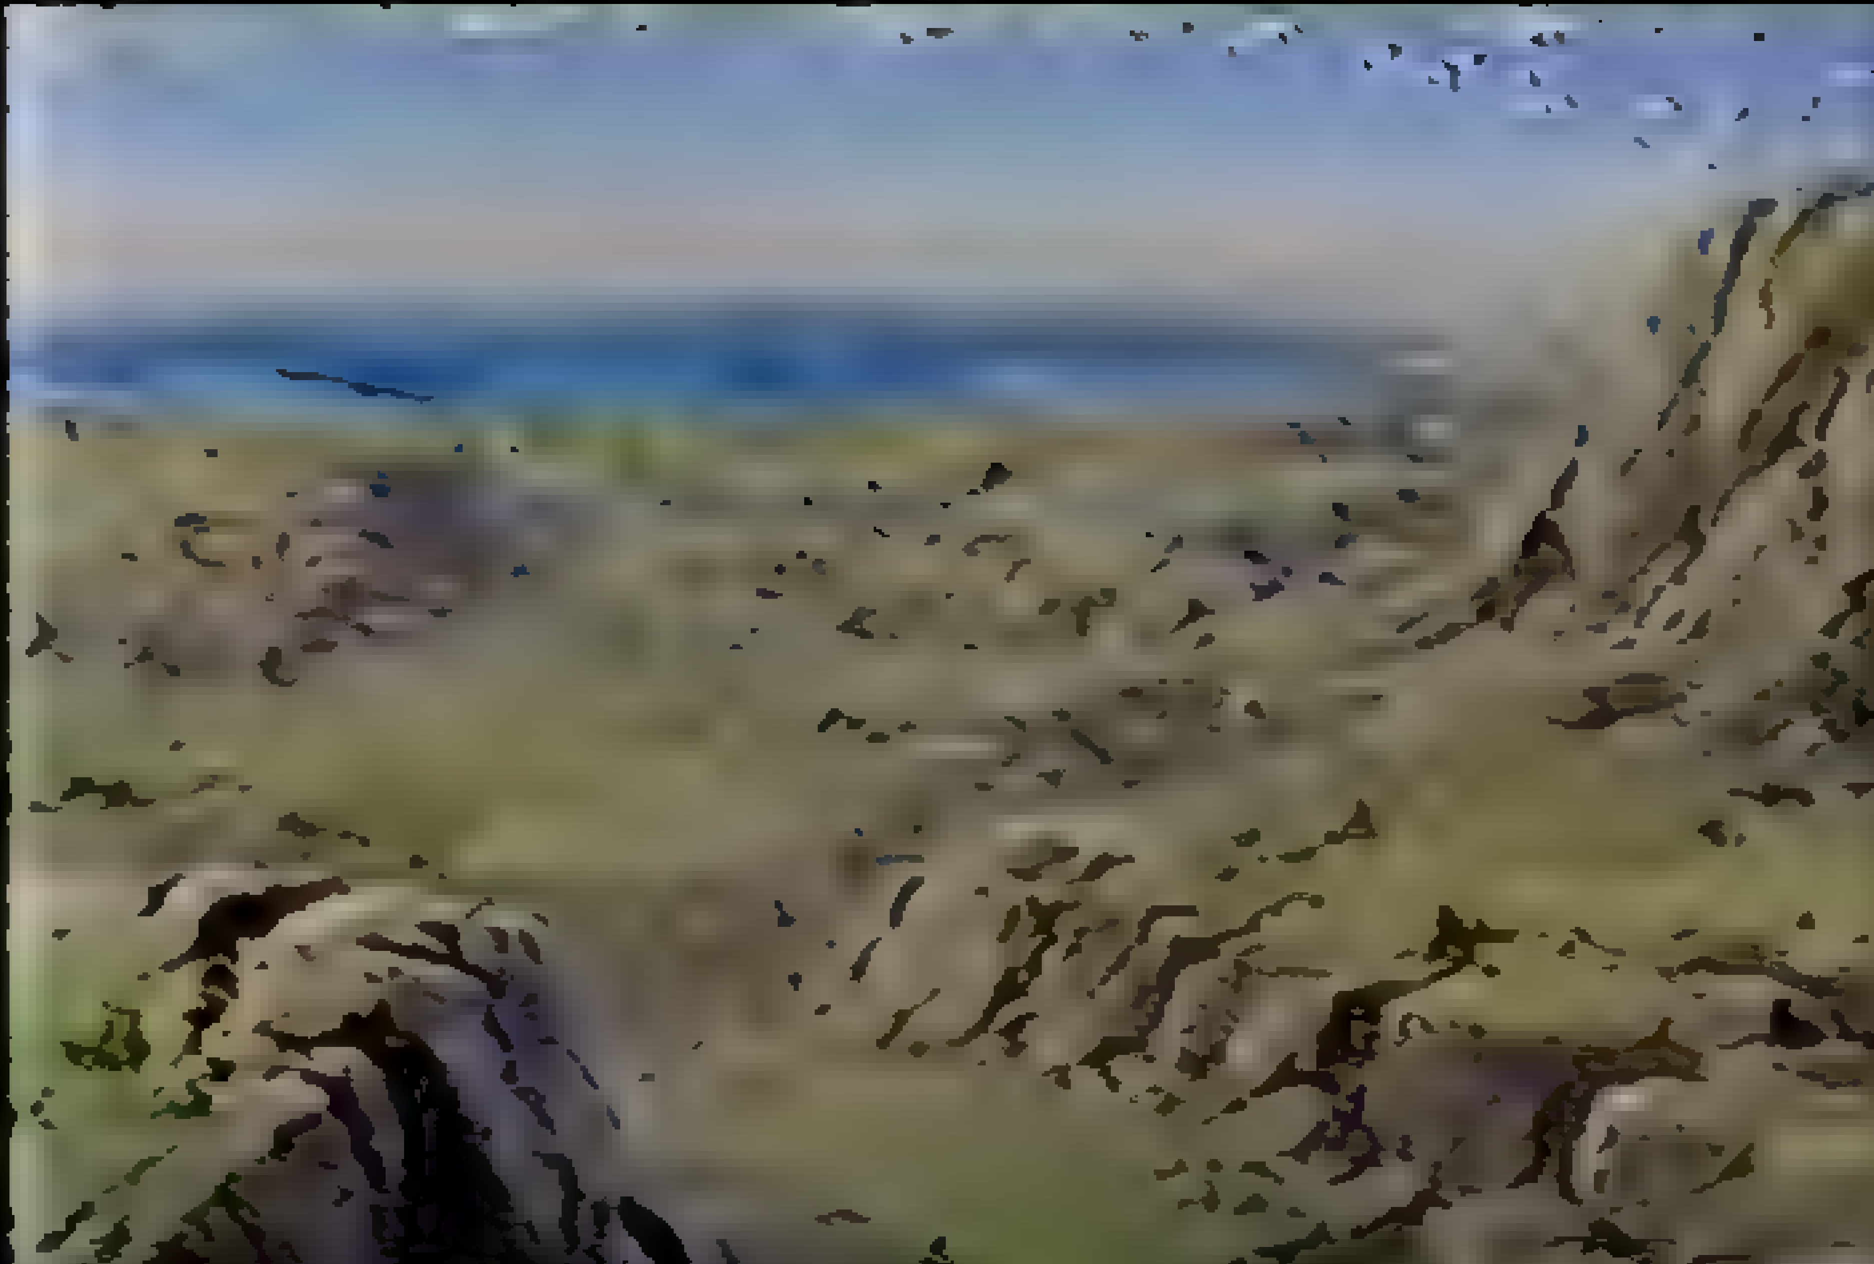

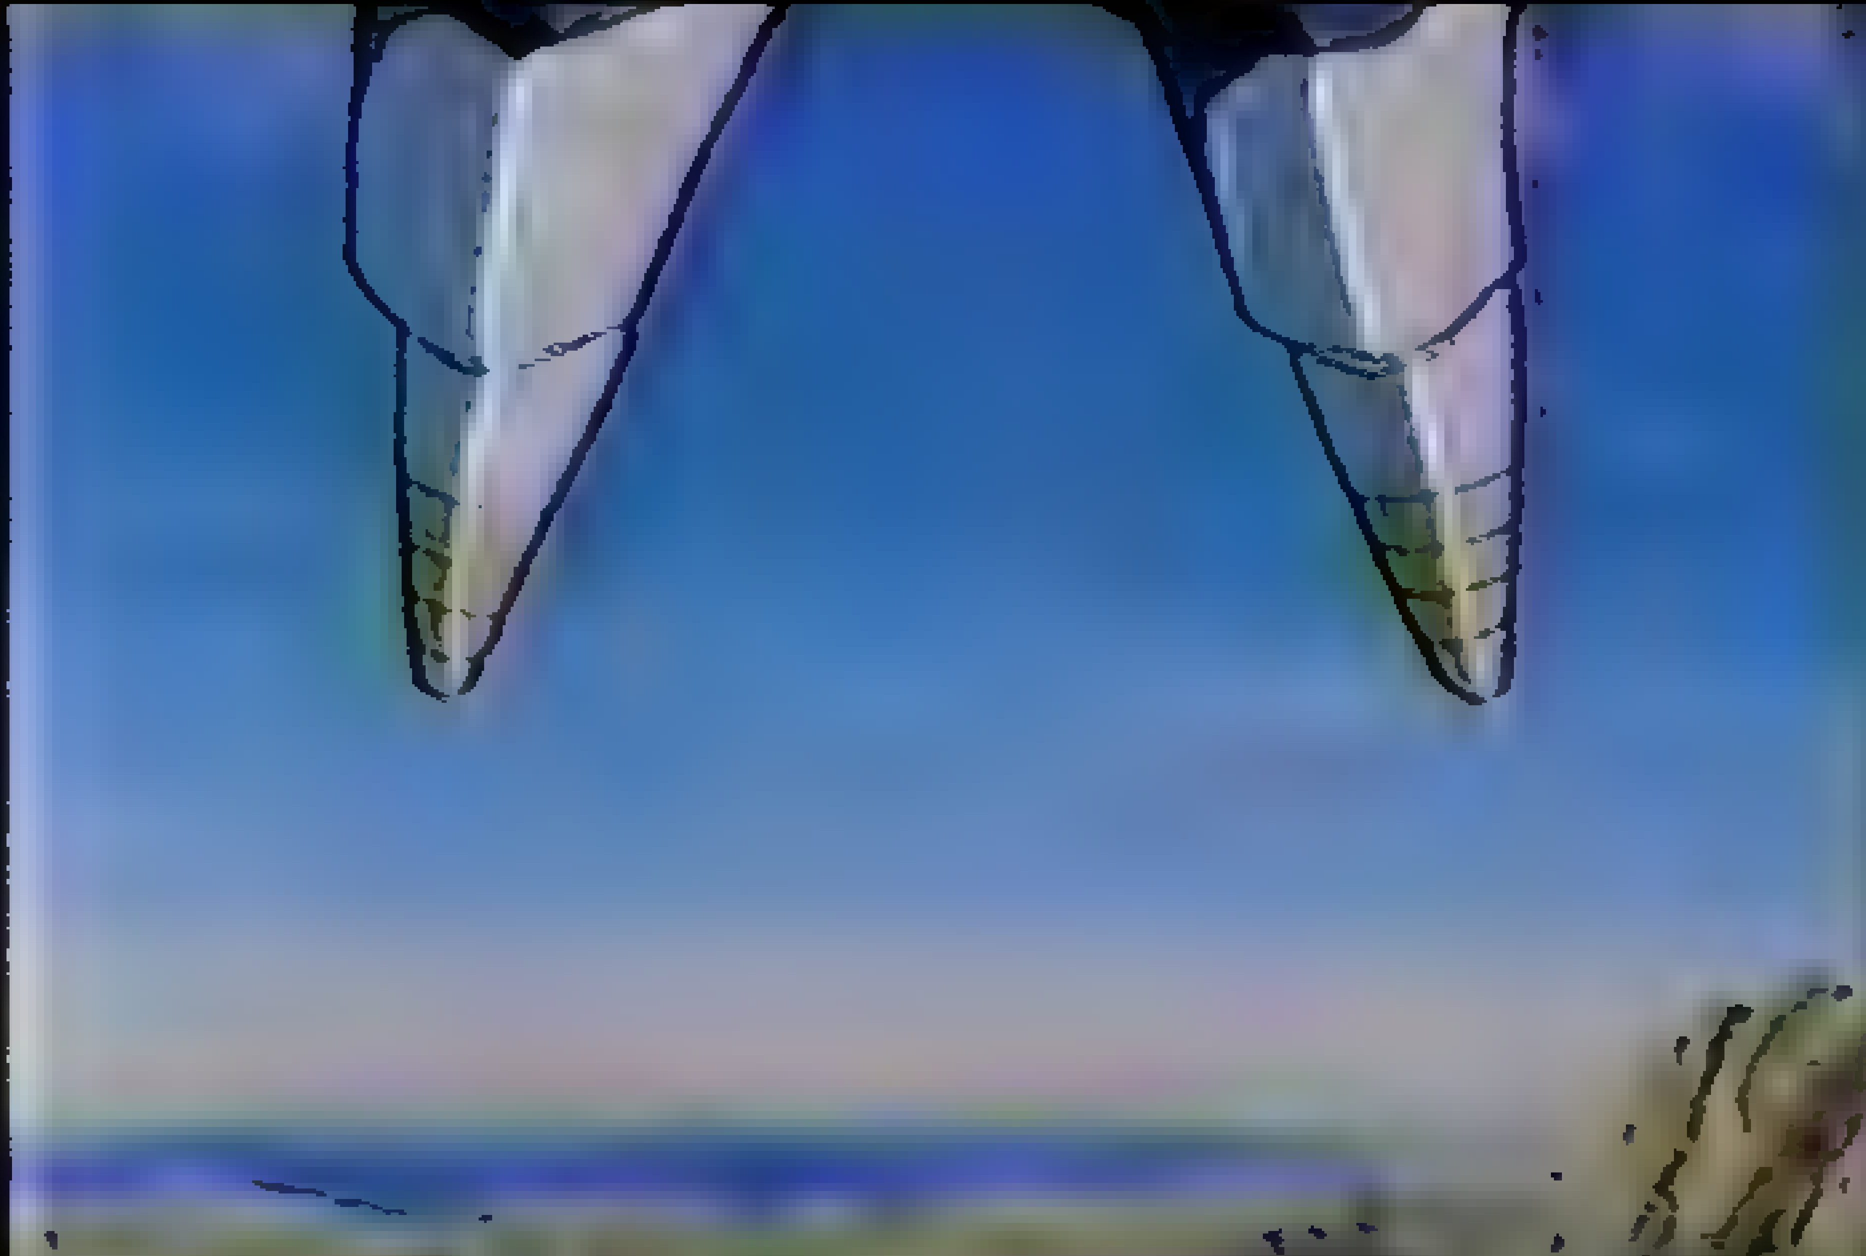

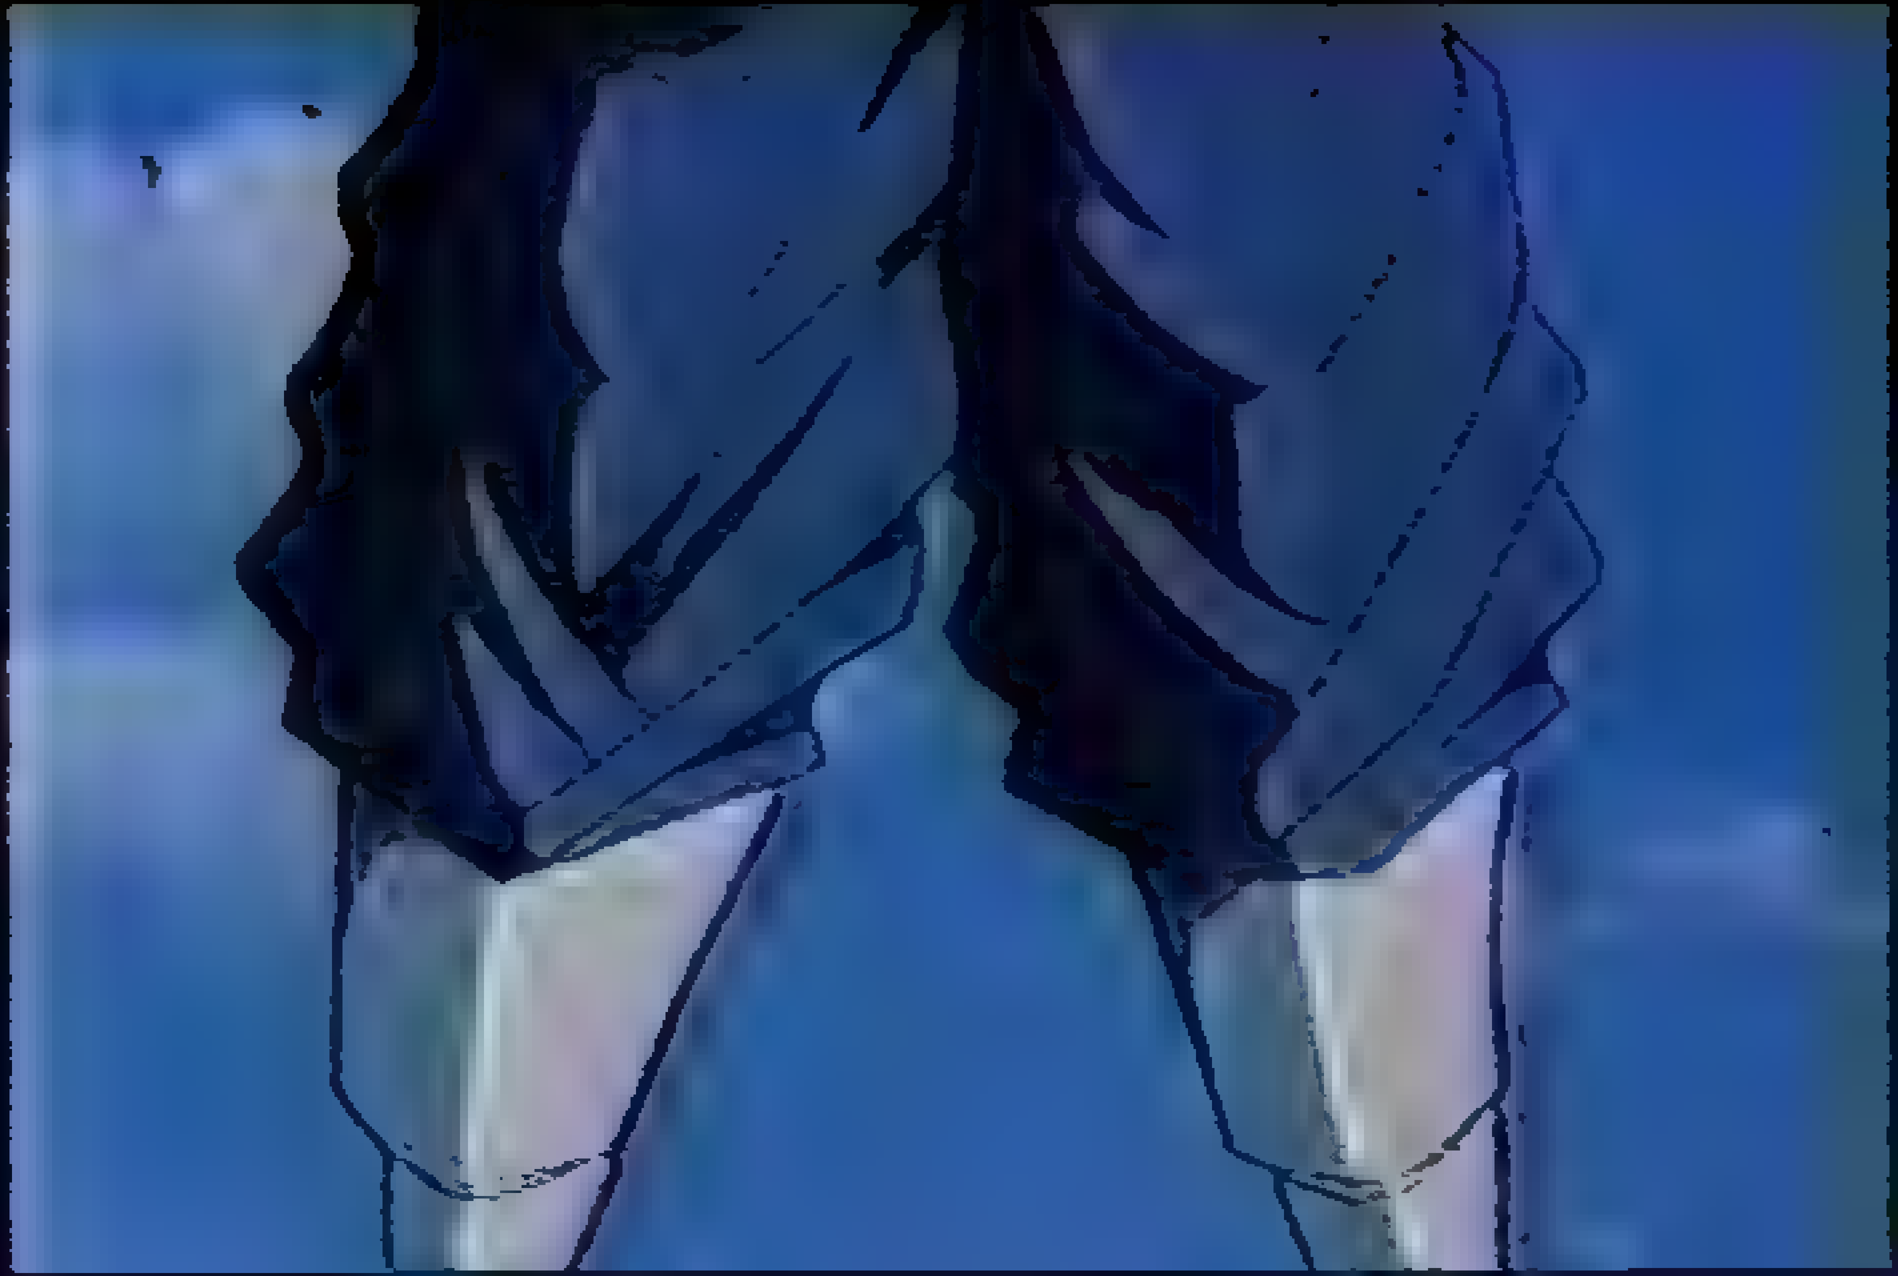

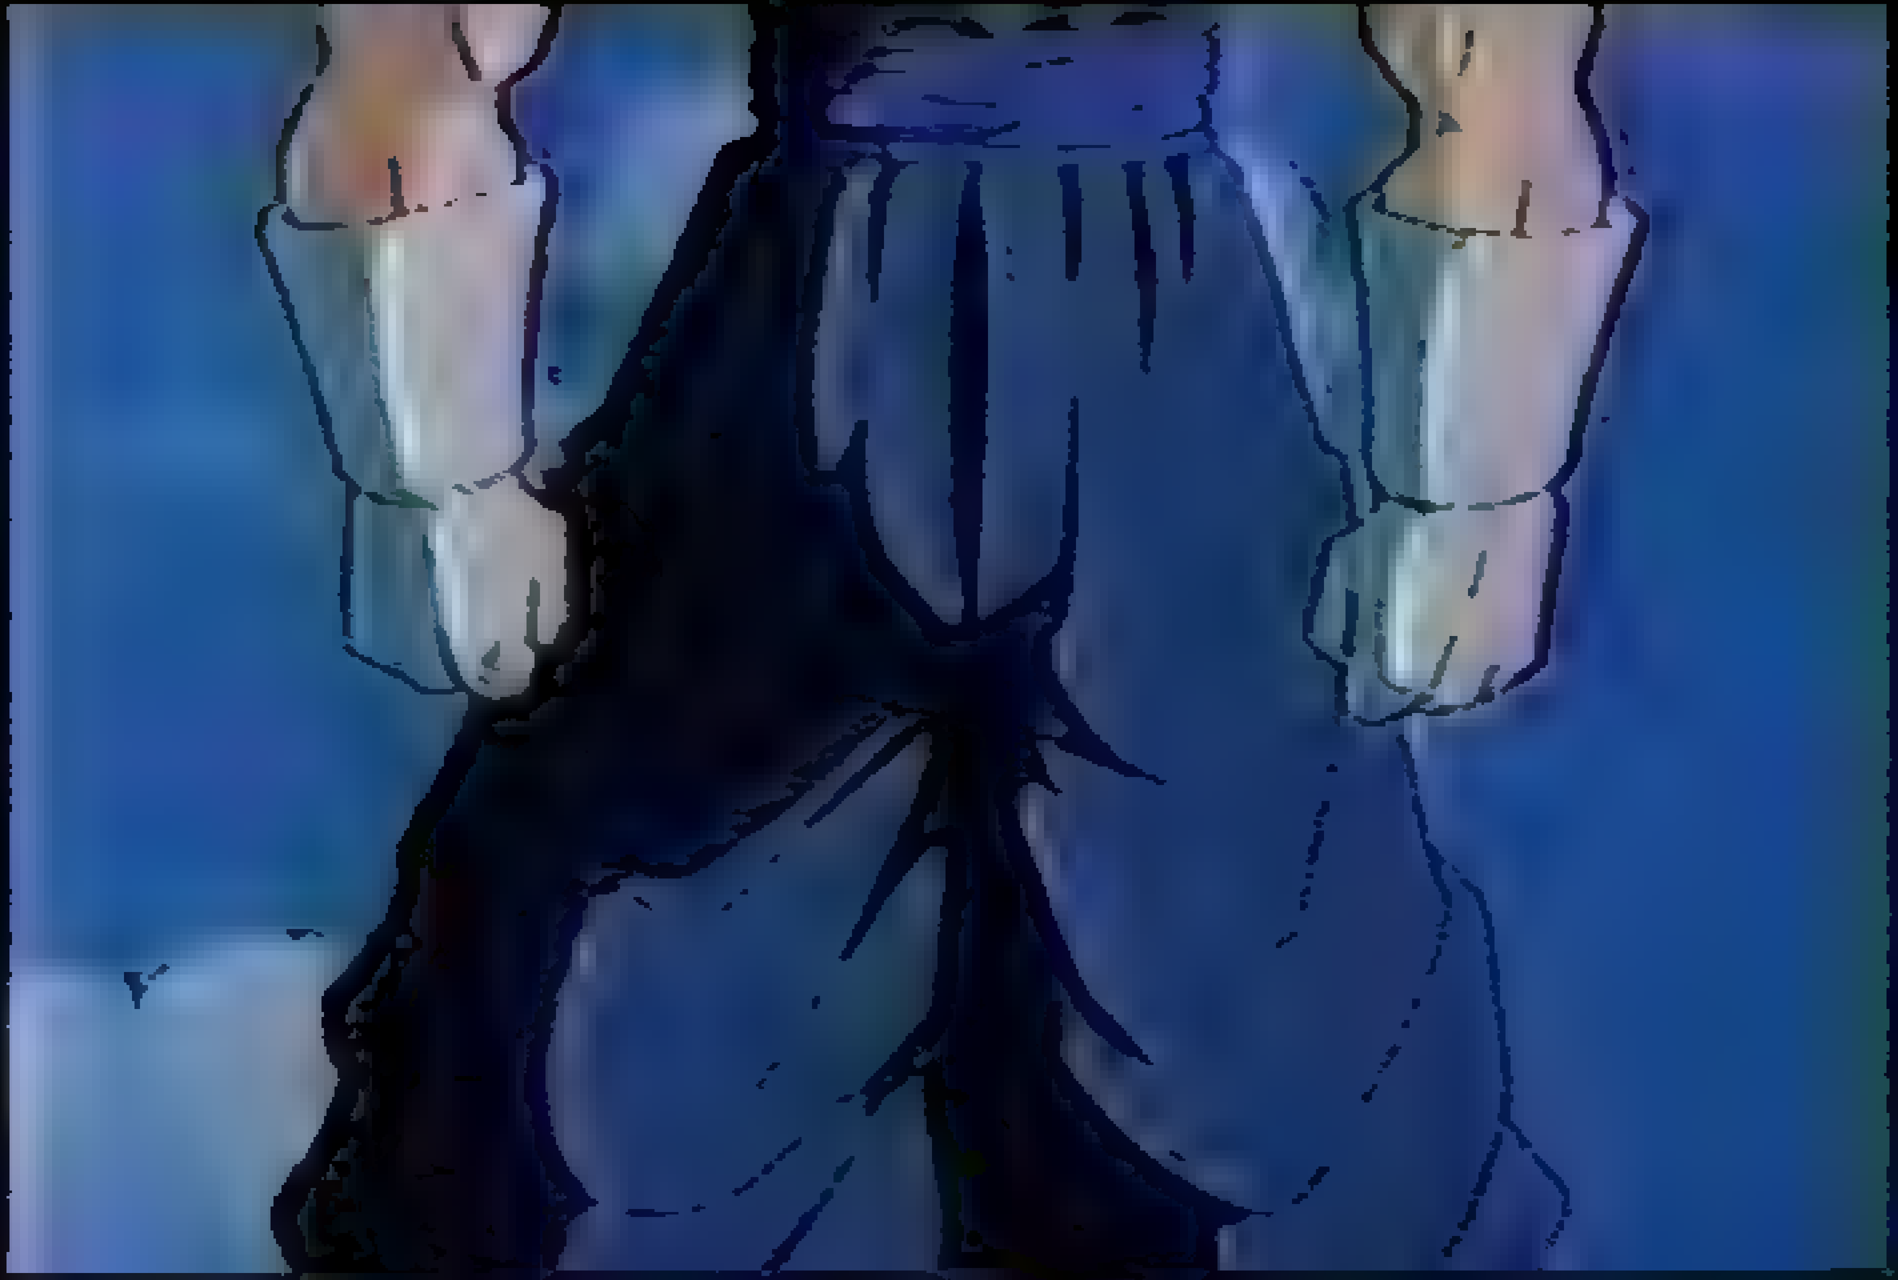

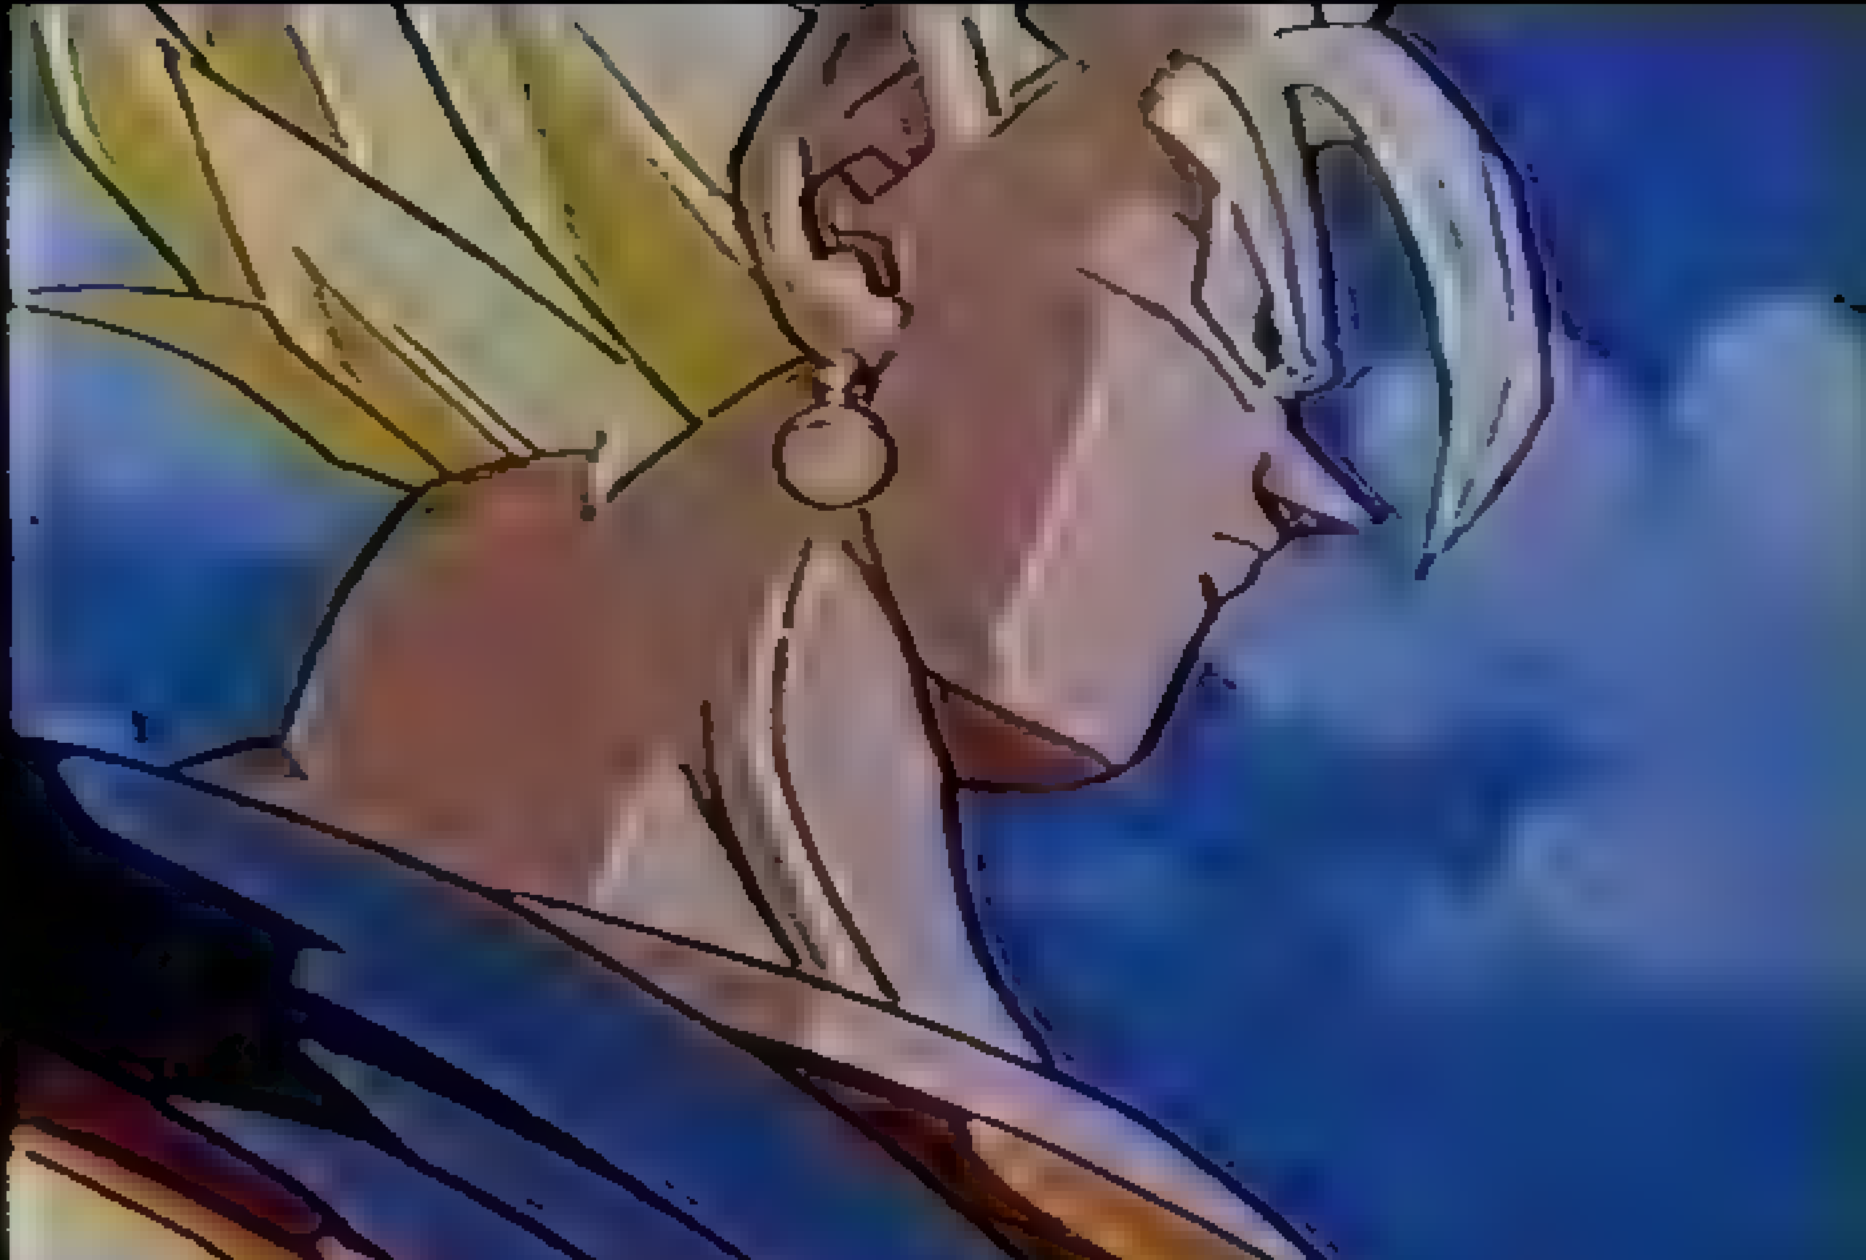

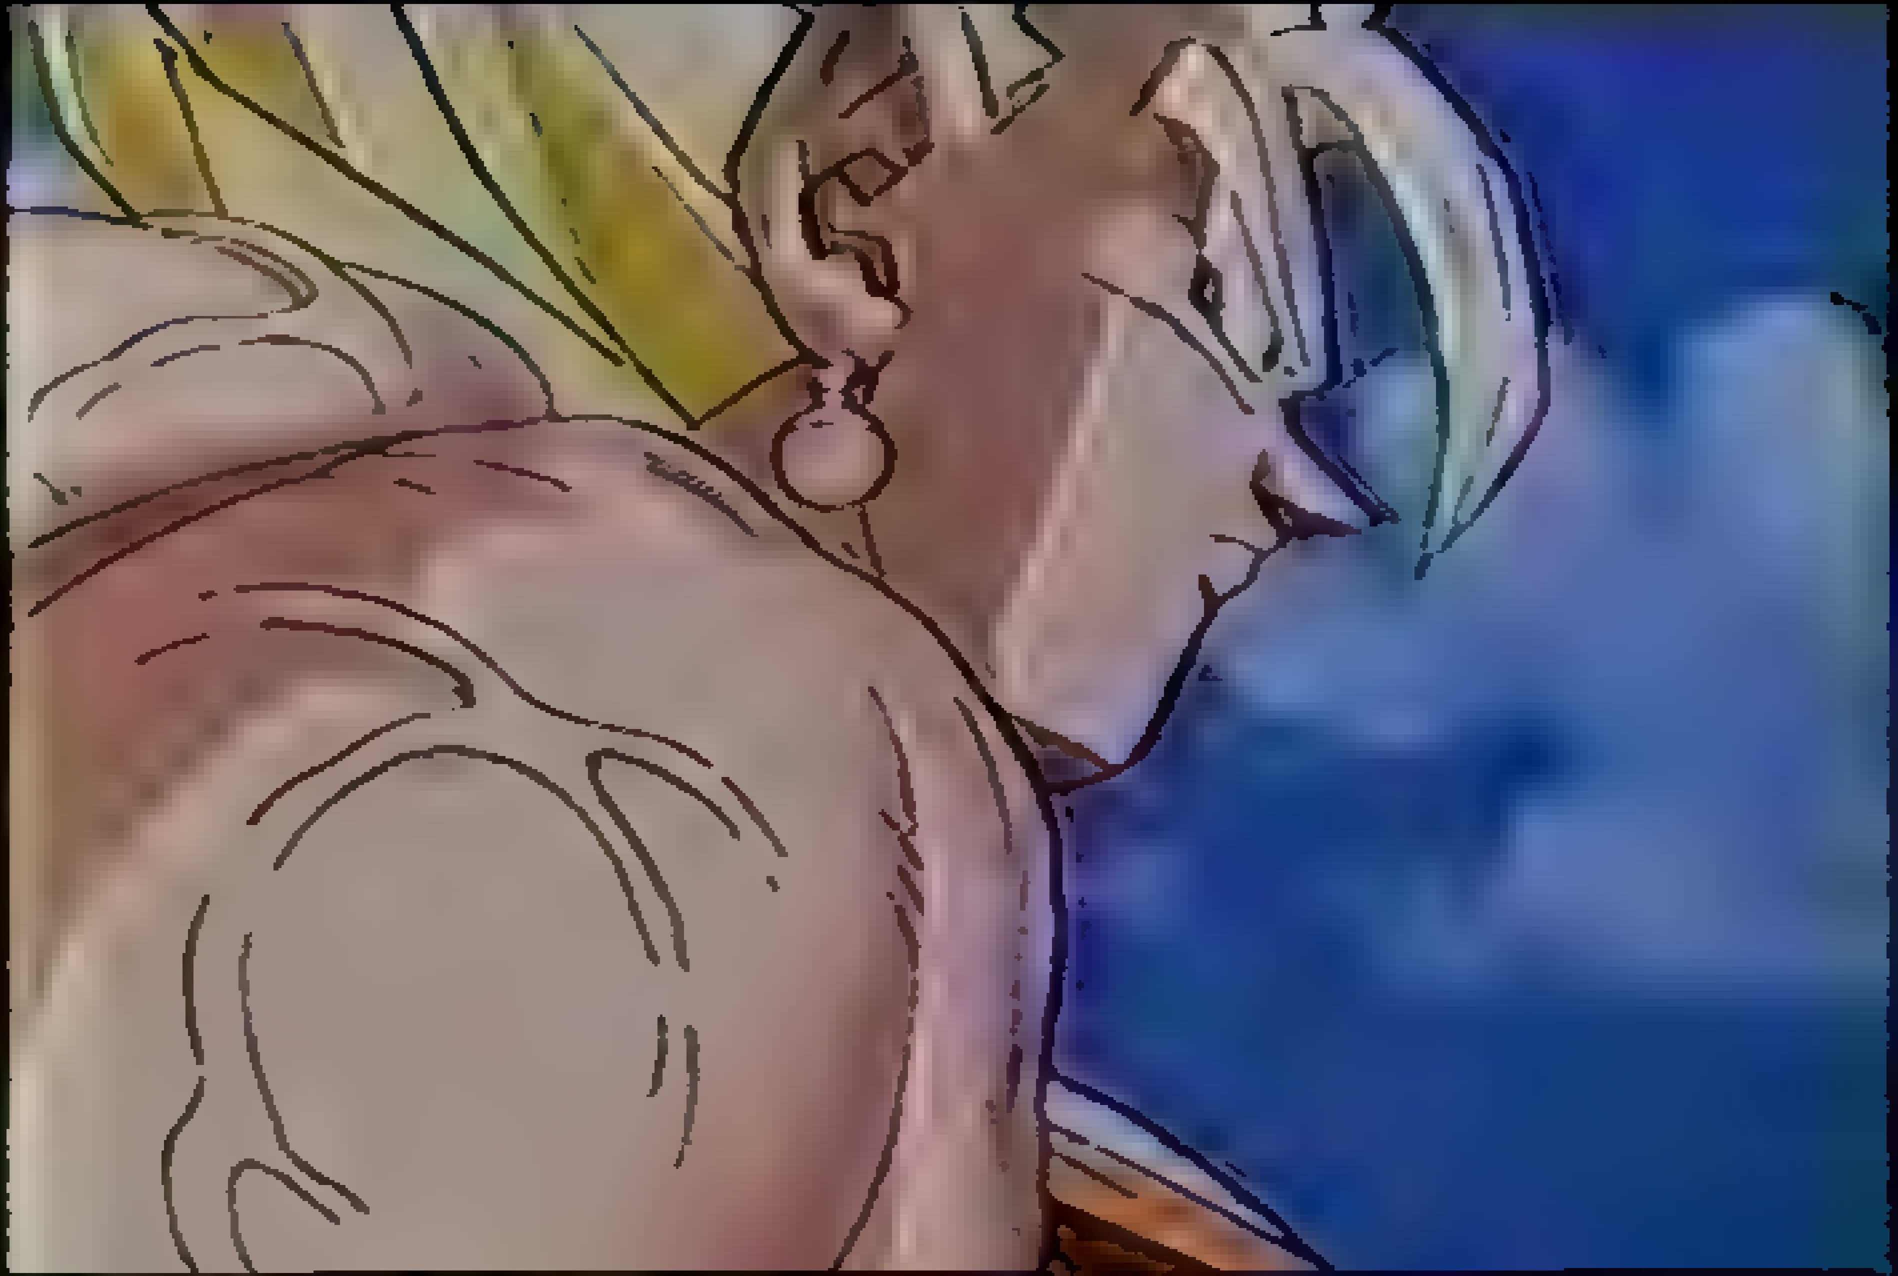

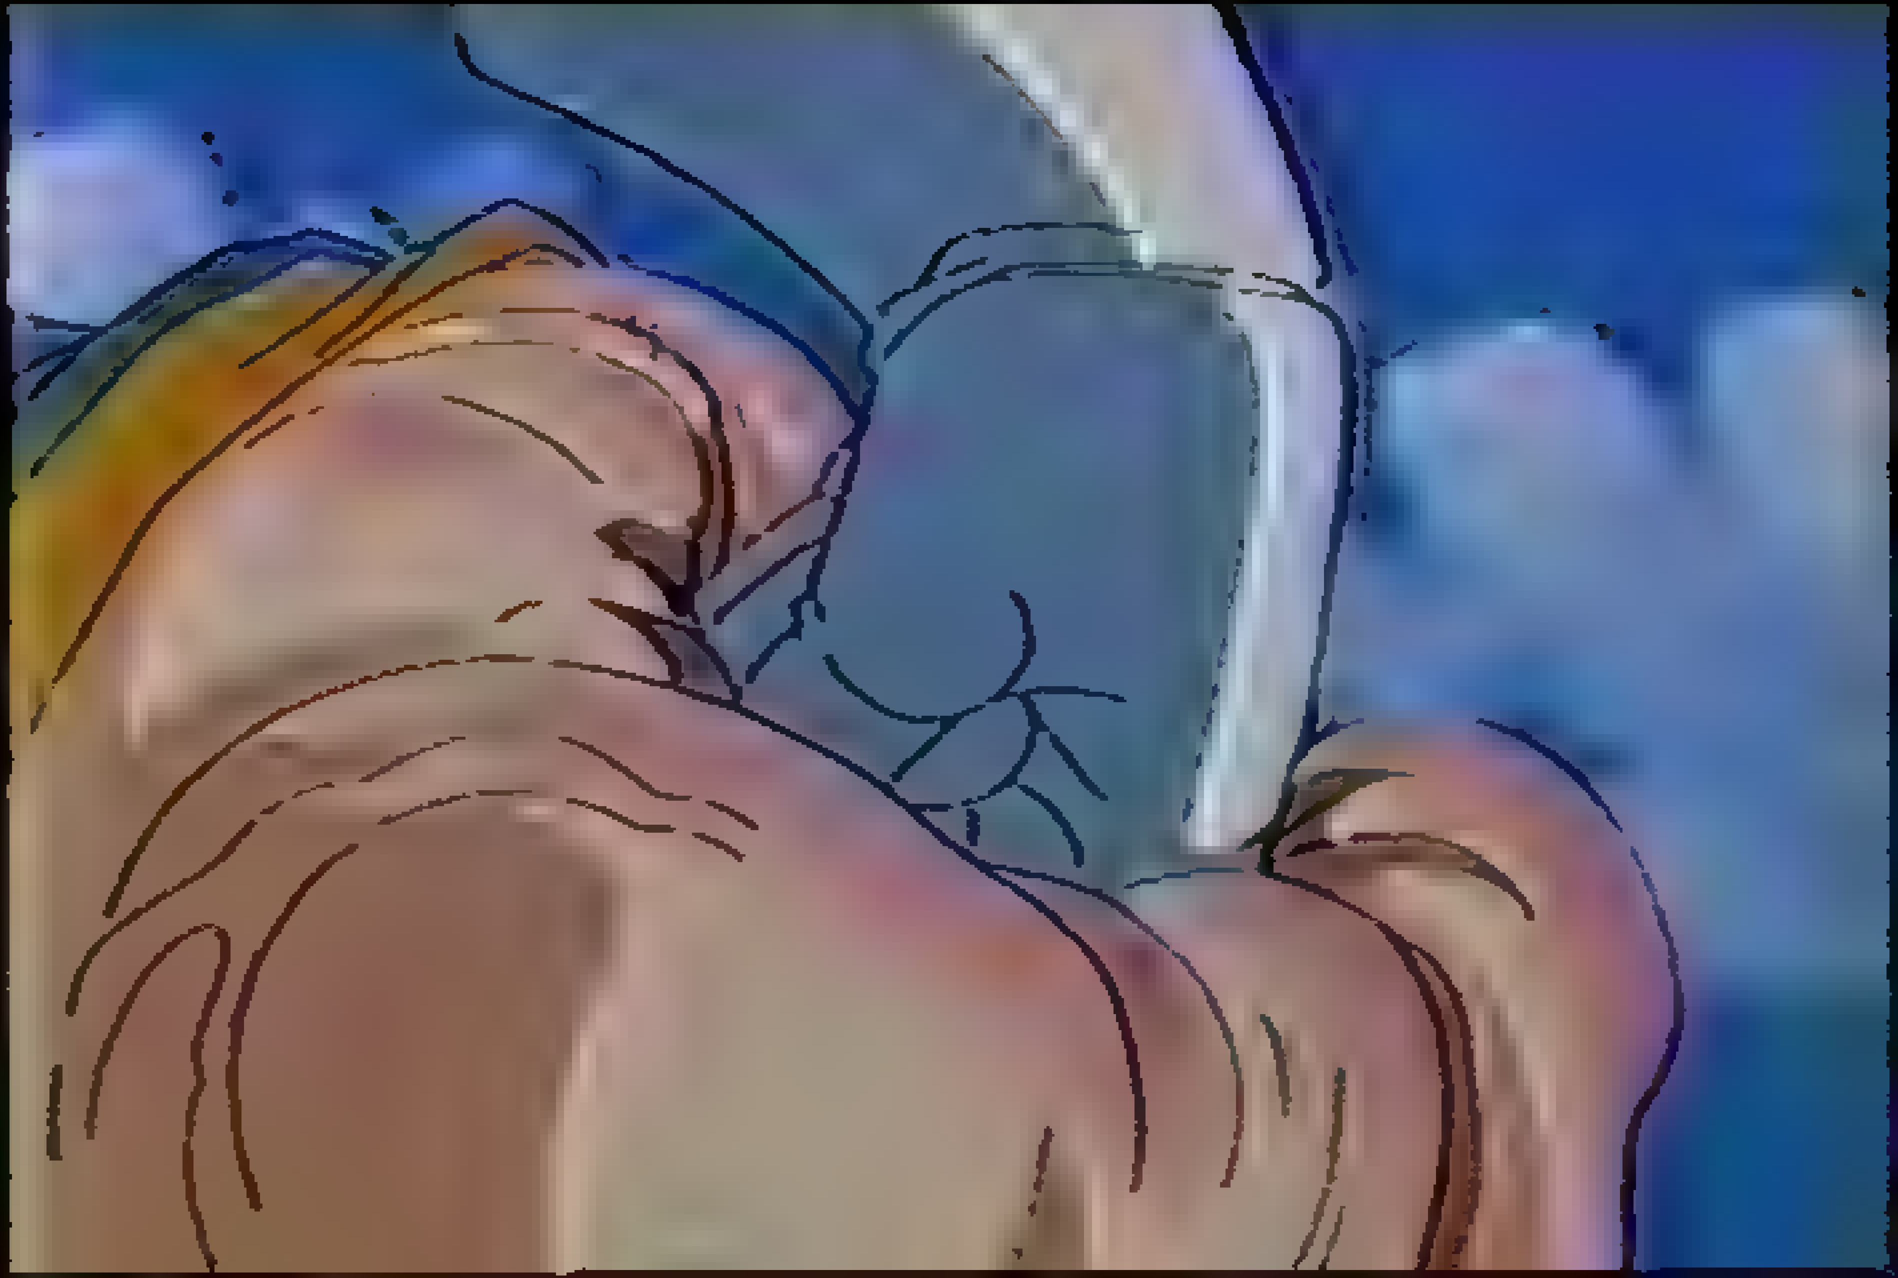

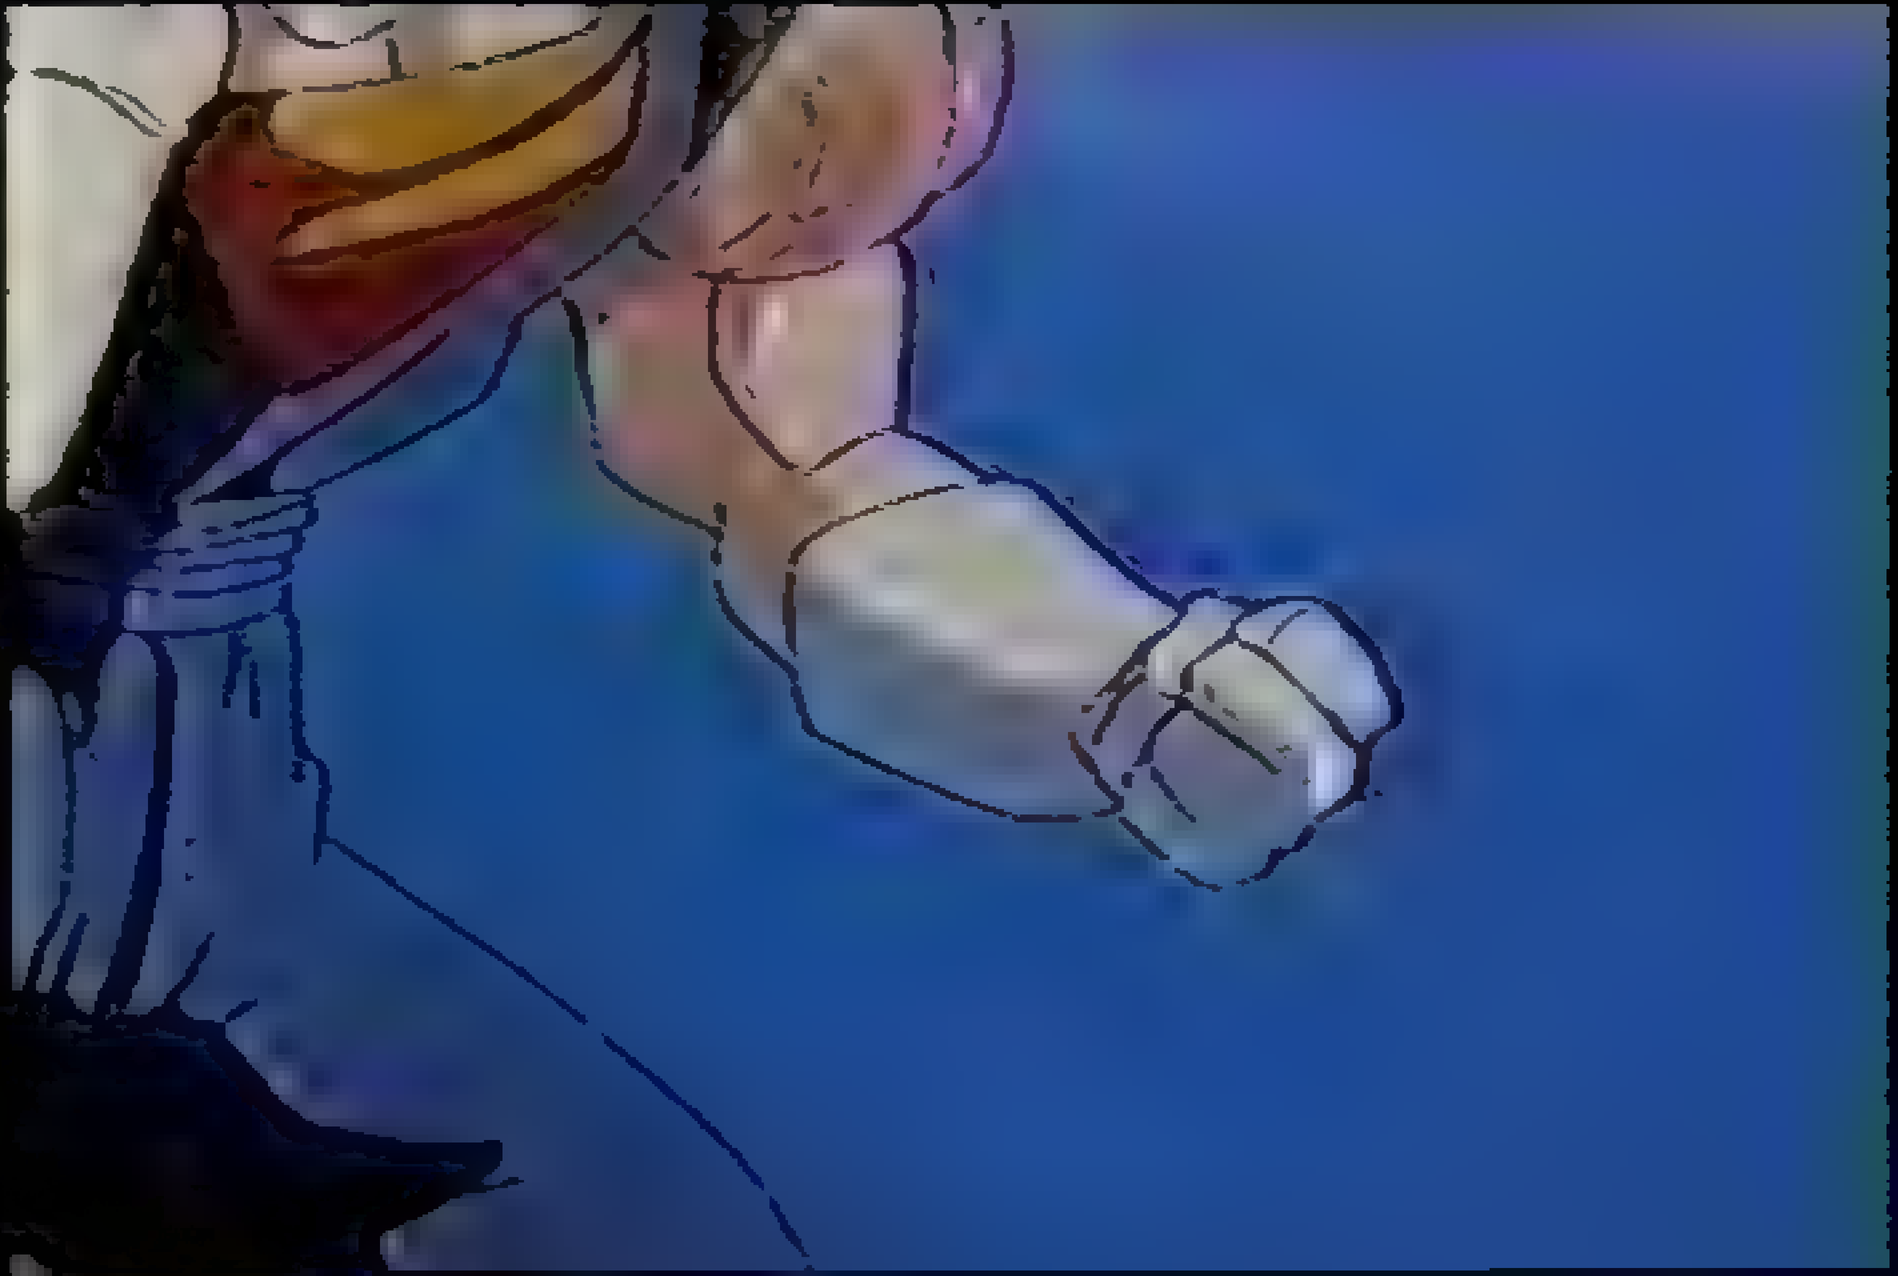

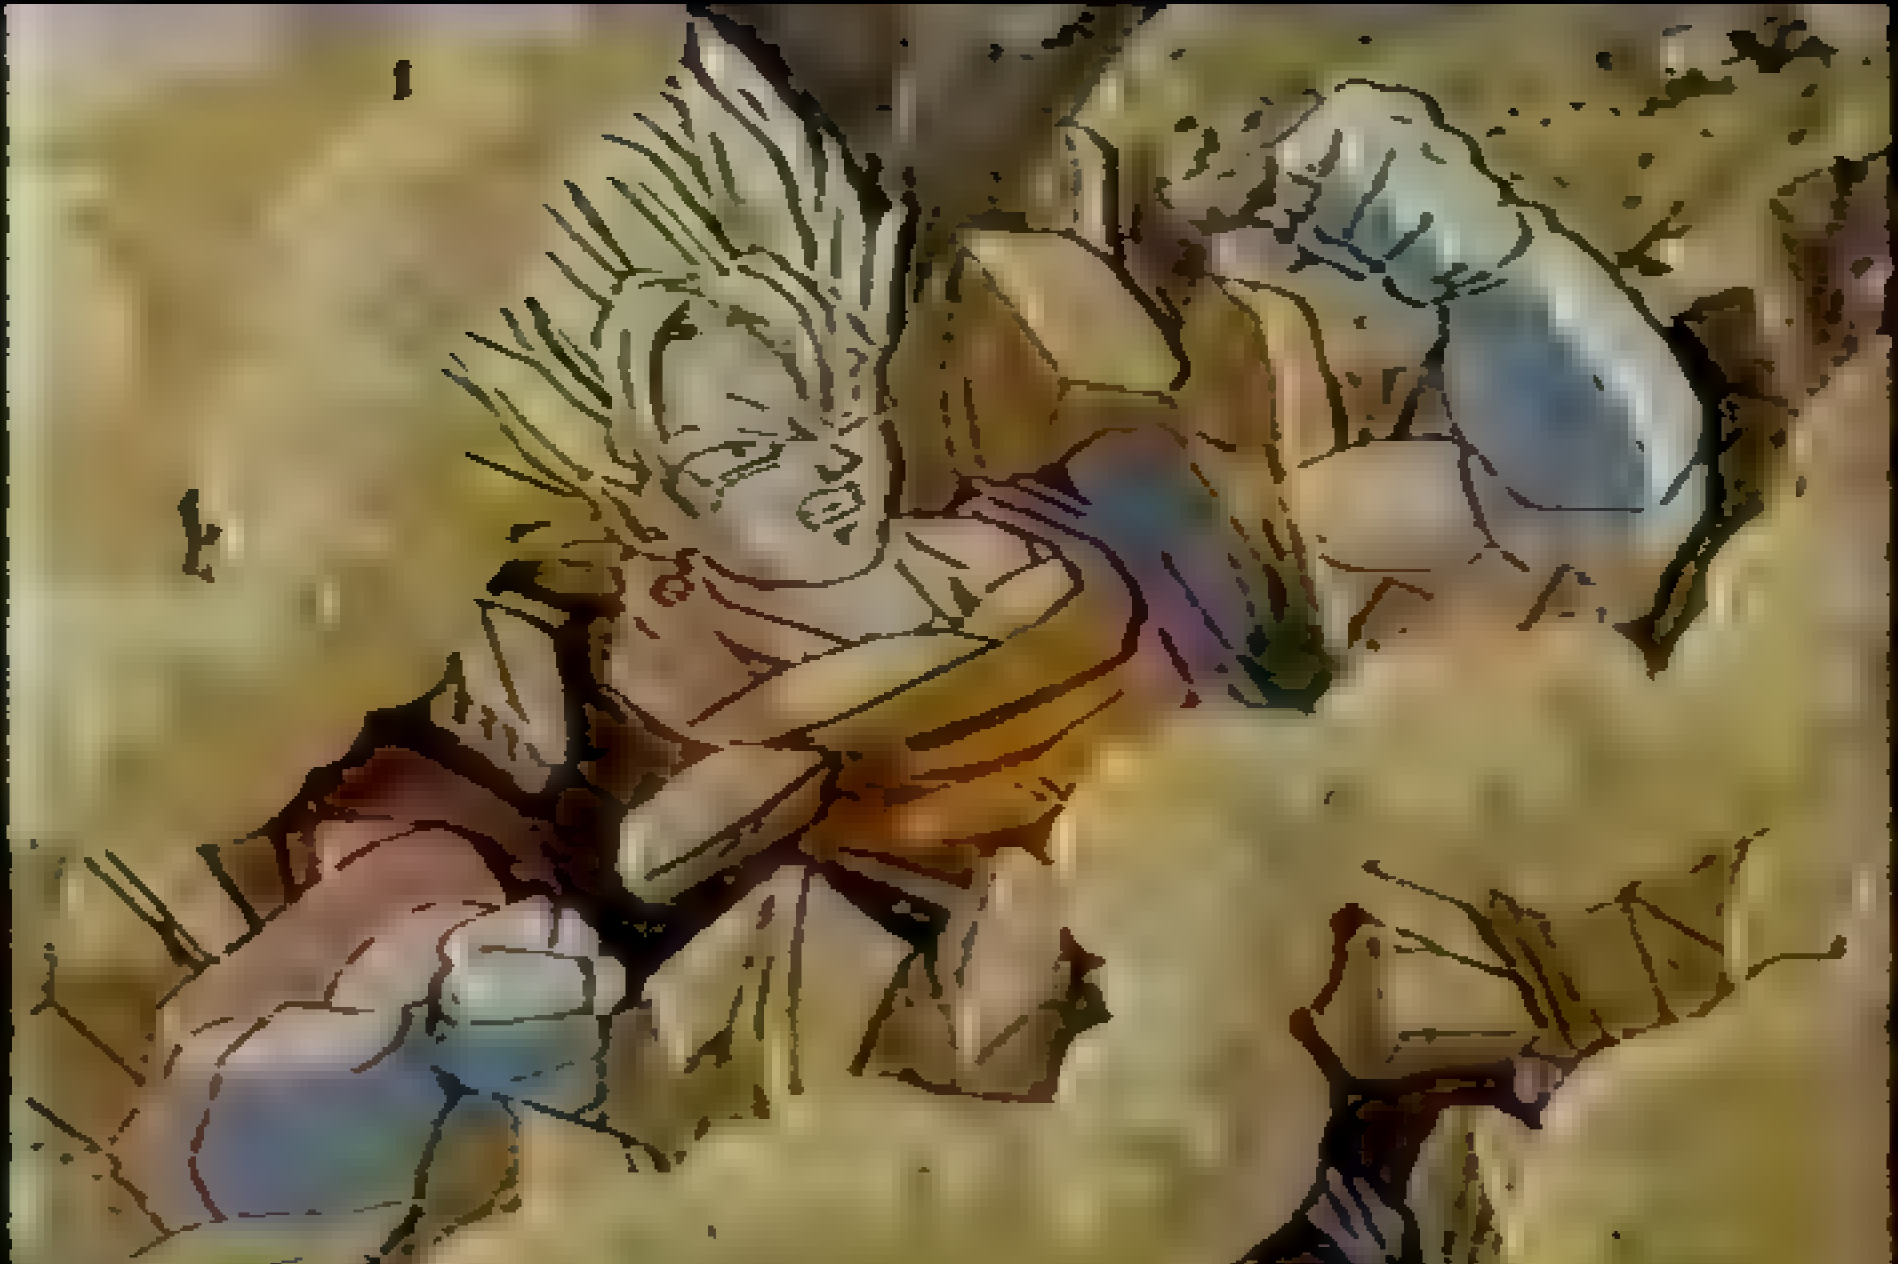

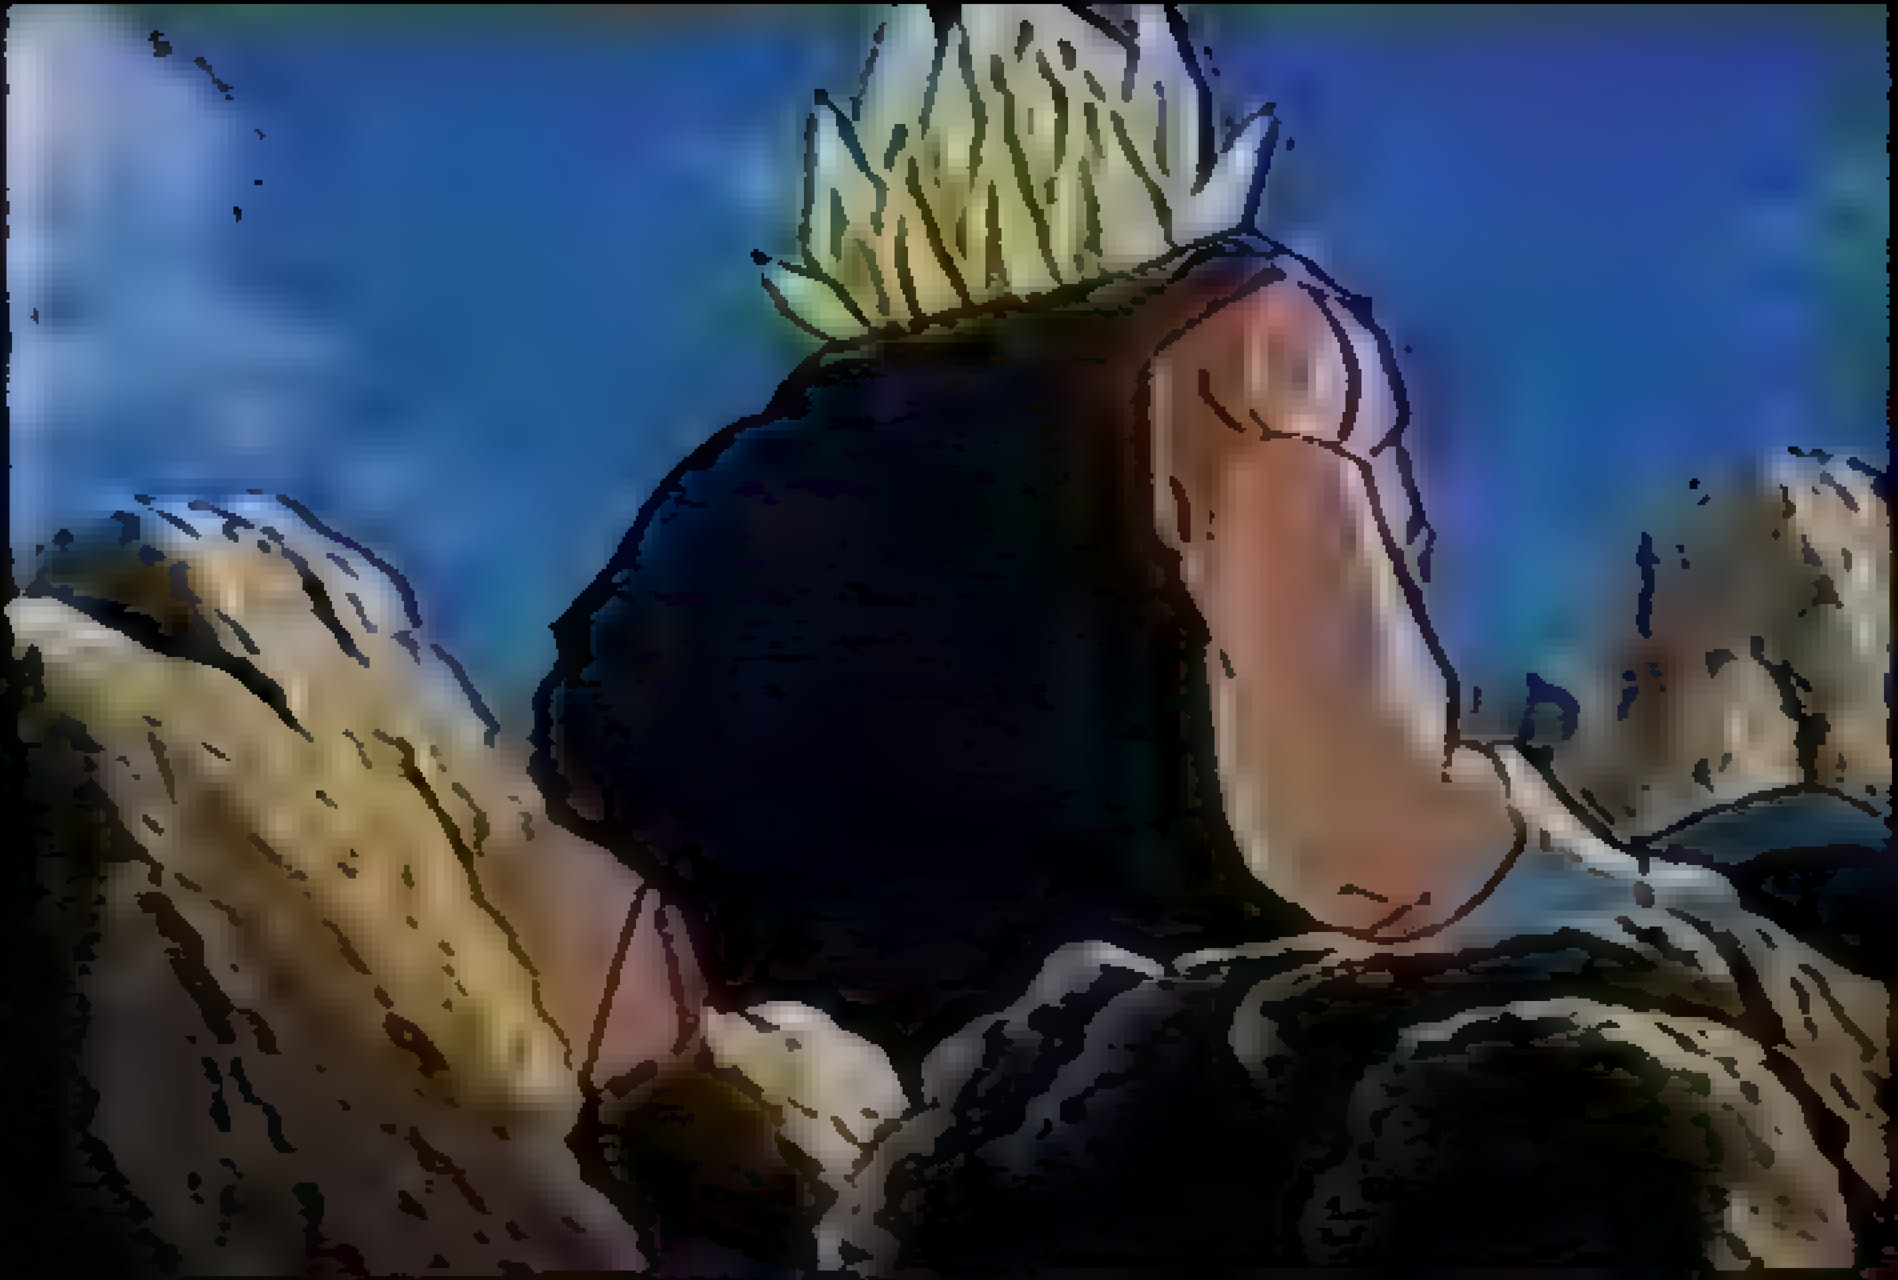

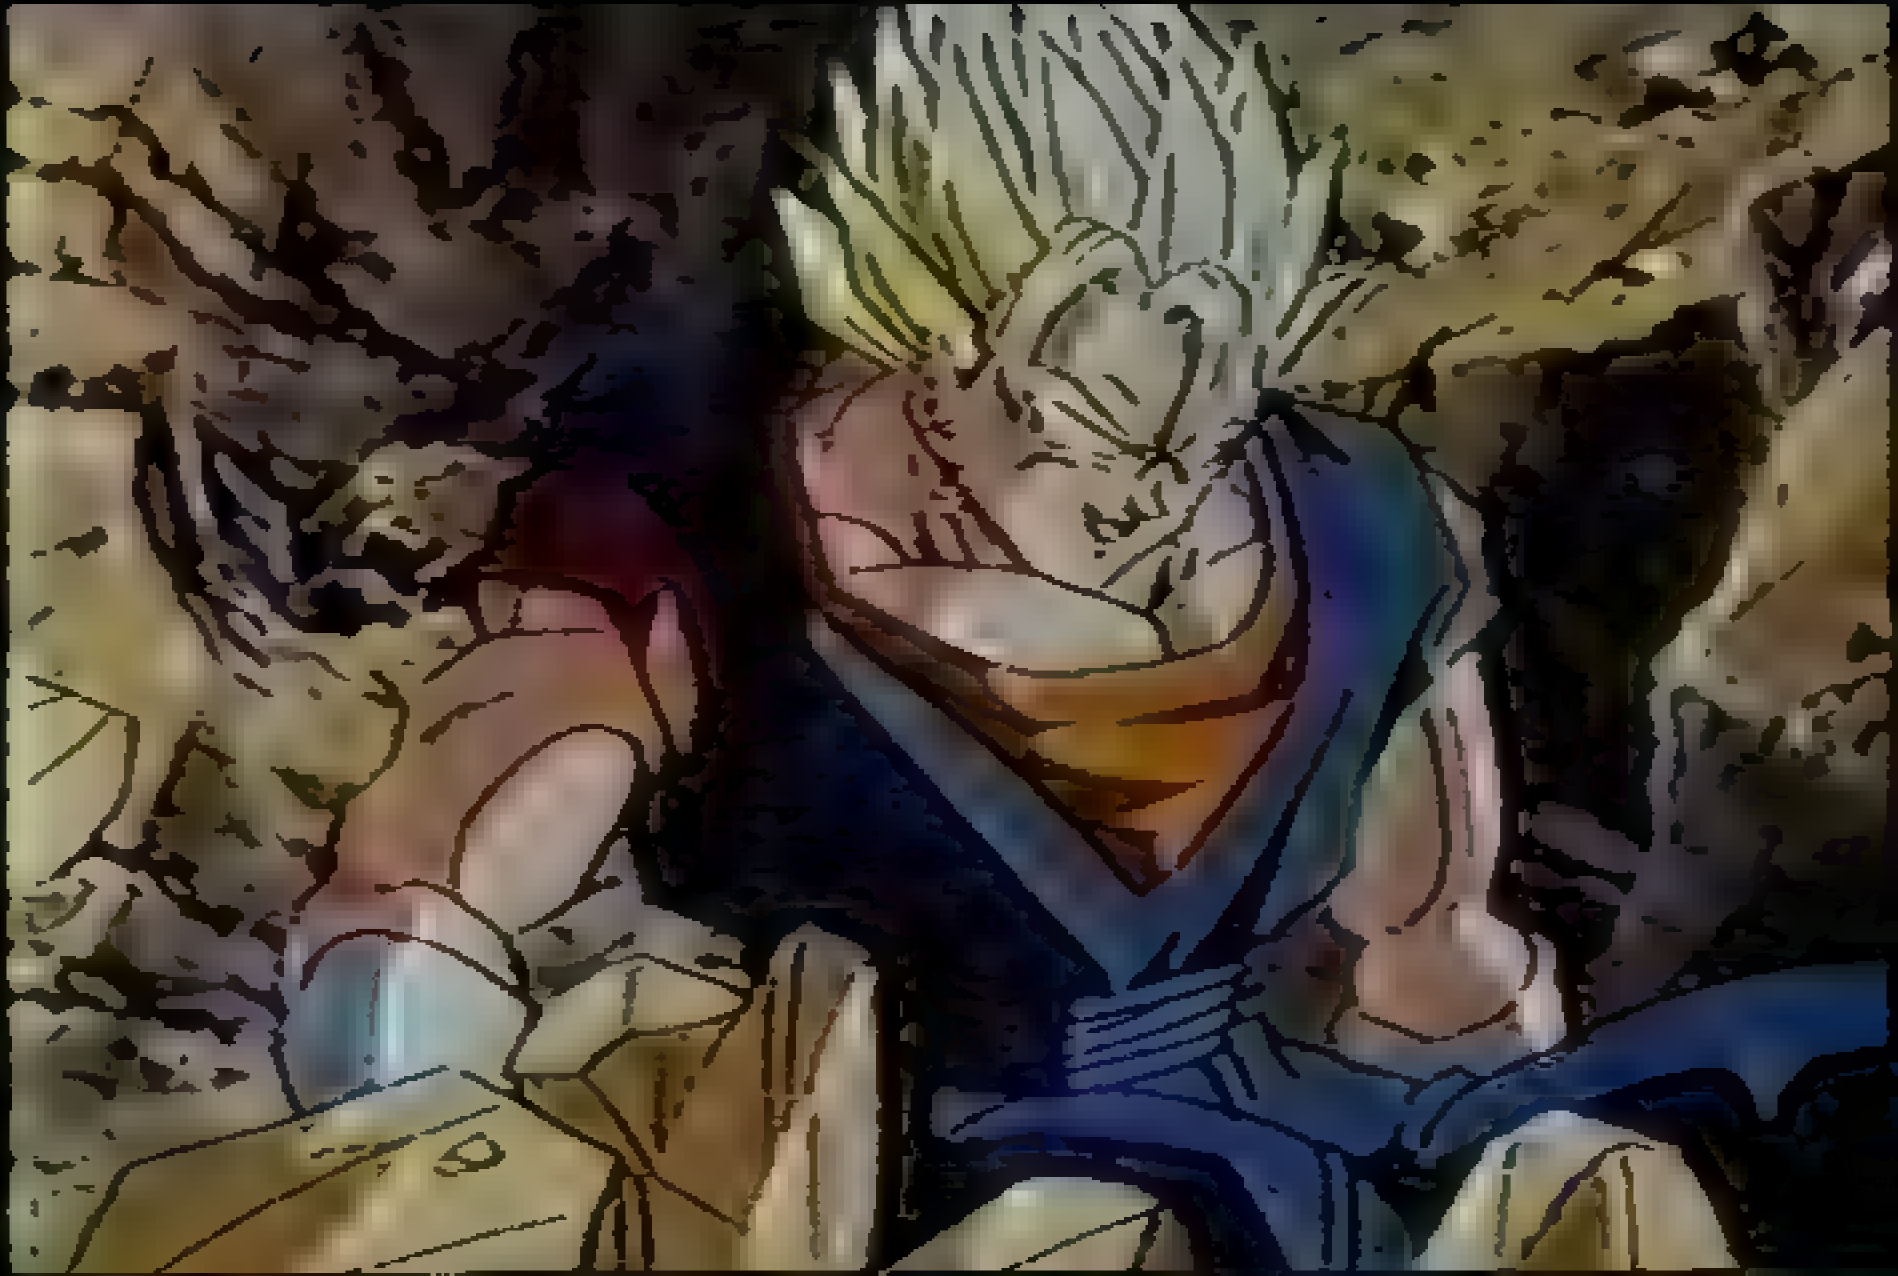

Why... Why can't I move?

Why_Why can't I move?

That would be me. I stopped your movements.

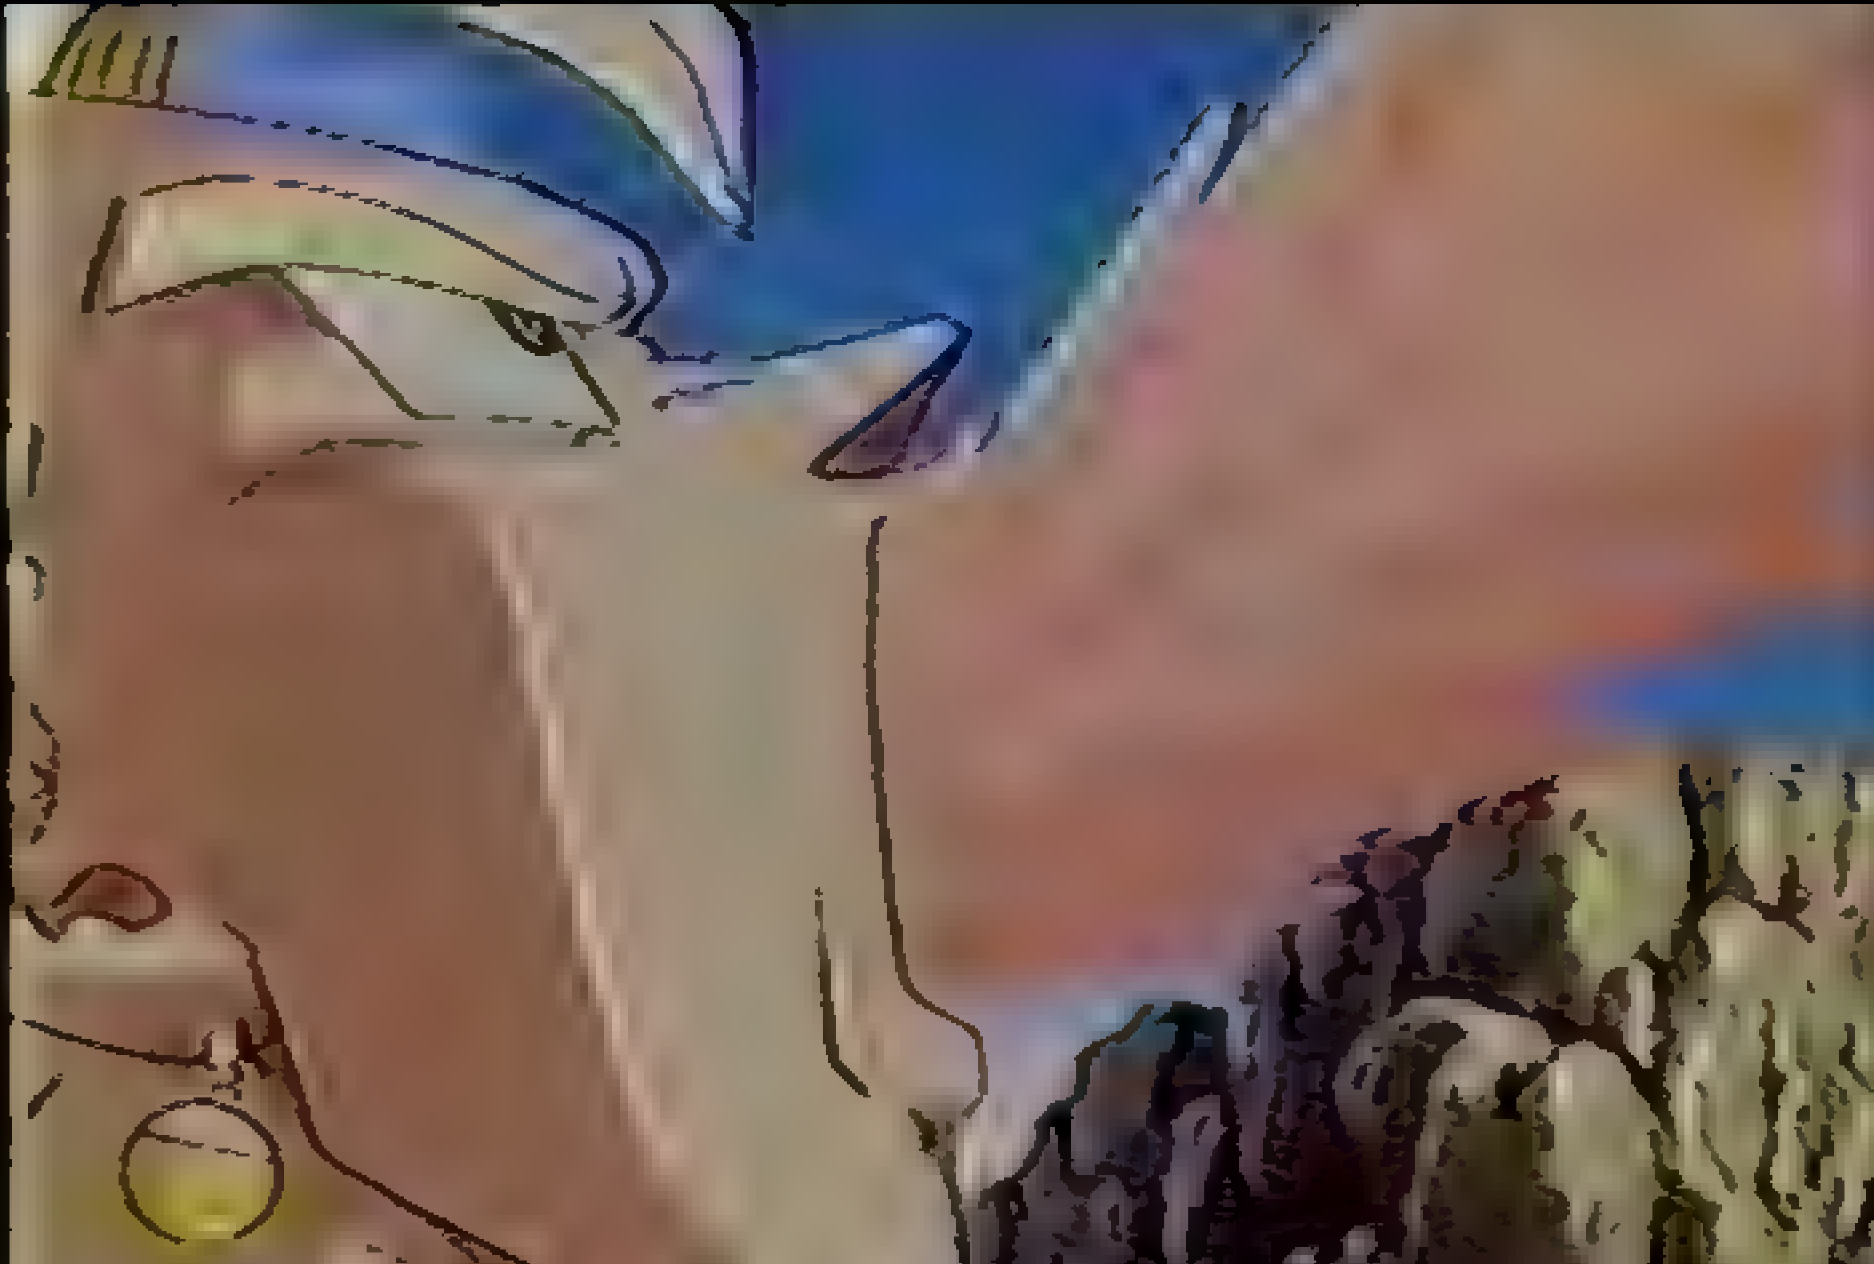

That would be me. I stopped your movements.

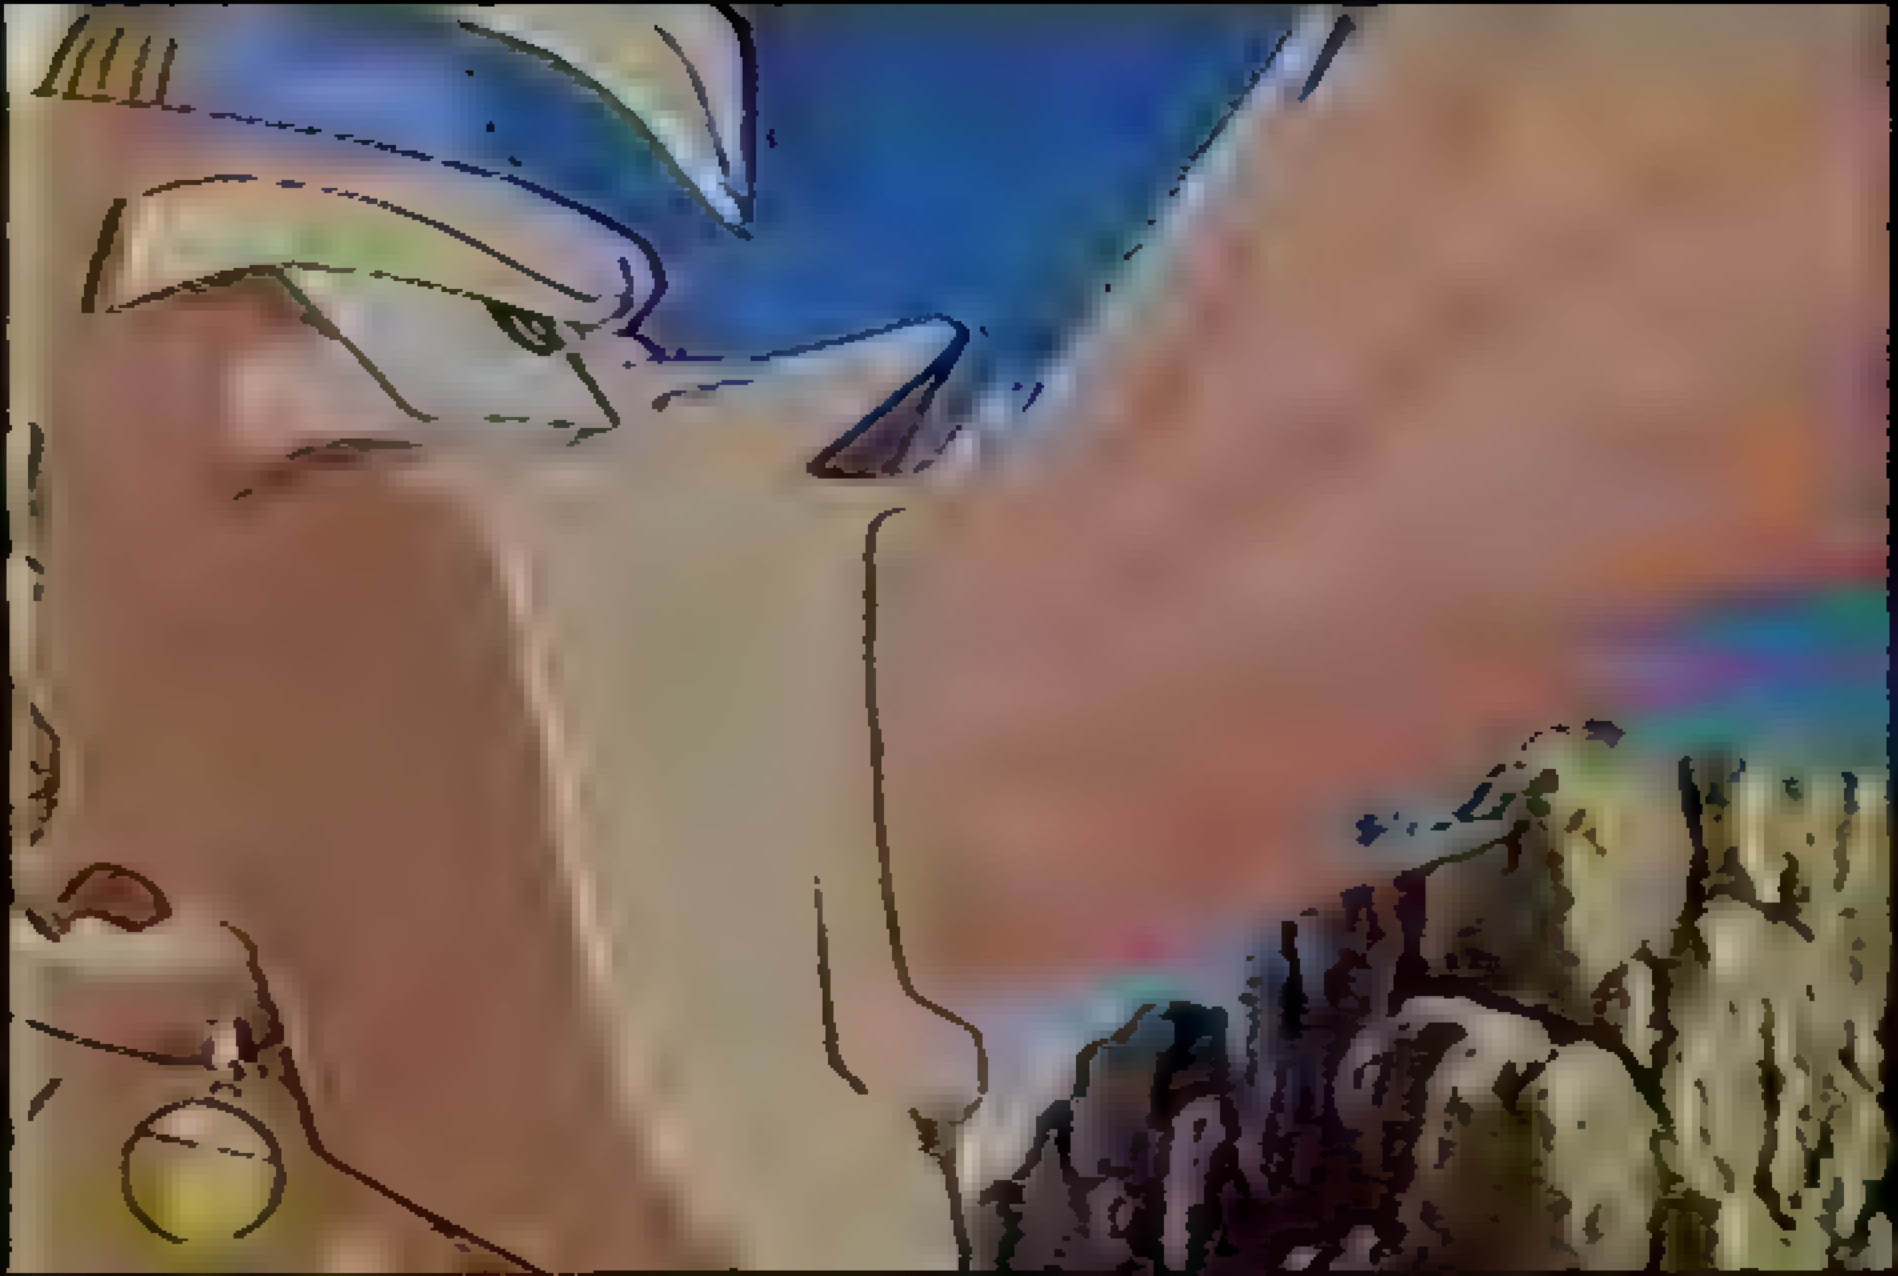

What's next? Shall we continue?

What's next? Shall we continue?

As long as you're inside of me, you won't move.

As long as you're inside of me, you won't move.

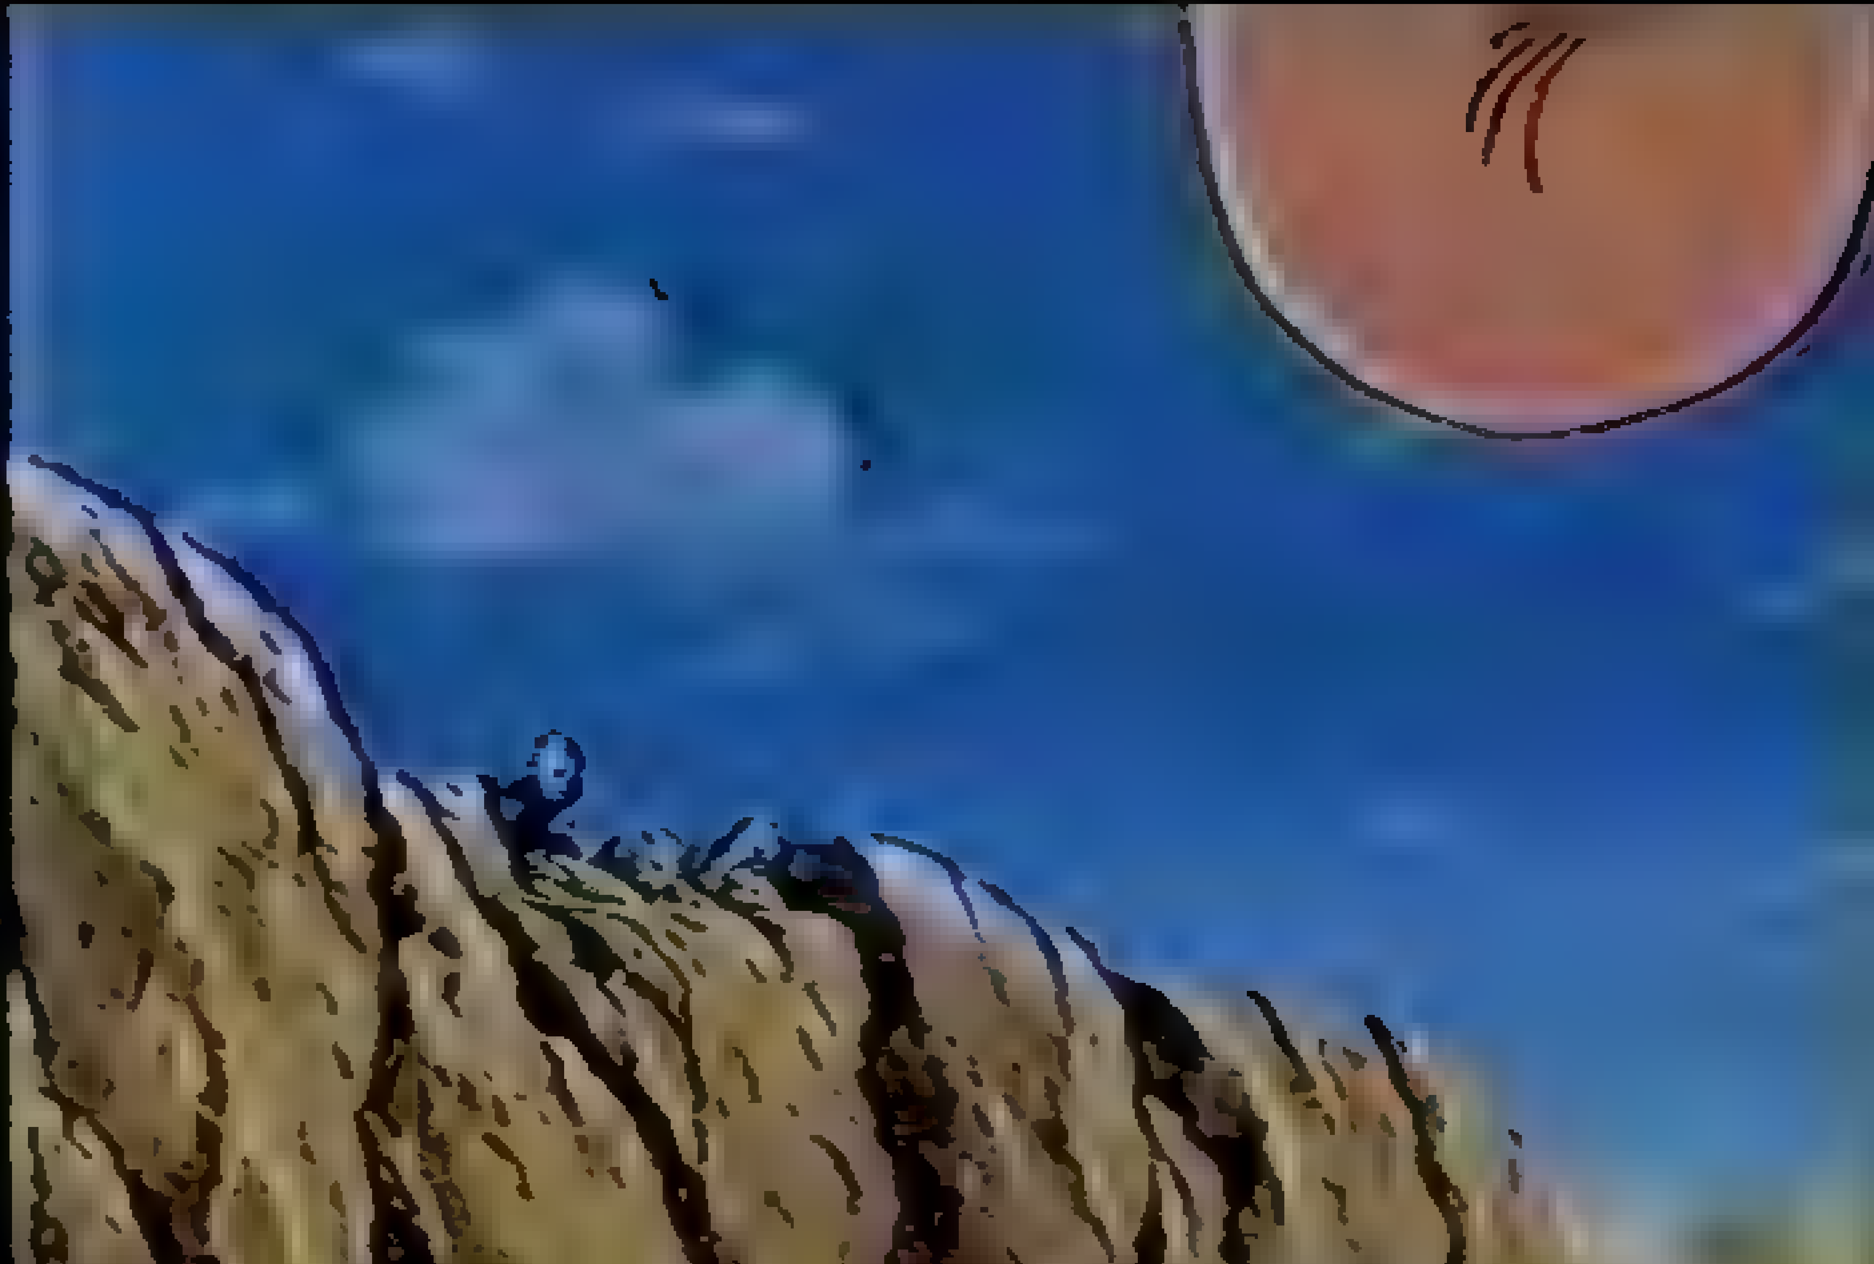

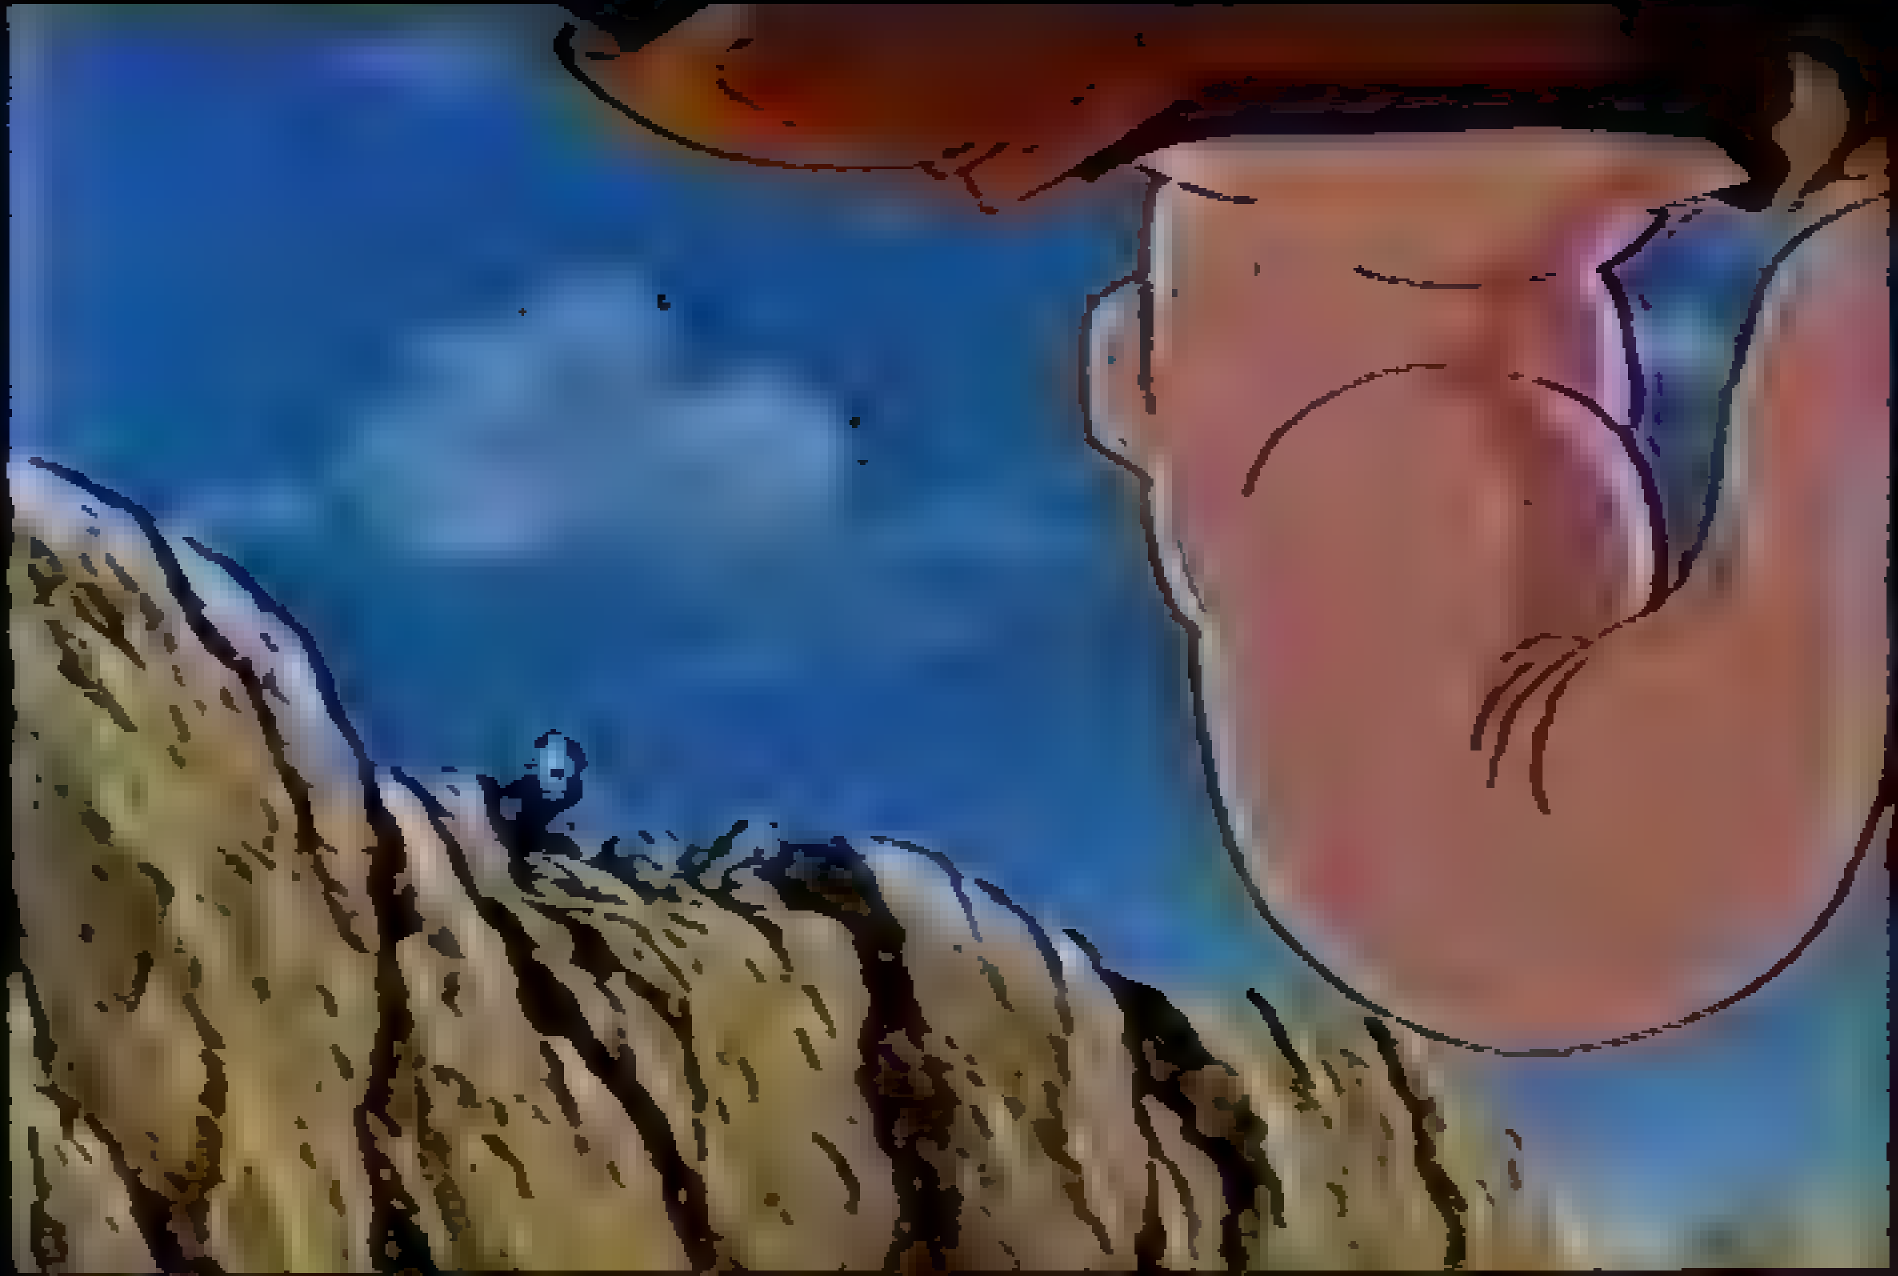

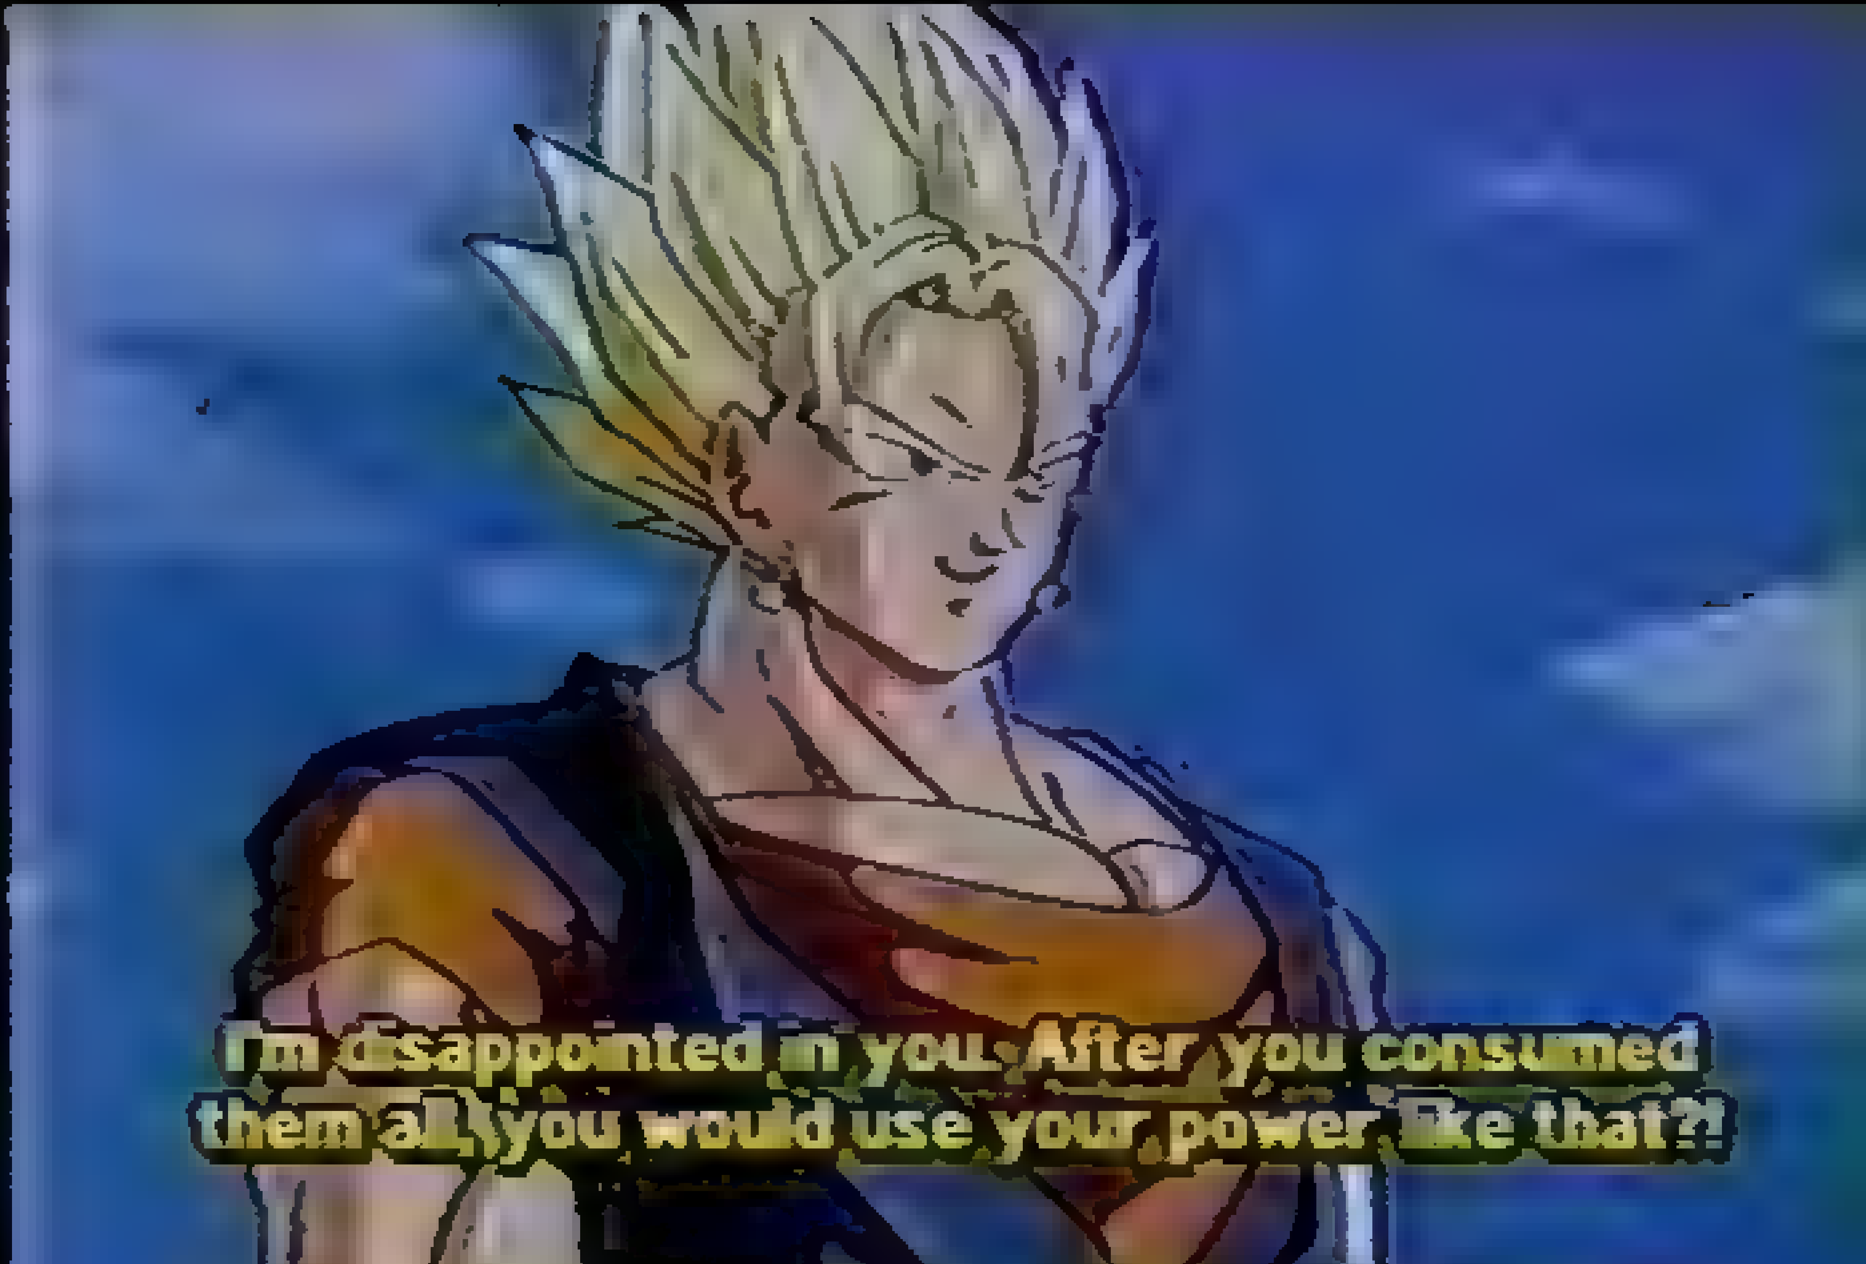

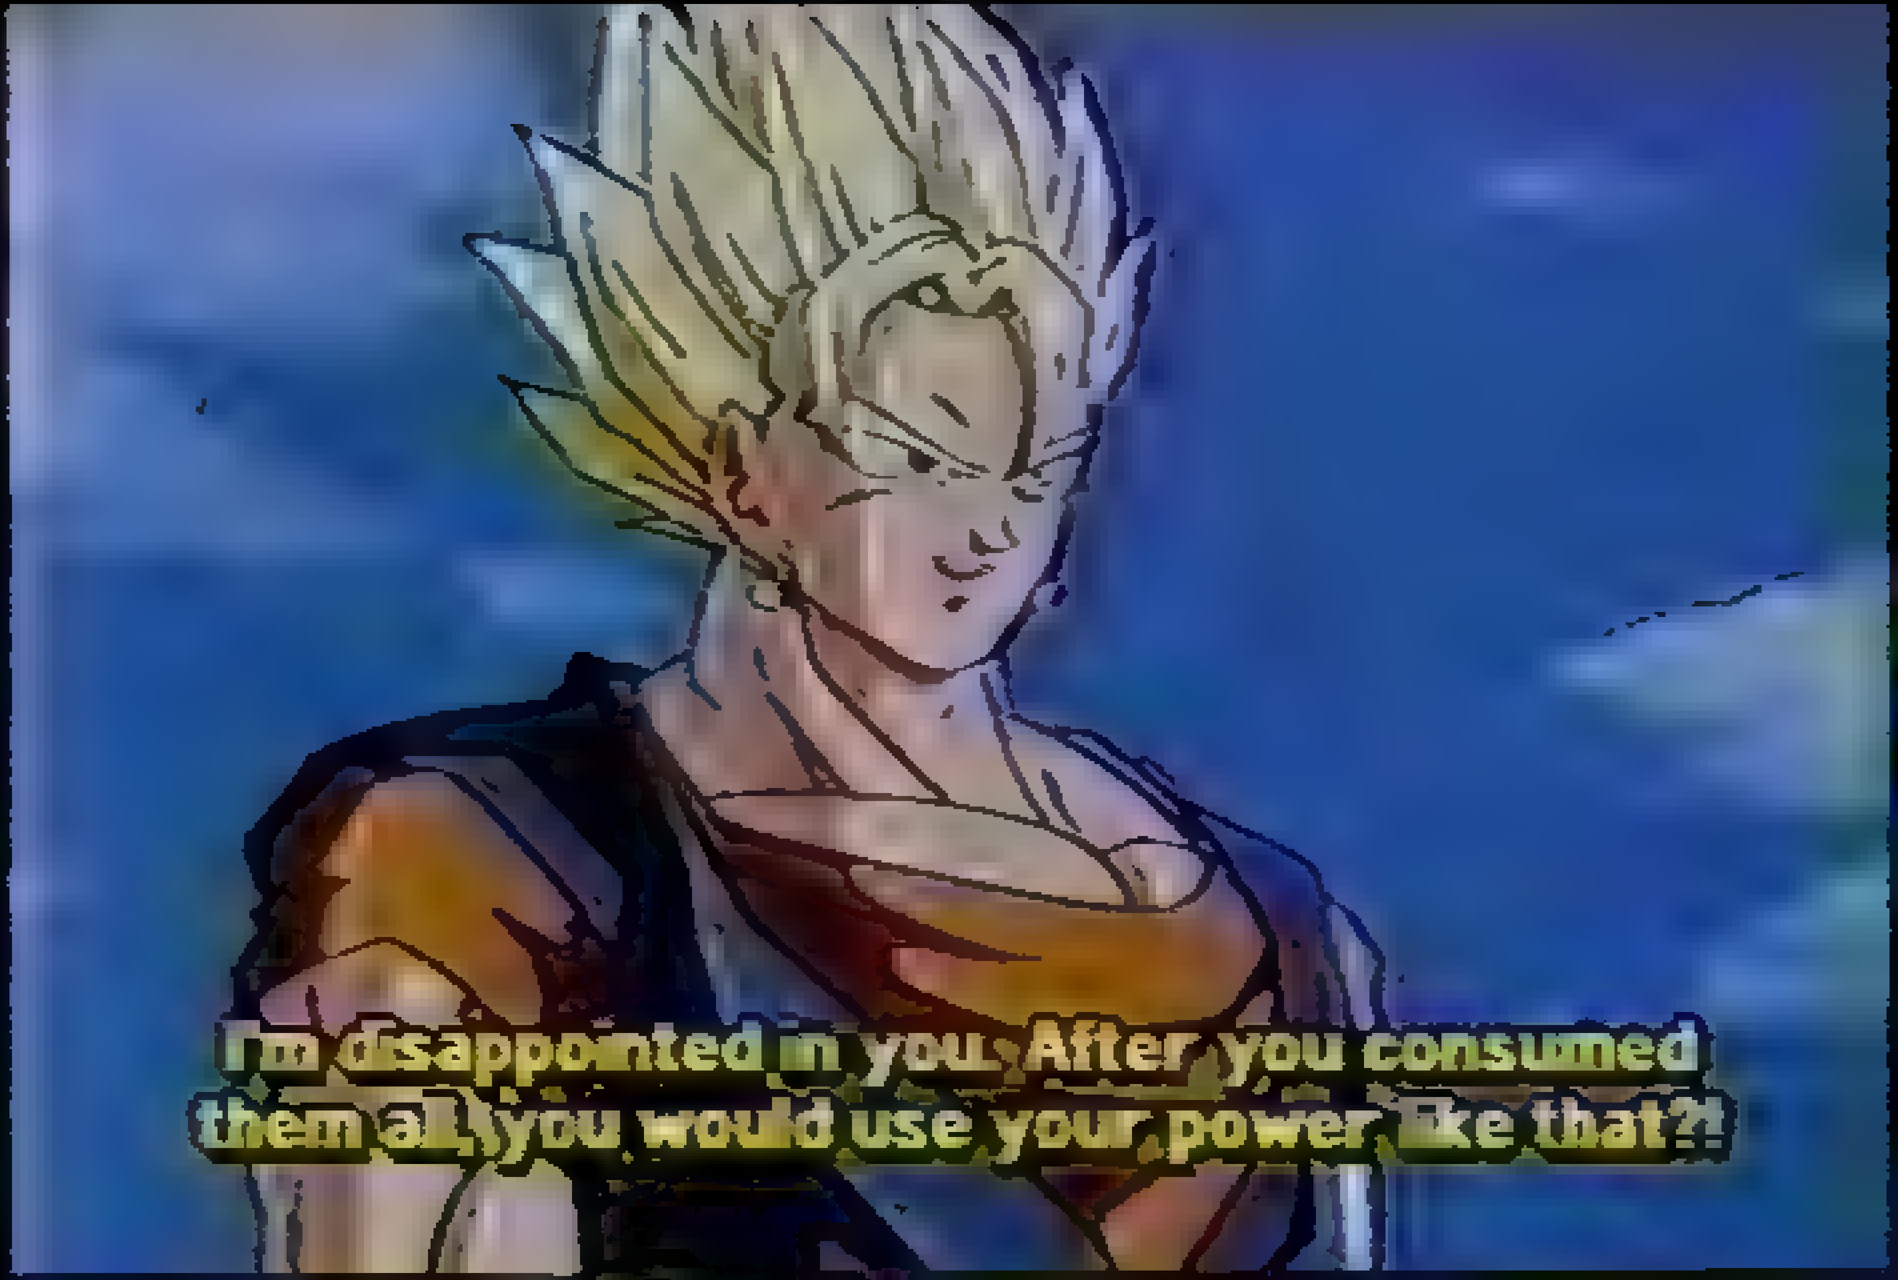

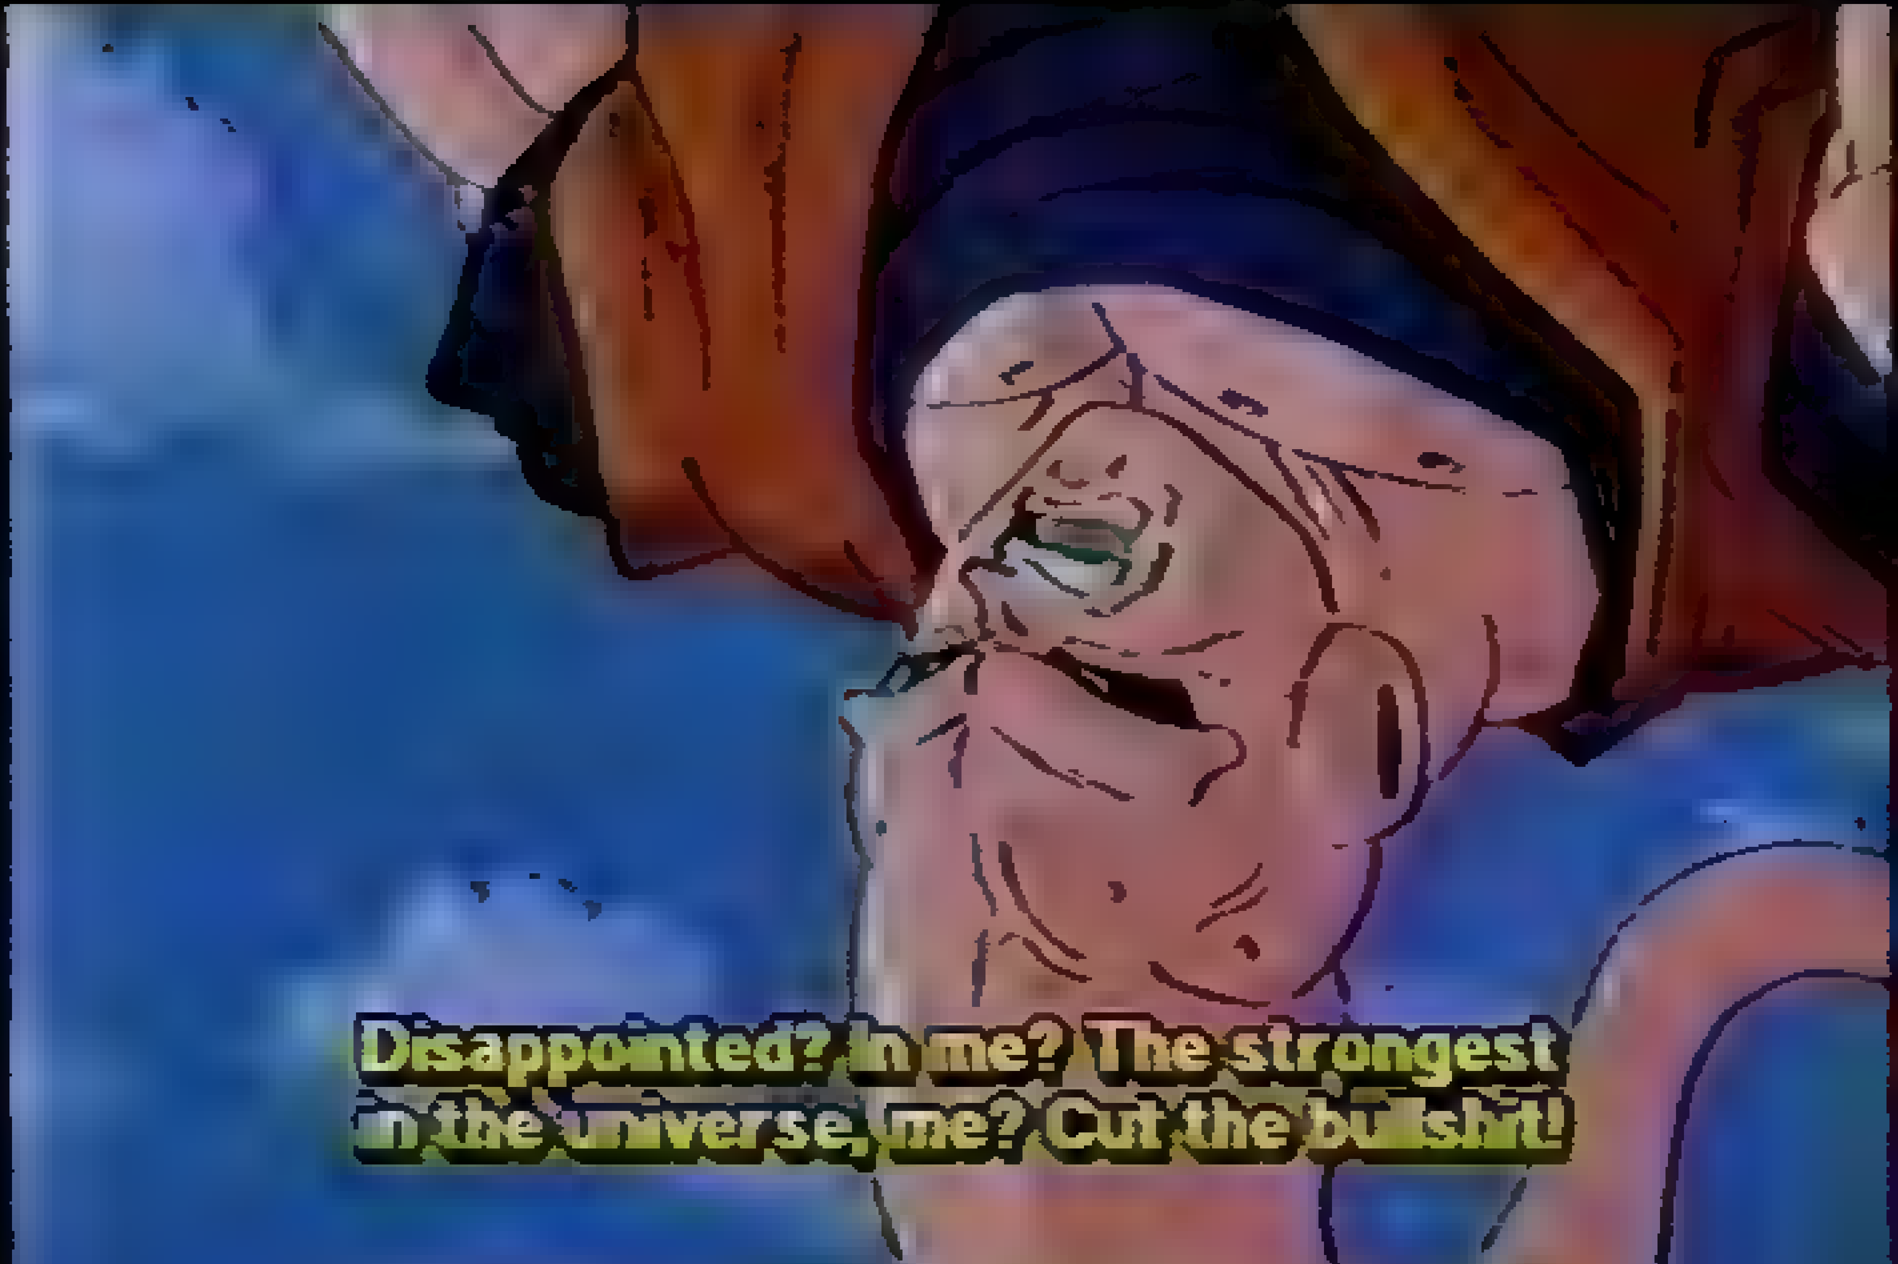

That's a bad habit of yours!

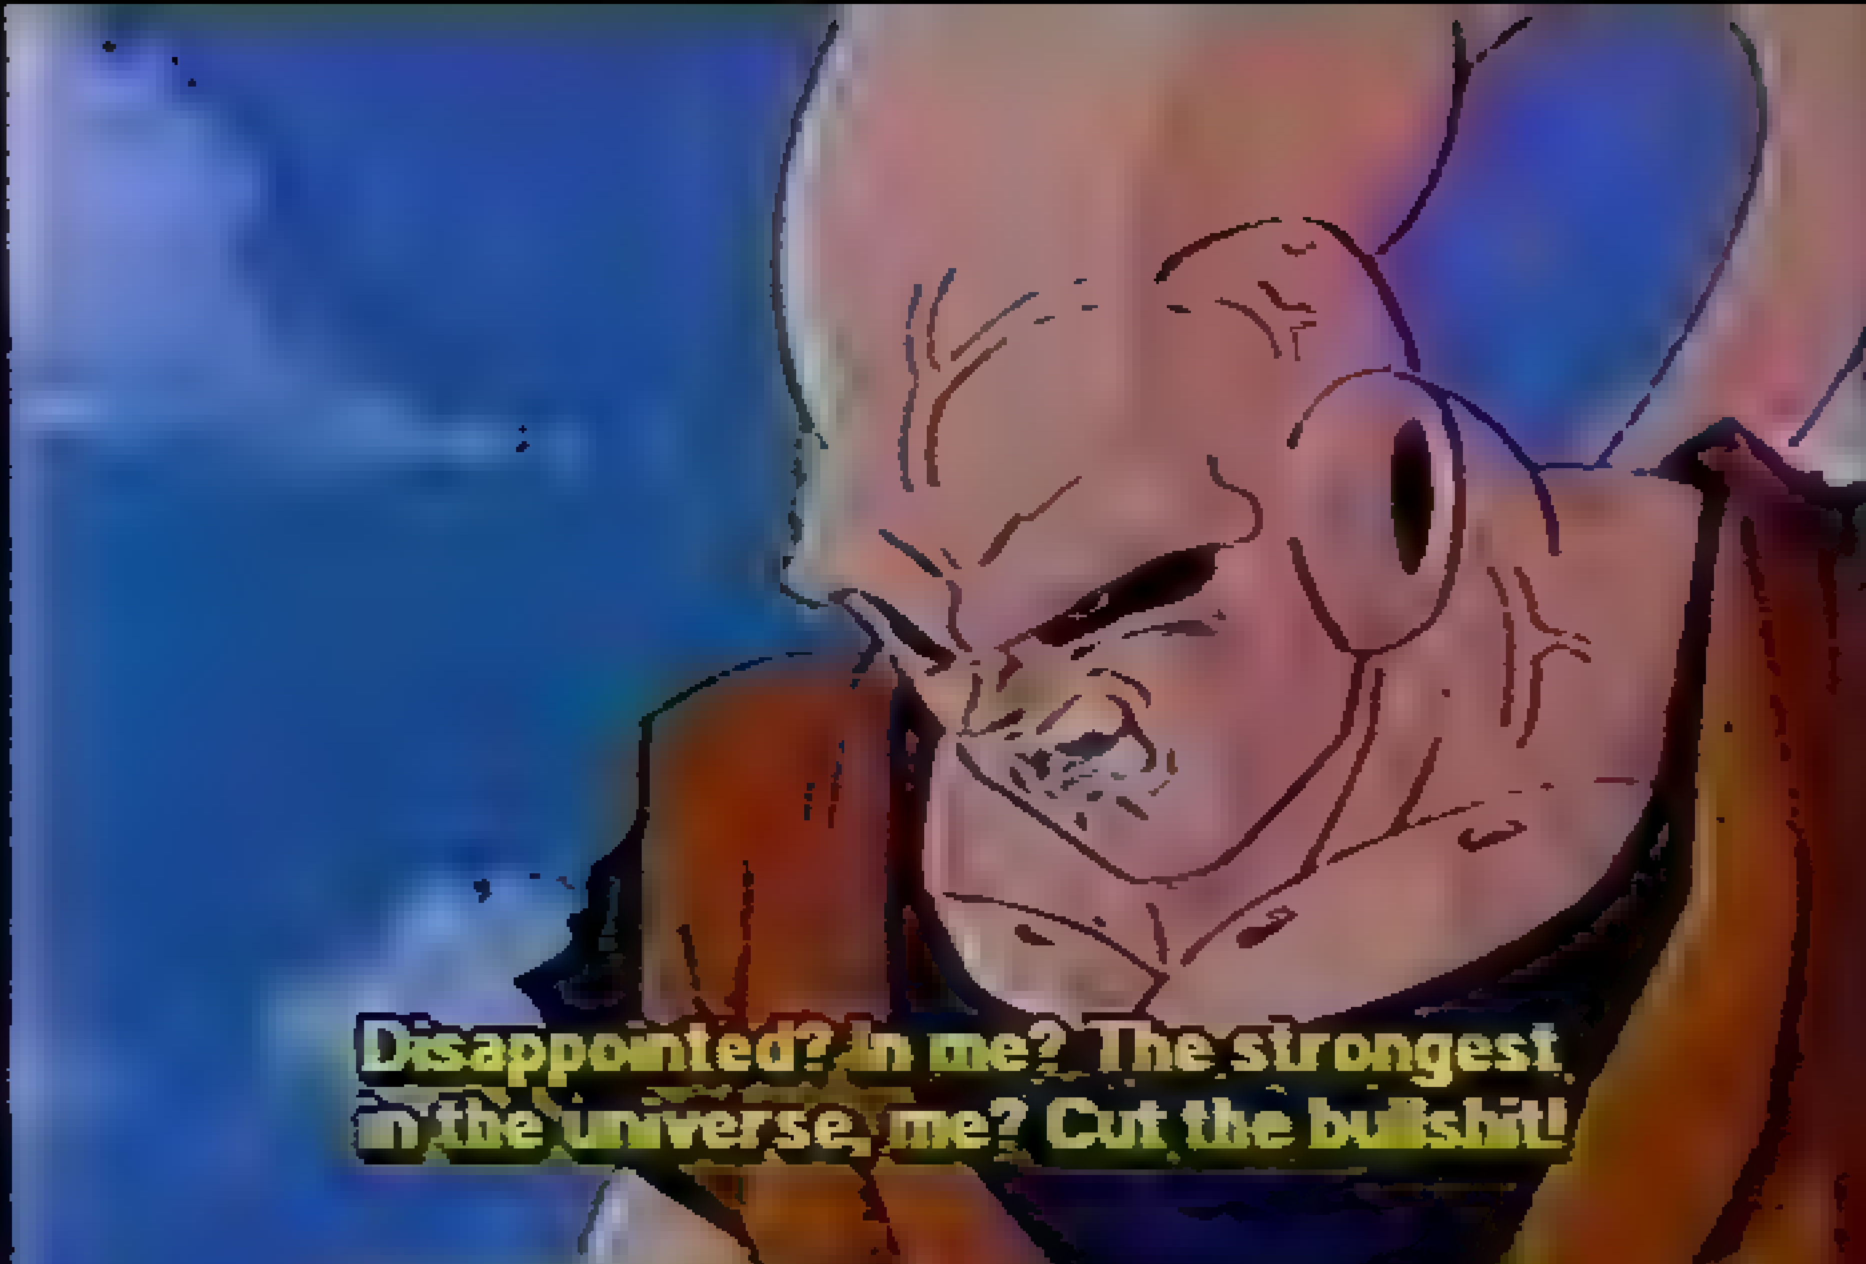

I'm disappointed in you. After you consumed
them all, you would use your power like that?!

I'm disappointed in you. After you consumed
them all, you would use your power like that?!

I'm disappointed in you. After you consumed
them all, you would use your power like that?!

Disappointed? In me? The strongest
in the universe, me? Cut the bullshit!

in the universe, me? Cut the bullshit!

in the universe, me? Cut the bullshit!

You would make me look like a fool?!

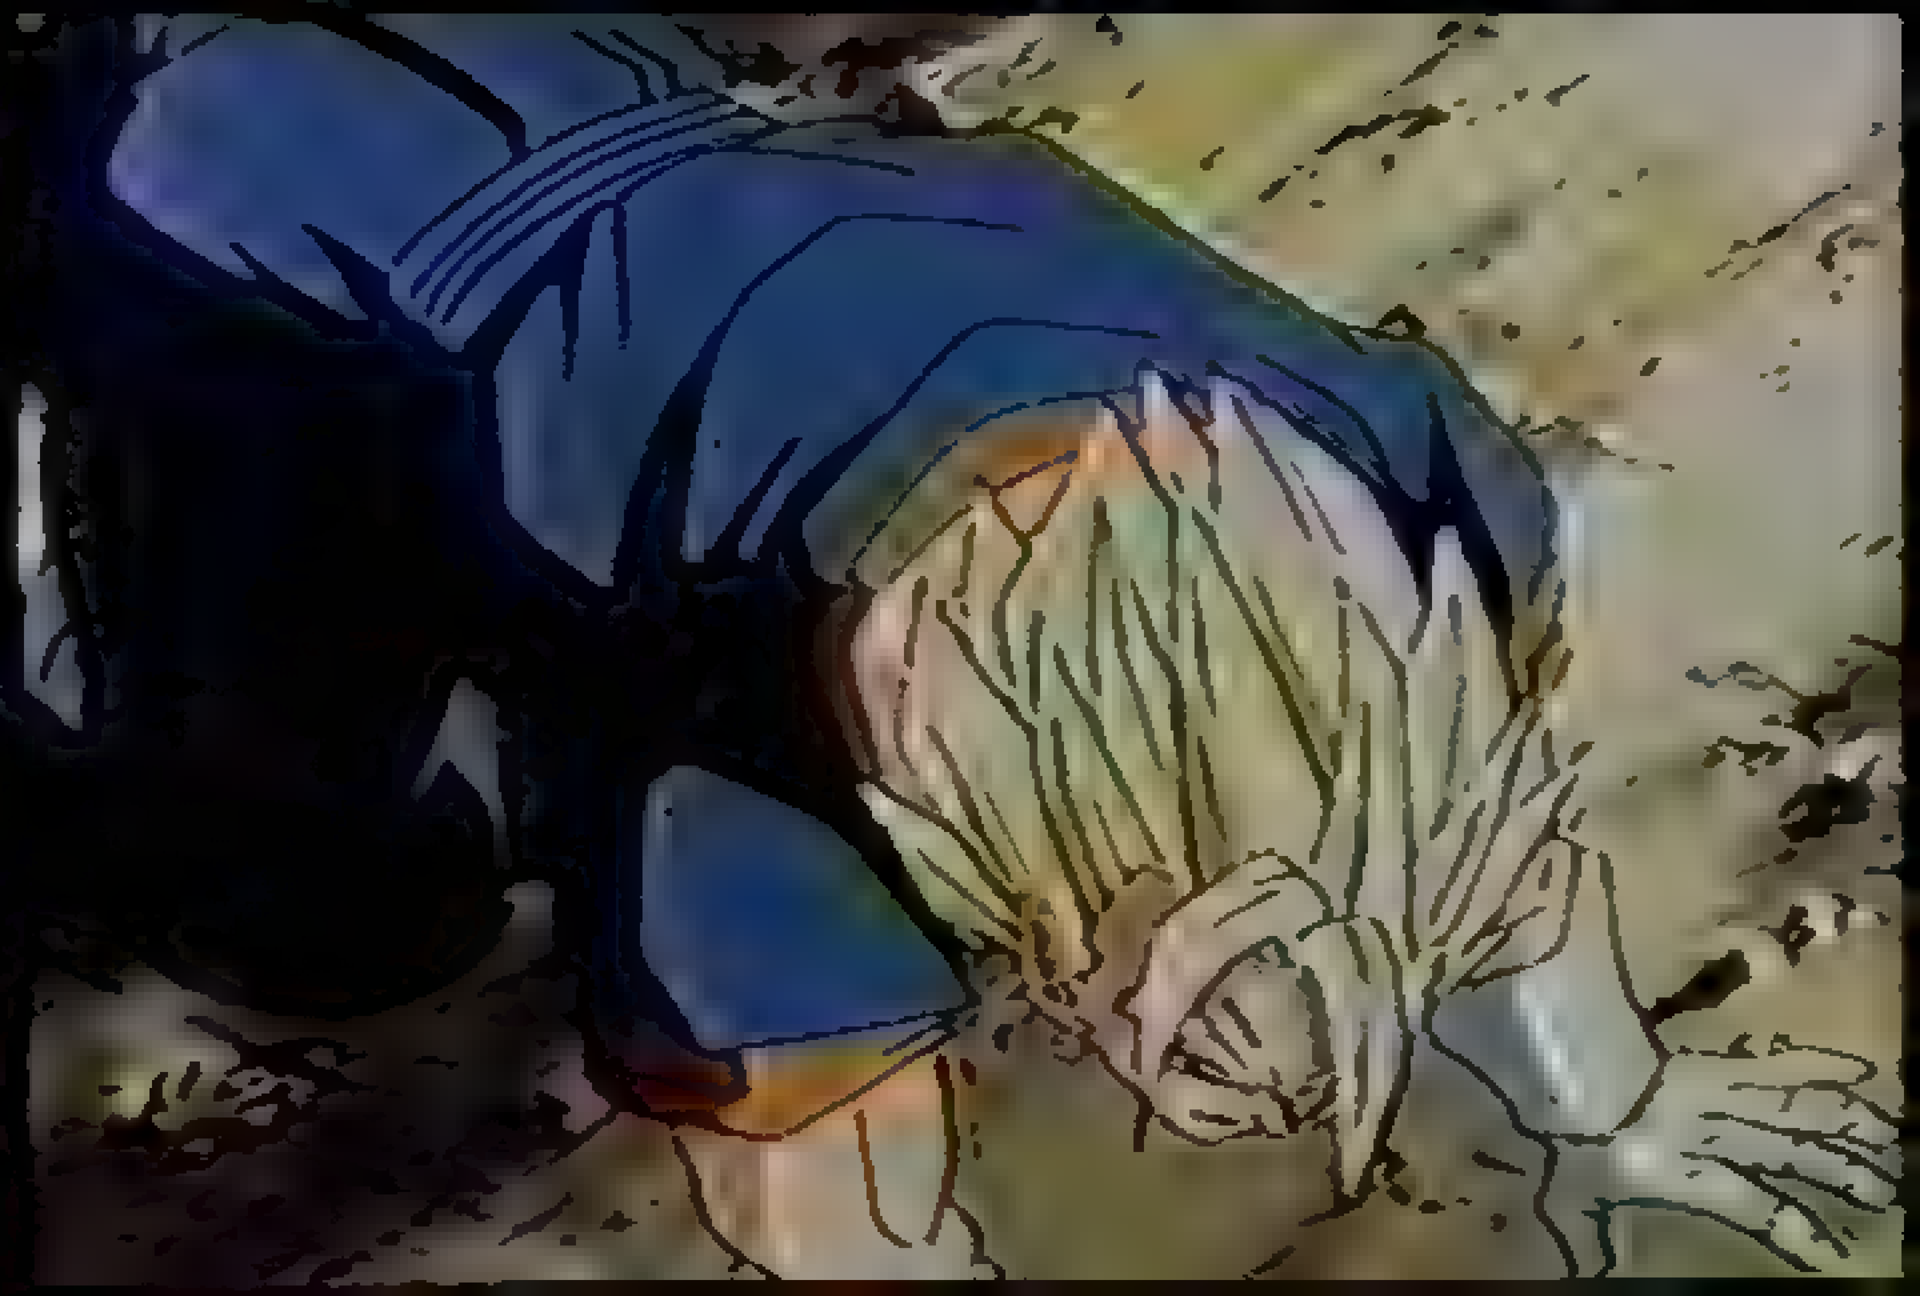

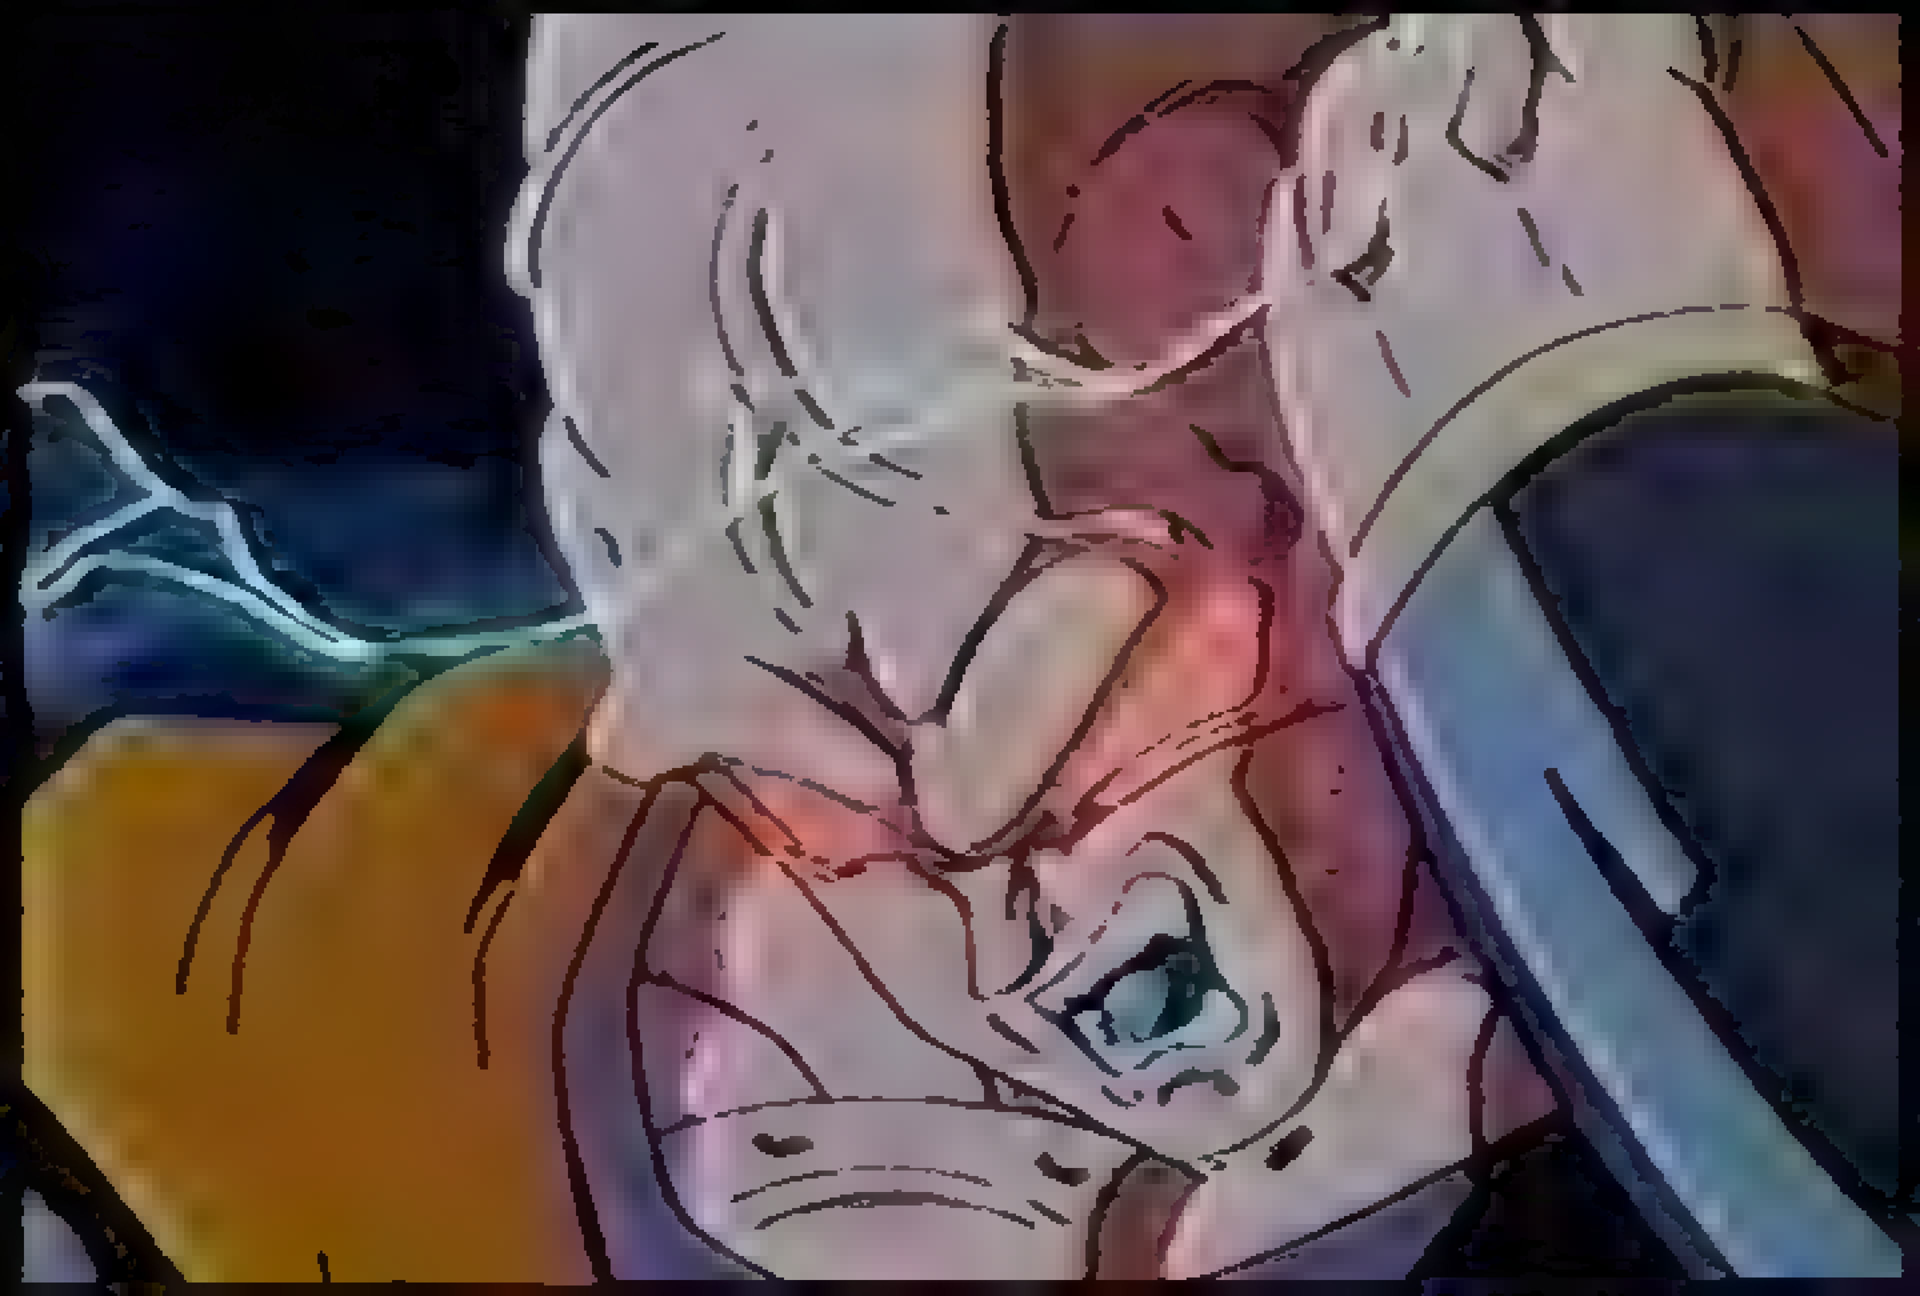

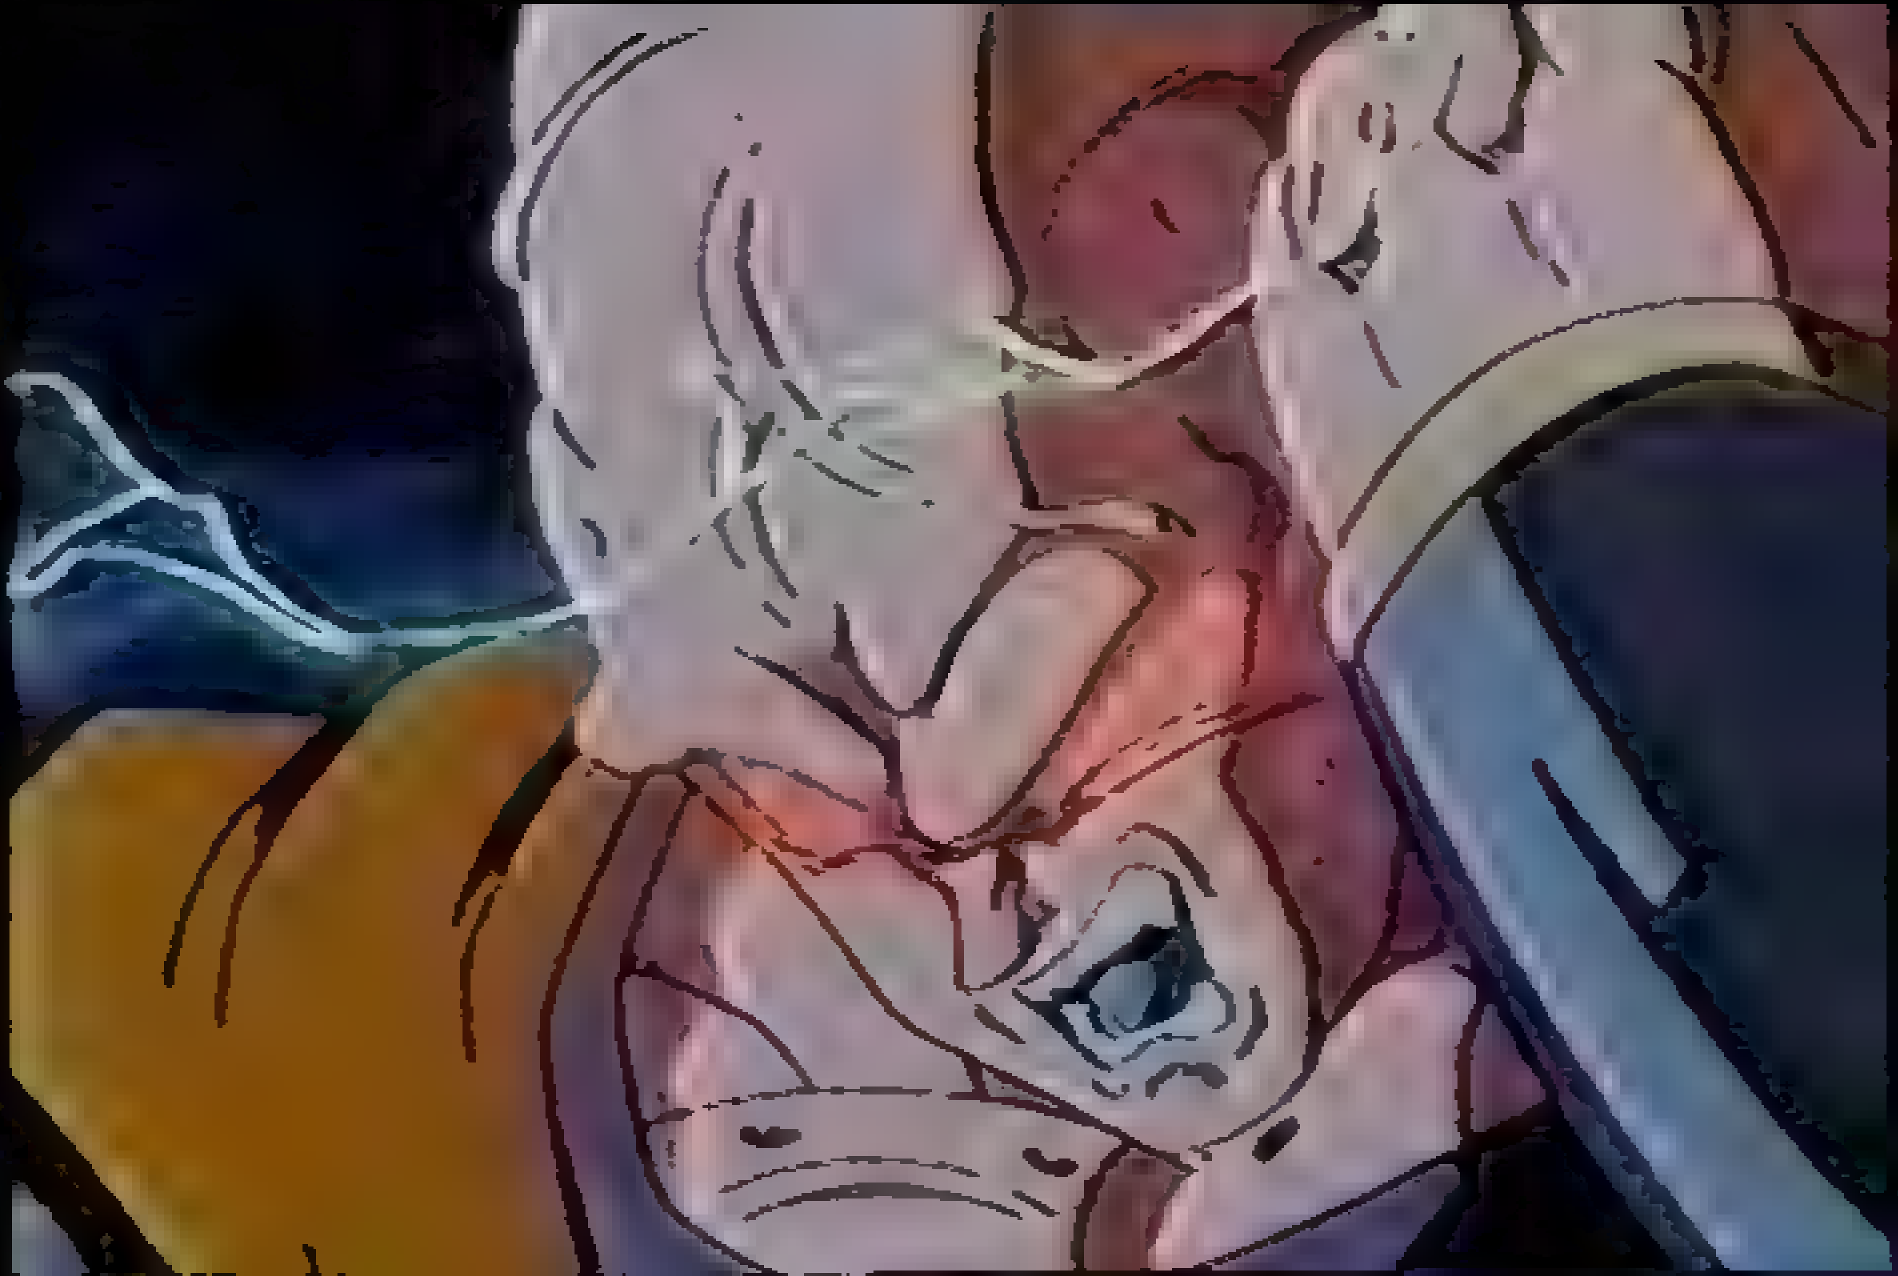

You mock me... You dare mock me?!

You mock me...You dare mock me?!

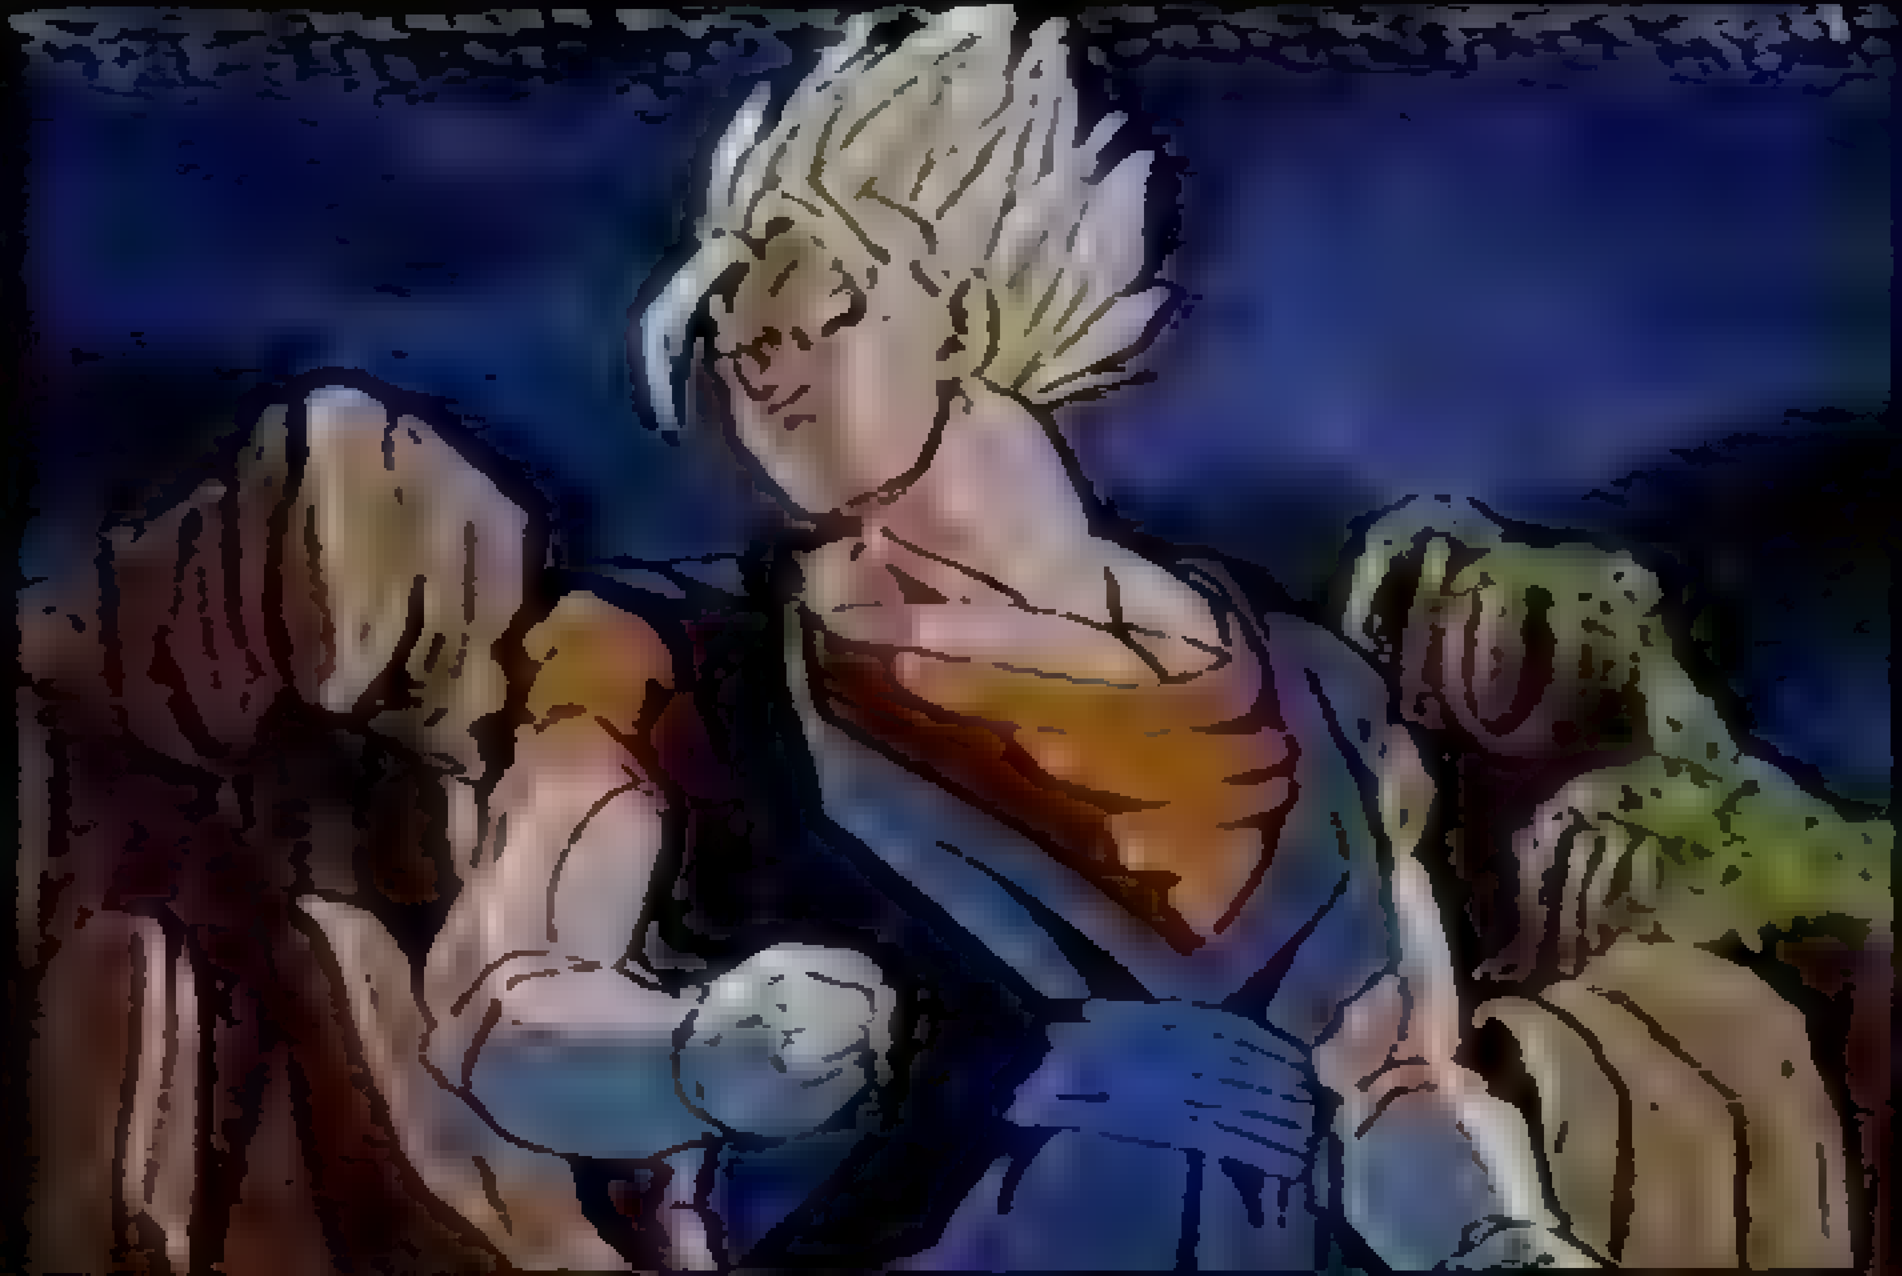

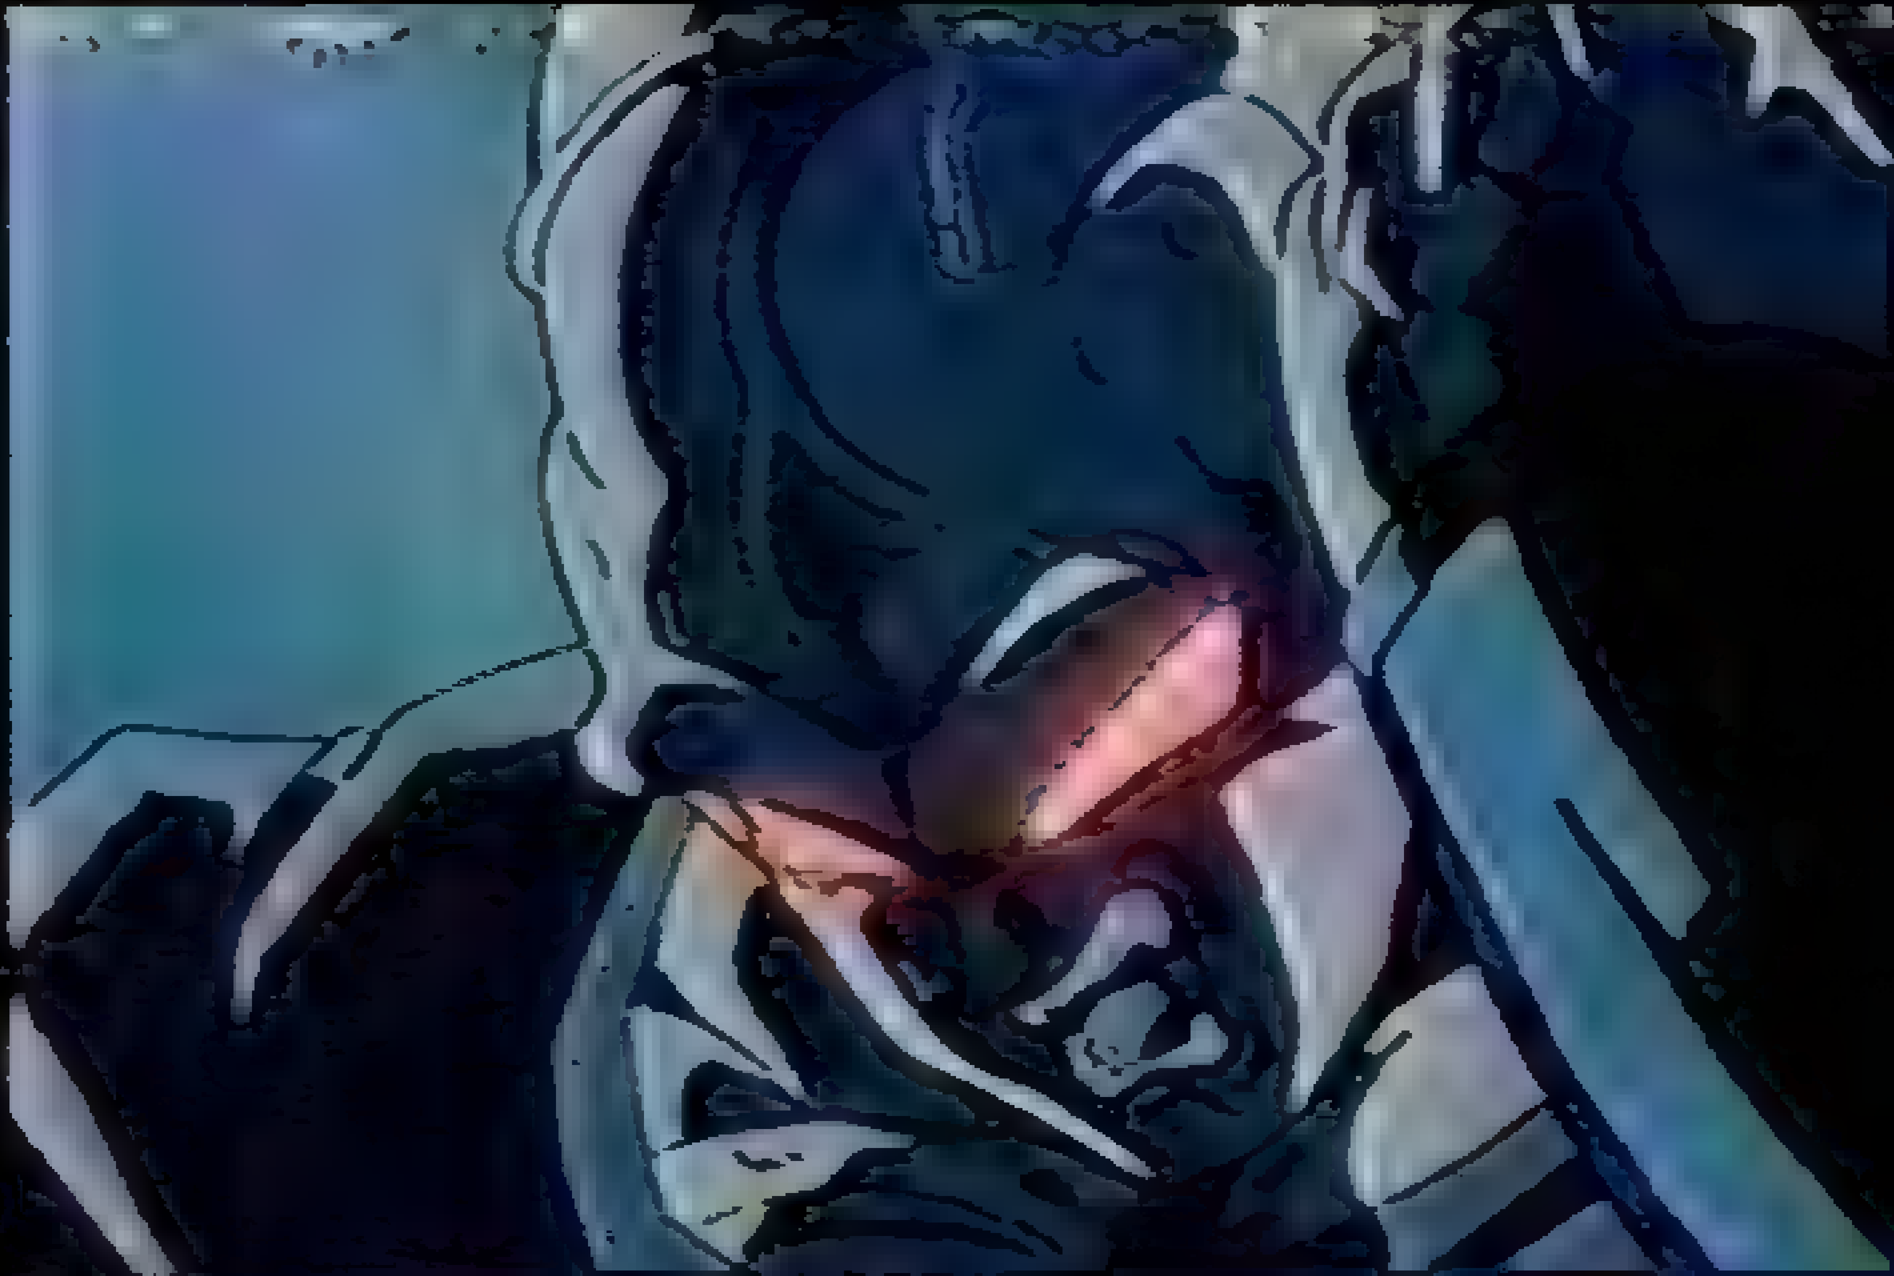

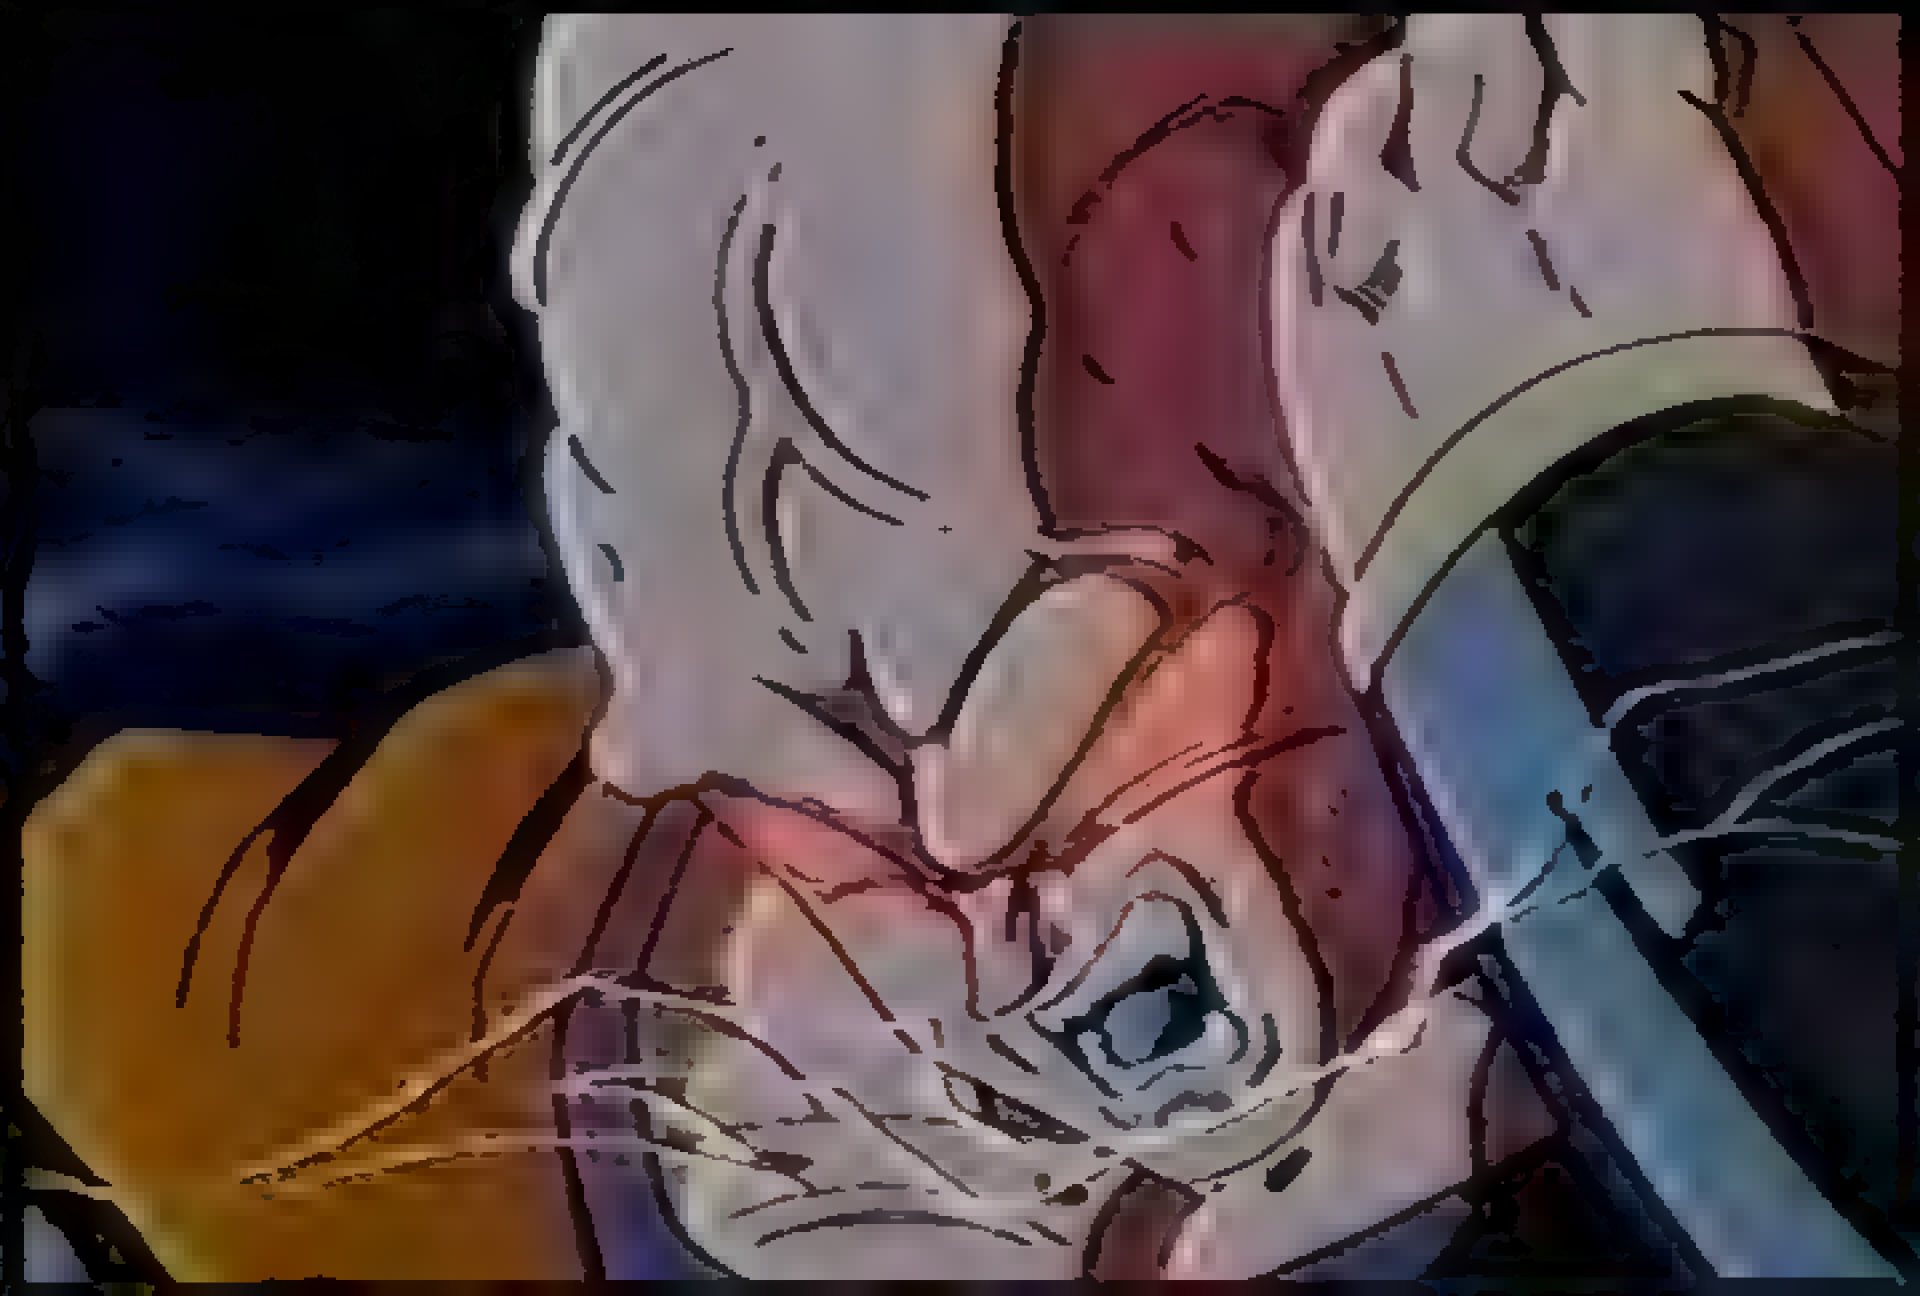

What power! You can do
it if you really try, right?

What power! You can do
it if you really try, right?

I'll show you no mercy.

Stop it. Don't make Buu
angrier than he is already!

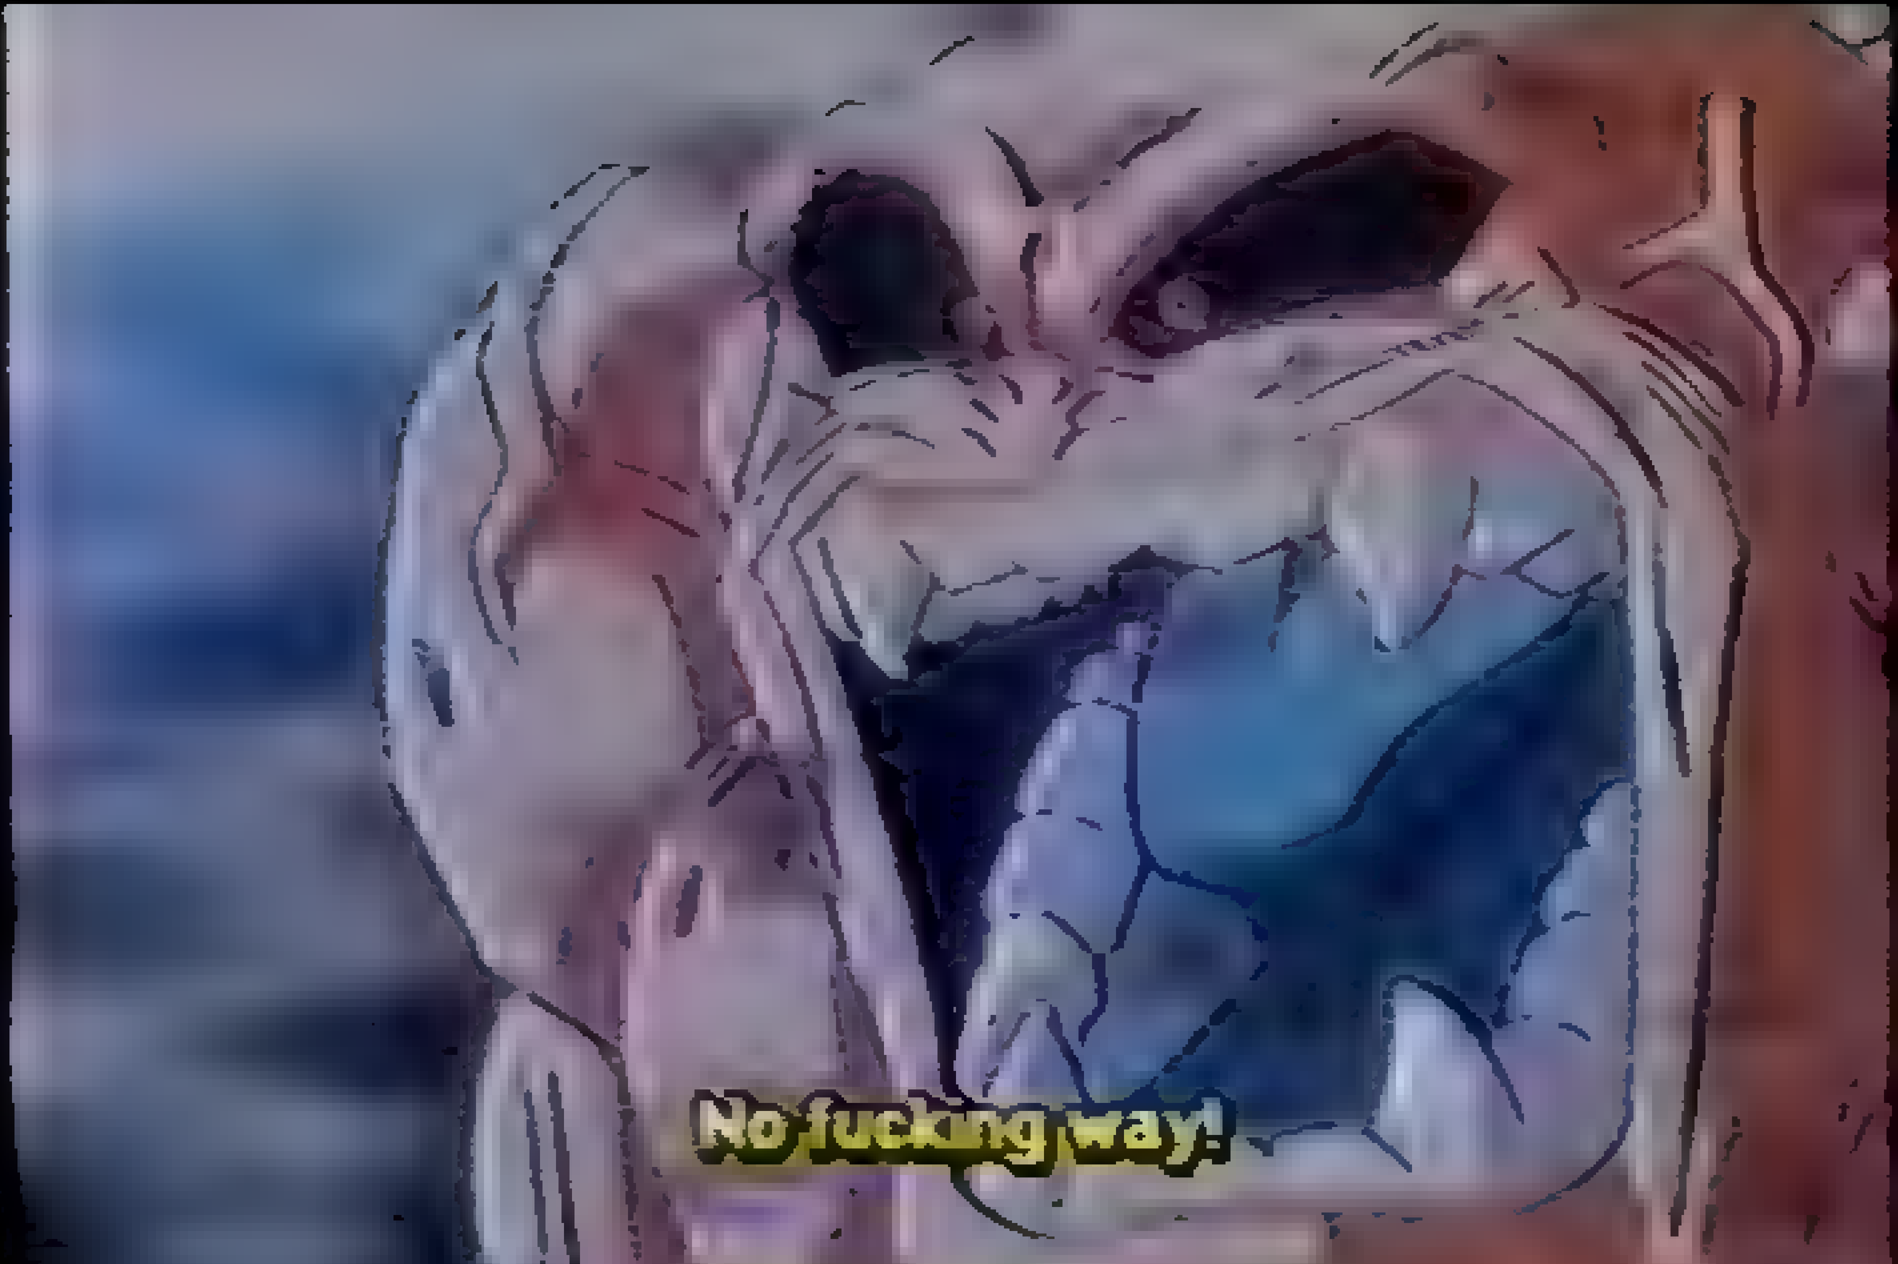

We tried before to lock Buu up in
the room of "Space and Time"...

We tried before to lock Buu up in
the room of "Space and Time"...

We tried before to lock Buu up in
the room of "Space and Time"

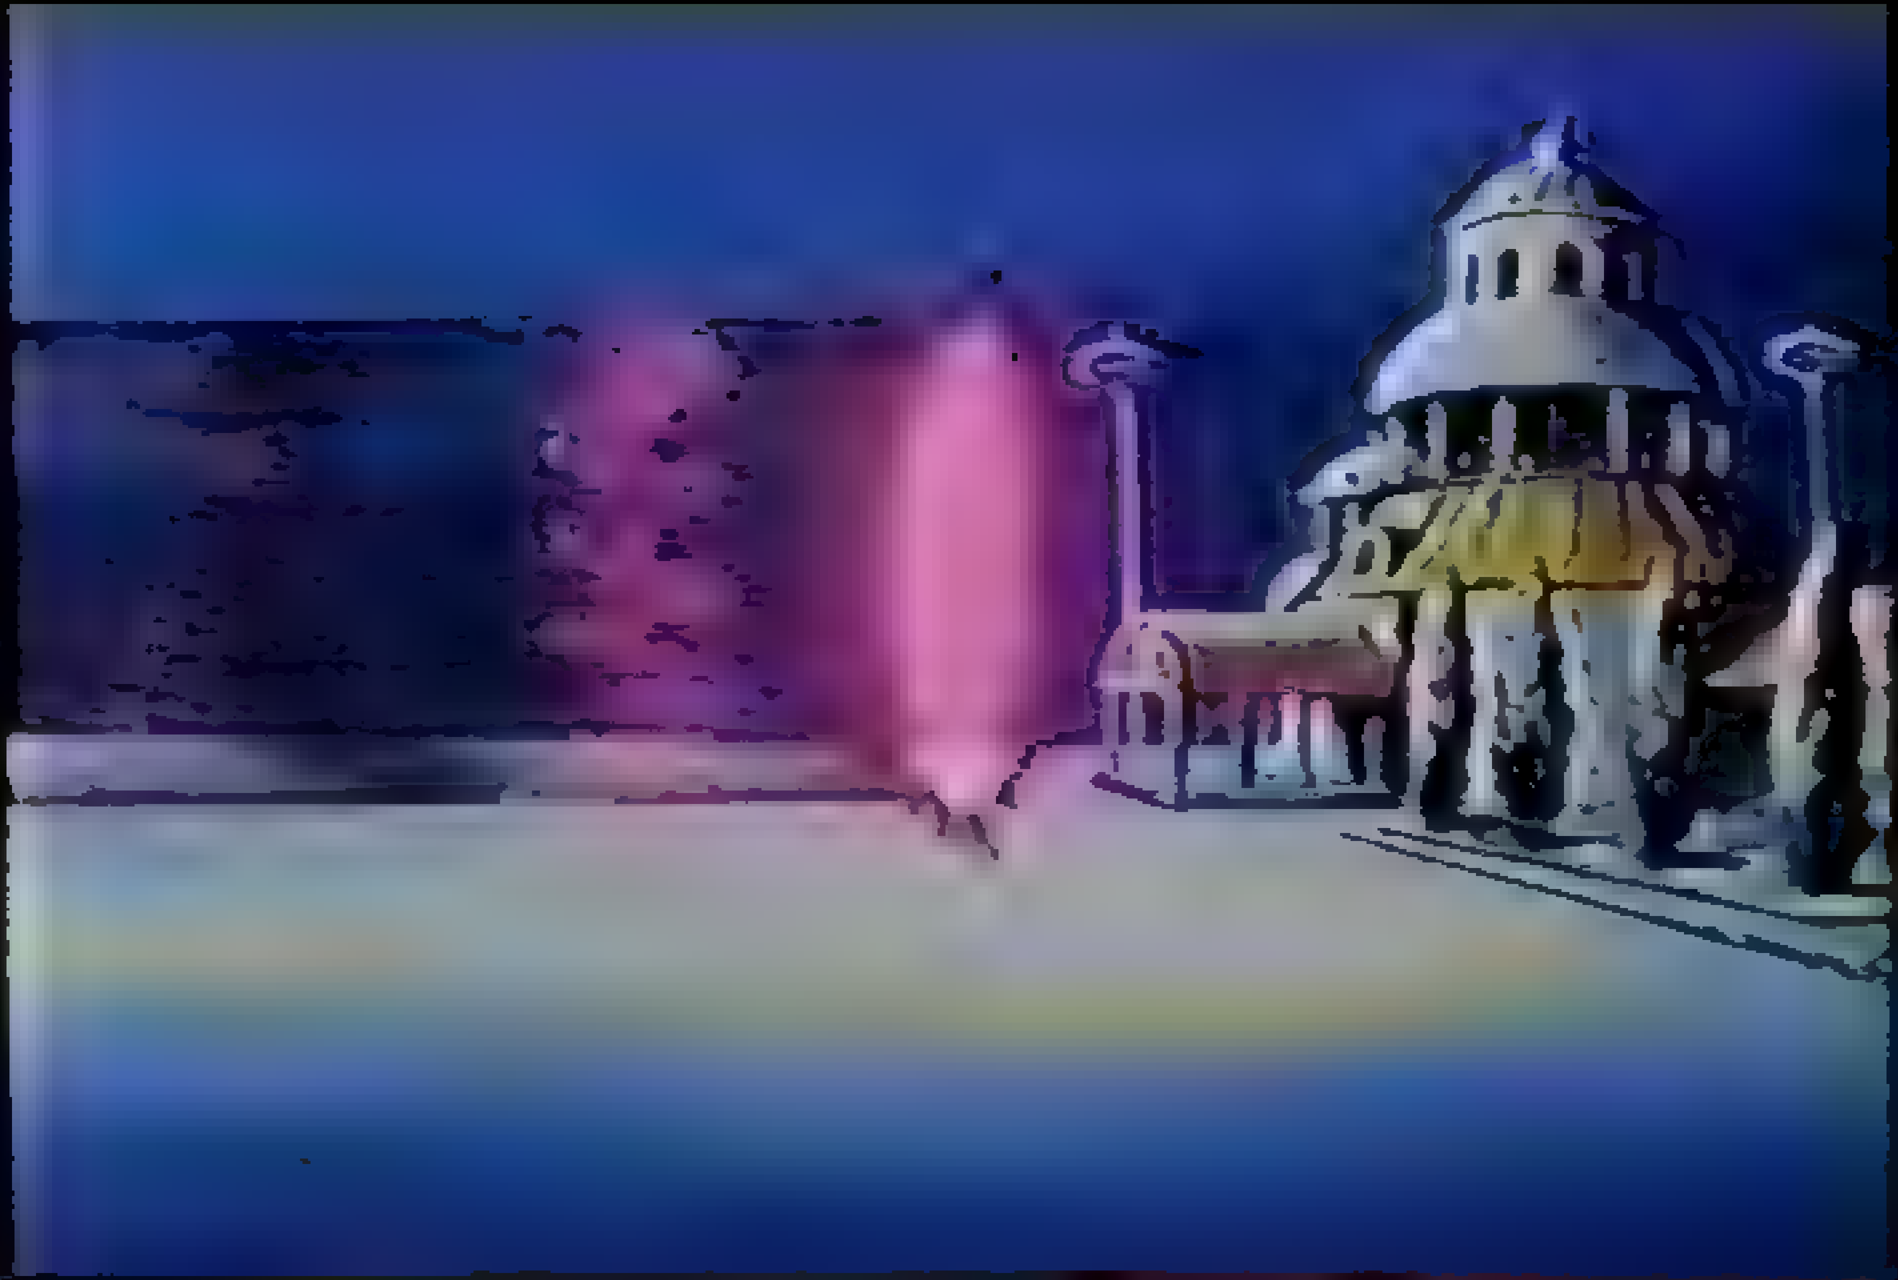

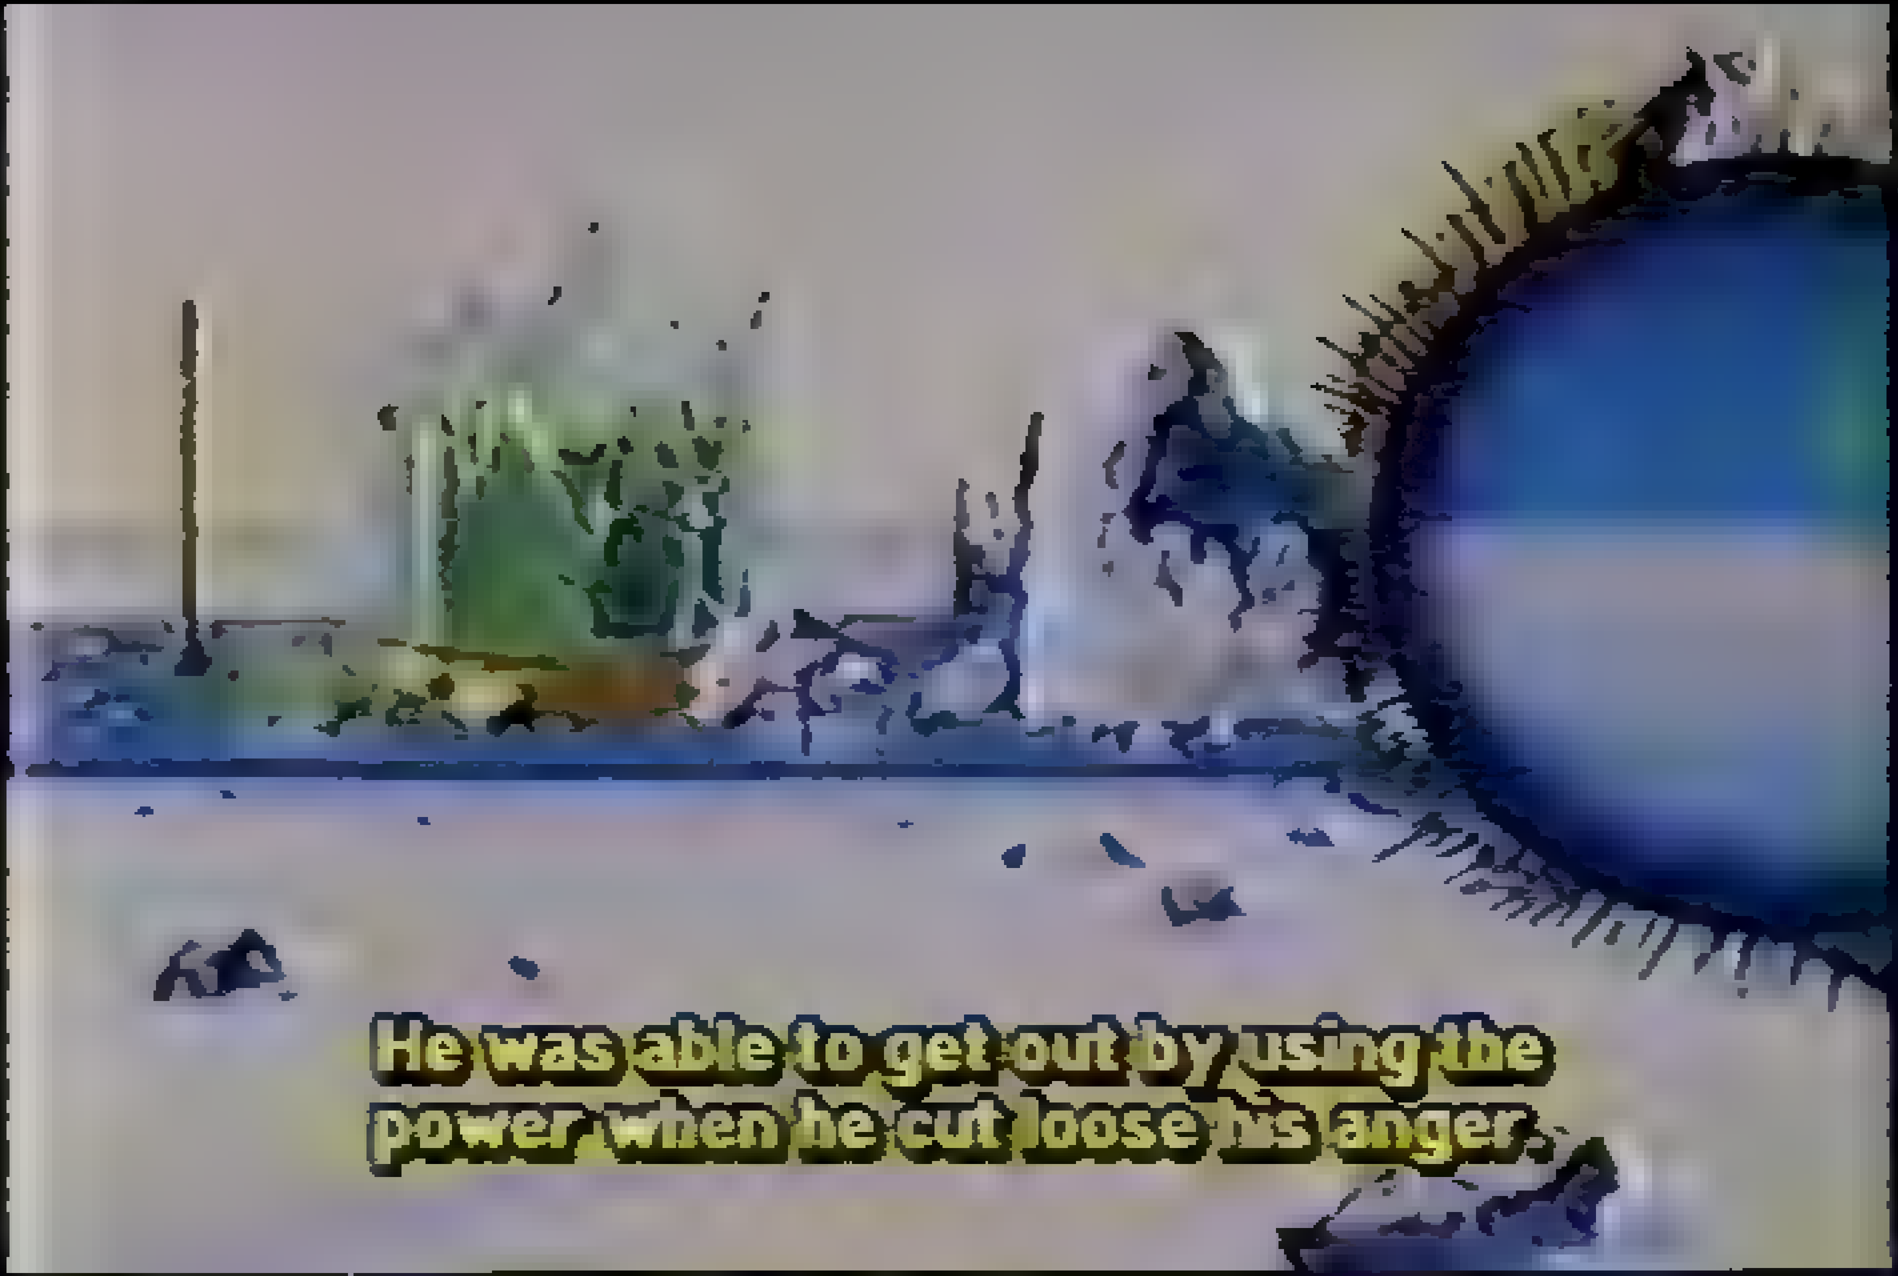

No fucking way!

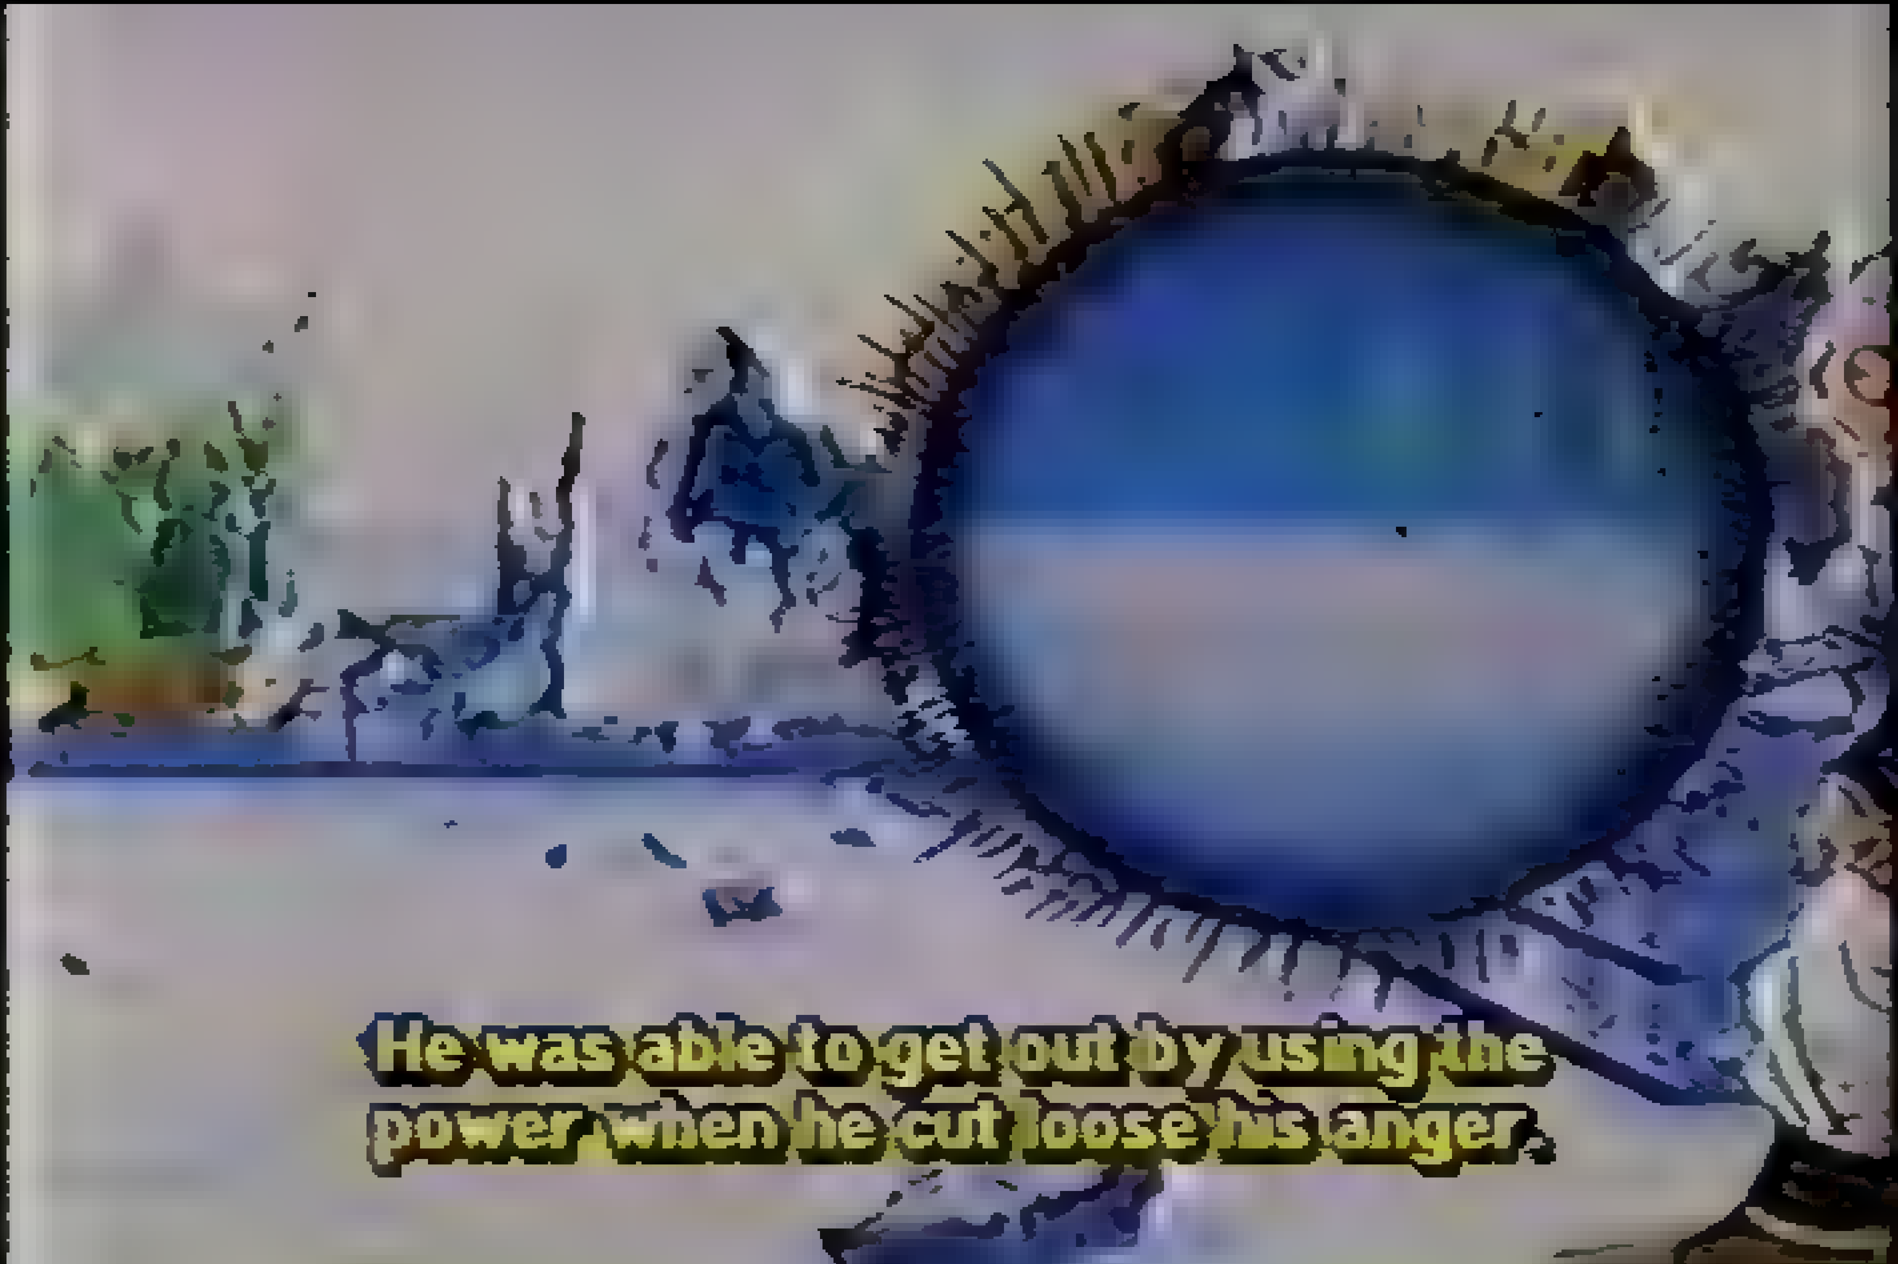

No fucking way!

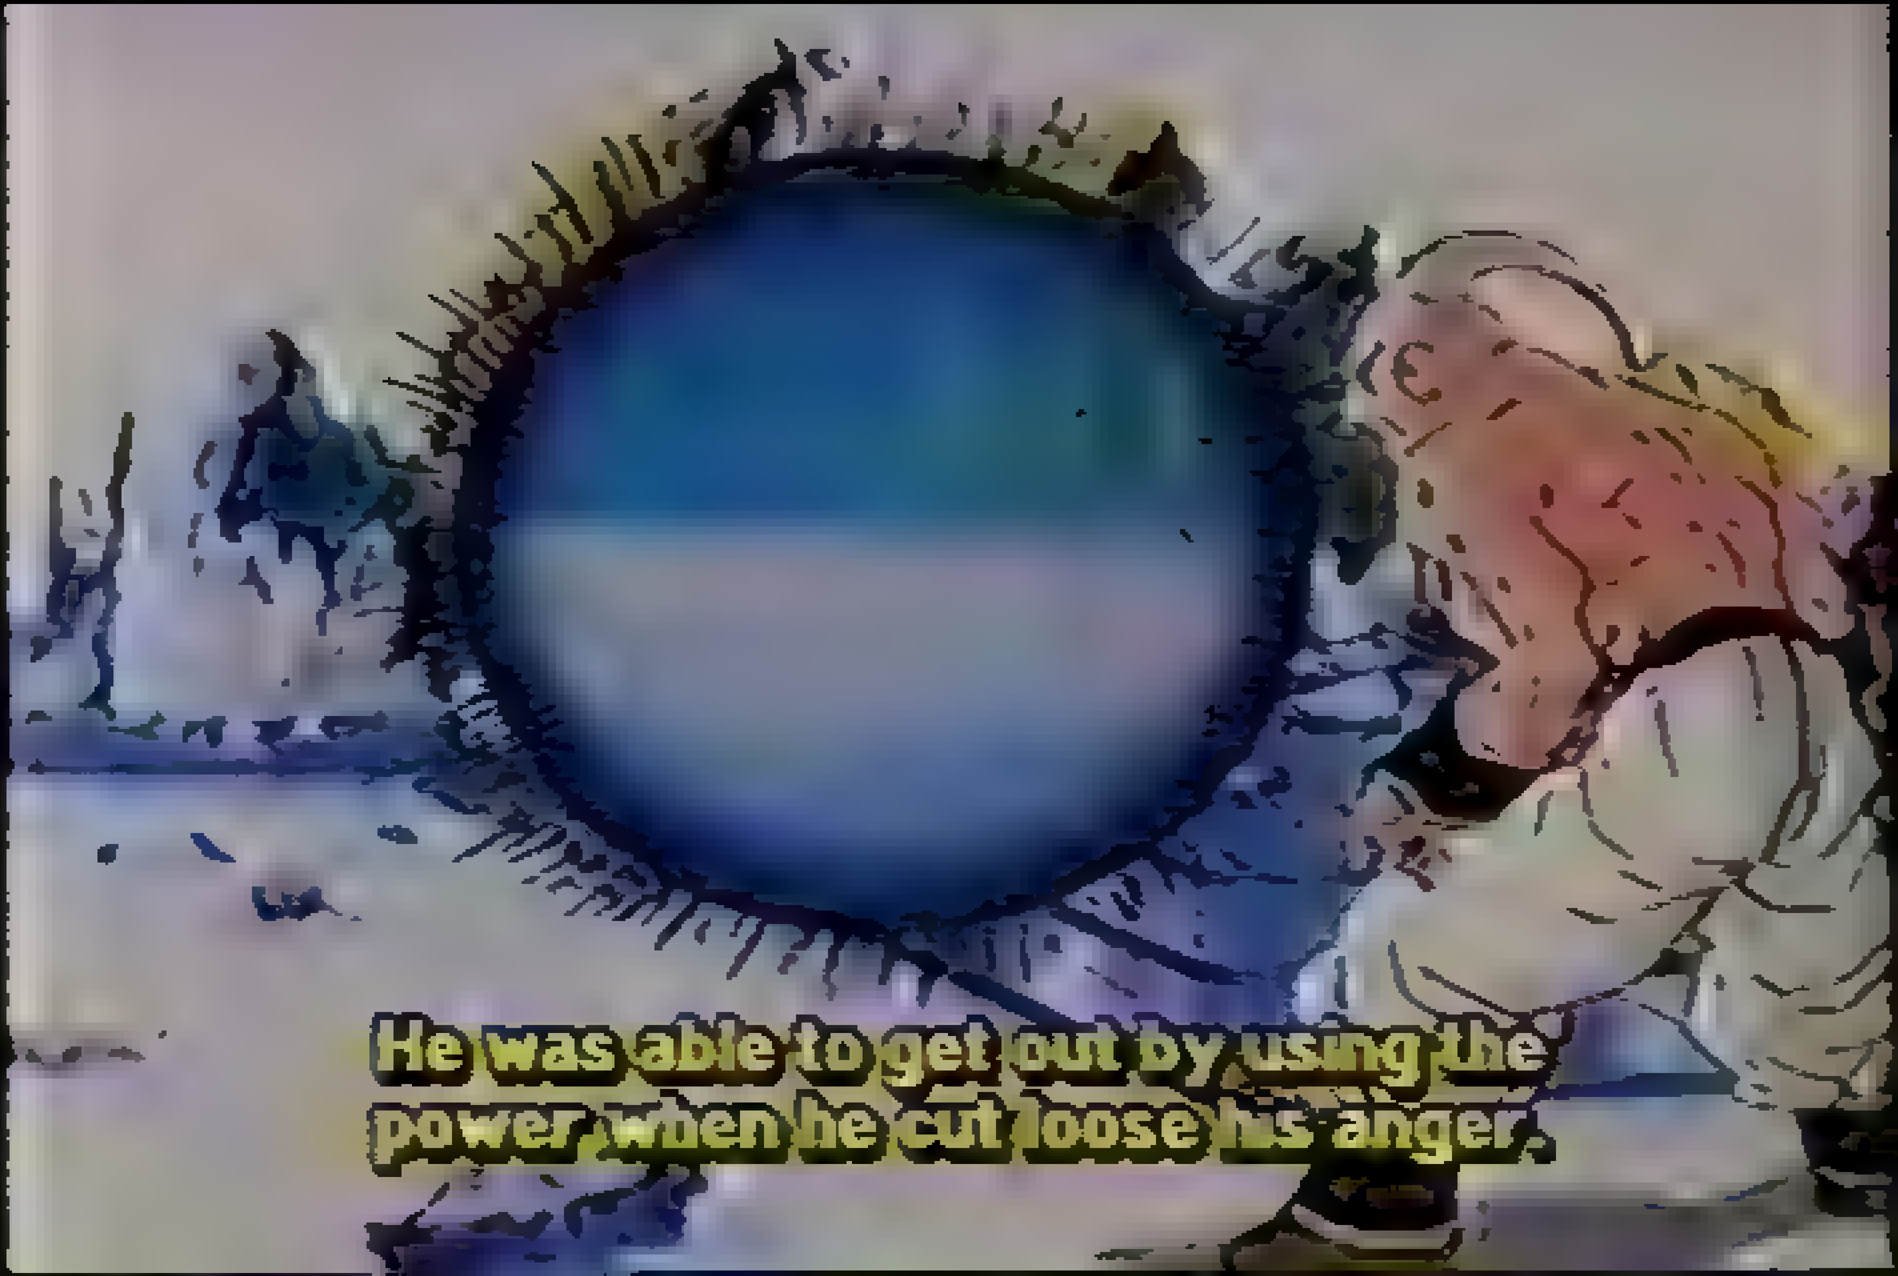

He was able to get out by using the
power when he cut loose his anger.

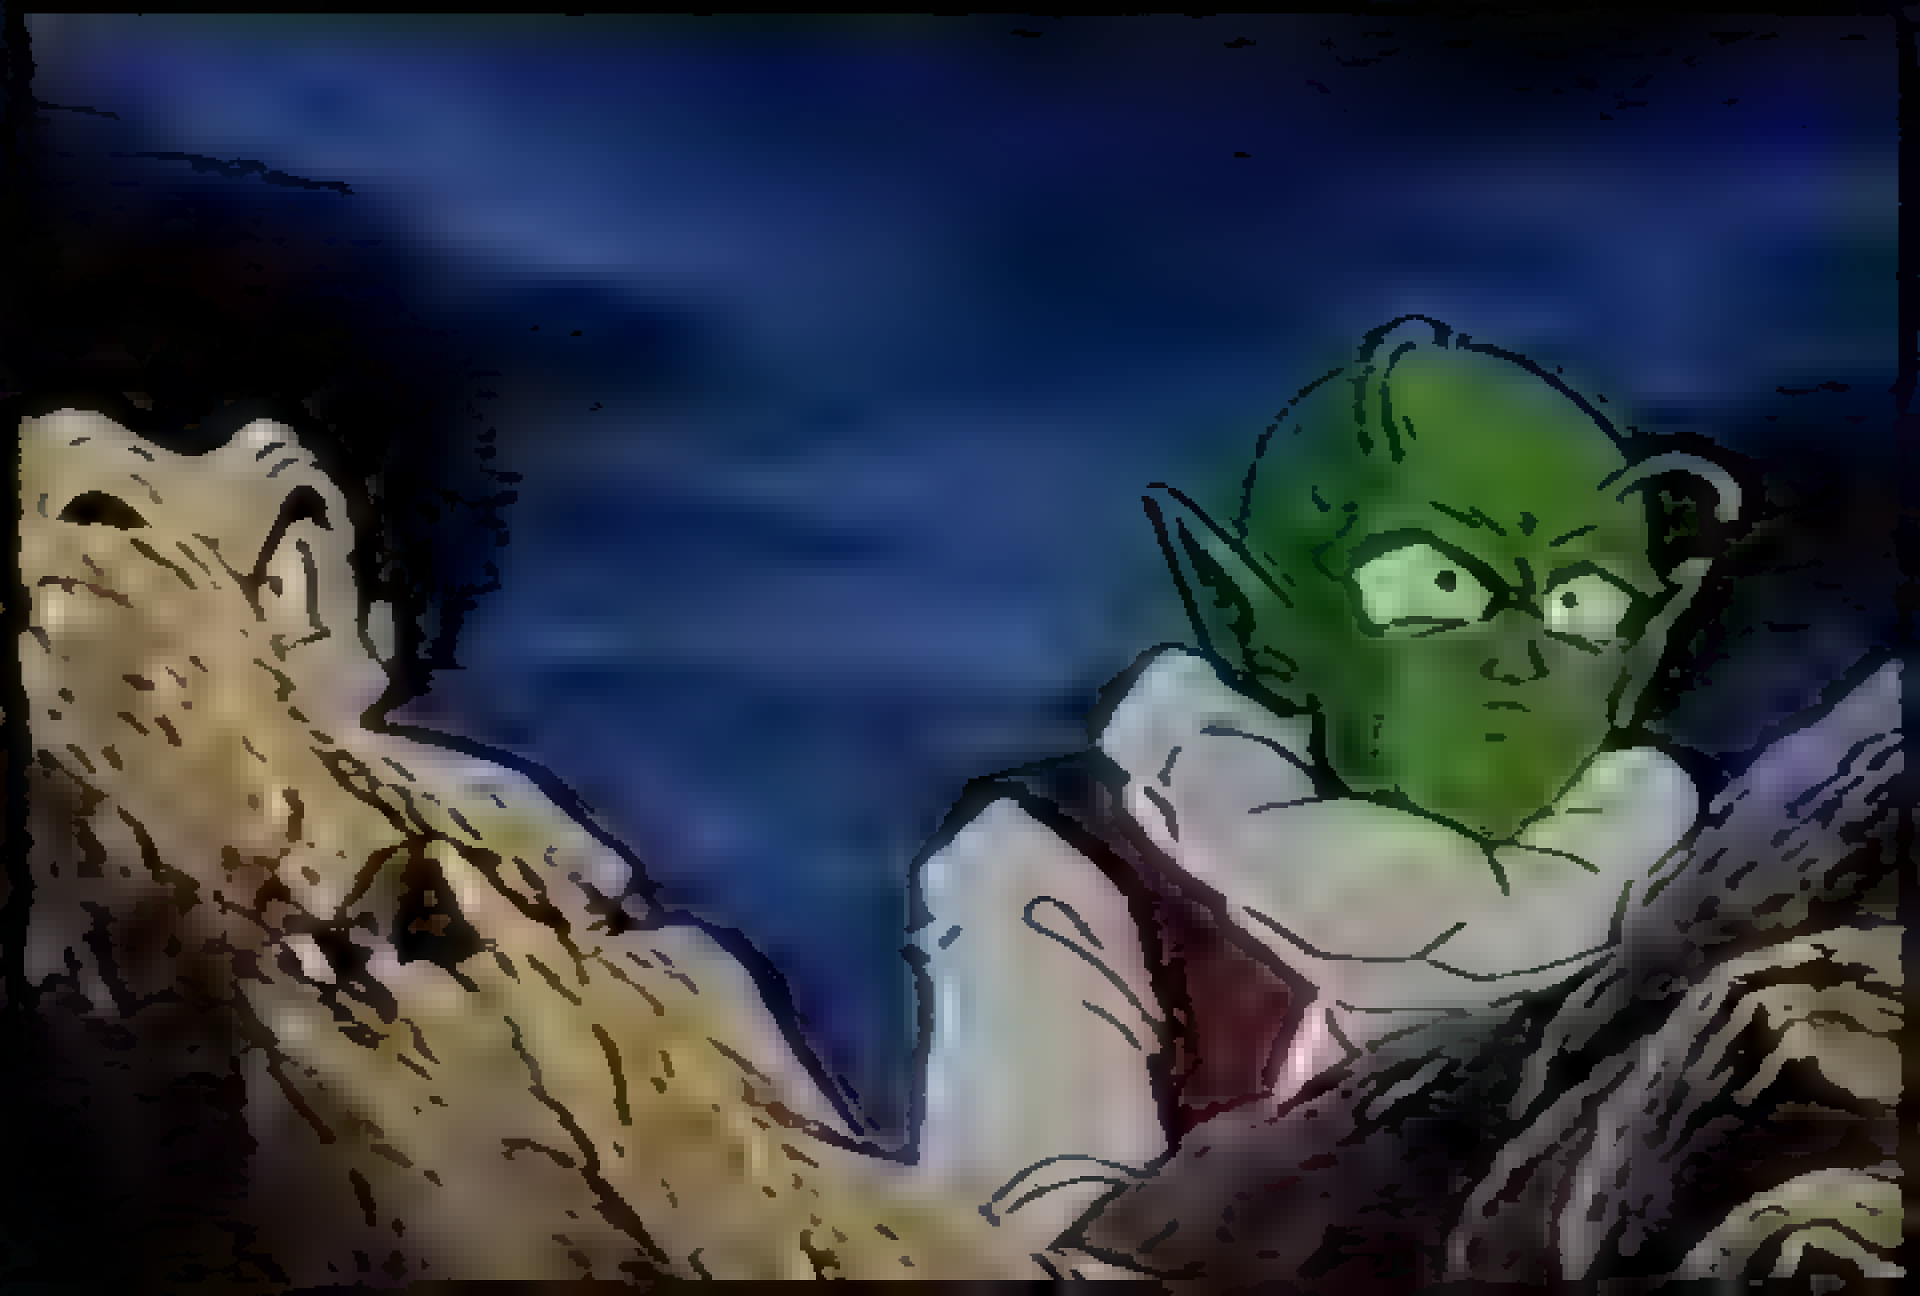

He was able to get out by using the
power when he cut loose his anger.

He was able to get out by using the
power when he cut loose his anger.

Look...

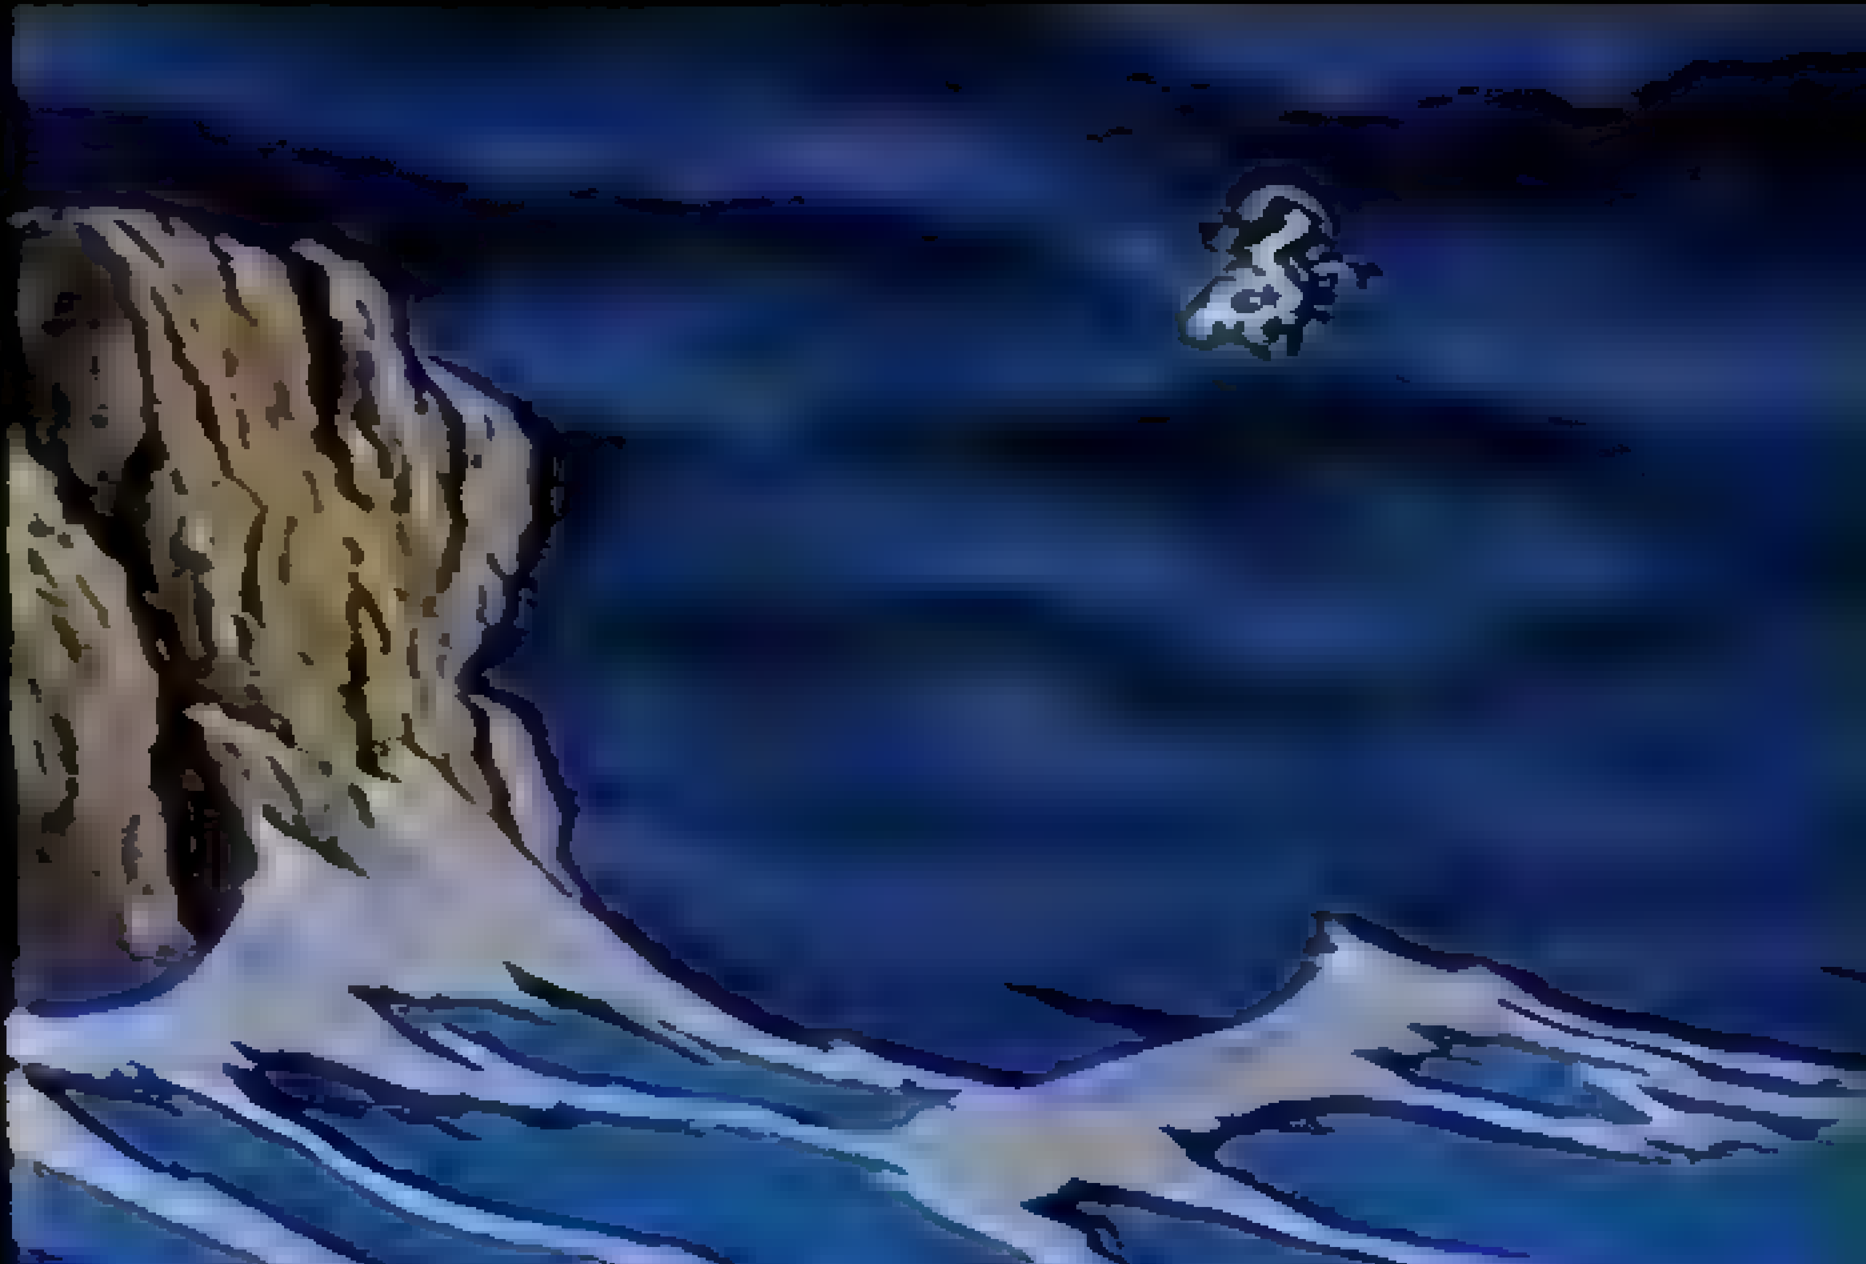

the dimension around Buu's
anger is starting to tear.

the dimension around Buu's
anger is starting to tear.

the dimension around Buu's
anger is starting to tear.

If this continues, another
dimension will spill over into ours.

dimension will spill over into ours.

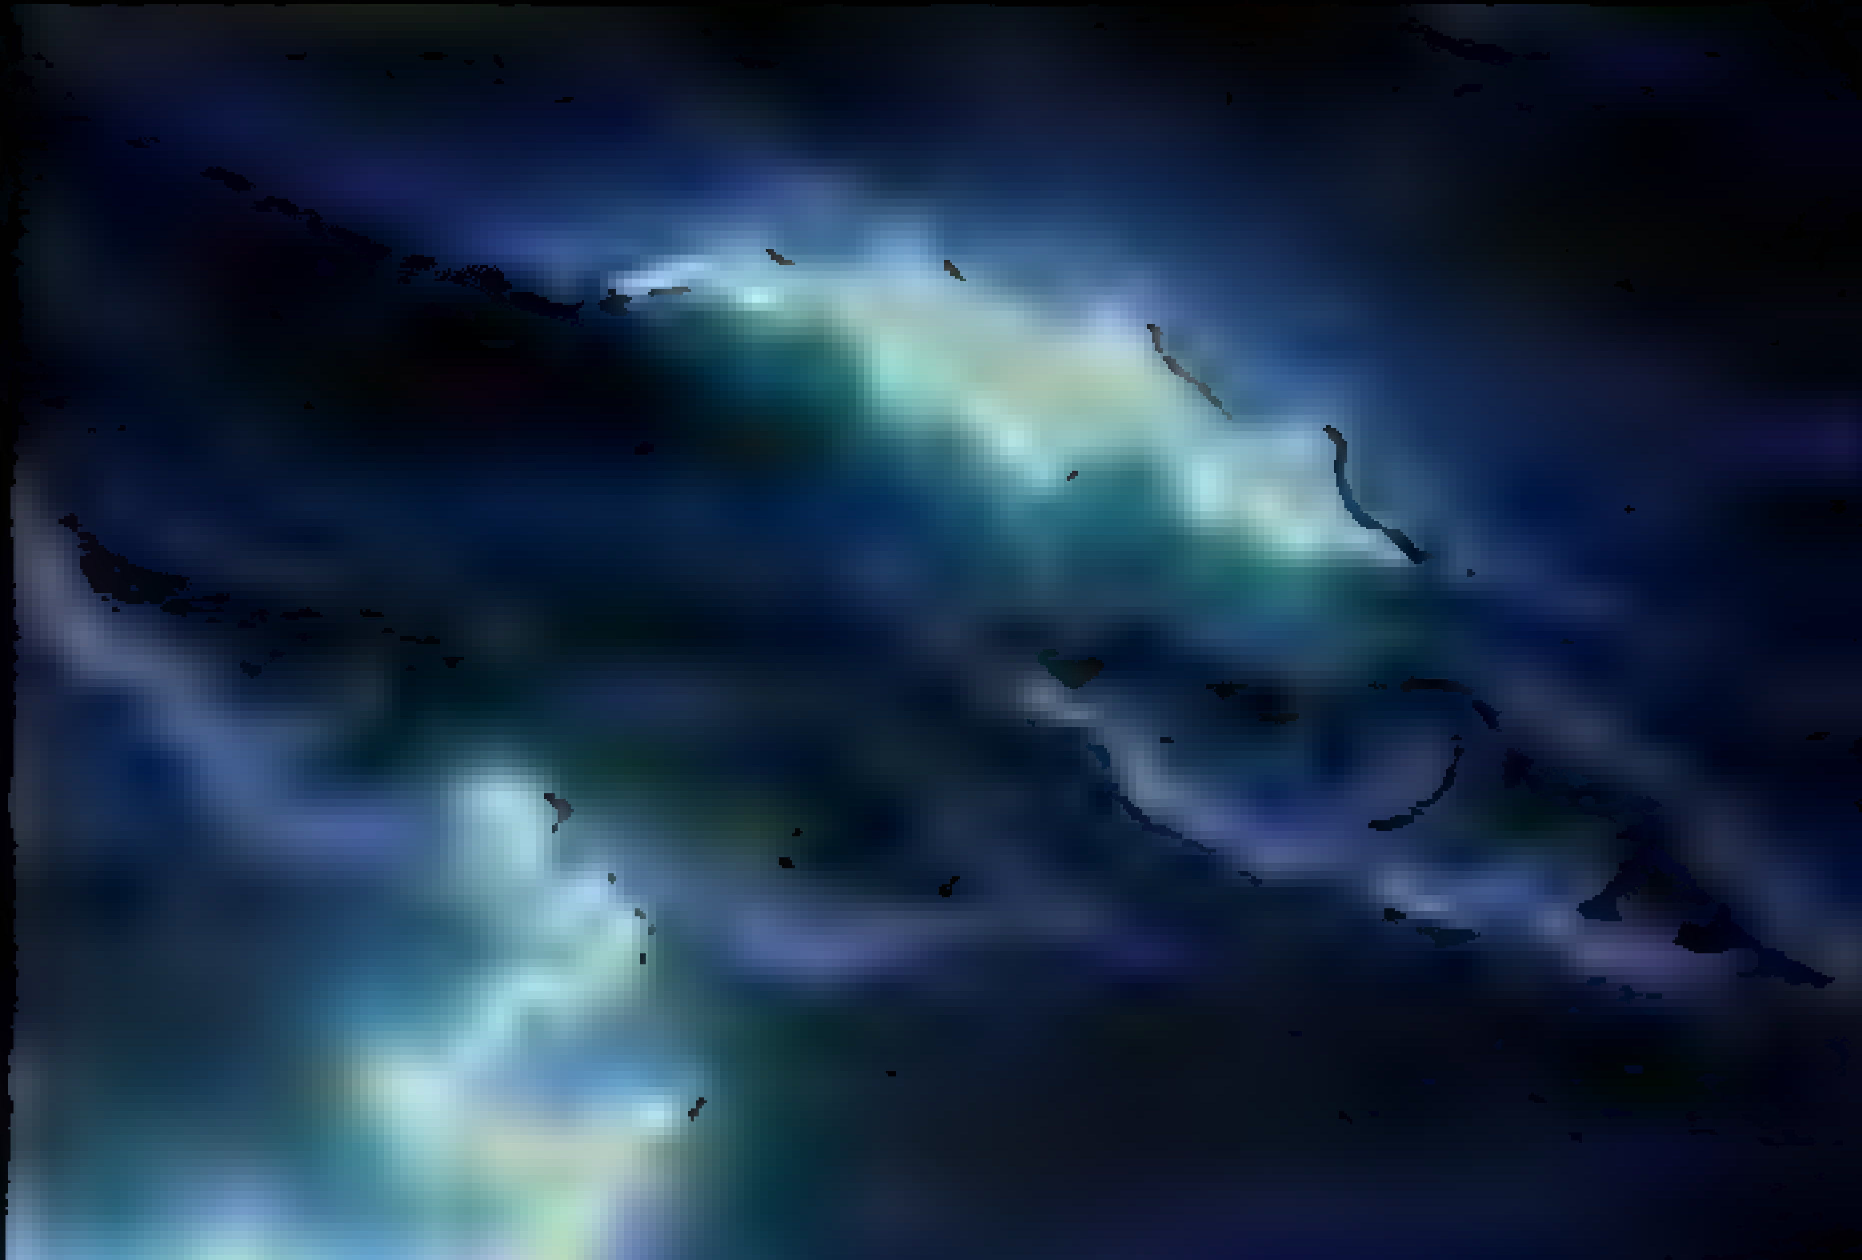

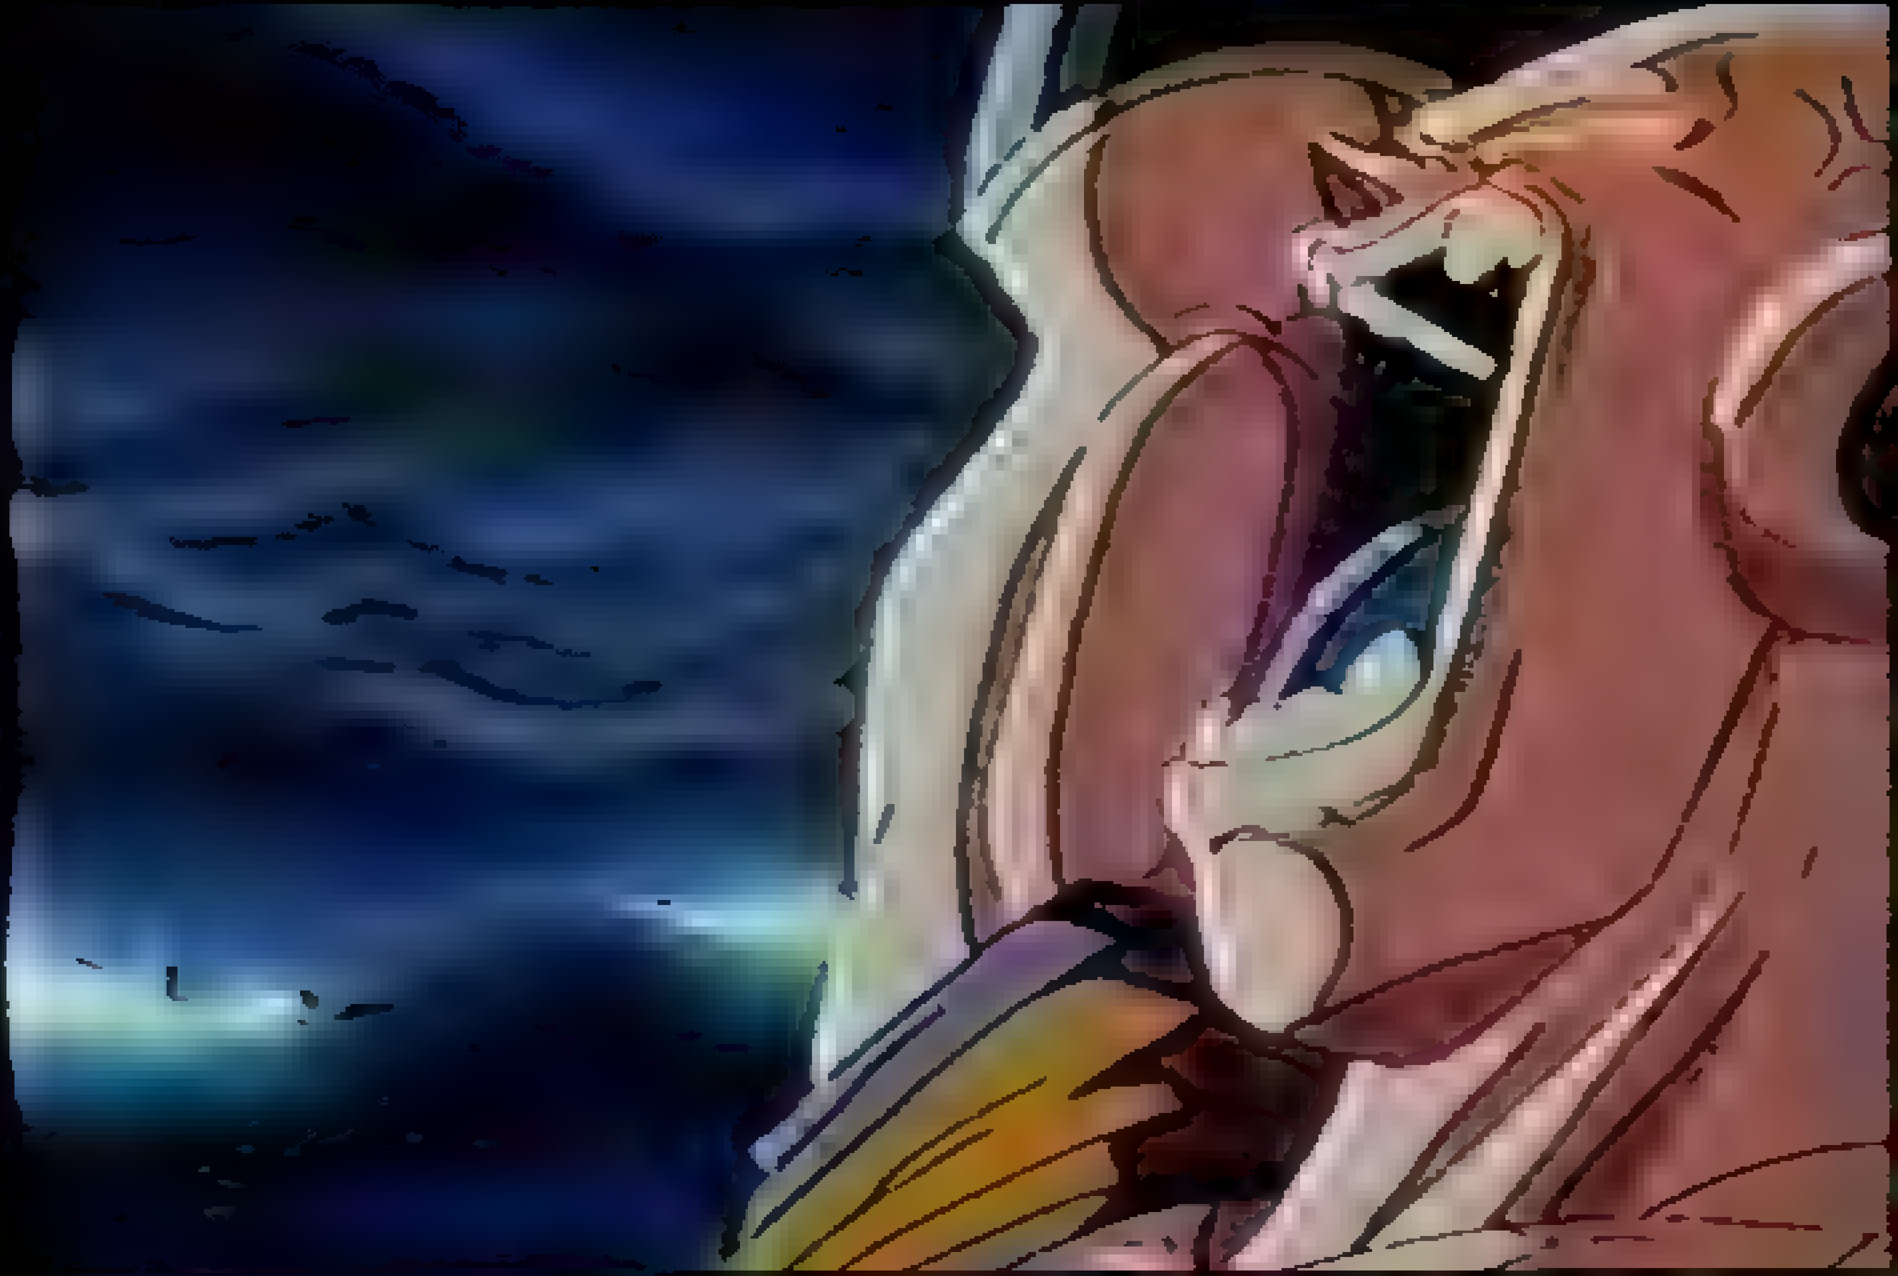

You make... You make fun of me?!!

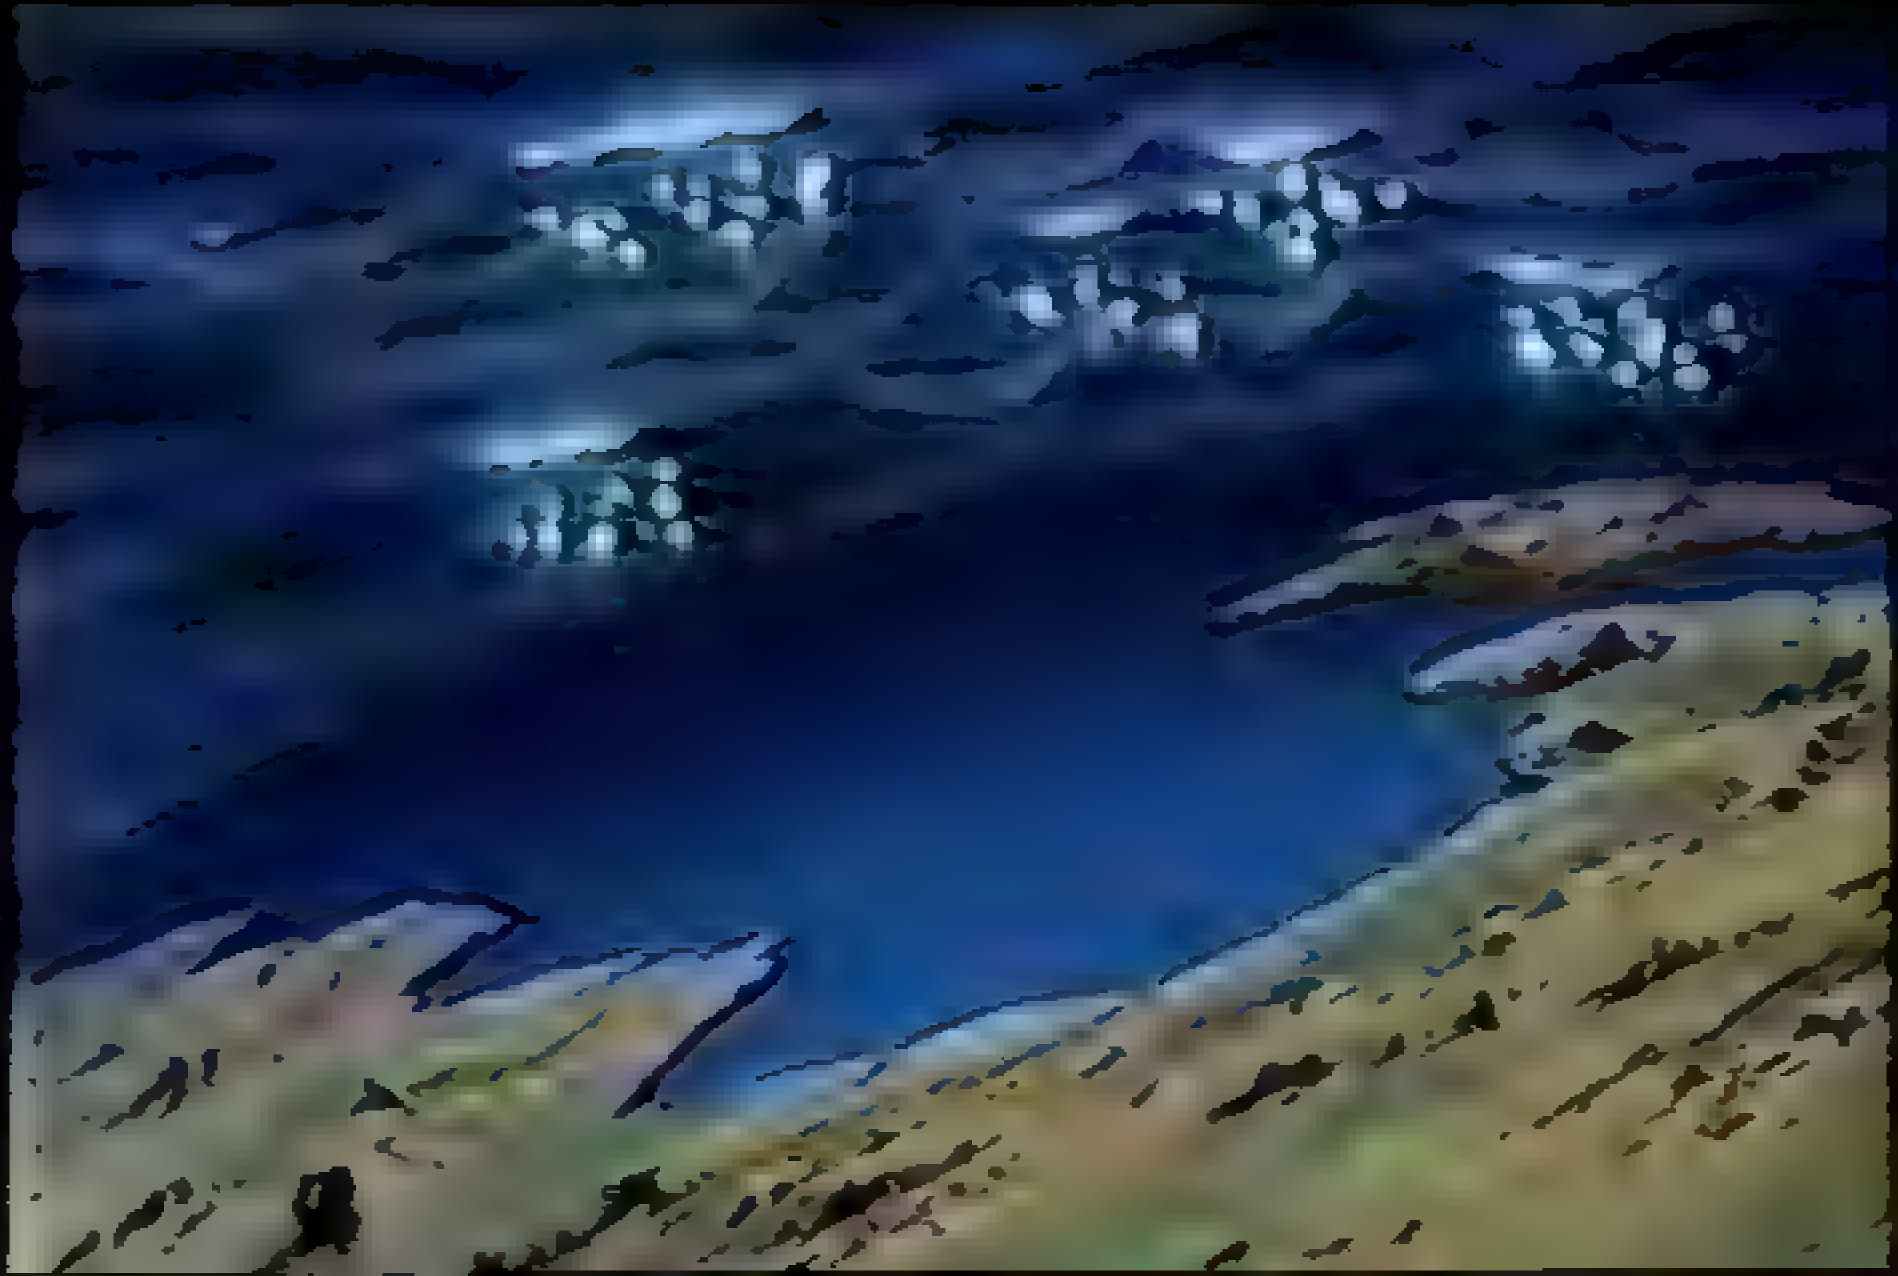

You make... You make fun of me?!

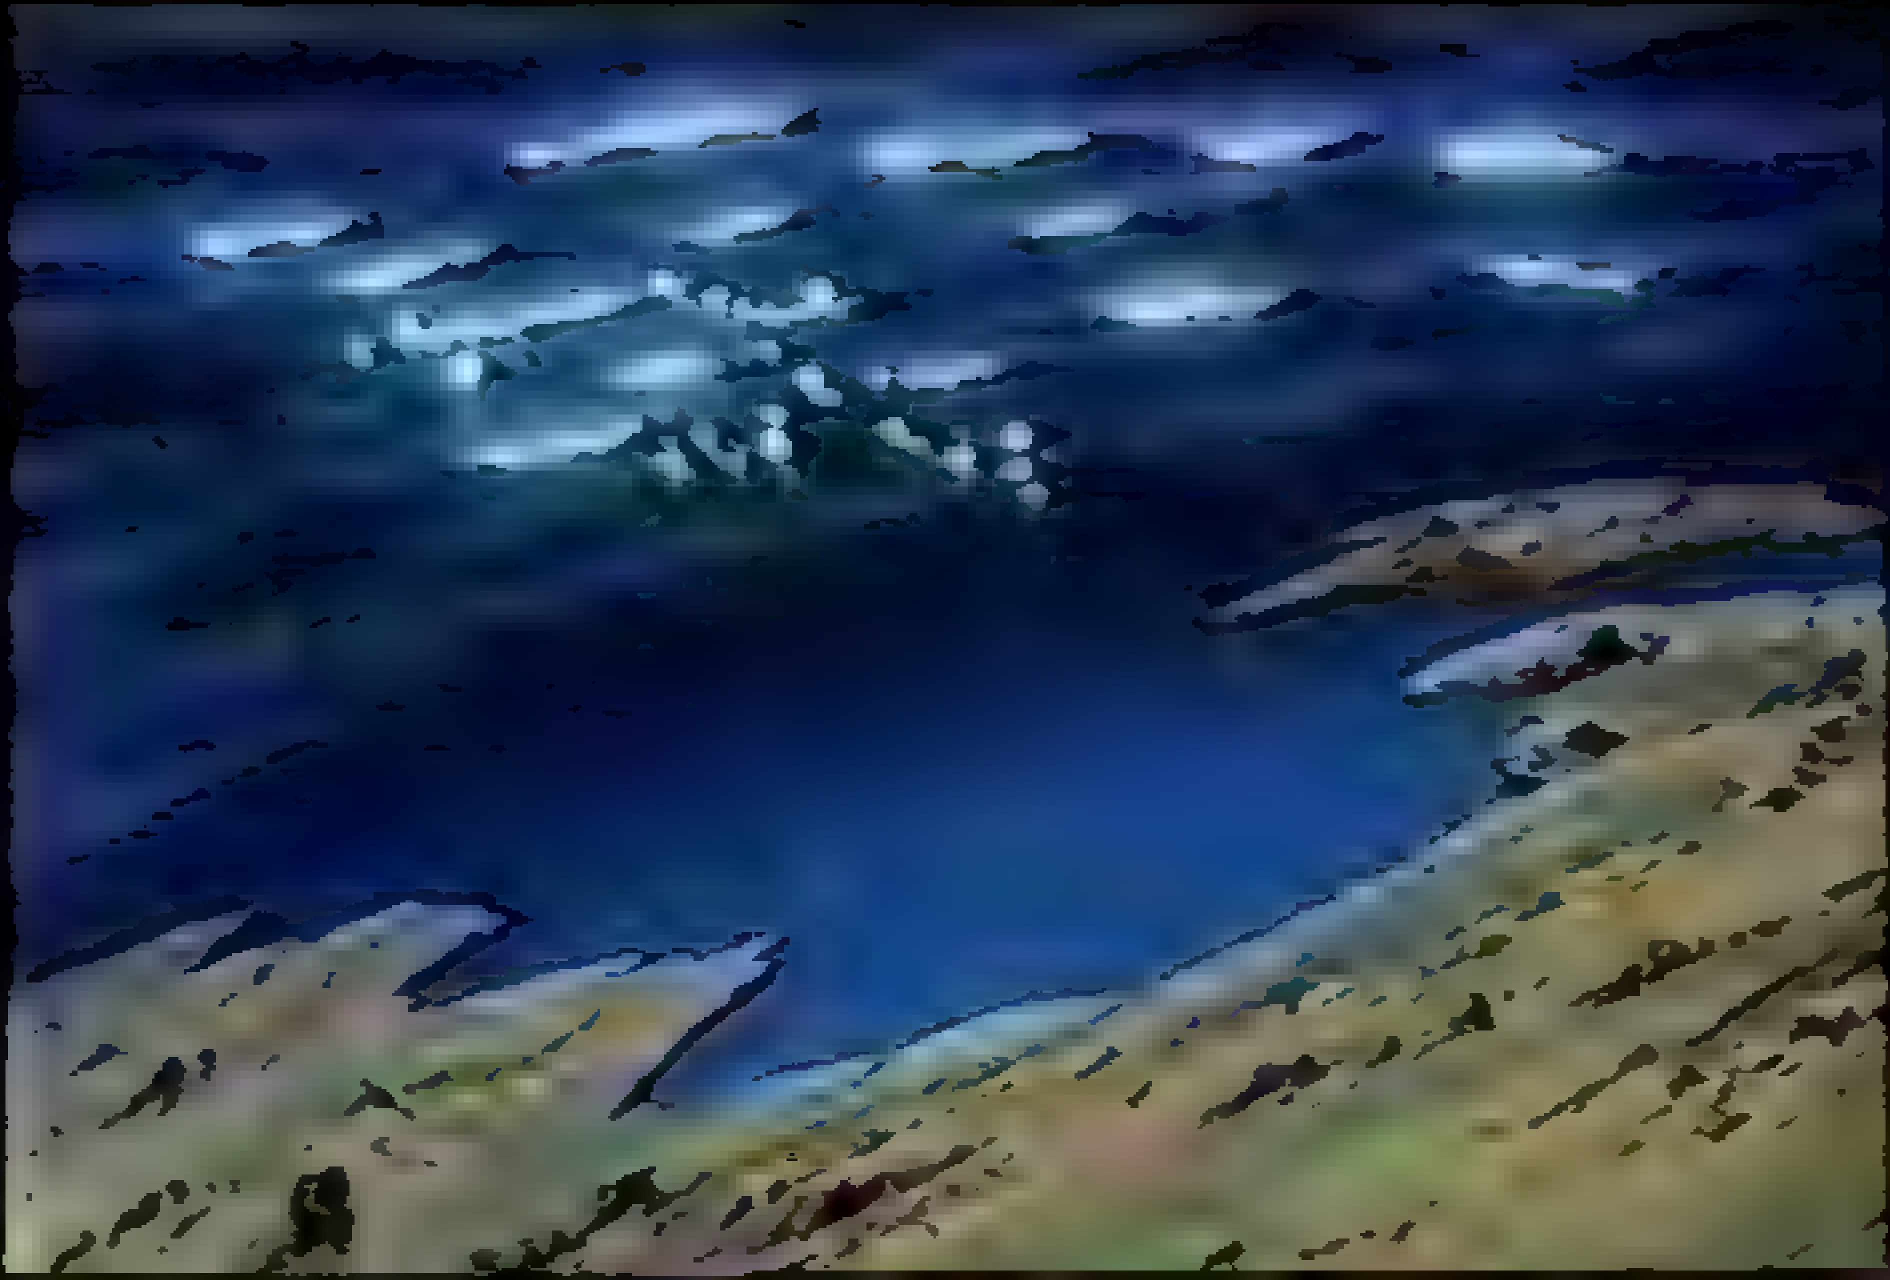

You make... You make fun of me?!

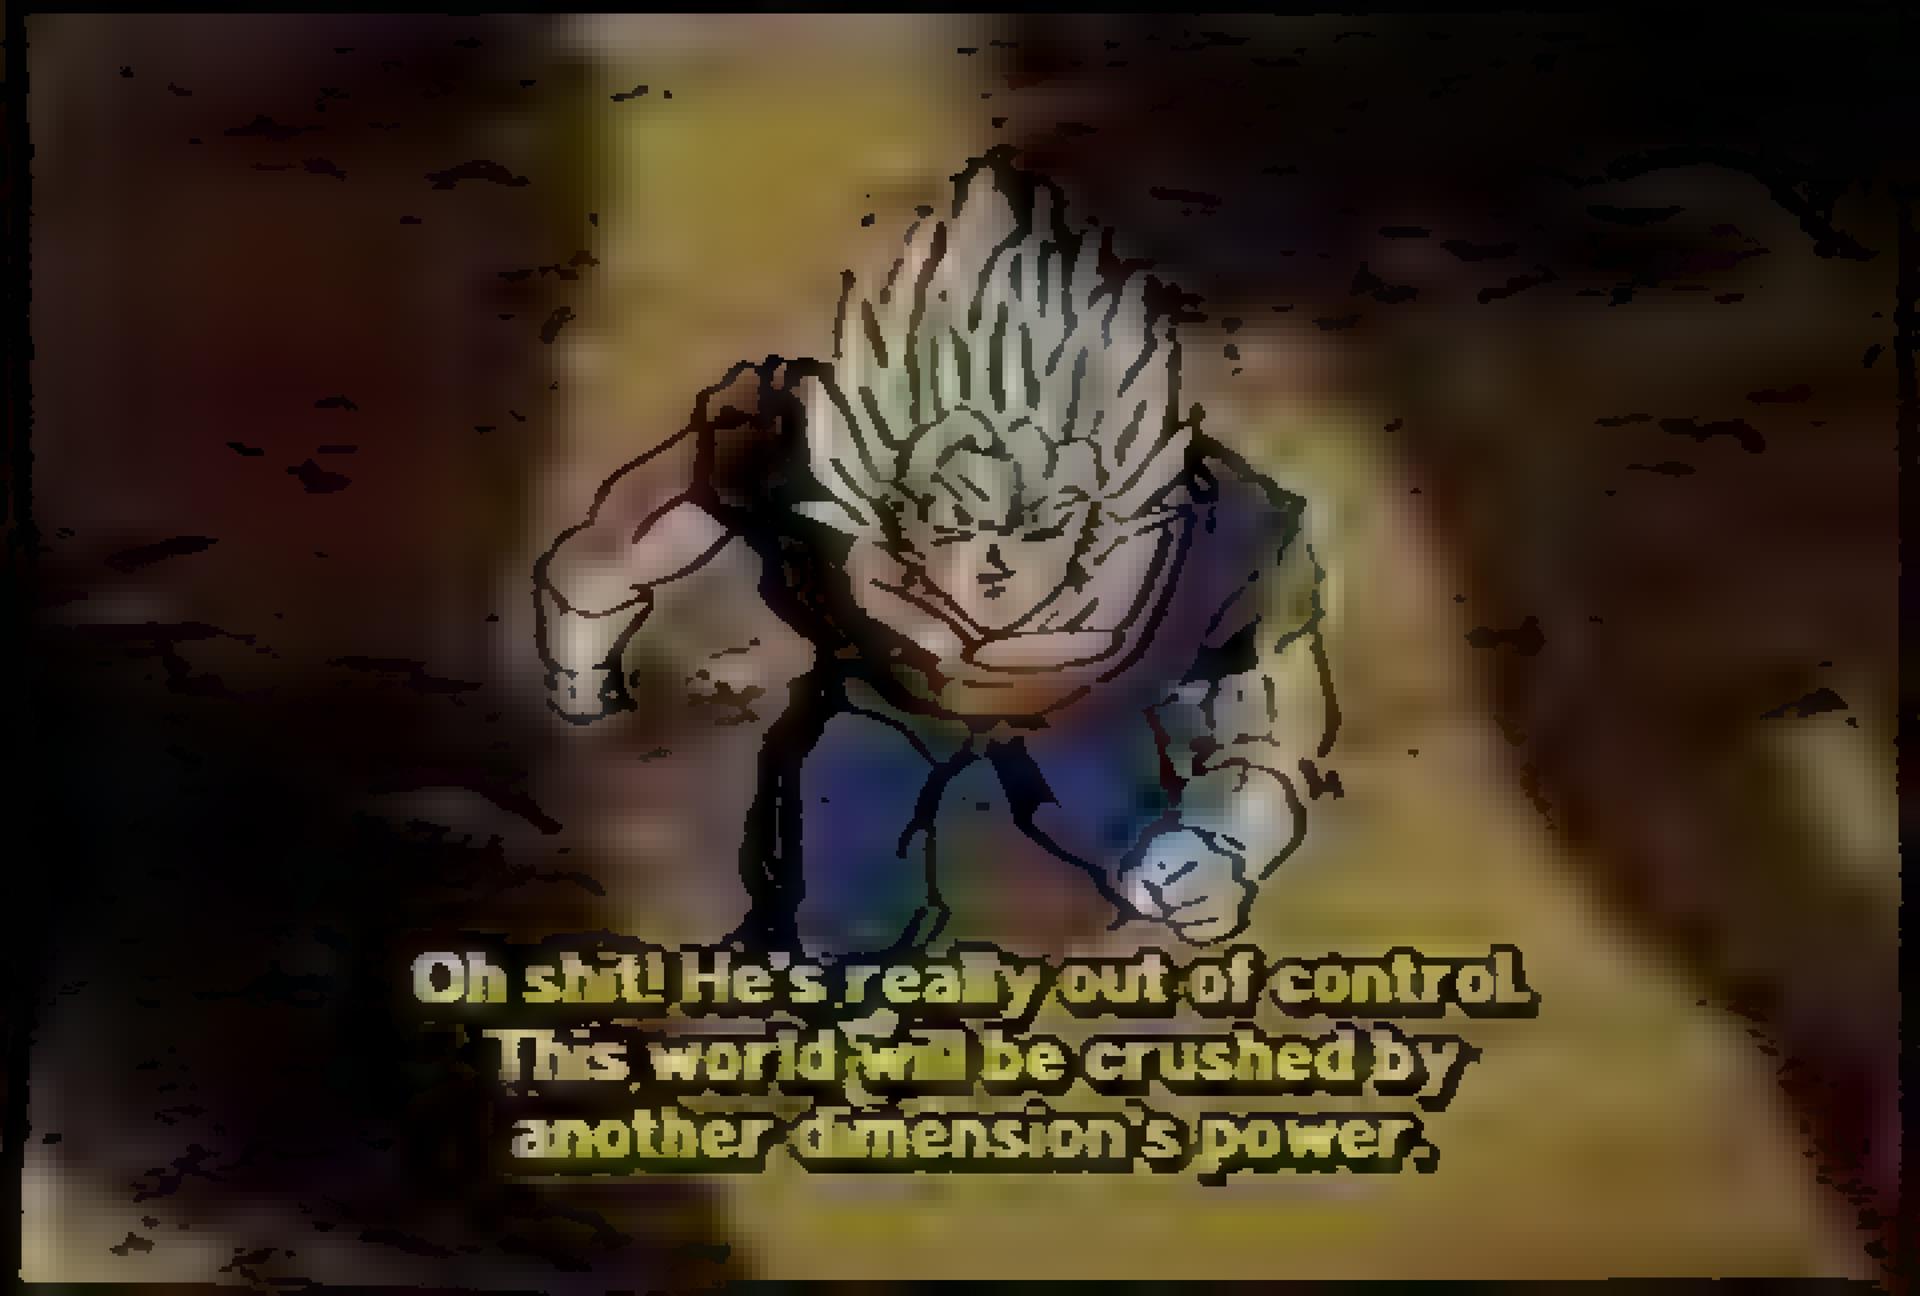

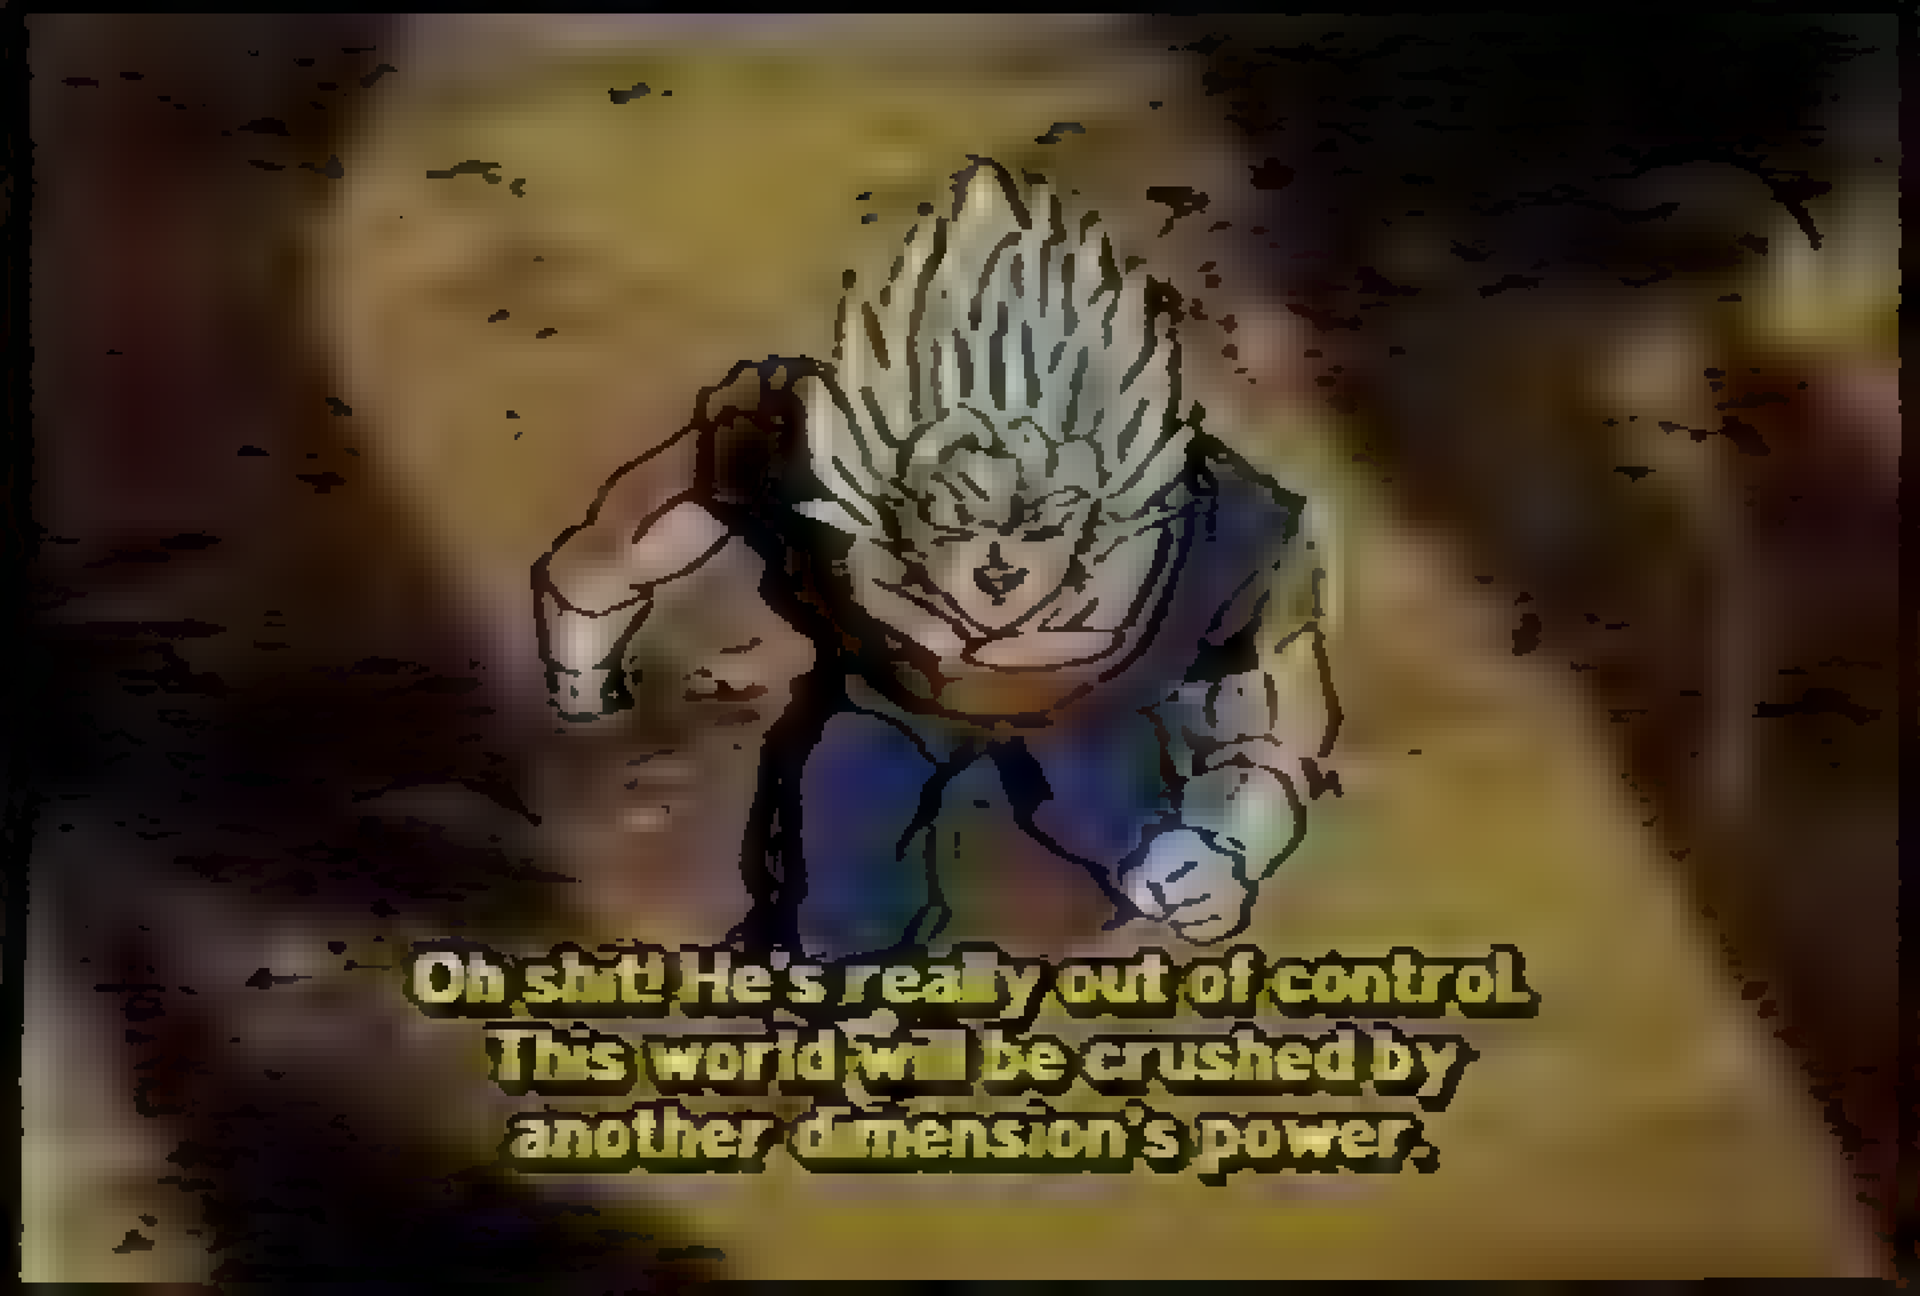

Oh shit! He's really out of control.
This world will be crushed by
another dimension's power.

Oh shit! He's really out of control.

What am I doing?

You've got incredible power. Why
don't you use that power on me?!

the best by beating me, right?
